TNFJ	Tehreek Nafaz-e-Fiqha Jafiria
TNP	Turkish National Police

CHAPTER 1

THE ARCHITECTURE OF PUNJAB POLICE

Punjab, the heartbeat and most populous province of Pakistan, is guarded by a formidable force of **218,913 personnel**—the largest police organization in the nation. At the helm sits the **Inspector General of Police (IGP)**, also designated as the Provincial Police Officer. Operating from the historic provincial capital of Lahore, the IGP oversees a vast, decentralized command structure designed to project authority across diverse terrains.

The Command Hierarchy

The operational pulse of the province is managed through a strategic network of field commanders:

- **The CCPO:** Dedicated oversight of the Lahore metropolis.
- **Regional Police Officers (RPOs):** Ten high-ranking officers stationed in pivotal hubs—ranging from the industrial corridors of Faisalabad and Gujranwala to the strategic frontiers of DG Khan and Rawalpindi.
- **District Police Officers (DPOs):** The frontline executors who manage individual districts under the supervision of their respective RPOs.

Specialized Units & Strategic Nerve Centers

Beyond traditional patrolling, the force is bolstered by specialized wings led by Additional IGPs and DIGs. These elite units—including the **Counter Terrorism Department (CTD)**, the **Elite Force**, and the **Punjab Safe Cities Authority (PPIC3)**—provide the surgical precision required for modern threats.

The **Central Police Office (CPO)** in Lahore serves as the institutional brain, housing essential branches such as:

- **Intelligence & Investigation:** Specialized units like the **Fingerprint Bureau**, which maintains the nation's most comprehensive biometric database.
- **Infrastructure & Innovation:** Logistics, Information Technology, and Research & Development.

- **Accountability & Welfare:** Internal oversight, training, and personnel finance.

Legal Mandate and Modern Governance

The Punjab Police operates at the intersection of history and reform. While its roots trace back to the **Police Act of 1861**, its modern conduct is governed by the **Police Order 2002** and the **Police Rules of 1934**.

As an ex-officio Secretary to the Government, the IGP enjoys significant administrative and financial autonomy. This independence is vital for navigating a landscape fraught with socio-economic instability, rapid urbanization, and the persistent shadow of terrorism.

The Digital Frontier: Smart Policing

Transitioning from reactive to proactive enforcement, the department has embraced the **PPIC3 system**. This sophisticated command-and-control infrastructure utilizes smart surveillance and automated e-challans to instill discipline on the streets of Punjab. These technological strides are anchored in the core values of transparency, fairness, and the protection of human rights.

The Resource Challenge: > Despite its massive scale, the force faces a daunting demographic reality. With a population exceeding 110 million, the current ratio of **one officer per 560 citizens** reveals a critical resource gap. Bridging this divide is not merely an administrative goal—it is a prerequisite for ensuring the safety and sovereignty of the province's future.

CHAPTER 2

DIG, HEADQUARTERS

Introduction

The DIG Headquarters is the Principal Staff Officer to the Provincial Police Officer, Punjab. As per distribution of work at Central Police Office vide IGP's Standing Order No. 3 of 2018, DIG, Headquarters supervises AIG, Discipline and Deputy Director, CPO. AIG, Discipline supervises Discipline & Secret Branches and Deputy Director, CPO supervises Executive-I, II and III Branches.

Main Functions Performed by the DIG, Headquarters

- i. Process transfers/postings matters of DSPs, SPs, SSPs.
- ii. Initiate summaries for the Chief Minister for transfers/posting of DPOs, RPOs, DIGs and Addl. IGPs.
- iii. Promotions, discipline and service representations of gazetted police officers.
- iv. Assist the PPO in formulation of policies for personnel management of gazetted police officers.
- v. Act as the Secretary to the Police Departmental Promotion Board (DPB).
- vi. Act as the member of the Police Departmental Promotion Committee (DPC).
- vii. Member rules framing committee.
- viii. Deal with matters related to civil service reforms in coordination with the S&GAD and the Establishment Division.
- ix. Assist PPO in the personnel management of Police Service of Pakistan and Punjab Police.
- x. Coordinate with the Governor and the Chief Minister Secretariat for matters under purview.
- xi. Supervise the working of AIG Discipline and Deputy Director CPO.
- xii. Any other matter assigned by the PPO.

Main Functions Performed by the AIG Discipline.

- i. Formulation of Police Accountability & Disciplinary Policy.
- ii. Monitoring the implementation of Accountability and Disciplinary Policy.
- iii. Supervision of Discipline and Secret Branches and the Directives Cell.
- iv. Management of disciplinary matters of gazetted officers.
- v. Deal with disciplinary matters with special reference to violation of Human Rights, death in Police custody, escape from Police custody, involvement of police officers in criminal & corruption cases, strictures passed by courts, cases of embezzlement and fraud against Police employees.
- vi. Maintenance of disciplinary record of Police officers.
- vii. Statistical/empirical analysis of disciplinary matters with a view to revamping the system of accountability.
- viii. Scientific analysis of factors which adversely affect police discipline and suggest corrective measures in coordination with DIG R&D.
- ix. Management of gallantry medals, QPM, PPM, Civil Awards, Cash Awards and CC-I etc.
- x. Maintenance of declaration of assets record of officers.
- xi. Maintenance of database/record of Character Rolls of DSP and provincial SPs.
- xii. Management/conduct of the IGP's Orderly Rooms.

Main Functions Performed by the Deputy Director (Registrar)

- i. Supervision of the Executive Branches of CPO.
- ii. Deal with all establishment matters except discipline & training of PSP/PP/Experts & Specialist officers.
- iii. Maintenance of service record including permanent record of all GOs (PSP/PP).
- iv. Processing of GOs cases for grant of leave of all kinds.
- v. Attachment of officers for the purpose of pay & allowances.
- vi. Process the cases of scholarship of the officers for higher studies.

- vii. Maintenance/preparation of seniority lists of Punjab Police Officers (BS-17 & above).
- viii. Maintenance of gradation list of PSP officers serving in Punjab.
- ix. Preparation of working paper for promotion/proforma promotion cases of Inspectors to DSP and all cases from BS-17 to BS-18 and to conduct DPB/DPC meetings.
- x. Preparation of cases of Provincial SPs for encadrement in the PSP.
- xi. Assist in correspondence with Government of the Punjab, S&GAD and Federal Government regarding establishment matters of PSP officers.
- xii. Nominations/ selections of Police Officers (from Constable and above) for deployment on UN Peacekeeping Mission.
- xiii. Re-employment cases of Punjab Police Officers.
- xiv. Issuance of NOCs for passport and visas.
- xv. Acting as custodian of War Book/Manual and Blue Book, etc.
- xvi. Issuance of Safe Custody Certificate of secret documents.
- xvii. Processing of retirement cases of PP officers.
- xviii. Processing of encashment of LPR cases.
- xix. Processing of compensation cases of all deceased officers.
- xx. Issuance of obituary notifications.
- xxi. Contractual appointment and secondment of Army Officers (G.Os).
- xxii. Database/Issuance of IGP's standing orders.
- xxiii. Database/record of Executive Record Sheets (ERS) of officers.
- xxiv. Database/record of low downs and advisory/secret/intelligence reports.
- xxv. Database/record of dual nationalities holding officers and their immediate families (spouses and children) living abroad.
- xxvi. Maintenance of database/record of summaries submitted to the Chief Minister Punjab.
- xxvii. Issuance and maintenance of database of all Standing Orders.
- xxviii. Circulation of all Government notifications.

Main Objectives Achieved during the Fiscal Year 2024-25

a. Accountability and Discipline

- i. One Hundred and Seventy-Eight (178) cases against DSPs were finalized. Out of 178, Eighty-Six (86) regular disciplinary enquiries, Seventy (70) Show Cause Notices and Twenty-Two (22) fact finding enquiries, Explanations etc. were finalized.
- ii. Out of 178 cases, 119 Enquiries and Show Cause Notice etc. to officers in the rank of DSP were got disposed off/filed, in which Twenty-Nine (29) Letter of Displeasure/Advice/Warning were issued.
- iii. Assisted IGP in awarding Seven (07) Major Punishments, Forty-Eight (48) Minor Punishments and Four (04) under pension rule punishment to officers in the rank of DSP.
- iv. Assisted in holding Eighteen (18) Orderly Rooms against DSPs by the IGP.
- v. Six (06) cases were sent to S&GAD for initiating disciplinary action against officers of the rank ASP, SPs & above.

b. Award and Cash Reward

- i. Processed cases of (4706) officers/officials for commendation certificates Class-I (CC-I) along with cash rewards.
- ii. Processed cases amounting to Rs.118,014,000/- for distribution amongst police officers/officials on account of good performance.
- iii. (503) letters of appreciation were issued to the officers who exhibited excellent performance.
- iv. Forwarded (10) case of Civil Award to Home Department, Government of the Punjab.
- v. Forwarded (15) case of QPM/PPM to Home Department, Government of the Punjab.
- vi. A large number of ceremonies relating to Cash Reward, award of IGP Gallantry Medal, Ghazi Medal were held during the year.

c. Completion of Dossiers/Synopsis for Promotion Cases.

- i. PERs of 298 ASPs/SPs/SSPs/DIGs (PSP) were got completed and sent to the S&GAD, Govt. of Punjab for consideration in the promotion boards.
- ii. C.R Dossiers of 32 SPs were got completed for their encadrement as PSP.
- iii. C.R Dossiers of 122 most senior DSPs (General Executive/Legal/Traffic Branches) were got completed, consequently 40 DSsP promoted to the rank of SP.
- iv. C.R. Dossiers of 702 most senior Inspectors were got completed, resultantly 234 Inspectors promoted to the rank of DSP.
- v. C.R Dossiers of 173 Senior Traffic Wardens were got completed, resultantly 92 STWs were promoted as Traffic Officer (BS-17).
- vi. C.R Dossiers of 285 members of ministerial staff (all ranks) were got completed for their promotion.

d. Promotions and Decisions on Appeals/Representations.

- i. One (01) meeting of Departmental Promotion Board was arranged for promotion from DSP to SP.
- ii. Promotions of 39 SPs of General Executive Branch, Traffic Sergeant Branch and Legal Branch were processed and recommended.
- iii. One (01) seniority list of 64 SPs (PP/BS-18) was processed and issued.
- iv. Cases of 29 Provincial Officers (SPs) for their encadrement as PSP were sent to S&GAD /Establishment Division out of which 26 officers have been encadred and 03 officers have been retired from service.
- v. 35 Appeals and writ petitions regarding promotion were defended in the Courts and PST.
- vi. Retirement notifications of 93 DSPs/BS-17 were issued.
- vii. 06 meetings of Departmental Promotion Committee were arranged for promotion of 187 IP to DSP & 92 Senior Traffic Warden (STW) to Traffic Officer (TO).
- viii. Nominations of 84 officers were sent to Ministry of Interior who applied for different positions in the UN Mission.

e. Transfers/Postings of Gazetted Officers.

- i. Transfers/postings orders of 1323 officers (42 = SSPs, 197 = SPs and 1084 = DSPs were issued).
- ii. 10 summaries for the Chief Minister regarding transfers/postings of DPOs, RPOs, DIGs and Addl. IGPs were initiated.

CHAPTER 3

ESTABLISHMENT

Establishment-I Branch

Introduction

Establishment-I Branch is the main branch of CPO, dealing with the seniority matters, "F" list, promotion of SIs/TWs, transfer postings of IPs, appeals/representations as well as revision petitions of IPs/STWs. Moreover, this branch also deals with the appeals/writ petitions submitted by SIs/IPs/TWs/STWs before the Learned PST, High Courts as well as the Hon'ble Supreme Court of Pakistan.

Duties/Progress Of Establishment-I Branch

Under the command of Addl: IGP/Establishment and DIG/Establishment-I, the job descriptions/progress of Establishment-I branch as per its desks are as under: -

Desk/E-I (Transfer/Posting)

- i. Dealing with the cases of Transfer/Posting of Inspectors (G.E.B) & Inspectors Legal.
 - a. Inter Provincial transfer.
 - b. Inter-Regional transfer.
- ii. Transfer to other units like Punjab Constabulary, Traffic Punjab, City Traffic, Special Branch Punjab, PC and CTD Punjab.
- iii. Recruitment of Inspectors (Legal).
- iv. Attachment of Inspectors for the purpose of pay.
- v. Assembly Questions relating to Establishment-I, Branch.
- vi. Dealing with the President/PM/Governor/CM Directives relating to Establishment-I Branch (Inspectors).
- vii. Dealing with the cases regarding transfer/deputation of Inspectors to other agencies i.e.
- viii. Anti-Corruption Establishment Punjab.
- ix. Federal Investigation Agency, Islamabad.

- x. National Highways & Motorways Police, Islamabad.
- xi. Lahore Transport Company.
- xii. National Police Academy, Islamabad.
- xiii. Intelligence Bureau, Islamabad.
- xiv. Punjab Highway Patrol.
- xv. Punjab Revenue Authority.
- xvi. Ring Road Police, Lahore.
- xvii. Dealing with the Move-over cases of Inspectors/Legal Inspectors.
- xviii. Maintaining the transfer/posting record of Inspectors.

Progress.

This branch receives nearly 150 to 200 letters on respective subjects on monthly basis and this desk has processed/generated more than 396 cases on HRMIS through which about 1417 Inspectors including 472 newly promoted Inspectors were transferred.

Desk/E-II (Seniority/Promotion)

- Preparation of tentative Seniority list of SIs as per their Inter-se- seniority for promotion to the rank of Inspector.
- Dealing with promotion of Sub Inspectors to the rank of Inspectors
- and admission to "F" list.
- Dealing with the representations submitted by Sub Inspectors for
- admission to promotion list "F" and promotion as Inspector.
- Maintaining the "F" list record.
- Dealing with appeals/representations regarding seniority of: -
 - Inspectors (G.E.B) Cadre.
 - Legal Inspectors
 - Inspectors of Telecommunication Cadre
 - Inspectors Finger Print Bureau
 - Senior Traffic Wardens
- Dealing with the cases relating to the confirmation of Legal/GEB. Tele, MT, FPB Inspectors.
- Maintaining seniority list of Offg:/confirmed Inspectors GEB.
- Maintaining seniority list of Inspectors Legal and other cadres.

- Promotion matters of Traffic Wardens to the rank of Senior Traffic Wardens.
- Maintaining the record of representations/appeals regarding seniority issues received from various Ranges/District/Units
- Deputing the Inspectors on Advance Class Course.

Progress.

During year 2024-2025 this desk has disposed of following: -

- Considered the 1450 cases for admission to list "F" and promotion as Inspectors. Hence, 666 SIs were recommended for promotion by the DPC in its meetings.
- Considered the cases of Traffic Wardens for promotion as STWs. Hence, 75 TWs were recommended for promotion by the DPC.

Desk/E-III (Legal Affairs)

- Dealing with the representations/appeals regarding seniority/promotion & punishments filed by Inspectors of all cadres including TWs/STWs in Punjab Service Tribunal.
- Dealing with the representations/appeals regarding "F" list/promotion as Inspector/STWs filed by Sub Inspectors& TWs in Punjab Service Tribunal.
- Dealing with the Writ Petitions regarding "F" list/promotion as
- Inspector filed by Sub Inspectors& TWs in Lahore High Court.
- Dealing with the representation/appeals regarding seniority/promotion & punishments filed by Inspectors/STWs in Lahore High Court, Lahore.
- Dealing with the all matters/directions by the Supreme Court of Pakistan regarding seniority/promotion & punishments of Inspectors / STWs.

Progress.

This desk receives nearly 10 to 15 court cases of different nature on monthly basis and this desk has disposed of more than 47 court cases during the year 2024-2025.

Desk/E-IV (Punishment Appeals)

- Dealing with the punishments / appeals / revision petition of IPs/STWs under the relevant rules (PEEDA Act, 2006 / Punjab Police (E&D) Rules, 1975).

- Undertaking correspondence with the district/regions regarding completion of appeal/revision petitions cases of Inspectors as well as Senior Traffic Wardens.
- Processing appeals/revision petitions/mercy petitions against the punishments awarded by district/regional authorities i.e. conduct of orderly rooms, issuance of orders etc.
- Maintaining/updating the record/statement of pending as well as decided appeals/revision petitions.
- Dealing with the Hajj Mission Case.

Desk/E-V (Seniority/Promotion)

- Promotion of Traffic Cadre
- Seniority matter of STW
- Confirmation of STW
- Issuance of Seniority Lists of STW
- Annual Statutory Reports as desired by RD&IC
- Miscellaneous cases

Progress.

During year 2024-2025 this desk has disposed of following: -

- Considered the 1304 cases for promotion as Senior Traffic Warden. Hence, 75 STW were recommended for promotion by the DPC.

Record Keeper/RK

- Maintenance of Record Register.
- Preparation and Maintenance of U.O. files.
- Put up of files with fresh Dak.
- Maintenance of movement of files and their computer data.

Diary & Dispatch Desk

- Receipt of fresh Dak and entry in Diary Register.
- Issuance of letters, circulars, orders after proper entry in Dispatch Register.
- Receipt & Issuance of letter through Fax.
- Copy work through photocopiers.
- Collection of urgent/important information through telephone

Progress Of Diary & Dispatch Desk, During Year 2024-2025

- This branch received almost 4116 letters during 2024 to 2025 and recorded in diary registered.
- This branch dispatched the 2856 letters, circulars & orders during 2024-2025.

Establishment-II Branch

Introduction

Establishment-II branch is the main branch of CPO, dealing with the policy matter, career planning, recruitment, transfer postings/ appeals/ representations as well as revision petitions of ASIs/ SIs. In 2013, the branch revised the service structure of ASIs/ SIs by issuing new service rules wherein transparent and gradual process for direct recruitment, departmental selection through PPSC and promotion of ASIs/ SIs has been formulated on yearly basis.

In alignment with the strategic modernization of the force, the 2024–2025 fiscal period marked a significant organizational expansion. Two specialized units were formally integrated into the Punjab Police infrastructure: the Crime Control Department (CCD), Punjab, and the Riot Management Police (RMP), Punjab. The CCD was established to implement advanced, data-driven crime prevention strategies across the province, while the RMP serves as a highly trained, specialized wing dedicated to maintaining public order and managing civil disturbances through professional, de-escalation-focused intervention tactics.

The branch provides assistance to borrowing units i.e. Special Branch. CTD/ SPU/ PHP, etc., regarding framing of service Rules/ approval of summaries/ recruitment process within the respective units. The branch also plays very active part in the career planning and policy matters of upper/ lower subordinates.

Job Description Of Establishment-II Branch

Under the command of Addl: IGP/Establishment and DIG/Establishment-I, following is the job description of Establishment-II branch.

- i. Transfer postings/ deputation of ASIs/ SIs inter-region/ inter-units/ other agencies.

- ii. Appeals/ Revision Petitions/ representations of ASIs/ SIs regarding punishments/ seniority.
- iii. Court matters/ Writ Petitions in High Court etc.
- iv. Views comments/ on appeals in Punjab Service Tribunal.
- v. Recruitment/ departmental selection of ASIs/ SIs.
- vi. Distribution of strength ASIs/ SIs.
- vii. Career planning/ service structure of ASIs/ SIs.

Transfer/Posting

This branch deals with the transfers/ postings of ASIs/ SIs from region to region and region to borrowing units/ other agencies as per the transfer/ positing policy and after obtaining NOC from the quarter concerned. The branch receives nearly 650-700 cases of transfer/ posting on monthly basis and they are disposed of on merit.

Crime Control Department (CCD)

To ensure the operational viability of the newly established Crime Control Department (CCD), the Government of the Punjab approved a comprehensive human resource framework during the 2024–2025 transition. This involved a dual-stream approach to staffing:

- **Creation of New Sanctioned Posts:** The Provincial Government formally created 423 positions for Sub-Inspectors (SIs) and 257 positions for Assistant Sub-Inspectors (ASIs), establishing a dedicated core cadre for the CCD.
- **Strategic Resource Realignment:** To leverage existing expertise, a total of 200 established posts (100 SIs and 100 ASIs) were redirected from the District Police to the CCD.
- This brings the total Sanctioned Strength of the CCD to 680 SIs and ASIs.

Recognizing the critical nature of the department's primary mandate—crime prevention and provincial security—the CPO implemented a Strategic Surge Placement. Currently, 1,077 SIs and ASIs have been deployed to the CCD. This temporary augmentation beyond the sanctioned limit was authorized to facilitate the department's nascent phase, ensuring that the unit possesses the necessary tactical and administrative depth to perform its duties with professional excellence.

Riot Management Police (RMP)

The establishment of the Riot Management Police (RMP) necessitated a specialized manpower allocation to address civil order and rapid response requirements across the province. The Government of the Punjab formally sanctioned a baseline establishment for this unit to ensure specialized command and control.

- **Sanctioned Strength:** A total of 220 specialized posts were created, comprising 80 Sub-Inspectors (SIs) and 140 Assistant Sub-Inspectors (ASIs).
- **Current Human Resource Status:** To date, Establishment-II has successfully deployed 76 Sub-Inspectors and 128 Assistant Sub-Inspectors to the RMP.

With an initial deployment of 204 officers against 220 sanctioned posts, the RMP has achieved a 92% operational staffing rate. This near-optimal deployment ensures that the unit is equipped to handle civil disturbances and riot control duties with a robust middle-management tier, maintaining the professional standards mandated by the Central Police Office.

Punjab Enforcement and Regulatory Authority (PERA)

In a major multi-agency initiative under the Punjab Enforcement and Regulation Act, 2024, the Establishment-II Branch has facilitated the strategic secondment of personnel to the newly formed Punjab Enforcement and Regulatory Authority (PERA). This authority is tasked with provincial-level regulation of price controls, anti-hoarding measures, and the removal of encroachments.

