CHUGHTAI LAB
ONE NATION - ONE LAB

MEDICAL SERVICE AGREEMENT

between

CHUGHTAI LAB

and

City Traffic Police, Rawalpindi

To be signed in duplicate, each copy being treated as original

BACKGROUND

The primary function of City Traffic Police, Rawalpindi is to control and regulate vehicular traffic on roads of the city in highly polluted environment and especially at & around construction area due to which inhaling of dust and smoke is a routine process. Because of atmospheric changes and physical wear and tear, most of the traffic warden: are suffering from multiple diseases which are purely because of the polluted environment and other likewise reasons. However, in the absence of a dedicated Police Medical Unit/Hospital, officials of this unit are facing great difficulties during the treatment process.

COOPERATION FRAMEWORK

City Traffic Police, Rawalpindi aimed to provide a facility of clinical assessment, pharmaceutical items and radiological investigative facility to Traffic staff working in Rawalpindi and their limited family members at discounted rates through the active support and channel of laboratories and collection points of Chughtai Lab situated across country.