To support the critical "Inception Phase" of PERA, the Punjab Police has deployed 154 Sub-Inspectors (SIs). These officers are currently serving as the operational core of the authority's enforcement wing.

This deployment underscores the CPO's commitment to inter-departmental synergy, ensuring that PERA has the requisite field experience and disciplinary oversight to stabilize provincial markets and uphold the rule of law.

Appeals/ Revision Petitions/ Representations

the branch deals with the punishments/ appeals/ revision petitions/ writ petitions of ASIs/ SIs under the relevant rules (PEEDA Act, 2006 / Punjab Police (E&D) Rules, 1975). The appellants/ petitioners are called in the orderly room, which is being held

once in a week and nearly 10 to 15 appeals/revision petitions are being decided on weekly basis. The branch has decided approximately 566 appeals/ revision petitions from 01.07.2024 to 30.06.2025.

Writ Petitions in the Hon'ble High Court

The Branch deals with the writ petitions of SIs/ ASIs filed before the Hon'ble High Court. The branch has dealt nearly 24 writ petitions from 01.07.2024 to 30.06.2025.

Service Appeals in the Punjab Service Tribunal

The Branch deals with the appeals of SIs/ ASIs who file their appeals against departmental order. The branch has dealt nearly 210 appeals from 01.07.2024 to 30.06.2025.

Recruitment and departmental selection of SIs/ ASIs/JTWs:

The branch deals with the recruitment of SI (Open Merit & P-Cadet), ASI (P-Cadet), Corporal and Junior Traffic Wardens through Punjab Public Service Commission along with Writ Petitions relating to recruitment. Indents were moved to Punjab Public Service Commission during the period. The Punjab Public Service Commission recommends the suitable candidates for the subject posts and after due process of verification, the recommendations are being sent to the respective Regions/units for issuance of appointment letters in respect of eligible candidates/ officials after fulfilment of the coddle formalities. The breakup for the previous recruitment drive during 01.07.2024 to 30.06.2025 is as under:

Sr.	Rank	Indent moved to PPSC	Appointment orders issued	Under process
1.	SI (P-Cadet) (BS-14)	438	-	438
2.	ASI (P-Cadet) (BS-11)	1010	-	1010
3.	ASIs - PHP (P-Cadet) (BS-11)	250	-	250
4.	JTW (Open Merit) (BS-11)	165	-	165
5.	Corporals (BS-11)	467	319	148
6.	SI (Open Merit) (BS-14)	300	-	300
Total		3469	319	2311

Promotion to the Rank of ASIs/ SIs

Promotion to the rank of SI & ASI is carried out at regional level in the light of Standing Order No. 10/2017 subject to availability of vacancies. Only confirmed ASIs whose

names exist on promotion list "E" are eligible for promotion to the rank of SI (60%) 'according to their seniority in their region'. According to P.R. 13.9(I), only those HCs are entitled for admission of their names to list "D" and further promotion as ASI who have qualified Lower School Course and Intermediate Class Course.

As per Standing Order No. 10/2017 time-line for promotion to the rank of SI & ASI has been scheduled on yearly basis. All regions have been directed to follow the time-line accordingly as promotion to the rank of ASI & SI is being carried out in the regions. The region-wise break up of promotions for the year 2024-25 from 01.07.2024 to 30.06.2025 is given as under: -

Sr.	Region	No. of HCs promoted as ASI (75% quota)	No. of ASI promoted as SI (60% quota)
1.	Lahore	232	109
2.	Sheikhupura	52	60
3.	Gujranwala	325	279
4.	Rawalpindi	133	242
5.	Sargodha	77	76
6.	Faisalabad	149	215
7.	Sahiwal	90	87
8.	Multan	180	154
9.	Bahawalpur	90	154
10.	D.G Khan	83	98
	Total	1411	1474

Staff/ Strength of Establishment-II Branch:

1.	Assistant Director	Bs-18	01
2.	Assistant	Bs-16	05
3.	Senior Clerk	Bs-14	01
4.	Junior Clerk	Bs-11	04
5.	Daftri	BS-03	01
6.	Naib Qasid	Bs-02	01

Future Planning/ Priorities

- Process to fill the vacant posts of SI and ASI to be filled by promotion board, movement of indent to PPSC for Service Quota/P-Cadet and Open merit/direct recruitment.
- Finalization of amendment in the schedule of rules "Sub Inspectors and Inspectors (Appointment and Conditions of Service) Rules, 2013".
- Disposal off of all punishment/seniority appeals/revision petitions.

- iv. Ensure linear information sharing of accurate representation of facts.
- v. Foster relationship of trust between Police and Public to enable them for creative and adaptive problem solving.
- vi. Maintain data bank of all Print, Electronic & Social Media News items, Photographs and video footages about Punjab Police.

CHAPTER 5

TRAINING BRANCH

Introduction:

Established in 1982 and now led by the Additional Inspector General of Police (Training), the Training Branch, CPO, anchors Punjab Police's learning ecosystem across six PTIs, three Colleges (Lahore, Sihala, Multan) and three Schools (Farooq Abad, Sargodha, Rawalpindi), with financial and administrative oversight of EPTS Lahore and the Police School of Intelligence. Guided by the Training Management Board (TMB) and the Training Development Unit (TDU), 2024–25 marked a decisive pivot from theory-heavy instruction to standardized, practice-oriented training and quality assurance. In this period, **83,360 officers and officials** were trained—**18,050** at PTIs/Colleges and **65,310** through Regional Training Centers, while curricula were revised, soft-skills modules introduced, and cyber/IT, investigation, and SSOIU streams scaled system-wide. The Branch digitalized learning (YouTube-based "Training Knowledge Repository," LMS use, social media outreach), strengthened legal/administrative enablers (amendments to Police Rules & Standing Orders), and invested in welfare and infrastructure (hostels, mess, libraries, firing ranges, sports and green energy upgrades), including UNODC-supported PPTM ToTs and university internships. Notably, expanded RTC in-service programs trained **65,310** personnel **without additional cost**, reflecting prudent stewardship. Collectively, these reforms operationalize the Branch's mission.

Mission of Training Branch

"To build the capacity in the human resource of the Punjab Police to tackle the policing challenges of 21st century"

Training Management Board (TMB)

The members of Training Management Board (TMB) are:

- Additional IG Training, Punjab (Chairman)
- DIG Training, Punjab (Member)
- All Commandants and Principals (Member)

Functions of TMB

- Coordination & Consultation on Training affairs among PTIs all over Punjab.
- Approval of syllabi, training system, improvements and suggestions made by TDU.
- Preparation of Annual Training Plan/schedule for PTIs
- TMB is a decision-making body that keeps the IGP Punjab informed about all decisions and seeks his approval only for important pronouncement.

Training Development Unit (TDU)

The members of the Training Development Unit (TDU) are:

- DIG Training, Punjab (Chairman)
- Chief Law Instructors (CLIs) from all Police Training Schools/Colleges

Functions of (TDU)

- TDU meetings are conducted at least 03 times annually.
- Reviewing existing curriculum and recommendations for new course contents.
- Compare contents of each course and ensure uniformity of course contents in all PTIs; Any change is submitted to TMB.

Initiatives Undertaken in 2024–25 (Refined)

1) Scale & Delivery

- Trained **83,360** personnel across PTIs/Colleges and **65,310** through RTCs (in-service), expanding capacity without additional cost.
- Launched new in-service training programs at RTCs; streamlined basic, promotional, and capacity-building courses.

2) Curriculum & Pedagogy

- Revamped syllabi and methodology, shifting from theory-heavy to **skills-oriented/practical** training.
- Introduced **soft-skills** modules and a **speaker evaluation proforma** for quality assurance.
- Used **case-based films** and guided discussions to link doctrine with practice.

3) Digital Enablement

- Digitalized training: **PKM portal, police apps, PPIC3** familiarization.
- Created a **Training Knowledge Repository** (YouTube/other platforms) and widened outreach via social media.

4) Partnerships & ToT

- With **UNODC (PPTM)**, conducted **5 ToTs** and modernized training facilities.
- **82** PSP/junior-rank officers trained abroad; **8** university internship programs benefited **302** students.

5) Infrastructure & Welfare

- Campus upgrades: renovation, beautification, libraries, ranges, and hostels; **mess standards improved** (revised charges).
- **Instructional allowance (Rs. 10,000)** under process to incentivize faculty.

6) Human Resource Actions

- Regularized **63 IPs (Legal)** via **PPSC** and **31** junior-rank employees; extended contracts for **40** Class-IV and **30** other contractual staff.
- Appointed **13** candidates on **family/Shahed claim**.

7) Governance & Culture

- Amended **Police Rules & Standing Orders** to facilitate training.
- Embedded a **"Respect for All"** ethos—making training rigorous, supportive, and dignified.

Initiatives taken by PTIs

Sr.	Name of Institute	Initiatives Taken				
1	PTC Lahore	Under the supervision of Mr. Mehboob Aslam, DIG/Commandant, PTC Lahore, many initiatives were taken to improve the College's infrastructure, learning environment, modernization of training facilities and aesthetic view. Now, the Police Training College, Lahore has gained a distinguish value having modern learning techniques and comfort/esthetic study environment. The below mentioned are the valuable initiatives which have been taken during the current financial year:-				
		<table><tr><th>Sr.</th><th>Detail</th></tr><tr><td></td><td>Significant infrastructural and developmental initiatives have been undertaken recently to enhance facilities and promote a well-rounded environment. 		Sr.	Detail			
	Significant infrastructural and developmental initiatives have been undertaken recently to enhance facilities and promote a well-rounded environment. A state-of-the-art gymnasium and					

			swimming pool were inaugurated, providing trainees and staff with modern fitness and recreational amenities.
			The Jinnah Auditorium underwent comprehensive renovation, improving its facilities for hosting various academic and cultural events.
			For aesthetic enhancement, new fountains were installed throughout the premises and the open grounds saw a noticeable increase in the number of bird species, creating a more vibrant and eco-friendlier atmosphere.
			A new library was established, equipped with a wide range of books along with an E-Library to facilitate digital learning and research.
			The firing range was also renovated, featuring the automation of targets to improve training efficiency and safety.
			Upgradation of residential and training facilities was prioritized, with the renovation of trainees' and staff hostels, including the installation of air coolers to improve comfort.
			Classrooms and the School of Investigations were refurbished to ensure a better academic environment. A solar system was installed as part of the green energy initiative, aiming for energy sustainability across the campus.
			Educational infrastructure saw further enhancement with the upgradation of the Police Public School established in PTC Lahore.
			In terms of landscaping, approximately 4,000 plants were added, significantly improving the greenery and overall ambiance.
			To strengthen the relationship between the police and the public, several community-oriented initiatives were launched, including horse riding, bike riding, self-defense training, and summer camps.
			On the sports front, an international hockey match was successfully organized between the Netherlands and Punjab Police, showcasing high-level sportsmanship and fostering international goodwill. Furthermore, the Annual Police Inter-Region Hockey Tournament and various sports events were conducted to encourage physical fitness and camaraderie among police personnel.
2	PC Sihala	Establishment of New Academic Block consisting of 13 class rooms, mock coat room, conference room, computer labs & firing/driving simulators along with staff rooms. Passing Outs

PTC Lahore.

The Probationer Class Course for T/ASIs, TSIs & IP/L No. 02 is a Basic Course with a total duration of 7 months. It will commence on 24th June 2024 and conclude on 28th January 2025. The course is designed to train 115 participants and will feature Dr. Usman Anwar, IGP, as the guest speaker. The curriculum is focused on building the foundational skills and knowledge required for new officers in their respective ranks.

The Lady Recruit Course No. 17, which includes 1487 Lady Recruit Constables (LRC) and 134 PHP Lady Recruit Constables, is also a Basic Course. It spans a period of 39 weeks, starting from 2nd October 2024 and ending on 2nd May 2025. This extensive training program will accommodate a large group of 1621 participants and will also be addressed by Dr. Usman Anwar, IGP. The course emphasizes essential police training tailored to female recruits.

In addition, the Lady Traffic Assistant Course No. 03 is another Basic Course of 39 weeks, scheduled from 2nd October 2024 to 2nd May 2025, running concurrently with the Lady Recruit Course. This course will have 255 participants, focusing on traffic

management and enforcement training for female personnel. Dr. Usman Anwar, IGP will serve as the guest speaker for this session as well, bringing continuity in leadership across courses.

The Lady Recruit Security Constable Course (SPU 103), yet another Basic Course of 39 weeks, will start on 14th November 2024 and conclude on 2nd May 2025. With a participant strength of 103, this course is dedicated to training female security constables for specialized roles. Once again, Dr. Usman Anwar, IGP will be the guest speaker, underlining his continued involvement in professional police training programs.

Finally, the Punjab Enforcement & Regulatory Authority (PERA) Demo Course is a Capacity Building Course with a shorter duration of 2 months. It will take place from 22nd May 2025 to 14th July 2025, targeting 100 participants. Unlike the others, this course will be led by Chief Minister Punjab, Maryam Nawaz Sharif, highlighting its administrative and policy-oriented focus. In total, all courses combined will train 2079 participants, contributing significantly to the professional development of Punjab Police personnel.

From Training to Transformation: The Road Ahead:

The Training Branch continued to consolidate its role as the driving force behind professional excellence in Punjab Police through modernization, innovation, and inclusivity. Sustained collaboration with national and international partners has strengthened capacity and ensured alignment with global standards. ***The way forward*** lies in deepening digital transformation, institutionalizing research-driven training, and expanding community-oriented and technology-based learning to meet the evolving challenges of 21st-century policing.

CHAPTER 6

WELFARE & FINANCE

Finance Branch

- i. Compilation, rationalization & submission to the government of Budget Estimates (BEs) for the coming financial year.
- ii. Feeding of annual budget for CFY into SAP after receipt from FD.
- iii. Distribution of the budget on annual, bi-annual and quarterly basis to all Units / Districts rationally and proportionally.
- iv. Compilation of 1st and 2nd List of Excesses and Surrenders.
- v. Preparation of Schedule of New Expenditure (SNEs) as and when required.
- vi. Compilation / Circulation of sanctioned strength annually.
- vii. Preparation of appropriation of accounts and reply to audit paras before PAC.
- viii. Preparation of summaries for Chief Minister and subsequent approval for additional finances/resources for all units of Police.
- ix. Preparation of proposals for revision of pay & allowances/salary package.
- x. Creation of supernumerary/OSD posts for Shuhada and deceased officials.
- xi. Creation, re-designation and shifting of posts for all units/organs of Punjab Police.

CHAPTER 7

LOGISTICS & PROCUREMENT BRANCH

Introduction:

The scope of Logistics & Procurement is to organize the procurement of all types of equipment to cater operational needs of the department. The process starts from operational requirement, research and analysis then rationalization / evaluation of demands based on sanctioned and posted strength, number of police establishments, stock status as per Resource Management Centers (RMCs) and annual budgetary allocation to plan and materialize future procurement, inventory management and distribution of goods etc. amongst the districts / units. It deals with standardization of specifications of different stores/goods to be purchased for the department. On the basis of approved annual procurement plan, tenders are floated on newly developed E-Pak Acquisition & Disposal System (EPADS) to materialize the procurement in accordance with Punjab Procurement Rules, 2014. It is also responsible for finalizing all contracts made for the procurements of logistics items and services. It regulates police uniform rules. It works to fulfill the operational / training logistics requirements of the Punjab Police and its units.

Objectives Achieved:

On the basis of approved annual procurement plan, tenders were floated on EPADS & PPRA Website to materialize procurement in accordance with PPRA Rules 2014. Procurement Branch finalized all contracts made for the purchase of various items. The demands for the procurement of different items/indents received from AIG Logistics, SSP/MT, SSP/Tele were completed well in time. The important procurement of Uniform items, Bullet Proofing of Vehicles, Tear Gas Equipment and mega transport items were materialized after hectic efforts, during the financial year 2024-25. Furthermore, multiple tenders were floated and pre-qualification process initiated to procure different items/goods for Punjab Police and its formations as noted below: -

Inquires Branch

Introduction:

Inquiries Branch, IAB CPO is dealing with inquiries against police officers/officials on allegations of irregularities, misuse of financial resources, corruption and the allegations of abuse of power etc. Moreover, incidents of Death in police custody and Escape from police custody are also inquired by the Inquiry Officers of IAB. Inquiries are conducted by the DIG/IAB, AIG/Inspections, AIG/Complaints and Regional Members of IAB. Departmental and legal actions recommended by the inquiry officers against delinquent police officers/officials are forwarded to the competent authorities i.e. RPOs/DPOs/Head of Units for taking actions against the delinquent police officer/officials. All inquiries and departmental actions are recorded in an organized Database Management System to retrieve reports and analyses. Follow-up reports are prepared and submitted to the competent authorities regarding inquiries, departmental actions and punishments, whether competent and appellate authorities have adopted proper procedure in the conduct of an inquiry and/or awarded commensurate punishment in each case.

- Quarterly Inspection of all branches established in IAB, Hqrs CPO Punjab.
- Development and monitoring of formal Inspection schedules pertaining to all police offices/ establishment.
- Critical examination of all inspections reports and implementation/compliance of competent authority directions for improvements of situation.

- Maintaining of record in an organized manner so that reports can be retrieved easily.
- All the standardized proformas upload on official website of Punjab Police.
- Sting operations of police stations on quarterly basis carried out and analyzed.
- Inspections of Police Tahafuz Marakaz carried out as per SOPs.
- Previous record and functioning of inspections branch are computerized.
- Monitoring of regional staff through Biometric attendance and working performance mechanism.

Brief overview of prominent cases

- Shifting of Punjab Fire Arms Bureau (PFAB) from current location i.e. Qurban Lines, Jail Road, Lahore to Abbas Lines, Bedian Road, Lahore
- Software of digital inspection was improved by introducing certain amendments in templates.
- AIG/Inspections personally conducted digital inspections of Police Stations.
- AIG/Inspection personally conducted 07 regular departmental inquiries and 14 facts finding inquiries reports.
- Monitoring regarding violation of rules for interview of accused under police custody by media persons.
- Special Inspection of Traffic/PHP driving Schools and Licensing offices.
- During follow up Inspection 99168 discrepancies were pointed out and by corrective actions 85220 discrepancies were rectified.
- To Strengthen Internal Accountability 7062 departmental action were recommended against the delinquent police officers/ officials.
- Sting operation were conducted in police stations to check the behavior of SHO, IOs, Moharrar and front desk staff.
- Proposed amendments in draft police rules 2017.

CHAPTER 9

RESEARCH AND DEVELOPMENT BRANCH

Introduction

Research & Development Branch & International Cooperation Unit comprises of the following branches:

1. Research, Development & International Cooperation (RD&IC) Branch
2. Legislative Business (LB) Branch

Research & Development (R&D) Branch

The Research & Development (R&D) Branch serves as the think tank of the Central Police Office (CPO) Punjab. Established in pursuance of the President's Directive No. 315 of 1982, the branch is mandated to undertake research and analytical studies aimed at improving policing techniques, formulating police reform proposals, and introducing best practices in law enforcement. It also maintains close coordination with national organizations such as the National Police Bureau and the National Police Management Board to strengthen and modernize the overall policing system within the province. It functions as the intellectual and analytical arm of the police organization, tasked with conducting in-depth research, evaluating existing practices, and developing modern frameworks to enhance operational efficiency, transparency, and public service delivery. By integrating data analytics, emerging technologies, and global best practices, the R&D Branch supports informed decision-making and long-term planning. It also plays a pivotal role in fostering inter-agency collaboration, strengthening institutional capacity, and promoting a culture of continuous improvement within the force. Ultimately, the branch strives to align policing strategies with contemporary challenges, ensuring a proactive, responsive, and future-ready police service for the people of Punjab.

The R&D Branch undertakes comprehensive research and analytical studies on crime trends, operational gaps, and organizational performance, and translates these findings into actionable policy recommendations. It is actively involved in the formulation of strategic frameworks, standard operating procedures (SOPs), and

reform initiatives designed to strengthen service delivery and improve operational outcomes.

In addition to its research and policy functions, the branch performs a critical role in monitoring and evaluation of key policing initiatives. It reviews the performance of field formations and public facilitation centers such as Khidmat Markaz and Tahafuz Markaz, ensuring that service delivery standards are maintained and continuously improved. The branch is also responsible for the preparation and consolidation of important institutional documents, including Annual Policing Plans, statutory reports, and policy briefs, thereby facilitating informed decision-making at the senior leadership level. Furthermore, the R&D Branch promotes innovation and modernization within Punjab Police by supporting the adoption of technology-driven solutions. It contributes to initiatives related to digitization, process automation, and data management systems to enhance transparency, accountability, and efficiency. The branch also supports capacity-building efforts through research-based training inputs and by identifying emerging areas requiring institutional development.

During the year 2025, the R&D Branch successfully compiled the Annual Policing Plan 2025–2026 for all districts of Punjab in accordance with Section 32(4) of the Police Order 2002 and submitted it to DIG/IT for publication on the official Punjab Police website. Simultaneously, the Statutory Annual Police Administration Report 2024–2025 (as per Section 92(f) of the Police Order 2002), covering all Heads of Police Units and Regional Offices, is in the final stages of compilation and will be presented in the form of an e-book for official upload and circulation. The Branch has also ensured the standardization of Standing Orders and SOPs, issued 142 orders while repealed 15 redundant ones, and has prepared a comprehensive SOP booklet to guide operational procedures. Additionally, the R&D Branch efficiently convened Police Executive Board (PEB) meetings, holding four meetings in 2024 to discuss 29 agenda points and three meetings in 2025 to review 19 agenda points, with the next meeting already set to address nine newly received points from different units.

In line with its commitment to modernization and citizen-centric service, the R&D Branch has undertaken initiatives to monitor Khidmat Markaz and Tahafuz Markaz across Punjab, focusing on digitization of licensing systems and improving service

delivery, particularly for vulnerable communities such as transgender individuals. A meeting of the Provincial Review Board was conducted to evaluate the performance of Police Tahafuz Markaz and address identified gaps on a priority basis. These initiatives demonstrate the Branch's proactive approach in enhancing operational efficiency, promoting transparency, and ensuring that policing services are responsive, inclusive, and aligned with contemporary standards of governance.

Looking ahead, the R&D Branch aims to adopt a more data-driven and technology-oriented approach to policing. Key future initiatives include the integration of artificial intelligence for predictive policing, development of centralized data analytics dashboards for real-time decision-making, expansion of e-governance in public service delivery, and strengthening international collaboration for capacity building and knowledge exchange. The branch also envisions the establishment of dedicated research cells to study emerging crime trends, cyber threats, and community policing models, ensuring that Punjab Police remains adaptive, proactive, and aligned with global best practices.

It plays a pivotal role in conceptualizing reform measures, introducing modern policing practices, and fostering collaboration with national and international stakeholders to ensure alignment with evolving global standards in law enforcement.

In order to strengthen research linkages and promote evidence-based policing, the R&D Branch actively collaborates with leading academic and research institutions. In this regard, the branch has entered into Memorandums of Understanding (MoUs) with five reputed institutions, including Government College University Lahore, Lahore Garrison University (LGU), the Institute of Social and Cultural Studies (ISCS) at the University of the Punjab, Lahore University of Management Sciences (LUMS) and University of Management and Technology (UMT). These collaborations aim to facilitate joint research initiatives, policy-oriented studies, and knowledge exchange on contemporary policing challenges.

Looking forward, the R&D Branch intends to further expand its collaborative network by increasing the number of MoUs with national and international academic institutions and research organizations. Simultaneously, the branch is undertaking a comprehensive review and revision of existing MoUs, not only those executed by the

R&D Branch but also those signed by the Welfare Branch of Punjab Police, to ensure their continued relevance, effectiveness, and alignment with current organizational priorities and emerging policing needs.

The Research and Development (R&D) Branch of the Central Police Office, Punjab, plays a pivotal role in ensuring efficient handling and oversight of INTERPOL-related matters through structured coordination and adherence to international protocols. The Branch has demonstrated notable performance by monitoring and processing over 400 INTERPOL-related requests received through the National Central Bureau (NCB) INTERPOL, FIA Islamabad, ensuring timely action and effective inter-agency collaboration. The Deputy Inspector General (DIG) R&D has been designated as the focal person for Punjab Police to coordinate with national and international counterparts, including oversight of the UK–Pakistan Serious Crime and Law Enforcement (UPSCALE) program in accordance with Order No. 5082/EXEC-III dated 09.11.2021, and to monitor INTERPOL-related cases vide Letter No. 186/EXEC-III dated 12.01.2022. While Red Notices are processed by the Legal Branch, Central Police Office, and CCD Punjab, the R&D Branch maintains a central role in supervision, coordination, and monitoring of all such cases. The Branch ensures timely processing of cases, as reflected in its overall performance statistics: out of 4,024 cases received, 3,952 have been successfully disposed of, while only 72 remain under process, highlighting its commitment to efficiency, accountability, and effective case management in line with global policing standards.

The Research and Development (R&D) Branch of the Central Police Office, Punjab, has also played a pivotal role in advancing institutional reform and community-oriented policing initiatives.

The Branch has been instrumental in working towards the establishment of District Dispute Resolution Committees across Punjab, aimed at alleviating the burden on various components of the criminal justice system while promoting accessible and effective alternative dispute resolution mechanisms at the grassroots level. This initiative reflects a strategic shift towards proactive conflict management and enhanced public trust. Furthermore, the R&D Branch has undertaken a significant initiative through the development of a comprehensive Police Leadership and

Development Framework, designed to cultivate professional competencies, ethical standards, and adaptive leadership capacities among police officers across junior, middle, and senior tiers. This framework seeks to reorient the organizational culture by replacing conventional, outdated practices with modern, progressive, and service-oriented policing approaches, thereby strengthening institutional effectiveness and responsiveness to contemporary challenges.

Looking forward, the R&D Branch envisions strengthening its role as a center of excellence and strategic foresight within Punjab Police, aligning provincial policing standards with international best practices. Its future priorities include the development of data-driven policing models, establishment of specialized research cells for cybercrime, AI, and emerging security challenges, and expansion of e-policing and citizen-centric platforms. The Branch also aims to institutionalize performance management systems, foster academic and institutional linkages, enhance international cooperation, and drive digital transformation across policing functions. Emphasis is placed on leadership and capacity development, community-focused policing, and innovation through technology integration, including Geographic Information System (GIS), smart surveillance, and digital evidence management systems. By combining research, policy development, and operational oversight with forward-looking initiatives, the R&D Branch seeks to create a responsive, proactive, and professional police force capable of addressing contemporary challenges efficiently while enhancing public trust and service delivery throughout Punjab.

In conclusion, the R&D Branch of the Central Police Office, Punjab, stands as a cornerstone of innovation, strategic planning, and modern policing practices. Through its multifaceted initiatives—ranging from efficient management of INTERPOL cases and leadership development to community-focused programs and technology integration—the Branch not only strengthens institutional capacity but also fosters public trust and accountability. By continuously embracing research, data-driven strategies, and international best practices, the R&D Branch is committed to shaping a forward-looking, professional, and citizen-centric Punjab Police prepared to meet the challenges of contemporary law enforcement.

Legislative Business (LB) Branch

Legislative Business (LB) Branch deals with very sensitive matters of Provincial Assembly, National Assembly and Senate. In order to streamline the working of this section, an SOP has been issued vide this office No. 2167/R&D dated 29.05.2024.

CHAPTER 10

THE LEGAL AFFAIRS BRANCH, CPO

Introduction (CPO Branch, Region/District)

Legal branch of Police has its origin since enforcement of Police Act, 1861 and Police Rules of 1934 made under the Act. The Legal branch became part and parcel of Police organization at the District, Range and the Central Police Office (CPO) level, discharging its advisory, representational and record management functions in the light of relevant Rules. Since decades legal branch (Now Legal Affairs Division) is intelligently and diligently assisting the operational field officers to enforce law, conduct Investigation and represent them in all courts.

Legal branch is also discharging multifarious legal duties, such as (i) preparation of police briefs for the District Attorneys, (ii) legal documents for presentation of police organization before various judicial forums in the form of petitions, (iii) suits and other service matters besides the maintenance of record and registers (on production of accused, witnesses and convictions in the districts). It also provides legal guidance as and when required by the police officers at all levels.

In the year 2006 through a summary creation of Legal Affairs Division by re-structuring of Legal Branch in the light of Article 8(2)(q) of the Police Order, 2002 was made. The 2002 Order visualizes organization of Police on functional basis that, inter alia, includes "Legal Affairs". In this age of specialization, complex legal issues which are being faced by the police officers every day especially at no legal background and little knowledge of law, the police functionaries need to have assistance of legal experts in discharge of their duties. Every police action is scrutinized by the judiciary either by exercising the powers of judicial review of plenary powers under Criminal Procedure Code." The emphasis of the creation of "Punjab Police Legal Affairs Division" is for better productivity, promotion of efficiency in the interest of the department and to implement the Police Order, 2002, in letter and spirit

The volume of litigation has distinctly increased with the passage of time in shape of Writ Petitions, Service Appeals, Civil Suits, Red Notices, Extradition of accused,

Transfer of case properties/accused, judicial inquiries, legal guidance etc. which is a hard fact whereas the shortage of resources and the officers as well as allied staff provided to the Legal Affairs Division at all levels i.e. CPO, Region and District are not adequate. Even, the strength as sanctioned in 2006 by the Govt. was never provided to this Division which is still continued rather it has declined a lot.

Structure at Central Police Office (CPO):

The Punjab Police Legal Affairs Division is an important & integral component at the Central Police Office. This Division is headed by an officer of the rank of a DIG with nomenclature "DIG/Legal" duly assisted by AIG/Legal, AIG/Legal-II, and such number of DSsP/Legal as well as IsP/Legal as the authority may determine from time to time for efficient fulfillment of duties. The Division is burdened with multiple responsibilities inter-alia including the following:

- i. The office of the DIG/Legal advises directly to the Inspector General of Police and other senior officers on the most important legal issues involving departmental policy matters as well as the most sensitive cases;
- ii. The office of AIG/Legal, Punjab dealing with writ petitions / cases in the Hon'ble Lahore High Court (LHC) including its benches duly assisted by two DSsP/Legal-LHC, IsP/Legal-LHC, and focal persons for LHC benches;
- iii. All matters requiring legal advice, processing of references relating to transfer of accused / property, entry of names of accused in PNIL, PCL/ECL, issuance of red notices, extradition cases of fugitives, processing of references for holding of judicial inquiries, civil suits relating to CPO, cases in Sessions Courts, departmental representation in hearing before Home Department and rendering assistance to officers are dealt with by HQrs / Miscellaneous Section under the supervision of AIG/Legal. DSP/Legal-HQrs, IsP/Legal-Misc., taking up all other matters upon the direction of the AIG/Legal and other senior officers;
- iv. The office of AIG/Lega-II, dealing exclusively with cases / Complaints before the Apex Supreme Court of Pakistan (SC) and other offices, in its capacity as the protector of the Fundamental rights granted by the

Constitution of Pakistan as well as follow up and pursue appeals in the Hon'ble Supreme Court of Pakistan. Punjab Service Tribunal (PST) through AIG/Legal-II. DSP/Legal-PST, IsP/Legal-PS, dealing with cases and appeals pending before the learned PST, cases of Missing Persons before the Commission of Inquiry on Enforced Disappearances (CoIoED). In addition, other assignments entrusted by the DIG/Legal, IGP, Punjab and other senior officers from time to time;

Main duties and responsibilities of the legal affairs division:

- i. To advise the IGP/PPO and other senior officers on all legal matters;
- ii. To provide legal support to other Staff Officers of the PPO;
- iii. To deal with litigation at the level of Supreme Court, High Courts, PST, Ombudsman, Civil Courts & Criminal Courts of law as well as representation at another judicial / non-judicial forum;
- iv. To deal with all legal references received from other offices;
- v. To represent the IGP/PPO before the Courts;
- vi. Supervision of working of Legal Officers and allied staff posted in the Legal Affairs Division;
- vii. Vetting of reports and comments and legal guidance;
- viii. Cases relating to Missing persons pending in the Commission of Inquiry on Enforced Disappearances (CoIoED);
- ix. To brief the Law Officers and to appear on behalf of IGP etc. before the Courts of law;
- x. Establishing of Close liaison with Solicitor's office, Advocate General office, Law Department, Prosecution Department, Home Department etc.;
- xi. To refer the matters to the Home Department for constitution of Joint Investigation Teams (JITs);
- xii. To move for cases to the Home Department for Transfer of Accused / Property;
- xiii. To refer the matters to the DG/FIA for entry of the names of the accused / fugitive of law on Provisional National Identification List (PNIL);

- xiv. To move cases to the Interior Ministry for entry in Exit Control List (ECL),
- xv. To refer the cases of accused / fugitive of law for issuance of Red Notices and Extradition etc.;
- xvi. Timely preparation of court cases;
- xvii. Legal vetting of Standing / Circular orders, amendments to Police rules, regulations under Police Order, 2002;
- xviii. Appearance in and submission of comments and replies to all superior courts;
- xix. Review of investigations under the orders of the superior courts and further directions to authorities as per law;
- xx. Liaison with Law Department, Prosecution Service, Advocate General, Attorney General and superior Courts;
- xxi. filing of appeals in Superior Courts;
- xxii. Dealing with civil suits for damages or other issues against police officers or the police department;
- xxiii. Service of summons / warrants against police officers received from NAB and other courts; ordinate;
- xxiv. Inter Provincial transfer of accused / arrested persons;
- xxv. Handling of cases of Complaints received from Hon'ble Courts, Ministry of Human Rights, Prime Minister Secretariat, Human Rights Departments and complaints at IGP' 8787;
- xxvi. Compliance of orders of the Hon'ble Supreme Court of Pakistan;
- xxvii. Dispatch of orders to the concerned Unit head, RPOs, CPOs, DPOs for compliance;
- xxviii. Appeals and comments on all service matters being adjudicated by the Service Tribunals;
- xxix. filing of appeals in the Hon'ble Supreme Court of Pakistan;
- xxx. Communications of judgments of Tribunals to relevant branches / regions / districts;
- xxxi. Receiving the replies from the concerned quarters, vetting, reviewing the same and if found plausible forwarding the same to the concerned quarters;

- xxxii. Apprising the PPO / IGP, Addl. IGP, Establishment, DIG/Legal about sensitive issues / petitions pertaining to the Supreme Court Cases etc., and get further order and ensure implementation;
- xxxiii. Representing the department in and pursuing the cases in the Apex Court or other relevant forums in person, if required;
- xxxiv. Liaison with the Provincial Ombudsman and passing on cases received from Provincial Ombudsman to relevant offices;
- xxxv. filing of representations against the orders of Provincial Ombudsman;
- xxxvi. Liaison with Attorney General for Pakistan, Home Department, Law Department, Secretary Law, Advocate General Office Punjab, Prosecutor General Office Punjab and all other concerned offices, departments;
- xxxvii. Addl. Charge of the post of AIG/Legal in case of his absence;
- xxxviii. Any other matter assigned by the DIG/Legal and PPO / IGP;

Superintendent of Police, Legal in the regions.

- i. Timely preparation of court cases;
- ii. Appearance in and submission of comments and replies to all superior courts;
- iii. Focal person of IGP, Punjab to represent and submit replies in the learned courts where required on behalf of IGP in cases relating to respective region/district in consultation with learned law officer and the AIG/Legal.
- iv. Review of investigations under the orders of the superior courts and further directions to authorities as per law;
- v. Liaison with Law Department, Prosecution Service, Advocate General, Attorney General and superior Courts;
- vi. Appeals and comments on all service matters being adjudicated by the Service Tribunals;
- vii. Filing of appeals in Superior Courts;
- viii. Communication of all important orders / judgments to the DIG/Legal, AIG/Legal, AIG/Legal-II, CPO through fastest means / WhatsApp /fax.

- ix. Dealing with civil suits for damages or other issues against police officers or the police department, submit replies in consultation with learned law officer;
- x. Service of summons / warrants against police officers received from NAB and other courts through concerned districts DSsP/Legal;
- xi. Legal advices, guidance to the RPO, CPO/DPO.
- xii. Inter Provincial transfer of accused / arrested persons;
- xiii. Development of cordial and working relations with the Lahore High Court through frequent interaction and exchange of issues and problems;
- xiv. Efficient management / preparation of police record to be produced before the Hon'ble Lahore High Court;
- xv. The appearance of IOs in superior courts. In case the IO has been transferred out or is unable to appear, the officer appearing with the case file / record must be well equipped with the facts;
- xvi. Strict watch on the conduct / turnout of the police officers appearing before the Hon'ble Lahore High Court ;
- xvii. Timely appearance of police officers in various courts;
- xviii. Proper preparation of case files with all necessary documents like forensic reports, MLR etc.;
- xix. Follow up of sensitive cases, where the senior officer have been called;
- xx. Liaison with DSsP Legal of the concerned district for improvement in the system of service of summons / warrants / notices;
- xxi. Coordination with the office of Advocate General Punjab, Prosecutor General, Punjab;
- xxii. Liaison and regular periodic meeting with the concerned APGs / DPGs of various courts;
- xxiii. Any other matter assigned by DIG/Legal, AIG/Legal, AIG/Legal-II;

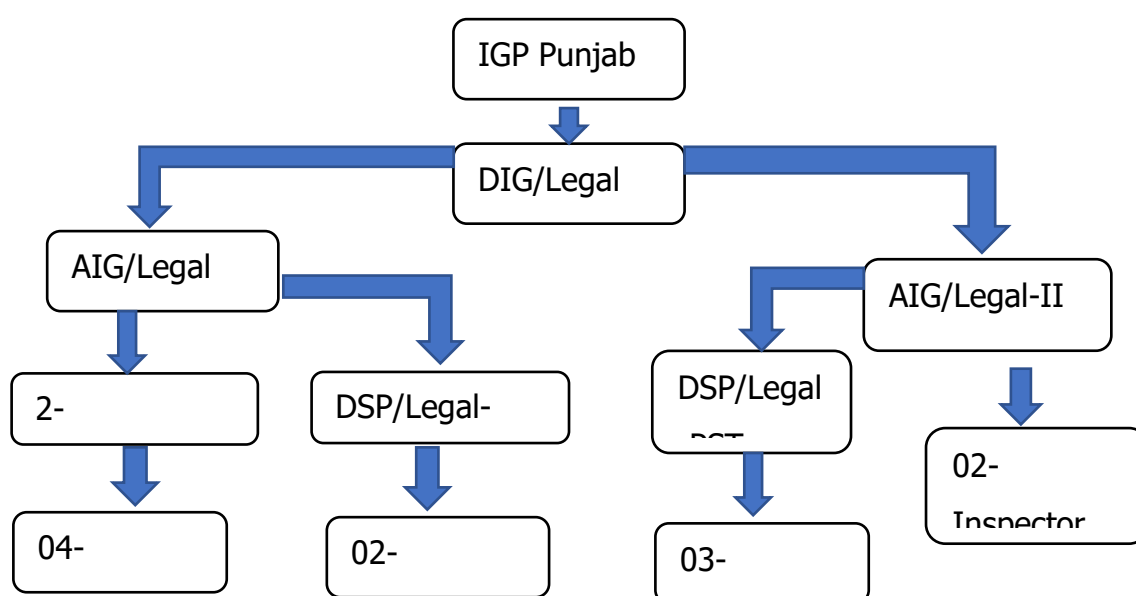

Deputy Superintendents of Police, legal in the districts.

- i. Timely preparation of court cases;
- ii. Appearance in and submission of comments and replies to all superior courts;

- iii. Focal person of IGP, Punjab to represent and submit replies in the learned courts where required on behalf of IGP in cases relating to respective region/district in consultation with learned law officer and the AIG/Legal.
- iv. Appeals and comments on all service matters being adjudicated by the Service Tribunals;
- v. Timely submission of references for filing of appeals in Superior Courts;
- vi. Communication of all important orders / judgments to the SP, Legal concerned, DIG/Legal, AIG/Legal, AIG/Legal-II/HRC CPO through fastest means / WhatsApp /fax.
- vii. Dealing with Civil Suits for damages or other issues against police officers or the police department, submit reply in consultation with learned law officer;
- viii. Member of Criminal Justice Coordination Committee of the districts;
- ix. Service of summons / warrants against police officers received from NAB and other courts through District's Service Branch;
- x. Legal advices, guidance to the CPO/DPO/SP, Investigation/ Divisional SP;
- xi. References for Transfer of accused / arrested persons/Properties;

- xiii. Development of cordial and working relations with the Lahore High Court through frequent interaction and exchange of issues and problems;
- xiv. Efficient management / preparation of police record to be produced before the Hon'ble Lahore High Court;
- xv. Incharge Maalkhana of the districts;
- xvi. Scrutiny of case files before sending it to District Public Prosecutors;
- xvii. Ensure removal of defects, if any, found during scrutiny of case files;
- xviii. Member of District Assessment Committee to review the Judgments regarding acquittal of accused in heinous crimes;
- xix. Supervision of all Naib Courts of the districts;
- xx. Supervision of P.O Clerk of the districts.

- xxi. The appearance of IOs in superior courts. In case the IO has been transferred out or is unable to appear, the officer appearing with the case file / record must be well equipped with the facts;
- xxii. Timely appearance of police officers in various courts;
- xxiii. Proper preparation of case files with all necessary documents like forensic reports, MLR etc.;
- xxiv. Follow up of sensitive cases, where the senior officer have been called;
- xxv. Liaison with all concerned Law Officers
- xxvi. Any other matter assigned by CPO/DPOs/ SP, Legal;

ORGANIZATIONAL STRUCTURE

Objectives Achieved

Cases relating to superior courts

- i. The great responsibilities of the Legal Affairs Division are that to vet / prepare comments, reports, etc. to be filed / submitted before the superior judiciary such as the Apex Court and the Hon'ble High Court including its benches.
- ii. The Punjab Police Legal Affairs Division is also responsible to refer the matters for sanction and filing of Civil Petition for Leave to Appeals (CPLAs) / Review Petitions (RPs) and other references before the

superior judiciary against the judicial orders and judgments received from the Regions, Districts and other Units of the Punjab Police.

- iii. A number of cases are processed for sanction and filing of CPLs etc. every year. This is also one of the most important duties of the Legal Affairs Division to file comments and reports in the Apex Court in Human Rights cases, Suo Moto Cases and Concise Statements are being submitted in the Apex Court in CPLs / CAs on priority basis as and when required by the Apex Court.
- iv. Presently there are **319 cases** pending in the Apex Court. The details of cases dealt with in the Hon'ble Supreme Court of Pakistan and the Ombudsman, Punjab are mentioned below:

Year	Number of HRC + Misc. Complaints	Supreme Court Cases / CPLs	Ombudsman Cases
FY 2023-24	129	319	51
FY 2024-25	105	561	85

SP/DSsP/Legal of Regions are Focal Persons of IGP, Punjab to monitor and represent senior officers in the Hon'ble Supreme Court of Pakistan and provide prompt information in important cases to the DIG/Legal, both AIsG through WhatsApp and brief them accordingly.

High Courts

The cases are fixed before the Hon'ble High Courts on daily basis, and two DSsP/Legal-LHC and four Inspectors Legal, are representing Police Department. The learned law officers usually direct that the departmental representative must not be below BPS-17 i.e. DSP Legal to appear before the Hon'ble High Court. Approximately 12 to 18 cases are fixed before the different Hon'ble Judges of the High Court on daily basis.

Due to shortage of law officers as required for the Hon'ble High Court, this is very difficult for Legal Affairs Division to defend the cases effectively before the Hon'ble Court. In this connection to meet the daily requirements of the Hon'ble Court, the law officers i.e. Inspectors Legal to be deputed to represent the cases before the Hon'ble High Courts be up-graded without further loss of time. In order to meet the shortage of officers, attachment of law graduates in different ranks from general executive branch with the Legal Affairs Division till the regular incumbents/Inspectors Legal are

appointed through PPSC, may be made to avoid any complication. Moreover, the vacant positions are urgently required to be filled after adopting required criteria. The year-wise including the current one detail of cases is given below:

F.Y.	Number of Writ Petitions Received from the Hon'ble Courts
2023-24	1463
2024-25	1522

The under-hearing cases in the Hon'ble Lahore High Court, Lahore and its Rawalpindi, Multan and Bahawalpur Benches are represented by SsP, DSsP/Legal posted in regions, districts and other units.

SP/DSsP/Legal of Regions, where benches of High Court are available, are Focal Persons of IGP, Punjab to monitor cases, represent the officers and submit reply in the Hon'ble Court as well as to provide prompt information in important cases to the DIG/Legal and both AIsG through WhatsApp and brief them accordingly.

Cases before the Punjab Service Tribunal

The Punjab Service Tribunal is the judicial Tribunal / forum where the police officers / employees file appeals against the orders of the departmental appellate authorities. Sometimes the officers/employees file appeals against the orders of the IGP or other competent authorities before learned PST to claim promotions. The Legal Affairs Division defends such cases before this important forum, which in fact is the next higher authority of the departmental authorities. The learned PST after hearing both the parties passes the judgment/order. If the judgment is against the department, then it is critically examined by the respective District, Region and concerned Unit before referring the same to the Legal Affairs Division for availing of further remedy by way of petition for leave to appeal in the Hon'ble Apex Court. Accordingly, Legal Affairs Division forwards the requests for appeals to the Home Department and Solicitor's Punjab Office. The following table reflects the quantum of work with respect to PST.

F.Y.	Number of Appeals Filed Before the PST
2023-24	990
2024-25	603

More than **920** appeals are pending decision in the learned Punjab Service Tribunal (PST) and average **20** to **30** appeals are fixed for hearing on daily basis. Due to shortage of law officers in Legal Affairs Division this is very difficult for Department to defend effectively before the PST on daily basis. DSP Legal-PST must be posted, however, presently, a DSP /Legal is looking after the affairs of PST Cases, establishing liaison with all Branches of CPO securing replies / comments for submission of the same in the learned PST on the fixed dates under the supervision of AIG/Legal. 02 IsP/Legal are put in place to assist and attend the learned Tribunal to represent this office. Responsibility of production of relevant record lies with the concerned District, Region, Unit and Branch. Of course, due to shortage of law officers the efficiency may be hampered in the effective defense of the cause of the department before the learned PST.

DSP/IP/Legal of concerned districts where benches of PST are available will be Focal Person of IGP, Punjab. The F.Ps is responsible to intimate as well as important appeal/judgment of the learned Tribunal to the DIG/Legal and AIsG/Legal through WhatsApp.

Courts of Sessions and Lower Courts

The criminal courts call the investigators with police investigation record and material evidence. Learned Sessions Courts and Subordinate Criminal Courts pass certain directions to the police department. In response, the Legal Affairs Division after examining the same purports advice to implement the orders of criminal courts. Sometimes criminal courts pass direction to the police department to take legal as well as departmental action against delinquent police officers / official. In this connection the Legal Affairs Division imparts advice to the concerned authority to take legal action against the delinquent police officials to be dealt in accordance with law.

Civil Courts

Civil suits are filed against the police department in Civil Courts. In many civil suits comments and reports are received from Districts and Regions which are vetted by the Division. Written statements are signed by Legal Affairs Division through AIsG / DIG Legal and file before the Civil Courts through learned District Attorney. Legal Affairs Division is not only representing IGP but also appear on behalf of other senior

police officers. The following table lists the number of cases pursuing in the learned court.

F.Y.	Civil Suits
2023-24	60
2024-25	38

Transfer of the accused persons and case property

The Districts and Regions make requests to this office for transfer of accused persons and case properties from one province to another province including AJK & ICT. Accordingly, their requests are forwarded to the Home Department / Interior Ministry. The following table shows the number of cases processed in preceding years and current years:

F.Y.	Transfer of Accused / Property
2023-24	677
2024-25	766

Red notices and extradition cases

The Legal Affairs Division has liaison with Home Department as well as with the Federal Ministry of Interior in leading cases of Extradition of accused persons and proclaimed offenders wanted by the Punjab Police. The details of such cases referred is given below;

F.Y.	Red Notices / Extradition Cases Received
2023-24	414
2024-25	600

Legal Guidance

Legal guidance / advice is the key responsibility of Legal Affairs Division. In this regard references from the senior officers such as IGP, Addl: IGPs, DIGs, AIGs in the CPO as well as from Districts and Regions are received. They seek guidance, advice and interpretation of laws in the matters related to police organization. The Division is also involved in proposing developing and framing amendments to the Police Rules/laws. The details of such cases are given below;

F.Y.	Legal Guidance Cases
2023-24	110

Cases of Missing Persons:

The Legal Affairs Division is dealing with cases of missing persons. The DIG/Investigation, Lahore and all the Regional Police Officers, Punjab are focal persons of IGP relating to the cases of missing persons of their respective districts/regions. Similarly, the Addl: IGP / CTD, Punjab is the focal person of the IGP in cases related to his Unit i.e. CTD. They attend hearings and meetings of Commission of Inquiries on Enforced Disappearances (CoIoED) and meetings of the Provincial Task Force (PTF) with Additional Chief Secretary (Home) on behalf of IGP and correspondence with Commission and field officers as well as Home Department. Missing Persons' Cases are also pending before the Hon'ble Supreme Court of Pakistan which are being pursued vigorously. Presently, there are **261 cases** of missing persons in Punjab Province under hearing before the CoIoED.

Provisional National Identification List (PNIL) Cases:

The Legal Affairs Division has liaison with Federal Investigation Agency (F.I.A) (Immigration Wing), Islamabad for placement of name of accused/fugitives in Provisional National identification List (PNIL) for 30 days received from various RPOs / CPOs / DPOs in Punjab. The detail of such cases referred is given below;

F.Y.	PNIL Cases
2023-24	1151
2024-25	1651

Joint Investigation Team (JIT) cases:

The Legal Affairs Division maintains liaison with Home Department for constitution of Joint Investigation Team (J.I.T) in important cases / incidents requiring Investigation by JITs. The details of such cases referred are given below;

- vi. Execution of Summons/Warrants received from the various Courts.
- vii. Compliance of Court Orders.
- viii. Travel History of Accused.
- ix. Family Tree History of Accused. -
- x. Sanction for Prosecution.
- xi. Summon Warrant of L.H.C Diary.
- xii. Tracing of abductees Persons from all over Punjab and other Provinces.

F.Y.	Total Misc. Cases
2023-24	1705
2024-25	1500

Quantum of work and Limited Sources:

There is no match between the quantum of work, the Division has on its table and the resources available to it. The quality of work is suffering simply because of non-availability of adequate capacity. A proper representation is impossible to achieve without enhancing the capacity of the Division by increasing the numbers of the gazetted legal officers at the CPO. The references received in this office are given hereunder:-

F.Y	F.y. 2023-24	F.y. 2024-25
Total references in all heads	33492	21935

- i. The aforementioned references received from regions/districts/Units were timely sent to different Govt. departments for appropriate actions required under the relevant protocol.
- ii. The Lahore High Court section ensured proper representation in the Hon'ble Lahore High Court, Lahore and its benches at Rawalpindi, Multan & Bahawalpur.

Human and material resources allocated / available:

Executive staff legal affairs division:

Police legal affairs monitoring system:

In order to ensure prompt response and timely submission of replies, compliance reports in the Hon'ble Courts, Police Legal Affairs Monitoring System has been working with the able assistance of PITB and it has been enhanced to all the Regions and Districts. An I.T LAB has also been established for feeding, updating and monitoring of status of cases on daily basis, even the litigation workload of the regions and districts can also be monitored through this system.

Shortages:

There is an acute shortage of law officers in the legal Affairs Division CPO and districts / regions / units as the already insufficient officers are also deployed for legal assistance. Following is the present sanctioned strength of the division:

Position / Rank	Sanctioned	Posted
-----------------	------------	--------

More required	Complete Turkish Block	Fixed Wooden Cabinets and Work Stations	10	02	02	08	02 for pool	12

Challenges:

The Division is facing multiple challenges for its proper functioning at this moment. They come from a host of factors: the work culture, quantum of work, inadequate capacity and limited resources. The issues of organization and communication are equally important.

Working / Office space:

The staff of the Division, already short in strength, is also facing an acute shortage in terms of office space and work stations. Office space and equipment being the most basic paraphernalia for any serious work has become a challenge in the wake of tremendous increase in workload. At least one full floor in main CPO Complex is required for offices and record. As alternate, complete Tariq Shaheed Block is required for smooth functioning.

Access to legal literature/case laws:

Keeping in view the necessity of access to the latest judgments and case laws the Legal Affairs Branch is linked with Pakistan law-site to get online access to the latest as well as other reported cases.

Immediate steps needed to be taken to strengthen Punjab Police legal affairs division:

- i. To ensure proper representation and timely submission of reports in the Hon'ble Court.
- ii. In order to comply the directions of the Hon'ble Courts and proper representation through the officers of Legal Branch, CPO, Punjab, the following strength is immediately required to cope-with existing workload;
- iii. There is a dire need to enhance the capacity of officers of Legal Branch besides strengthening the it by filling the vacant posts especially the Inspectors Legal and DSsP Legal as the existing strength is unable to cope with the present work load throughout the Punjab Province and it is anticipated that if the vacancies are not fulfilled in near future, the smooth functioning of the Legal Branch will seriously be hampered.
- iv. Shortage of Legal Officers at all levels may be fulfilled to meet the requirements.
- v. Presently Legal Branch is scattered – one full floor in CPO Complex or complete Tariq Shaheed Block including existing space / rooms for record keeping of the Legal Affairs Branch may be provided.
- vi. Construction of work stations in the offices for smooth functioning--- hanging without justification.
- vii. An indent for recruitment of vacant posts IPs Legal has been sent to PPSC.

- viii. Law graduates HCs, ASIs, SIs may be posted in the office of SP Security-II & Liaison Officer Coordinator of Lahore High Court, Lahore to efficient fulfillment of working/monitoring of cases in the said court.
- ix. Sanction for permanent allocation of budget for Legal Branch with separate DDO Code for expenditures incurring for purchase of latest Law Books, monthly Law Journals as well as annual fee for online access of law site Pakistanlawsite.
- x. Presently one AIG/Legal and AIG Legal-II are looking after the whole affairs of Legal Branch which is insufficient. This needs to be enhanced and two more posts in Legal Branch CPO are required to be put placed for smooth functioning and sharing responsibilities.
- xi. At least 02 SsP/Legal, 02 DSsP/Legal and 12 IsP/Legal are more required to be posted to meet the requirements and smooth functioning.
- xii. All financial and administrative matters of Legal Branch may be governed/controlled by DIG/Legal, Punjab.
- xiii. Transfer / Posting of SsP/Legal, DSsP/Legal and IP/Legal throughout Punjab may be made in consultation with DIG/Legal, Punjab.
- xiv. Special Incentive (Non-Practicing Allowance) for all officers of Legal branch Branch is recommended (one month running basic pay) as are given to all the Law Graduates of Punjab Public Prosecution Department, District Attorneys etc.
- xv. Share of seats/vacancies of SP/Legal in Punjab is required to be increased keeping in view the requirements of CPO, Regions and Training Directorate/Institutions / units etc.
- xvi. Accommodation facilities for SsP/Legal, DSsP/IsP/Legal having home district other than Lahore district if posted in Legal Branch, CPO Punjab, Lahore.
- xvii. Utilizing experience of senior legal officers for revamping of legal branch Punjab.
- xviii. Transportation facility for all the officers of Legal Branch through SSP/M.T, Punjab (Motorcycles) to the Inspectors/Legal posted in CPO and other allied staff. Moreover, two vehicles with drivers may be put in pool of Legal Affairs Branch for important assignments and movement of the officers.

Initiatives Taken (Any Significant Project/Program)

Regularization of Inspectors Legal

The Inspectors Legal recruited on contract basis in the year 2004 and 2007 were referred to the Punjab Public Service Commission. 63 Inspectors Legal qualified to have been regularized in their posts.

Approved Summaries

- i. In the light of observations of the Hon'ble Supreme Court of Pakistan in C.P.No.2477/L- 2019 titled as Tahira Paras Vs. CTO, Lahore etc. an amendment in Punjab Police (Efficiency & Discipline) Rules, 1975 got approved from the Government of the Punjab fixing limitation period for filing of departmental appeals and revision petitions.
- ii. To give legal backing to the Digitalization of FIRs, Case Diaries and Daily Diary Registers etc., amendments in different Police Rules 1934 were got approved from the Government of the Punjab.
- iii. To establish legal frame work for Organized Crime Unit amendment in Police Order, 2002 regarding insertion of new Article 18-B, got issued Ordinance from the Governor Punjab duly validated by the Punjab Cabinet.

Follow-Up of summaries.

The following initiative for amendments in different laws was taken with the Govt. of the Punjab by submitting appropriate summaries for approval by the Govt. These summaries are being followed regularly.

- i. Amendment in section 3-A of the Punjab Habitual Offenders ACT, 1918 which is pending with the Government of the Punjab.
- ii. Amendment in Section 173 of Criminal Procedure Code, 1898 which is pending with the Government of the Punjab.
- iii. Amendment in Section 154 of Criminal Procedure Code, 1898 which is pending with the Government of the Punjab.
- iv. Amendment in Section 182 of Pakistan Penal Code, 1860 which is pending with the Government of the Punjab.

- v. Amendment in Article 70 of Qanoon-e-Shahadat Order 1984 which is pending with the Government of the Punjab, Lahore.

CHAPTER 11

INFORMATION TECHNOLOGY

Introduction

Information Technology is universally recognized as a transformative force for strengthening governance, driving economic development, and modernizing human resource management. By harnessing modern technological solutions, governments are able to streamline internal processes, improve service delivery, and uphold law and order with greater transparency and convenience for citizens. In alignment with this global trajectory, the Punjab Police has adopted a comprehensive digital transformation strategy, deploying integrated automated systems and mobile applications across the province.

These technological initiatives have significantly enhanced the capability of the police force by enabling accurate and real-time record-keeping, improving the efficiency of investigations and operational policing, fostering better public-police engagement, and supporting proactive measures to maintain peace and security.

Prior to digitization, traditional policing methods relied heavily on manual processes. Maintaining police station records, criminal histories, and administrative data was labor-intensive, time-consuming, and prone to duplication, human error, and inconsistencies. Localized storage of sensitive data further restricted access for senior officers and slowed down information retrieval. Moreover, reliance on physical files compromised data security, leaving critical information vulnerable to loss or unauthorized access.

Acknowledging these challenges, the initiative to automate conventional policing systems was launched in January 2015. Since then, the I.T Branch, Central Police Office (CPO), in collaboration with the Punjab Information Technology Board (PITB), has conceptualized, developed, and successfully implemented more than **45 specialized applications and software systems**, including:

- i. Police Station Record Management System (PSRMS)
- ii. Human Resource Management System (HRMIS)

- iii. Welfare Management System
- iv. Complaint Management System (CMS)
- v. Crime Mapping
- vi. Smart Eye (Travel + Hotel)
- vii. Tenant Registration System (Web + Mobile)
- viii. Anti-Vehicle Lifting System (AVLS)
- ix. Financial Management & Monitoring System
- x. Procurement Management System
- xi. Resource Management System
- xii. Criminal Record Management System
- xiii. Police Khidmat Markaz
- xiv. E-Gadget
- xv. Motor Transport Management System
- xvi. Legal Affairs System
- xvii. Punjab Police Office / e-FOAS
- xviii. Police Khidmat Markaz – Global
- xix. IAB (Inquiry + Inspection)
- xx. ePolicePost
- xxi. Performance Evaluation Report System
- xxii. Mera Pyara
- xxiii. Foreigner Security System
- xxiv. Pukar 15 Integration with CMS
- xxv. Estate Management System
- xxvi. Disciplinary Action Automation
- xxvii. Feedback Management System
- xxviii. Welfare Markaz
- xxix. Tahafuz Markaz
- xxx. Warden Digital Mobile App
- xxxi. QR Code Verification System (All Police Public Documents)
- xxxii. HRMIS Mobile App
- xxxiii. Crime Prevention App
- xxxiv. Punjab Police Public App

- xxxv. Managerial Mobile App
- xxxvi. Online Recruitment System
- xxxvii. I.T Dashboard for Task Management
- xxxviii. CDR Analysis System
- xxxix. eLearn – Learning Management System
- xl. Biometric & CNIC Verification System Integrated with NADRA

The integration of these advanced systems has yielded extraordinary improvements. Tasks that previously consumed several days are now completed within minutes, with far greater accuracy and transparency. Continuous upgrades and enhancements are being carried out under the leadership of senior police management and the direct supervision of the DIG Information Technology, Punjab, ensuring that the Punjab Police remains at the forefront of digital governance and modern law enforcement. The following section outlines the major initiatives and developments carried out by the I.T Branch, CPO during 2024–2025:

Human Resource / Welfare

- Police Managerial App. for supervisory officers (DPOs, CPOs, RPOs)
- Paperless & Direct Funds Transfer to Police Officers' Accounts for welfare cases.
- Financial Management System (AG Office Portal)
- Financial Assistance Module for Shuhada, Death in Service and Injured Police Employees.
- Welfare Investment Tracker System
- Introduction of Batch system at all dealing hands, AIG Welfare and accountants' levels with digital approvals
- Module of 20% Contribution to Punjab Police Welfare Fund System

Crime & Criminals

- Initiation of Modernization of Policing Systems (MPS) project regarding AI and Blockchain in police systems
- Integration of Police Station Record Management System (PSRMS) and Complaints Management System (CMS) with Judicial Case Management

System (JCMS), Prison Management Information System (PMIS) and Prosecution system

- Integration of Police systems with NADRA
- Smart Eye – Self-Registration System for Hotels and other establishments
- Evaluation of Challan Health
- Implementation of Prosecution check list
- Interpol Verification System Integrated with FIR
- Digitization of 173-CrPC Report
- Integrated IGP Dashboard & HRMIS Strength Dashboard
- Revamped e-Police Post System (countrywide search of POs)
- Digitization of SDPO Office (All Registers)
- Automation of VVIP Security System.
- Investigation Alert/Notification regarding under investigation cases and pending challans.
- Unified Search in PSRMS (Countrywide search of crime record)
- Enhancement in Digital inspection with new features as required by the Addl. IGP/IAB.
- Feedback Module for Investigation Wing Lahore Police in PSRMS.
- Inclusion of Private Cameras and 15-Call Dispatch Mechanism in Crime Prevention App
- Addition of Crime related features in Punjab Police Public App.

Public Services/Facilitation

- New format of Police Record Certificate
- Integration of 1787 with OPF
- Citizen Feedback System.
- Traffic License (Learner, Renewal, International, duplicate and endorsement) included in Punjab Police Mobile App.
- Included Live Chat Option in Punjab Police Mobile App.

Other Initiatives

- Daily Diary for CTO Lahore.

- Sar-e-Rah system for the guests seeking reservation of police guest houses.
- Mahfooz Karobar App/APIs.
- Selection of IT graduates of Police for IT Division, CPO, Punjab

CHAPTER 12

List of international championships/courses

Sr.	Name of Games	Competitions	No. of Players	From	To	Camp Venue
1.	Wushu	14 th South Asian Games, 2024 Lahore	12	29.06.2024	29.08.2024	Lahore
2.	Athletics	International Master Athletics Championship, at Czech Republic	01	01.06.2024	04.08.2024	Synthetics Athletics Track, Firdos Colony, Faisalabad.
3.	Powerlifting	Asian Classic Powerlifting Championships at Tashkent, Uzbekistan	02	14.09.2024	30.11.2024	ARM Power Sports Club behind, Model Town, Lahore
4.	POA	9 th Youth Camp organized by the Chinese Olympic Committee for this year's camp	02	03.11.2024	08.11.2024	Beijing, China
5.	Cricket	domestic cricket season in Zimbabwe Lahore Qalandars Cricket Team	02	03.10.2024	30.04.2025	Lahore Cantt.
6.	Ju-Jitsu	1 st OCA-JJAU Ju-Jitsu Development Program for Coaches and Referees in Abu Dhabi, UAE	01	11.12.2024	15.12.2024	Abu Dhabi, UAE
7.	Futsal	International Shanghai Cup Futsal Tournament at Tehran (Iran).	04	09.12.2024	18.12.2024	National Futsal Team training camp at Quetta
8.	Basketball	6 th Asian Indoor & Martial Arts Games 2024 for 3X3 format at Thailand	01	28.06.2024	29.06.2024	GC University Basketball Courts Lahore
9.	Baseball	16 th edition of West Asia Baseball Cup 2025 in Karaj, Iran	06	15.05.2025	22.05.2025	Rawalpindi
10.	Hockey	Advanced Training Program in Germany	01	01.08.2025	31.10.2025	Germany
11.	Hockey	Men's U-18 Asia Cup at Dazhou/China	01	20.06.2025	15.07.2025	China
12.	Baseball	Asian Baseball Championship in China	07	09.07.2025	15.08.2025	Okara
13.	Kabaddi	3 rd Asian Youth Games schedule in Bahrain	01	04.07.2025	06.09.2025	Pakistan Sports Complex at Islamabad

14.	Hockey	World Masters Hockey (WMH) representing Alliance International over 55s Men's Team in the European Championships in Nottingham, England	01	07.08.2025	30.08.2025	England
-----	--------	---	----	------------	------------	---------

Note: All the Police Sports Teams were provided proper equipment/sports items for camp training and participation in the sports events.

List of sports meetings

Sports meetings of different sports federations and Police Sports Board held during the period 01.07.2024 to 30.06.2025. The detail is as under: -

S#	TEAM	DATE	VENUE
1.	General Council meeting of Pakistan Judo Federation	20.07.2024	Islamabad
2.	Elective General Council meeting of Pakistan Judo Federation	09.08.2024	Islamabad
3.	Special General Council meeting of Pakistan Volleyball Federation	19.08.2024	Lahore
4.	General Council meeting of the Pakistan Handball Federation	29.09.2024	Faisalabad
5.	General Council / Executive Committee Meeting of Pakistan Taekwondo Federation	03.10.2024	Islamabad
6.	The elective General Council meeting of Pakistan Handball Federation	03.11.2024	Faisalabad
7.	The Elective General Council Meeting of Pakistan Karate Federation	17.11.2024	Lahore
8.	General Council meeting of Pakistan Olympic Association	30.11.2024	Lahore
9.	Notice-General Council Meeting of Pakistan Gymnastics Federation	01.12.2024	Lahore
10.	Notice of the Elective General Council meeting of Pakistan Olympic Association	30.12.2024	Lahore
11.	Pakistan Rugby Union Annual General Meeting	11.01.2025	Lahore
12.	Elective General Council Meeting of Pakistan Muaythai Federation	23.01.2025	Lahore
13.	Notice of general council meeting of Pakistan Wushu Federation	23.02.2025	Lahore
14.	Pakistan Rugby Union Extra Ordinary General Meeting	27.02.2025	Lahore
15.	Pakistan Football Federation Extraordinary Congress	27.02.2025	Lahore
16.	General Council Meeting of Pakistan Kabaddi Federation	12.03.2025	Lahore

17.	Notice of General Council Meeting – Pakistan Archery Federation	06.05.2025	Karachi
-----	---	------------	---------

Inter district/units tournaments 2024-25

To enhance the capacity and improve the physical standard among the members of Police Force, holding of regular Inter-District and Inter-Region sports competitions are very important. Therefore, in pursuance of para-No. 4 of the SOP (to enhance/streamline sports activities in the Punjab police) and with the approval of DG/Sports, all the RPOs/Units Heads organized Annual Police Inter Districts/Units Tournaments w.e.f.01.08.2024 to 31.08.2024 successfully.

In the second phase, all the RPOs/Units Heads were informed that Annual Police Inter Regions/Units Tournaments 2024 would be commenced in the October 2024. Therefore, all the concerned be directed to prepare their Police Sports Teams and ensure to organize competitions of allocated sports disciplines as per scheduled, would be announced by this office.

All the organizational arrangements for holding of Annual Police Inter Regions/Units Tournaments 2024 have been completed successfully.

CHAPTER 13

PUNJAB SAFE CITIES AUTHORITY (PSCA)

Introduction

The Punjab Safe Cities Authority (PSCA), established under the PSCA Act of 2016, is a leading public sector initiative aimed at enhancing urban safety, policing efficiency, and public service delivery across Punjab. Through Police Integrated Command, Control, and Communication (PPIC3) Centers, PSCA ensures centralized coordination of emergency response, crime surveillance, traffic management and secure communication in major cities of Punjab.

The Government of Punjab, under the leadership of the visionary Chief Minister, has taken revolutionary step towards **expanding the Smart Safe Cities** initiative across the province. Under **Phase-I**, PSCA successfully established **18 state-of-the-art centers**, marking a significant milestone in enhancing public safety and urban surveillance. The authority has initiated the establishment **Phase-II**, which will further extend the project to an additional **19 cities**. With a vision to ensure safety and technological integration, PSCA aims to expand the Smart Safe Cities network to the **tehsil level** in **phase-III**, paving the way for a more secure, connected, and responsive Punjab which is approved principally.

Phase – I: Completed		Phase – II: Implementation Phase	
1	Sheikhupura	Bhakkar	51%
2	Sialkot	Bahawalnagar	48%
3	Gujrat	Chakwal	45%
4	Jhelum	Chiniot	50%
5	Attock	Hafizabad	53%
6	Okara	Khanewal	53%
7	Murree	Khushab	48%
8	Jhang	Kot Addu	50%
9	Sahiwal	Layyah	52%
10	Hassan Abdal	Lodhran	52%
11	Muzaffargarh	Mandi Bahauddin	53%

12	Rahim Yar Khan
13	Taxila
14	D.G. Khan
15	Mianwali
16	Bahawalpur
17	Sargodha
18	Multan
19	

Narowal	54%
Pakpattan	42%
Rajanpur	40%
Talagang	39%
Taunsa	50%
Toba Tek Singh	42%
Vehari	48%
Wazirabad	52%

PSCA has integrated advanced technologies such as **surveillance cameras, GIS, real-time analytics, and AI-powered platforms** to enhance data-driven decision-making and strengthen operational efficiency. Artificial intelligence is actively employed to curb crime across Punjab through **predictive analysis, facial recognition, and real-time monitoring**. Its **AI-based traffic management system** further enables automated violation detection and improved traffic flow across urban areas.

Aligned with its citizen-centric approach, PSCA has launched progressive initiatives such as the **Virtual Women Police Station (VWPS), Virtual Centre for Child**

Safety (VCCS), Meesaq Centre for minorities, and Virtual Blood Bank reflecting its commitment to inclusive, technology-driven governance. The Authority continues to prioritize transparency, innovation, and service excellence in pursuit of a safer and smarter Punjab.

Key Achievements in Emergency Services Delivery

Emergency 15 Response System:

The Emergency Helpline 15, managed by PSCA, plays a dual role by facilitating emergency field responses and providing consultation-based support to citizens. It ensures timely dispatch of police units and real-time guidance, strengthening coordination between the public and law enforcement across Punjab.

Key Function	Details
Cases Dispatched for Field Response	2,441,413
Consultation-Based Services Provided	1,016,346
Average Police Response Time	25 minutes

Virtual Citizen-Centric Initiatives of PSCA:

In pursuit of its vision for inclusive and technology-driven governance, the Punjab Safe Cities Authority (PSCA) has established a range of virtual centers tailored to meet the specific needs of vulnerable and underserved segments of society. Key initiatives includes:

1. Virtual Women Police Station
2. Virtual Centre for Child Safety
3. Meesaq Centre for Minorities
4. Virtual Blood Bank
5. Meri Pehchan

These digital platforms are strategically designed to deliver specialized, accessible, and timely support by streamlining services through robust virtual infrastructure. Together, these initiatives demonstrate PSCA's strategic use of technology to expand equitable access, strengthen citizen engagement, and modernize the delivery of public safety and welfare services across Punjab.

Virtual Women Police Station (VWPS):

The Virtual Women Police Station, launched by PSCA in April 2024 as “Meri Awaz...Maryam Nawaz,” is Pakistan’s first digital platform for women to report crimes like harassment from the safety of their homes. Accessible via 15 Helpline, Women Safety App, Punjab Police App, and Safe City web portal, it ensures privacy and guides users from complaint to trial. From July 1, 2024, to June 30, 2025, it demonstrated strong performance in supporting women’s safety through technology-driven policing.

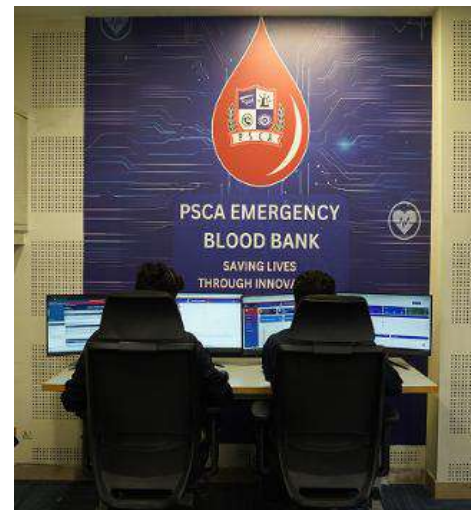

Virtual Centre for Child Safety (VCCS):

The Virtual Center for Child Safety (VCCS), launched by PSCA on **July 26, 2024**, is a round-the-clock, technology-driven platform designed to safeguard children across Punjab. It focuses on responding to cases of abuse, missing children, and various safety concerns through swift action and coordinated efforts with law enforcement agencies and social welfare departments.

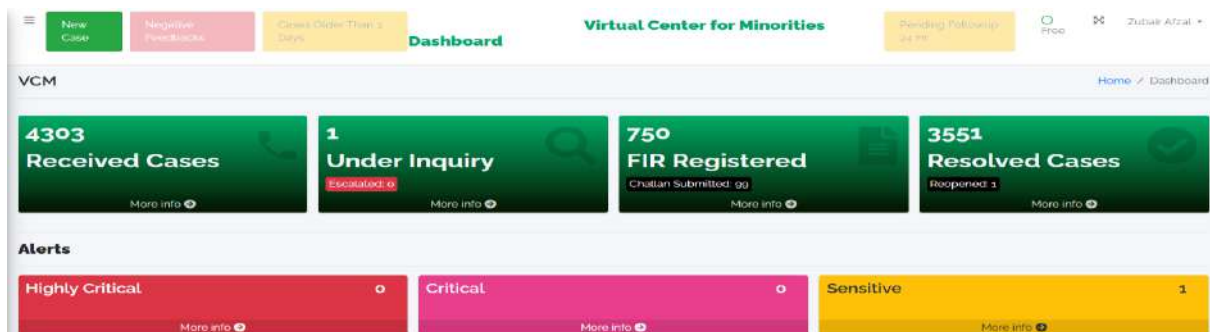

Virtual Blood Bank (VBB):

Launched in January 2025, the Virtual Blood Bank established by the Punjab Safe Cities Authority (PSCA) serves as a vital digital platform to support emergency and medical blood needs across Punjab. Accessible via the **Emergency-15** by pressing option **4**, the system enables prompt coordination between donors and recipients, ensuring timely and reliable assistance. This initiative enhances the province's **healthcare responsiveness**, reinforcing PSCA's commitment to **life-saving services** and **public welfare** through innovative technology.

Meesaq Centre for Minorities (VCM):

Launched in October 2024, the Meesaq Center for Minorities is a dedicated initiative by the Punjab Safe Cities Authority (PSCA) aimed at protecting the rights and safety of minority communities across Punjab. This specialized platform enables individuals to report grievances, seek assistance, and access support services in a secure and responsive environment. Reflecting PSCA's commitment to inclusive and technology-driven public safety, the Meesaq Center reinforces efforts to keep peaceful, equitable, and secure cities for all citizens.

Meri Pehchan:

Meri Pehchan is a compassionate initiative of PSCA with the vision to identify unidentified dead bodies and mentally challenged individuals. By leveraging advanced technologies such as fingerprint identification and facial recognition, the initiative aims to match these individuals with existing databases to determine their identities. The ultimate goal is to reunite them with their families or, in the case of the deceased,

provide closure to their loved ones. Mere Pehchan reflects PSCA's commitment to humanitarian efforts through the use of innovative, technology-driven solutions.

Digital Policing Initiatives: Evidence-Based Investigations, Records Delivery and Vehicle Blacklisting

PRE-EDC – 15 Tracing through Surveillance System:

Under the PRE-EDC initiative, PSCA utilizes surveillance system to trace and validate incidents reported via Emergency-15 calls. This real-time monitoring enabled timely identification and verification of criminal activity, resulting in **10,661 incidents** being geo-marked and forwarded to law enforcement for further investigation. This approach significantly enhances response effectiveness by linking emergency calls with visual evidence.

PRE – EDAC Digital Evidences	Count
Pre-EDC – 15 Tracing through Live Surveillance	10,661

Evidence Collection and Support:

Punjab Safe Cities Authority (PSCA) plays a vital role in supporting ongoing investigations by providing surveillance footage, and digital evidence to field officers and law enforcement agencies. Through its integrated PPIC3 infrastructure, PSCA ensures timely and accurate support to strengthen case resolution and enhance investigative outcomes.

Digital Evidences	Count
Investigating Officers facilitated at PPIC3	21,644
Cases supported with digital evidence	9,100
Evidence related to organized gangs handed over to law enforcement.	277
Emergency-15 call record requisitions received	1,913
Emergency-15 call records provided	1,580

Vehicle Blacklisting:

As part of its digital policing initiatives, PSCA actively utilizes vehicle blacklisting to track and prevent criminal activities. A total of **475 vehicle blacklist** requests were received, processed, and forwarded to the Vehicle Tracking Centre (VTC) for enforcement. This system enables real-time identification and monitoring of suspicious

or criminally-involved vehicles through ANPR integrated surveillance, significantly strengthening crime prevention efforts across the province.

AI-Driven Public Safety Initiatives

Artificial Intelligence (AI) is significantly contributing to crime reduction and traffic management by enabling real-time surveillance, predictive analytics, and informed decision-making. AI-driven systems support early identification of criminal activities, streamline suspect tracking, and ensure prompt response/actions. In traffic control, AI enhances efficiency by regulating signal timings, identifying violations, and issuing real-time alerts for congestion or incidents, thereby improving safety and urban mobility.

PSCA's Key Initiatives Include:

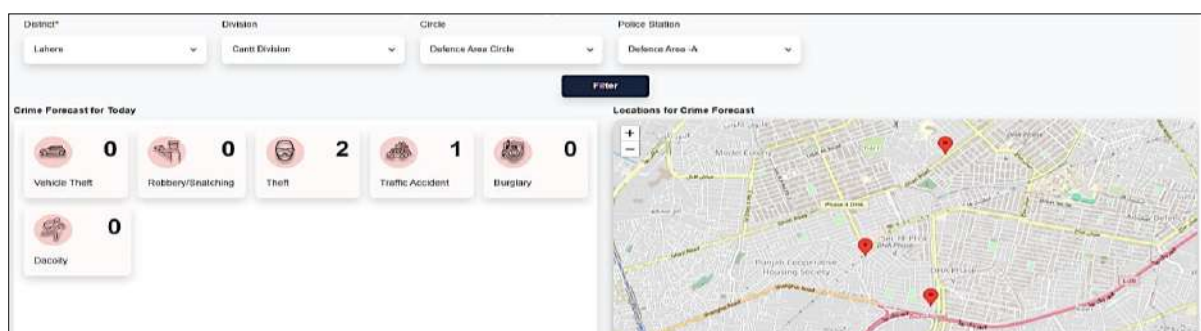

Emergency-i:

Emergency-i is a real-time analytics and monitoring platform designed to enhance the operational efficiency of Emergency 15. The system enables **low-latency, real-time analysis** of call data, allowing for **immediate case notifications** and improved decision-making. The platform supports **real-time alerts**, including notifications for **crime reoccurrence in hotspots, negative citizen feedback, escalated cases from VWPS, VCCS, VCM modules**, and **delays in response times**. Additionally, Emergency-i facilitates **real-time communication and case assignment**, allowing senior officers—such as SDPOs and DPOs—to assign cases directly to relevant subordinates (e.g., SHO), ensuring timely and accountable action.

Predictive Policing:

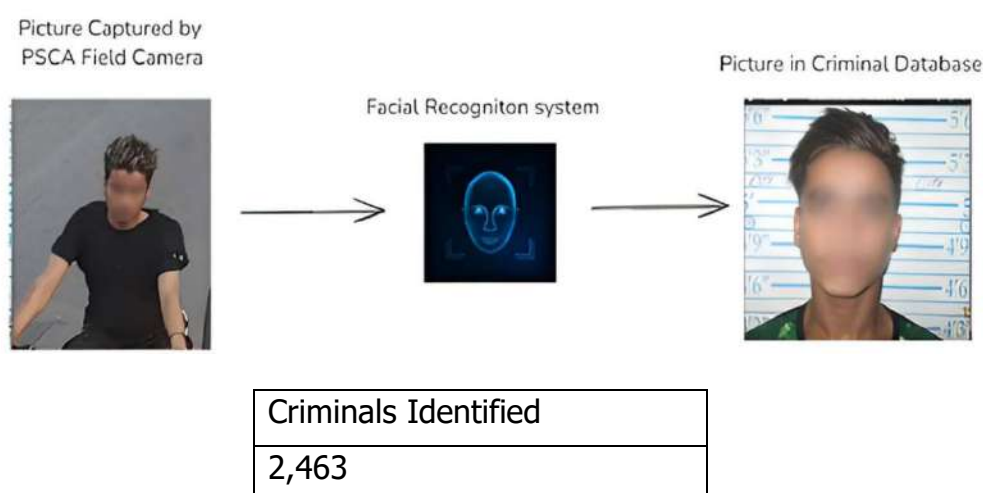

The **crime forecasting initiative**, led by the Punjab Safe Cities Authority (PSCA), is designed to strengthen **proactive policing** through the application of **AI-driven analytics**. The system's core objectives include the **prediction of crime trends** in potential hotspots, the generation of **heatmaps** based on reported incidents, and the **tracking of suspects** by integrating data from the **Criminal Record Office (CRO)**. In addition, the system analyzes **seasonal crime patterns**, enabling law enforcement agencies to align their strategies with anticipated trends and implement **preventive measures** accordingly. This data-driven approach facilitates a **shift from reactive to proactive policing**, ultimately contributing to **crime reduction** and **enhanced public safety**.

Facial Recognition System:

Punjab Safe Cities Authority (PSCA) has developed a state-of-the-art **Face Recognition System**, powered by **artificial intelligence** and **machine learning**, to enhance public safety and support law enforcement operations.

This system detects and identifies **persons of interest** by analyzing surveillance footage and matching real-time images against a comprehensive database of individuals with known criminal records. It enables the timely recognition of suspects and facilitates swift action by law enforcement agencies.

The system is also integrated with **Virtual Centers of PSCA**, where it plays a critical role in **reuniting lost or missing individuals with their families**, providing essential support in sensitive and high-impact cases.

Initially implemented in Lahore, the Face Recognition System is now being expanded to other cities across Punjab as part of a strategic initiative to modernize public safety infrastructure and improve service delivery.

Automatic Number Plate Recognition (ANPR):

The **Automatic Number Plate Recognition (ANPR)** system, deployed across PSCA's wide network of surveillance cameras, is designed for **real-time vehicle detection, tracking, and number plate recognition**. Once a number plate is captured, the system scans it against a **dynamic, live database**, including the **AVLS** and **blacklisted vehicle records**. It also performs **match verification** with **excise department data**, checking the vehicle's make, model, and color for authenticity.

The system quickly detects fake or cloned number plates and sends alerts with pictorial evidence to field officers within 5–7 seconds, enabling swift and informed action.

AVLS Alerts
10,415

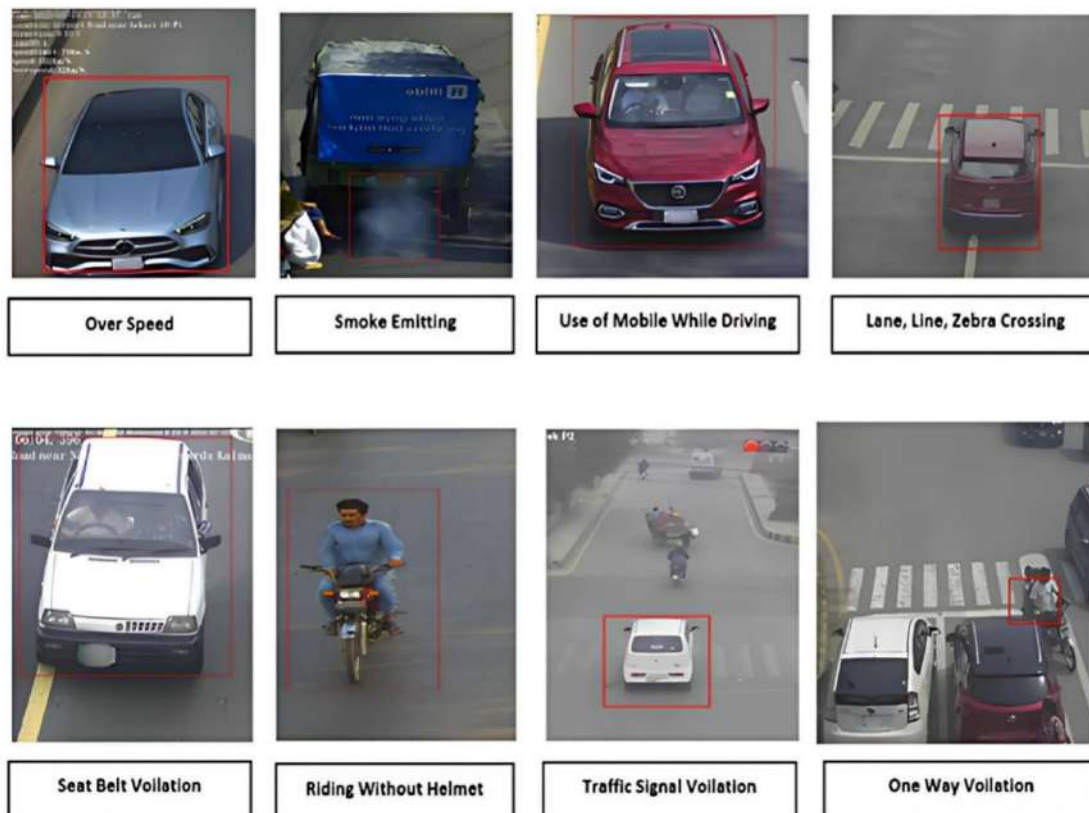

This capability plays a critical role in preventing vehicle-related crimes and ensuring road safety through timely detection and intervention.

AI-Driven Traffic Enforcement and E-Challan Issuance

Punjab Safe Cities Authority (PSCA), is ensuring the road safety and security of citizens by leveraging traffic intelligent surveillance and automated e-challan systems, fostering efficient and transparent traffic enforcement. PSCA through its **surveillance system** and **AI-powered traffic system**, identified and verified violations against following **19 traffic violations**:

19 TRAFFIC VIOLATIONS AI-Driven E-Challans			
1	Line, Lane or Zebra Crossing	11	Pillion Riding
2	One Way	12	Rash & Negligent Driving
3	Over Speed	13	Riding Without Helmet
4	Traffic Signal	14	Seat Belt Violation
5	Wrong Lane or Wrong Turn	15	Use of Mobile while Driving
6	Driving Without Proper Lights	16	Use of Tinted Glasses
7	Emitting Excessive Smoke	17	Without Fitness Certificate
8	Juvenile Driving	18	Without Route Permit
9	Over Loading of Goods	19	Wrong Parking
10	Over Loading of Passengers		

A total of **5,049,551 verified traffic violations** were verified, resulting in **PKR 6.21 billion** in fines imposed. This initiative underscores PSCA's commitment to road safety by utilizing intelligent surveillance and automated E-Challan systems, ensuring efficient and transparent traffic regulation.

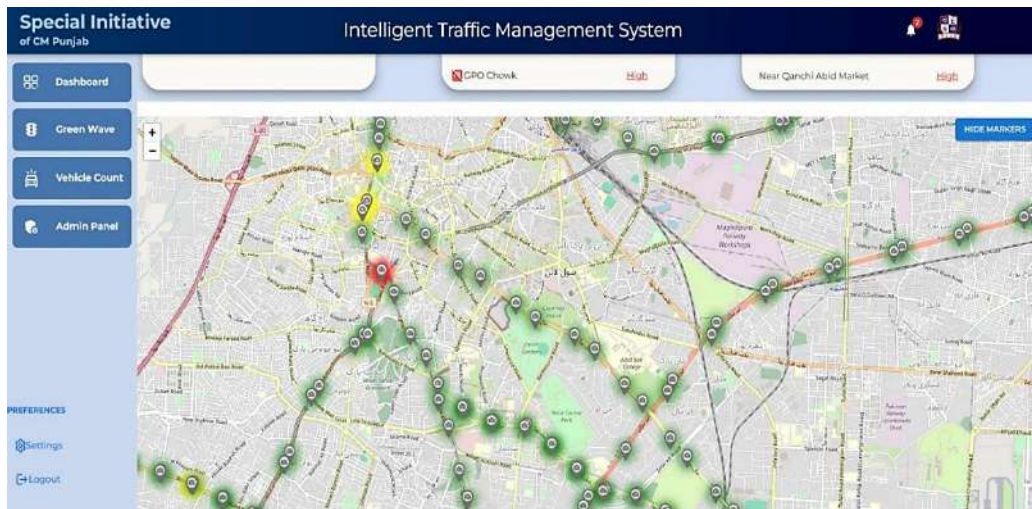

Violation notifications are promptly dispatched to citizens through **SMS and WhatsApp** to ensure timely and effective communication. Efforts are ongoing to further enhance the e-challan payment system, with a focus on improving accessibility and user convenience for the general public.

Intelligent Traffic Management System (ITMS)

The **Intelligent Traffic Management System (ITMS)**, deployed by the Punjab Safe Cities Authority, is an innovative solution to address the growing challenge of urban traffic congestion. It continuously **monitors real-time traffic conditions**, identifies **congestion points** on major roads in Lahore, and provides **traffic forecasts** using live camera feeds.

ITMS aims to make road travel more **efficient, safer, and environmentally sustainable**. By enabling data-driven traffic control, it helps **reduce journey times, minimize accidents, and lower vehicle emissions**, ultimately enhancing **urban mobility and road safety**.

Transforming Police-Public Relations

Safe City Khidmat:

Safe City Khidmat-i is an AI-powered chatbot developed by PSCA to provide **24/7 digital public assistance**. It allows citizens to quickly access services such as E-Challan details, criminal and vehicle records, and cybercrime reporting. The chatbot also handles general queries related to law enforcement, legal advice, and various Punjab Police services. With a user-friendly interface and bilingual support (**English/Urdu**).

Women Safety Application:

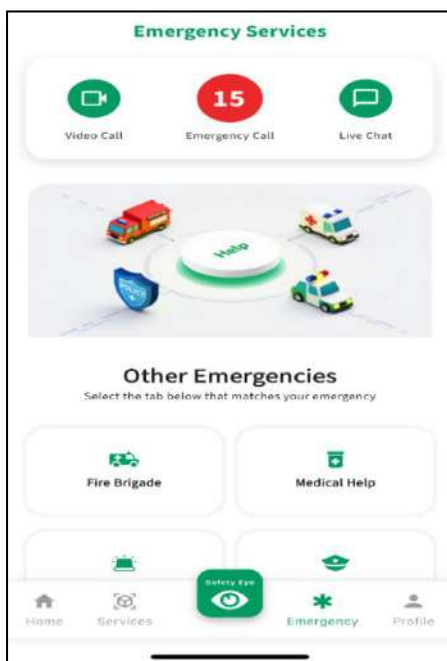

Women Safety App Version 2.0 is a major step towards enhancing women's safety through technology. With a user-friendly interface, it offers key features such as a **panic button (Alert 15)**, live chat with female operators, gesture-based SOS alerts, live location sharing, journey tracking, ride safety sharing, and additional access to 40 Punjab Police services. The app also includes heat maps of unsafe areas, legal awareness content, and direct complaint registration with IGP (1787), reflecting the government's commitment to women's empowerment and secure public spaces.

Public Safety Application:

The Punjab Safe Cities Authority (PSCA) has developed “**PSCA – Public Safety App**” as a comprehensive mobile solution to improve **emergency response, public safety, and citizen engagement** throughout Punjab.

Designed to offer a user-friendly interface, the app allows citizen to get information related to Challans issued against traffic offenses. It also allows the direct communication of citizen to the agent through live chat or video call. It also supports complaint tracking across various PSCA platforms.

Additional features include GPS-based police station locator services, emergency contact access, and a platform for blood donor registration and requests. This initiative reflects PSCA’s commitment to leveraging technology for a safer, more responsive, and citizen-focused public safety ecosystem.

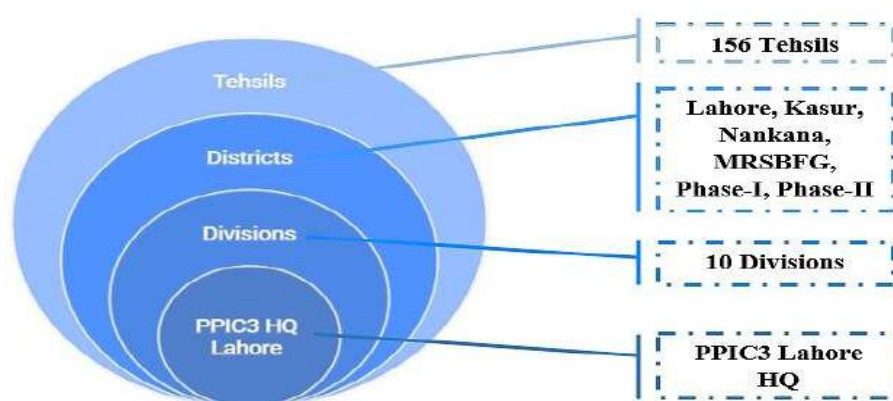

Digital Media and Community Connectivity:

To enhance public engagement and ensure transparent communication, PSCA has significantly expanded its digital presence across multiple social media platforms. These channels serve as vital tools for awareness campaigns, public service messaging, and real-time updates. The following metrics reflect the scale of PSCA’s outreach efforts:

Platform	Reach / Impressions	Followers / Subscribers
Facebook	400 million reaches	1 million followers
Twitter	5 million Reach	121,000 followers
Instagram	105 million reaches	105,000 followers
YouTube	109 million views	340,000 subscribers
TikTok	350 million Views	367,000 Followers

Strategic Deployment Across the Province

The vision of the Safe City is to establish an integrated and technology-driven surveillance network across Punjab, aimed at enhancing public safety, crime prevention, and efficient traffic management. By leveraging smart infrastructure, high-definition CCTV coverage, and data analytics, the project aspires to create secure urban environments where real-time monitoring supports rapid response and informed decision-making. The realization of this vision is underway through a phased expansion of Safe City projects across Punjab, beginning with **Phase-I 18 cities**, followed by **Phase II extending to 19 additional cities**, and **Phase III** aiming to cover **tehsil-level** areas. This strategic rollout is designed to strengthen law enforcement, enhance citizen services, and establish a robust foundation for intelligent, evidence-based policing across the province.

Successfully Completed Projects

Smart Safe Cities Phase -I

The successful establishment of Smart Safe City projects in **18 cities** of Punjab marks a significant milestone in modernizing public safety infrastructure. With the budget of **PKR. 5180.558 million**, the Phase-I project delivered cutting-edge, technology-

driven solutions for major cities of Punjab, laying the foundation for province-wide expansion. This expansion has enhanced PSCA's monitoring and response capabilities with the addition of **3,950 cameras**. These completed initiatives have enhanced surveillance capabilities, improved emergency response times, and introduced integrated command and control systems. By leveraging advanced technology and real-time monitoring, these projects have strengthened law enforcement efforts and contributed to safer urban environments across the province.

PPIC3 Centre – Rawalpindi, Faisalabad & Gujranwala:

To extend the smart policing framework beyond Lahore, the Punjab Safe Cities Authority (PSCA) has been establishing PPIC3 Centers in Rawalpindi, Gujranwala, and Faisalabad. Modeled on the Lahore PPIC3 Centre, With the budget of **PKR. 13,649 million**, these advanced facilities are equipped with modern surveillance systems, traffic management tools, and communication hubs. This expansion has enhanced PSCA's monitoring and response capabilities with the addition of **5,212 cameras**, enabling more effective law enforcement coordination and improved urban safety across key cities in Punjab.

PSCA Women Hostel:

Another landmark achievement is the establishment of a dedicated Women Hostel at Qurban Lines— the first of its kind—designed specifically for the women of Punjab Safe Cities Authority. The hostel has enabled safe and secure place for the women to reside and perform duty in shifts. The provision of this facility to the women of PSCA has also reduced the commute cost and saved time substantially.

This facility reflects a strong commitment to gender inclusivity and staff welfare, providing secure, comfortable, and well-equipped accommodation that empowers women professionals to serve with confidence and dignity.

CHAPTER 14

INVESTIGATION BRANCH, PUNJAB

The Investigation Branch Punjab is the premier investigating agency of the police department, which carries out investigation of complicated, high profile and contested cases. Its job is specialized one, which requires expertise, professional commitment, devotion and a lot of hard work. It also collects the crime statistics from all the field formations of the province. All the collected data is analyzed and its reports are disseminated on incidence, detection and prosecution of criminal cases. The branch studies modus operandi adopted by the criminals and coordinates inter-district and inter-province preventive and detective efforts and strategies. Investigation Branch has maintained and uploads on Police Website record of Head Money Proclaimed Offenders containing bio-data after a thorough analysis of crime history of these fugitives of the law. Investigation Branch sends recommendations to the Government of the Punjab for notification of head money for the arrest of these out-laws. This branch is also responsible for distribution of head money to the deserving police officers. A Finger Print Bureau, which has the largest collection of fingerprint records in the country also functions under this branch.

DIG/Crimes is looking after both monitoring/analysis of crime; DIG Investigation/Monitoring is looking after the investigation of cases entrusted to different officers of the Provincial Investigation Branch. Investigations of different contested cases are also entrusted to the Investigation Branch after the third change of investigation ordered by the Inspector General of Police, Punjab. Such changes of investigation are ordered on the recommendation of the Provincial Standing Board comprising the DIG/Investigation/Monitoring and two senior most Superintendents of Police posted in Investigation Branch, Punjab.

The AIG/Monitoring & Crime Analysis supervises the working of the Provincial Criminal Record Office (CRO), Monitoring Section, ATA Section, and Statistical Office, Finger Print Bureau and Fire Arm Bureau.

The Additional Inspector-General of Police Investigation, being head of the Investigation Branch supervises the administration and functions of the branch. On

the investigation side, Addl: IGP/Investigation is assisted by DIG/Investigation/Monitoring, 05-SSPs/SPs, DSP/Legal 02 and 06-DSPs/Investigation. On the crime side, Addl: IGP/Investigation is assisted by DIG/Crimes. SSP/Administration, AIG/Monitoring, and Statistical Officer, Criminal Record Office (CRO) and Finger Print Bureau (FPB) also work under the supervision of DIG/Crimes.

The Investigation Branch is also working to analyze the availability of cost of investigation and to see that whether the present cost of investigation provided for each head of crime is sufficient to investigate the case. Recently, the Investigation Branch has also started monitoring of Regional Investigation Branches to see the progress of cases of investigation as a first and second change. The data are being collected and analyzed. The data is not only being collected to see how many cases are being finalized by the Regional Investigation Branch but also to ensure that they have an adequate amount of manpower for the speedy investigation. The Investigation Branch is also preparing and disseminating the guidelines for the field officers and field units regarding the investigation of the cases.

The Investigation Branch deals with the 3rd change of investigation and conduct of investigations. During the year 2024 and 2025, disposal of Cases Investigated by Investigation Branch is as under:

Cases considered by the Standing Review Board

Sr.	Year	Previous Balance	Received during the Year	Total	Applications considered by the Board	Recommended for 3rd Investigation	Not Recommended	File	Direction	Pending
1.	July to Dec. 2024	63	213	276	252	66	175	3	8	24
2.	Jan. to June 2025	24	253	277	248	47	181	4	16	29

Cases U/Inv in Investigation Branch

Sr.	Year	Previous Cases U/Inv.	Received during the Year	Total	Previous Cases Completed	Fresh Cases Completed	Total Cases Finalized	Cases U/Inv. at the end of the Year
-----	------	-----------------------	--------------------------	-------	--------------------------	-----------------------	-----------------------	-------------------------------------

1.	July to Dec. 2024	45	64	109	45	56	101	120
2.	Jan. to June 2025	82	41	123	78	12	90	53

During the year, focus upon the speedy disposal of cases was being drawn by the investigation branch, so that the people coming from all over the province may not suffer because of the undue delay in the investigation process.

The Investigation Branch also collects data from all over the province and monitors crime situation. These figures are presented to high ups as and when required. To have a quick look at the overall crime situation in Punjab, crime analysis for the year July 2024 to June 2025 is as under:

Crime Analysis 2025 up-to 30th June

Taking a bird's eye view of the crime figures pertaining to 2025, it is clear that the total reported crime increased by **61,453** as compared to 2024. It comes out to be **11%**.

In heinous offences, increase of **51%** in Gang Rape, **100%** in Dacoity/Robbery with Rape, **75%** in religious cases, **08%** in Extortion **19%** in Kidnapping/abduction and **01%** in 382 PPC has been witnessed in 2025 as compared to 2024.

Crime Analysis 2024 July to December

Taking a bird's eye view of the crime figures pertaining to 2024, it is clear that the total reported crime increased by **16,071** as compared to 2023. It comes out to be **03%**.

In heinous offences, increase of **02%** in Murder, **106%** in Gang Rape, **50%** in Dacoity/robbery with Rape, **38%** in religious cases, **13%** in Extortion, **22%** in Kidnapping/abduction and **01%** in Burglary.

The terrorism and the resulting security requirements overwhelmingly consumed the attention and resources of the police in 2025. It witnessed an increase of **100%** as compared to the last year. The relevant figures are cited as under:

Real Terrorism Cases (ATA)			
Year		Killed	Injured

	Case Registered	Terrorist	Police	Civilians	Police	Civilians
July to Dec. 2024	4	3	0	0	6	0
Jan. to June 2025	6	11	0	1	2	2

Despite the onslaught of terrorist incidents and subsequent deployment in security related measures, the police kept on pursuing the cases in courts. Over all Conviction Rate remained **33%** during the said period of 2025 (Murder **33%**, Dacoity **04%**, Robbery **02%** & Kidnapping for Ransom **04%**) The police incessantly worked despite the martyrdom of their brother officers/officials.

The Punjab Police never lost sight of the measures required for the apprehension of proclaimed offenders and court absconders, etc. They are considered the lurking danger for the society and potential threat for further commission of crime. Total **24,855** "A" Category POs were arrested in 2025 and **17,494** were still at large. Out of total PO's arrested, **2177** were of Murder, **2266** of Dacoity, **160** of Dacoity/Robbery with Murder and **46** of Kidnappings for Ransom.

The incidence of crime is a socioeconomic phenomenon and duly affected by the factor's contributory to the societal fabric like population growth, economic deterioration and unemployment, etc. The performance of these factors has been reflected in the official statistics as less than optimal. The situation is further aggravated by the upsurge in terrorism and onset of natural calamities like floods.

The Investigation Branch is also responsible for preparation of crime reports, reports on ATA cases, maintaining record of criminals, monitoring of heinous cases, comparison of finger prints, etc., details of which are given hereunder:-

Crime report comprises the following information:

- Provincial/District Crime Data, about all offences.
- Arrest of proclaimed offenders.
- Arrest of Court absconders.
- Gangs busted.
- Encounters.
- Arms recovered.

- Court proceedings.

Statistical Section:

- Crime statistics collected from throughout Punjab during the period. On the basis of comparative crime monthly analysis indicating trends and overall situation were prepared.
- A daily crime report of heinous offences is prepared and submitted to IGP and Provincial Government (Daily Crime Report) D.C.R.

Training and Capacity Building of Investigator

a.	Homicide Investigation Units have been established in all over Punjab to investigate heinous crimes.
b.	Specialized courses are being run for the investigation staff.
c.	Police officers are being trained to use of scientific methods to collect material evidence in order to ensure effective prosecution.
d.	Investigation staff has been provided new investigation kits in order to achieve the objective of scientific investigation.
e.	State of the art forensic laboratory is being established which will be equipped with the latest testing facilities.
f.	Police records are being computerized and linkages are being developed among all districts and police stations in the Punjab. This will help store and retrieve the requisite data in an expeditious manner.

The need for training and enhancement of investigative skills of police officers cannot be overlooked. The Punjab police are conscious of the fact that there is no room for traditional methods of investigation in the 21st century. Hence, efforts are being made to train police officers on modern lines and provide them the state-of-the-art training. The following areas are being focused under this program need special mention:

Consolidation

To deal with the situation a comprehensive strategy has been adopted and continuous adjustments and revisions are being made through research, analysis and consultations. Some of the important ingredients of the strategy are free registration of cases, expeditious investigations, arrest of proclaimed offender's/court absconders and vigorous prosecutions. The capacity building and accountability of the officers are also being taken care of appropriately.

Conduct of investigation is a specialized job and investigation branch Punjab, being the prime investigation agency, is well aware of this fact. Therefore, professional and dedicated police officers are posted here who could dispense justice. During the year

2024 the investigation branch Punjab showed considerable improvement in its working, but room for improvement is always there.

CHAPTER 15

SPECIAL BRANCH

Introduction:

Foundation of Special Branch, Punjab was laid down by the British Government in 1835 with the creation of Anti-Thaggi and Dacoity Department in British India with Sir William Saleeman as its first General Superintendent. Thugs were involved in various criminal activities across the country. So, it was the need of the day that there should be a central department to eliminate thugs. After the war of 1857, the British Government in India thought it necessary to have a check on anti-British organizations. So, this department was tasked to keep an eye on such organizations and collect necessary information about their activities and members. In 1877 the department was given the additional duty of collecting secret and political intelligence.

In 1887, Special Branch of Police was established in each province under the orders of Viceroy of India. Its main duty was to collect secret information about the various anti-British organizations and to inform the concerned authorities. It was further tasked to have a watch on sectarian problems, illegal trade, movement of foreigners, movement of suspects and holders of illicit arms.

In 1902, Fraser Commission recommended to establish a new department with the name of Criminal Investigation Department. First, the department was established in 1907 at Federal level and its head was designated as Director. In 1908, CID was established in each province and Special Branch was merged with CID. Mr. Wallace was appointed as first Director of CID Punjab. Its charter of duties was notified in 1915 in the form of a manual called CID Manual.

However, after the amalgamation of Special Branch into CID, its further reorganization was carried out. Railways and Crimes Branch were also attached with it and its head was re-designated as DIG. This new set-up was made to collect criminal and political intelligence and also deal with the crimes of special nature. Duties of Criminal Investigation Department were notified as following:-

- i. To promote co-ordination among the Police of different districts and different provinces.
- ii. To watch and report on all religious and political movements affecting the province and India as a whole and to maintain close co-operation with district authorities.
- iii. To scrutinize the publications of the vernacular press and all Indian owned newspapers and printing presses.
- iv. To check crime by the prompt publication of information of any incident in the CID
 - a. Gazette.
- v. To trace and recover the stolen property.
- vi. To collect information and prepare intelligence reports to assist District Police in their work.
- vii. To undertake the investigation of following cases:-
 - a. Currency notes forgery cases.
 - b. Counterfeit coining cases.
 - c. Cases of professional poisoning.
 - d. Theft of Government arms and ammunition.
 - e. Trade of illicit arms.
 - f. Important cases in which the foreigners were involved.
 - g. Extensive frauds and floating bogus companies.
 - h. Cases of dacoity concerning more than one district, house breaking, thefts extending beyond the limits of one district.
 - i. Trafficking in women.

It is noteworthy that it was clearly mentioned in the orders that this department was created to assist the district Police and was not given any supervisory authority.

Bifurcation of CID

CID was bifurcated in 1955 into two independent branches, viz: Special Branch and Crime Branch, because of ONE UNIT. It was felt that one DIG CID was not enough for the whole province of West Pakistan to deal with Political Intelligence and Criminal Investigation simultaneously. Special Branch was assigned collection of information

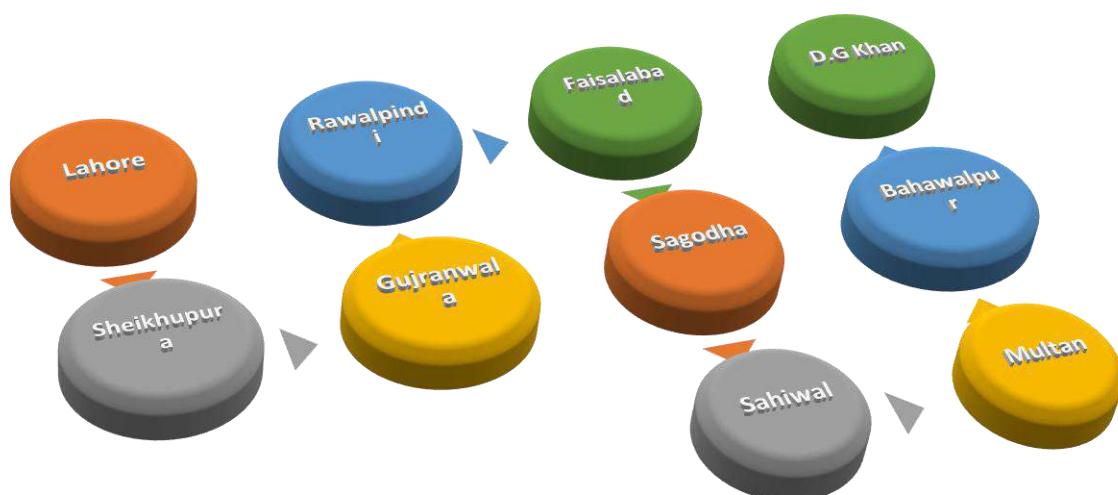

about socio-political activities and Crime Branch was made responsible for investigation of crime on scientific lines.

In 1976, post of DIG Special Branch was upgraded to Additional Inspector General of Police. Two posts of DIG were created to hold the portfolios of Intelligence and Security of VIPs and sensitive installations in 1980 and 1986 respectively.

The influx of Afghan refugees after Soviet invasion in 1979, brought a flood of sophisticated weapons and narcotics. This gave birth to many subversive and terrorist activities in Punjab. In order to counter the situation, a Cell under the supervision of a DIG was created in Special Branch with the name of Anti-Terrorism Cell (ATC) in 1987.

In the year 1987, Research & Reference Cell under the control of a director was established in Special Branch, Punjab to conduct scientific research on socio-economic issues having bearings on law & order and security situation. In 2004 Special Branch was re-organized and further expanded up to Police Station level. Presently Special Branch, Punjab is headquartered at Robert's Club, Church Road, Lahore with 10 regional offices. Each regional office is headed by an officer of the rank of (Senior) Superintendent of Police:

Following are the Regional offices of Special Branch, Punjab:

Police School of information and analysis

Police School of Information and Analysis was established in July, 2011 by merging Special Branch and CTD Intelligence Schools and was put under the overall command of Additional Inspector General of Police, Special Branch, Punjab. Initially it was named as Police School of Intelligence and later renamed as Police School of Information and Analysis (PSIA). The institution imparts specialized training to the police officers and offers following courses:

- Basic Intelligence Course
- Advanced Intelligence Course
- Basic Training Course for Surveillance & EDS Sections
- Junior Promotion and Upper Promotion Course for Intelligence Cadre
- VVIP/VIP Security Courses
- Induction Orientation Course for SB Officers/Officials
- Refresher courses to different cadres of Special Branch, Punjab.

Performance of intelligence wing

Intelligence wing is the main wing of Special Branch which performs different duties regarding intelligence collections, analysis, monitoring & evaluation and issues reports on various political, religious, sectarian, economic, professional and social matters having bearing on law & order. Research and Reference Cell, being a part of Intelligence Wing, has performed main duties of the Wing by generating and filing intelligence-based reports and analysis on political, sectarian/religious and public service delivery issues. Daily Situation Reports, Special Report, Sectarian Activity Report, Monthly Law & Order Analysis are main reports which are issued regularly. Following is detail of activities performed by Intelligence Wing during the year 2024-25.

Monitoring & Evaluation

- Monitoring of Provincial Govt. initiatives for good governance & better service delivery.
- Third party validation of projects/campaigns/initiatives.
- Performance audit of government departments.
- Ascertaining Public Pulse/Feedback.
- Sensitizing provincial government through analysis & assessments of events & happenings.
- Special tasks assigned by the Chief Minister Punjab.

Public Pulse

- Public pulse is an important tool for policy making.
- It is gathered on regular basis to assess hopes & expectations of public from government & their response to government measures.
- Public feedback on important government initiatives is gathered & disseminated to concerned quarters, for corrective measures & pre-emptive action.

Activities (2024-25)

Intelligence Collection

- Data on masjid in Punjab (Sect-wise)
- Data on Madaris in Punjab (Sect-wise)
- Data on Afghan Trained Boys (Region-wise)
- Book on the arrangements for Moharram/Chehlum
- Book about the Activists of Banned/Extremists Sectarian Outfits
- Book relating to Calendar of Moharram/Safar Flash Points
- Details of Daily Programs of Processions/Majalis (Category A), from 1st Moharram to Chehlum
- Assessments of bye-elections
- Detail of sensitive polling stations "category-wise A, B & C" in bye-elections
- Flash Points-polling stations in bye-elections

- Political situation Analysis
- Observed and reported 7576 incidents of public disorder including demos, rallies, roadblocks etc.

Periodical Reports

- Daily Situation Report (DSR) (365 reports issued)
- Special Report (450 reports issued)
- Sectarian Activity Report
- Action against proscribed literature Report
- Wall chalking Report
- Objectionable speeches Report
- Display of weapons Report
- Monitoring of sectarian activists under Schedule 4 of ATA 1997 Report
- Security of worship places Report
- Security of sensitive installations/key points
- Violation of Marriage Act Report
- Critical Bazars Monitoring Report
- Availability and Prices of Fertilizer Report
- Rains and flood situation Report
- Dengue Report
- Monthly Law & Order Analysis
- Monthly report on arrest of POs and drug peddlers

- The case for recruitment against 01 post of Technical Officer Maintenance (BS-16) is under process in PPSC.
- 01 Canine Supervisor (BS-14) was recruited in Sep 2024.
- 03 Data Entry Operator (BS-12) were recruited in October 2024.

Regularization/ Upgradation & Promotion of posts

- 45 Intelligence Officers (BS-14) were regularized in November, 2024 and January 2025.
- 10 Technical Cadre officials were regularized in July 2024.
- 73 Technical Cadre officers/officials were promoted in Dec 2024.

Steps taken for E-policing during 2024-2025

Sr.	Achievement	Purpose	Year
-----	-------------	---------	------

1.	SBIS Governance Monitoring web dashboard & Mobile App	This system collects information from Districts & Regional Offices about 23 governance-related points from the Chief Secretary of Punjab. Regions have been trained and data entry is ongoing. The app enables the upload and forwarding of complaints related to these governance monitoring categories to the District Administration for resolution. A total of 1,886,657 reports were uploaded b SB, and 1,886,505 were resolved by the District Administration in 2024-2025 through this system.	2024-25
2.	SBIS Verification	Online verification streamlined the process for verification of individuals applying for government posts, visa and passport issuance, airport entry passes and security companies etc. Total 57814 verification cases have been completed by SB through this system in 2024-2025.	2024-25
3.	SBIS Essential Commodities web dashboard & Mobile App	Monitoring 12 essential commodity rates and their availability with field staff using the governance monitoring app to upload market rates, disparities between government approved rates and market rates are identified and showcased on the SBIS Portal. Total 560168 commodities reported through this system in 2024-2025.	2024-25
4.	AIRS & Mobile App	The Automated Intelligence Reporting System (AIRS) to ensure rapid and precise intelligence gathering and dissemination. Total Intelligence Reports in 2024-2025 is 588044 and Total DSR generated by HQrs and Regions is 3888.	2024-25
5.	Police Khidmat Markaz (NSV), Global Portal http://nsv.pkm.punjab.gov.pk/login	Online verification of overseas Pakistanis and their national status have been implemented in Special Branch Districts, Regional offices and SB HQrs.	2024-25
6.	Digital Roznamcha	Digital Roznamcha has been implemented in all Districts of SB, Punjab.	2024-25
7.	Punjab Charity Commission Web portal http://www.charitycommission.punjab.gov.pk	Record of Non-Profit Organizations	2024-25
8.	Motor Transport (ppmt.punjabpolice.gov.pk)	Vehicle information, fuel consumption, repairs Log Book.	2024-25
9.	Foreigners Registration System	This system provide data from districts & regional offices and generate required reports on a dashboard as per	2024-25

		Chinese/Foreigners security audits at Districts, Regional and SB HQrs.	
10.	Personal profiling system	The personal profiling system for lowdown that is working in PS to DIG Intelligence Branch has been developed and implemented.	2024-25
11.	CDR	Call Data Record access system is available for official purpose. All the regions and HQrs officers get the information as per need.	2024-25
12.	Human Resource Management System (HRMS)	All the service records of Special Branch, employees have been 100 % digitalized using HRMIS and all over the Punjab transfer/posting, account matters, welfare funds, SRC/SIP, ACRs and show cause/punishment orders are generating through using this said HRMIS Web based software.	2024-25
13.	Standardized Police Identity Cards	Printing the Uniform/Standardized Service I.D Cards with the unique QR Code through system generated for all Regions/districts/units/wings of the Special Branch, Punjab.	2024-25
14.	IGP Complain Management System (8787)	All tasks of IGP complaint cell 8787 related complaints have been done by this office as per SOP.	2024-25
15.	Pakistan Citizen Portal (PMDU)	All tasks of PMDU related complaints have been done by this office as per SOP.	2024-25
16.	NADRA Verisys	It also ensures the smooth functioning of NADRA Verisys system installed at office of Security Section, Special Branch, HQrs.	2024-25
17.	Biometric attendance system	All employees of Special Branch, headquarter use Biometric Attendance System for their daily attendance.	2024-25
18.	Video Conference Setup	Deployed Video Conference setup in Committee Room.	2024-25
19.	Special Control Room	Provided the IT services at Special Control Room 24/7 round the clock.	2024-25
20.	Deployment of Servers	Established server room for installing/managing/ monitoring various type of servers i.e.; Microtip Firewall: Microtip provides a range of monitoring and management tools to help Special Branch to manage and track network. It also merges the multiple ISPs to smooth connectivity, extend bandwidth and failover situation. It creates alerts to keep you up-to-date on firewall behavior,	2024-25

		configure and view logs to track Microtek Server activity and create reports to customize and summarize log information. It helps us to monitor and control the internet activities of Special branch in an organized way. DATABASE SERVER Deployment of Database Server (DB Server) and Centralized Backup and Offline Backup Support. WEB SERVER All the web application installed on this machine. DOMAIN CONTROLLER A domain controller is a server that responds to security authentication requests within a computer network domain. It is a network server that is responsible for allowing host access to domain resources. It authenticates users, stores user account information and enforces security policy for a domain. f. Rack mounted server is installed in the PSCA data center for the AIRS web app, mobile app and database server. g. Rack mounted server is installed in PSCA data center for SBIS web app, mobile app and database server.	
21.	Project of CA4I	A team of technical Professionals developed an AIRS version 2 and also deployed the servers' infrastructure	2024-25
22.	Deployment of LAN	Management, Troubleshooting and Monitoring of Local Area Network deployed in SB HQR consisting of wired and wireless topologies for smooth office operations.	2024-25
23.	250 Mbps PTCL GPON Broadband	250 Mbps PTCL Broadband is deployed for Banyan Block	2024-25
24.	250 Mbps PTCL GPON Broadband	250 Mbps PTCL Broadband is deployed for Cannon Block	2024-25
25.	Smart TV Connection installed in Officer Block & Media Cell	Smart TV Link provides the backup connection instead of cable TV connection. So, that smoothly facilitates the officers and Media reporting.	2024-25
26.	Computer Hardware Lab	Hardware technicians troubleshoot and repair computers peripherals in a cost-effective manner.	2024-25

27.	Implementation of license software	Microsoft Windows 10,11, Microsoft Office 2021, pro and Symantec antivirus all over the Punjab.	2024-25
28.	Upgradation of IT LAB	All regional offices have established their IT Labs to support official tasks.	2024-25

CHAPTER 16

COUNTER TERRORISM DEPARTMENT

Vision Statement

Implementation of Government of Punjab's resolve to fight against the menace of terrorism in all its manifestations by utilizing all available means and resources.

Mission Statement

To protect Punjab from the threat of terrorism by performing intelligence, operations and investigation functions at local, provincial and national level. CTD's overriding priority is to keep public safe and disrupt terrorist activities of individuals and organizations.

Legal Framework of CTD

Counter Terrorism Department (CTD) is the successor department of Criminal Investigation Department (CID) of Punjab Police. CID was governed under Criminal Investigation Department Manual, 1937 which was suppressed by the Notification No. SO (IS-II)-3-24/2009(P-I) dated 21.07.2010 issued by Home Department, Government of the Punjab for the re-constitution of CID as CTD.

The restructuring of CTD aimed at creating specialized wings i.e. Intelligence, Investigations and special Operations. Police stations were established for the registration and investigation of cases whether registered for the offences under Anti-Terrorism Act (ATA) 1997, the Explosive Substances Act (ESA) 1908, the Punjab Arms Ordinance (PAO) 1965, or under any other law related to terrorism or investigation of already registered FIRs transferred to CTD from all over the Punjab. In this regard, Inspector General of Police Punjab issued a Standing Order No. 04 of 2022 under Article 10(3) when read with Article 27 of Police Order, 2002.

CTD Punjab's Future Vision

The monitoring of cyber terrorism is a crucial aspect of CTD's strategy, aimed at preventing and addressing digital threats. CTD is also focused on capacity building to enhance its ability to effectively manage scenarios such as hostage situations, vehicle-borne improvised explosive devices (VBIEDs), and armed attacks. One of its key goals

is to transform the organization into a completely paperless entity, ensuring efficient and environmentally friendly operations. Additionally, CTD is committed to building robust technical safeguards to protect against cyber threats. Its overarching objective is to eradicate all forms of terrorism in Punjab by leveraging both human and technical resources.

CTD Policy

CTD Punjab counter-terrorism policy is to address provincial and terrorist threats. The primary responsibility for combating terrorism and ensuring security related terrorism lies through operations, cooperation and (to some extent) harmonization tools.

Terrorist groups such as FAK (Fitna-Al-Khawarij), Al-Qaida, LeJ, BSNs and other proscribed terrorist organizations continue to operate against the state. Role of hostile agencies and their involvement in sabotaging peace in the country is another key challenge. As the threats posed by these organizations continue to evolve, the federal law enforcement organizations and especially the CTD Punjab also remain proactive in building national and provincial capacities to contain and eliminate this phenomenon through a combination of national engagement and organizational focus. The CTD engages with the concerned stakeholders and relevant partners to build and foster the capabilities necessary to prevent, degrade, detect, and respond to terrorist threats. This includes efforts to strengthen law enforcement agencies and judicial processes, to enhance the intelligence networks across the country and border security, to deepen global information sharing, to counter terrorist financing, to improve crisis response and to counter violent extremism. It is the CTD's priority to promote a secure environment within the province and nationally in order to address existing and emerging terrorist threats. CTD also encourage other federal entities to remain focused on building counterterrorism capacity in their own jurisdictions.

The objective of the Punjab Counter-Terrorism Department is to safeguard Punjab, its people and its interests from the effects of terrorism and violent extremism. This is achieved through:

- Equipping law enforcement, security intelligence and other operational agencies with tangible intelligence and ability to tackle terrorist threats.

- Ensuring that counter-terrorism structures are resilient, collaborative, consistent, and proportionate both nationally and internationally.

CTD Punjab operates on the following legal, administrative and operational lines to fight the menace of terrorism.

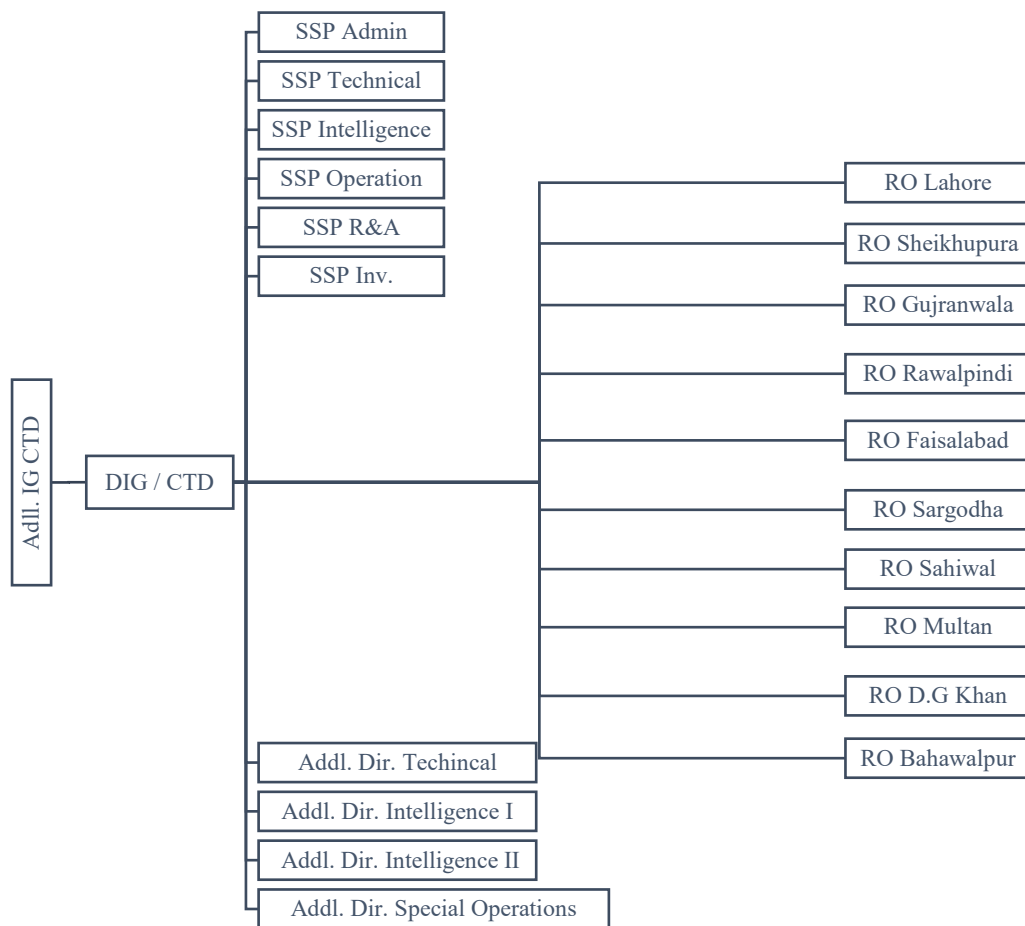

- Collection, collation and dissemination of information regarding terrorism, violent extremism, Proscribed Organizations, Proscribed Persons and UN Designated Entities.
- Detection and investigation of offences of terrorism and terrorism financing under Anti-Terrorism Act 1997.
- Investigation and Prosecution of offences assigned by the Government under other laws.
- Arrest under section 154 of Criminal Procedure Code (Cr.PC.) for investigation.
- Prosecution as per Laws.
- Addressing violent extremism by monitoring social media and tackling the challenges encountered online.
- Monitoring of Persons on Watch Lists Including Persons on 4th Schedule of ATA 1997.
- Monitoring of Sectarian Activists.
- Analysis of trends in terrorism and policy making and implementation to check such trends.
- Any other CT (Counter Terrorism) function assigned by the Competent Authority.
- Human resource and its development through trainings and capacity buildings
- Updating the KPIs and following International best practices

Introduction

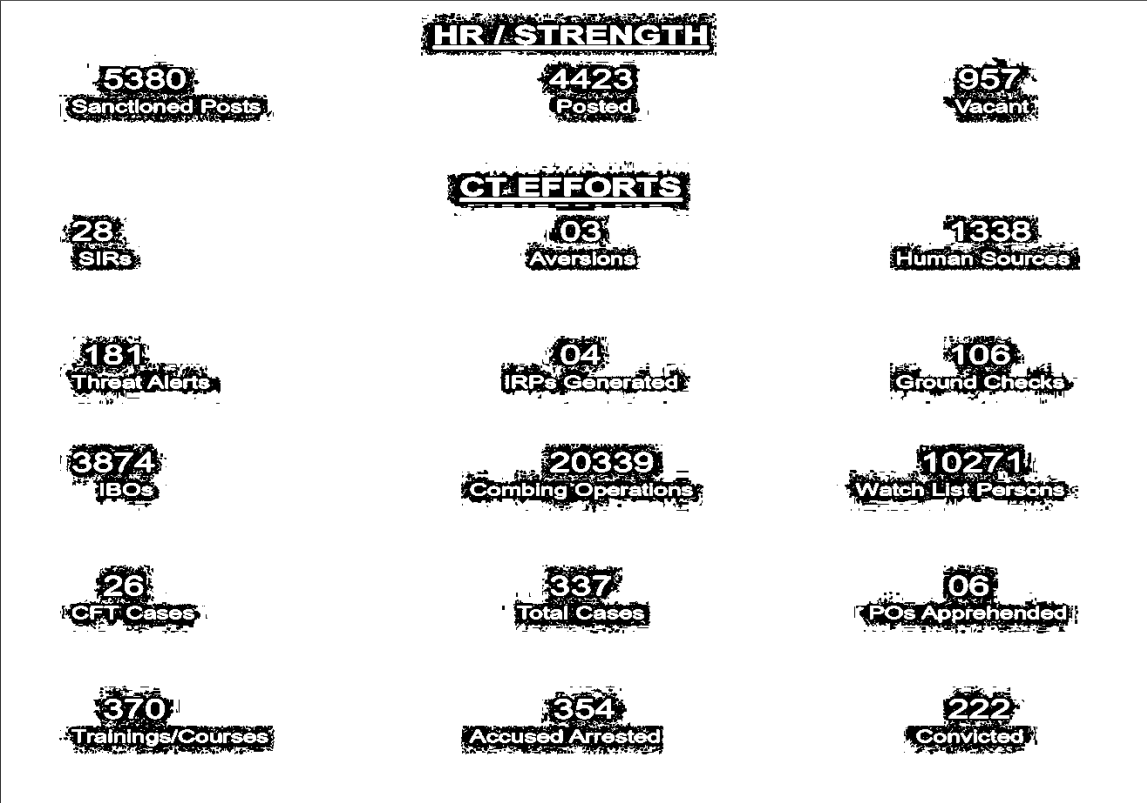

In response to the continued security challenges and frequent terrorist attacks across Pakistan during 2009–10, the Crime & Investigation Department (CID) in Punjab was reconstituted as the Counter Terrorism Department (CTD) on July 21, 2010, through Notification No. SO (IS-II) 3-24/2009 (P-I). Subsequently, in 2013, the Prime Minister

of Pakistan approved the restructuring of CTD to transform it into a highly professional counterterrorism force. This restructuring aimed to ensure that the CTD was well-trained, adequately funded, properly equipped, and fully capable of effectively gathering intelligence, conducting operations, and investigating terrorism-related offenses. As a result, CTD Punjab was established to address terrorism in the province with enhanced efficiency. The department now integrates three core functions: intelligence gathering, counter-terrorism operations, and the investigation of terrorism-related offenses.

Organogram

CTD Punjab at a Glance 2024-2025

CTD Punjab at a Glimpse 2024-2025

26.07.2024 : Visit of University Students

19.09.2024: Visit of Naval Commander

06.11.2024: Visit of Senior Management Course (SMC)

15.03.2025: Visit of ASPs

13.05.2025: Visit of ASPs

26.05.2025: Visit of Addl. IG CTD, KPK

12.06.2025: Visit of CAPRI

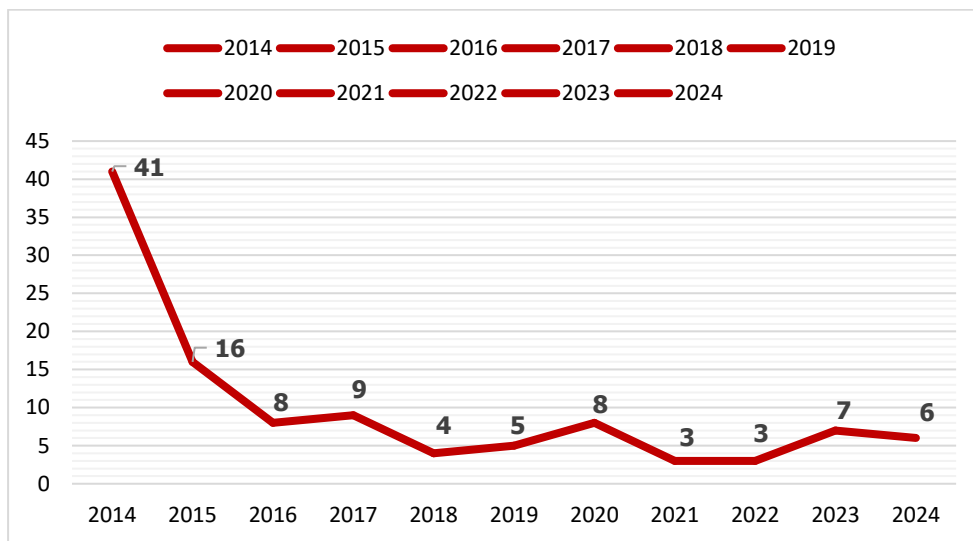

27.06.2025: Visit of Core Commander

Intelligence Cover Exercises

Achievements

- 85% Decrease in terrorism incidents as compared to 2014
- 28 Special Information Reports generated.
- 03 Aversions
- 1338 Human Sources
- 442 Sites were blocked
- 772 Leads generated
- 5527 IRPs generated
- 7809 Old project persons rehashed
- 106 Ground Checks of suspects from Interrogation Reports
- 10271 Watch List Persons surveilled
- 3814 IBOs conducted
- 63460 Combing Operations conducted
- 26 Cases registered in terrorism financing
- 337 Cases registered in CTD Police Stations
- 354 Accused arrested
- 222 Convicted: Improvement in conviction rate from 44% to 83% (2015 to 2025)
- 06 POs apprehended
- Recoveries during the period
 - 207.6 Kg Explosive recovered
 - 43 Hand Grenade

- 403 Detonators
- 13 Batteries
- 297.3 Meter Prima Cord
- 19 SMGs
- 27 Pistols
- 569 Bullets
- 03 Suicide Jackets
- 370 Courses / Trainings related to CT conducted

Threat Spectrum

Provincial Threat Spectrum

Throughout Punjab, various terrorist/extremist groups are active contributing to a pervasive environment of sectarian violence and terrorism. Lahore and its surrounding districts, including Sheikhpura, Kasur and Nankana Sahib, are under significant threat from a range of extremist cum violent factions, including LeJ/SSP, DAESH and FAK. TLP is another religio-political organization emerging as a new formidable player in the sectarian and political landscape of the area. In Gujranwala and its neighboring districts, such as Sialkot and M.B. Din, there is a notable history of sectarianism, terrorism and communal rifts. These areas are also permeable for DAESH, Afghan refugees and splinters of JeM and TGI, necessitating robust monitoring and intervention strategies. Rawalpindi, Attock and other bordering areas contend with significant security threats due to their proximity to KP and the presence of extremist groups like LeJ/SSP, FAK, DAESH and HIAs. Multan, Khanewal, Vehari and Lodhran have seen activities from LeJ/SSP, DAESH and FAK with ongoing threats from extremist splinters and radicalized Madaris. Bahawalpur, Bahawalnagar and R.Y. Khan have high levels of radicalization. The districts Dera Ghazi Khan, Layyah, Rajanpur and Muzaffargarh are challenged by terrorism and sectarian violence due to their strategic location and connections with Baluchistan, KP and Sindh. These regions face threats from groups like FAK, LeJ/SSP, and DAESH, further complicated by tribal dynamics and the presence of BSNs (Baloch Sub Nationalists).

Regional Threat Spectrum

Lahore

Lahore region remains a major focus for extremist groups with strong presences of FAK, JuA, DAESH, BSNs and LeJ/SSP and risks from Madaris and splinters of JuD, JeM and TGI. Proactive measures by thematic teams, HUMINT and TECHINT are in place across these districts to address and counter terrorism effectively.

Sheikhupura

The region faces security challenges related to sectarianism and terrorism. Sheikhupura with a history has dormant LeJ/SSP elements that could revive. Kasur while currently stable has a history of sectarianism linked to Deoband Madaris and potential threats from JeM splinters. Nankana is important due to Sikh shrines and active TLP, requires careful monitoring of Sikh events to prevent incidents.

Gujranwala

Region faces security concerns related to terrorism and sectarianism. Gujranwala with a history of supporting DAESH has ongoing threats from DAESH, FAK, JuA, LeJ/SSP, AQIS and Zainab Youn along with risks from Afghan refugees. Sialkot has the history of sectarianism, also has footprints of DAESH, FAK, LeJ/SSP, AQIS and Zainab Youn with potential threats from JeM, JuD and HIAs network. Gujrat has experienced high-profile terrorist activities and currently faces threats from DAESH, FAK, LeJ/SSP, AQIS and Zainab Youn with risks from HIAs network and splinters of JeM and TGI. M.B. Din has a history of terrorism with a presence of FAK, JuA, DAESH, AQIS, Zainab Youn and LeJ/SSP and risks from Afghan refugees and splinters of JeM and JuD. Narowal while relatively peaceful, faces potential threats from TLP radicalized elements targeting Qadianis. Hafizabad, although harmonious has potential terrorist facilitation due to Pushto-speaking communities and threats from LeJ/SSP, DAESH, AQIS and FAK, along with risks from splinters of JuD and JeM. Thematic teams, HUMINT and TECHINT are actively deployed across these districts to address and counter terrorist activities proactively.

Rawalpindi

The Region faces security threats due to their histories of terrorism and current extremist activities. Rawalpindi with its proximity to KP has a strong presence of FAK, JuA, DAESH, AQIS, Zainab Youn and LeJ/SSP and is at risk of facilitation and harboring terrorist activities due to the sizable KP population. Attock is bordering KP, has a history of terrorism and radicalized activists from LeJ/SSP, FAK, JuA, AQIS, DAESH and Zainab Youn, with potential for facilitating terrorist groups. Chakwal with its history of high-profile terrorist activities and a significant Afghan refugee population is vulnerable to terrorism facilitated by LeJ/SSP, FAK, Zainab Youn and DAESH. Jhelum strategically located on the GT road has dormant LeJ/SSP activists and threats from AQIS, DAESH and Zainab Youn with Afghan refugees adding to the risk. Thematic teams and human sources are actively deployed across these districts to counter and prevent terrorist activities effectively.

Faisalabad

Region has densely populated urban area and industrial hub, has been a stronghold for LeJ/SSP with past involvement in facilitating and harboring terrorist groups. The Region faces threats from FAK, DAESH, AQIS, BSNs and Zainab Youn and has reported financial terrorism linked to proscribed organizations. The Deoband school of thought madrassas, numbering in the hundreds contribute to radicalization. Proactive monitoring of category A and B madrassas and the activation of thematic teams and human sources are in place to address these threats. Jhang is a major center of sectarian activity with a history of high-profile terrorist incidents. It has strong indigenous groups like LeJ/SSP and their potential for the revival of these organizations. The district needs effective monitoring of 4th schedulers and WLPs as well as hardcore madrassas and activists. The presence of FAK, JuA, LeJ/SSP and Zainab Youn along with potential threats from splinters of JeM and TGI necessitates a robust counter-terrorism strategy involving thematic teams, HUMINT and TECHINT. The district T.T. Singh has experienced terrorism and sectarian activities. The district is vulnerable to sectarian revival and has presences of LeJ/SSP, FAK, DAESH, Zainab Youn and AQIS. Effective monitoring of category A and B madrassas, combined with thematic teams, HUMINT, and TECHINT, are crucial for countering terrorism. Chiniot, though smaller has a unique vulnerability due to its substantial Qadiani population in

Chenab Nagar, which has been targeted by sectarian organizations in the past. With 216 madrassas in the district effective monitoring is essential. There are also presences of LeJ/SSP, FAK, DAESH, and Zainab Youn, and the Khatam-e-Nabuwat platform is notably active against Qadiani's. Thematic teams and HUMINT are in place to address potential threats and prevent incidents.

Sargodha

The Region faces security challenges due to their histories of terrorism and sectarian violence. Sargodha, with vital installations has experienced attacks primarily from FAK and IS and hosts a strong presence of LeJ/SSP, Zainab Youn/SMP, DAESH and AQIS with madrassas potentially fueling sectarianism. Khushab contends with sectarian threats from LeJ/SSP and Zainab Youn with category A and B madrassas contributing to radicalization and potential violence. Mianwali, adjacent to KP is threatened by FAK groups like Tipu Gul Karwan and Astana and requires effective monitoring of its madrassas. Bhakkar also dealing with sectarian violence from LeJ/SSP and Zainab Youn faces threats from FAK and other extremist groups necessitating close coordination with KP and vigilant monitoring of madrassas. In response thematic teams and human sources have been activated across these districts to proactively counter and prevent terrorist activities.

Sahiwal

The Region Sahiwal has history of sectarian and terrorist incidents. Sahiwal historically troubled has presence of LeJ/SSP elements and sympathizers and still harbors splinters of TGI along with AQIS, DAESH and FAK. Monitoring of Zainab Youn elements is crucial with thematic teams and human intelligence actively working to prevent terrorism. Okara has experienced sectarian clashes in the past with dormant LeJ/SSP activists and the presence of LeJ/SSP, TGI and JuD. Potential threats include splinters of JuD, JeM and TGI necessitating effective monitoring of category A and B madrassas. Proactive counter-terrorism measures are in place with thematic teams and human sources. Pakpattan despite currently dormant activists has a history of terrorism and potential for revival. The district has sympathizers of FAK, LeJ, DAESH and Zainab Youn with splinters of JeM and TGI posing possible threats. Thematic teams and human sources are activated to address these risks proactively.

Multan

Multan, a key district has experienced terrorist incidents and hosts extremist groups including LeJ/SSP, FAK, DAESH, AQIS and Zainab Youn. Although LeJ/SSP has the potential to revive, CTD efforts including thematic teams and human intelligence are actively working to counter these threats. Khanewal with its radicalized rural areas has a history of terrorism and strong presence of LeJ/SSP, Zainab Youn, DAESH, FAK and AQIS. The district requires robust monitoring of madrassas and counter-terrorism strategies. Vehari has been active in sectarian violence with a current but dormant presence of LeJ/SSP and potential threats from JeM and TGI splinters. Lodhran with a history of sectarianism and incidents also faces threats from JeM and TGI splinters and has extremist presence including LeJ/SSP, FAK, DAESH, and Zainab Youn. Monitoring radicalized elements and madrassas remains a priority with thematic teams and human sources deployed to combat terrorism.

D. G. Khan

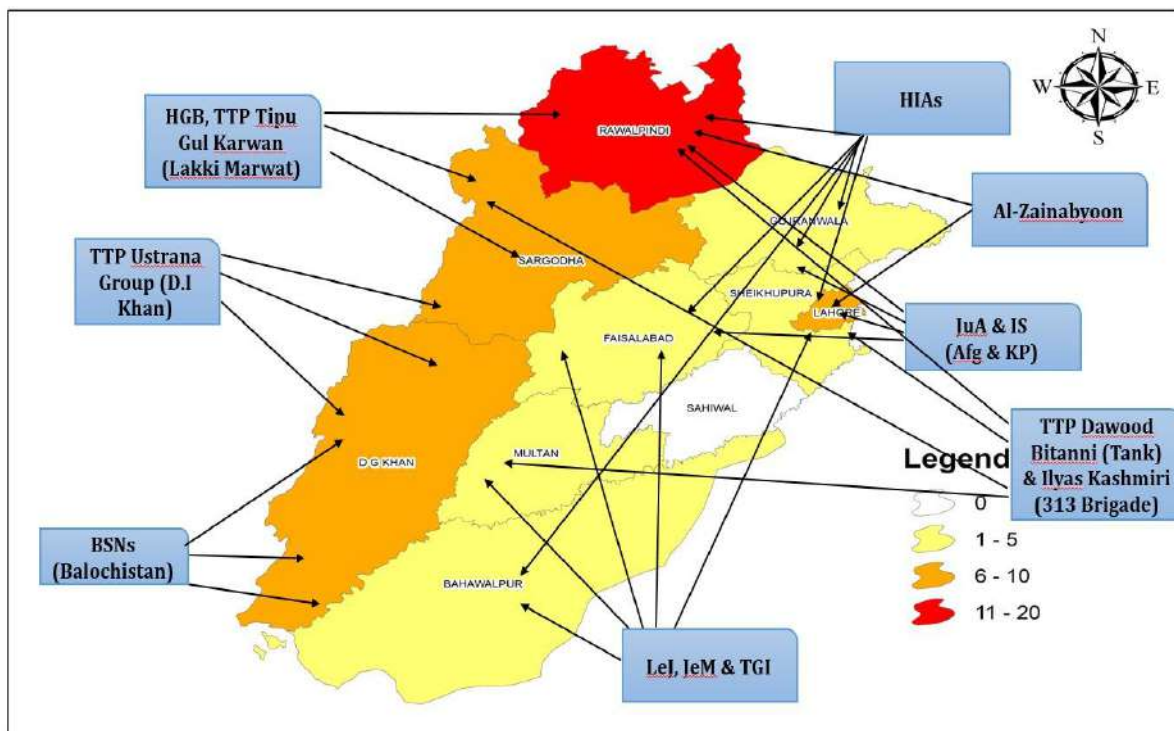

The Region faces significant terrorism and sectarian threats due to their strategic locations and historical context. Dera Ghazi Khan situated near KP and Baluchistan contends with a range of extremist groups including FAK, LeJ/SSP, DAESH, AQIS, BSNs and Zainab Youn, exacerbated by its tribal layout and proximity to troubled regions. Layyah also has a history of terrorism with strong sympathizer presence particularly for the FAK Astrana group, alongside LeJ/SSP, DAESH, BSNs and Zainab Youn requiring active thematic and human intelligence efforts. Rajanpur multi-dimensional threats stem from its proximity to Baluchistan and Sindh with notable presence of BSNs, FAK, LeJ, DAESH, AQIS and Zainab Youn further complicated by the Kacha area's role in harboring these groups. Muzaffargarh, surrounded by high-terrorism districts struggles with sectarian and terrorist threats from LeJ/SSP, FAK, BSNs, DAESH, AQIS and Zainab Youn and has previously been a stronghold for JeM/TGI with splinter groups posing additional risks.

Bahawalpur

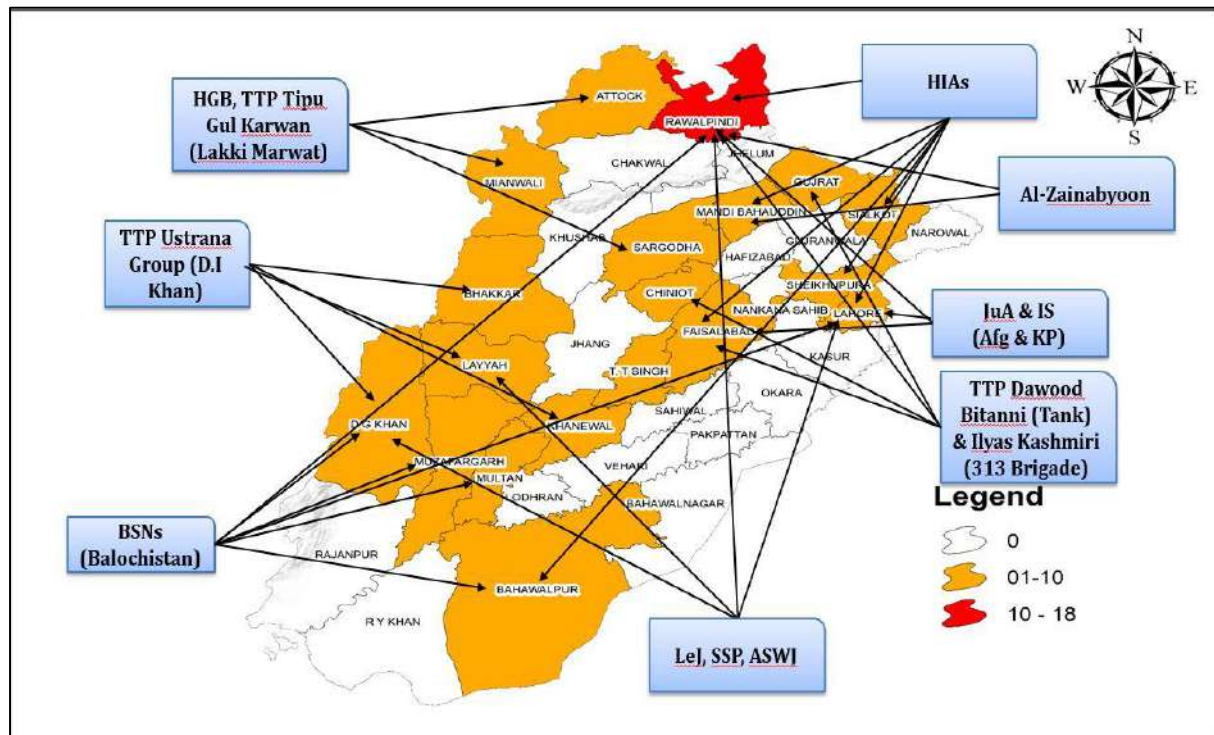

Bahawalpur once a hub, still has a significant presence of extremist groups including LeJ/SSP, FAK, DAESH, BSNs, HIAs network and Zainab Youn, supported by numerous hardcore madrassas (1071) that contribute to radicalization. Bahawalnagar, similarly

troubled has a history of strong sectarian leadership and terrorism with notable extremist networks including LeJ/SSP, FAK, DAESH, HIAs and Zainab Youn and over 715 madrassas fueling extremism. R.Y. Khan, adjacent to Sindh and Baluchistan also experiences high levels of terrorism with the presence of LeJ/SSP, FAK, DAESH, AQIS, BSNs and Zainab Youn, along with 683 madrassas contributing to radicalization.

Development Section

After revamping of CTD Punjab in 2013, Govt. of the Punjab initiated steps for construction of purpose-built offices of CTD Punjab (Provincial HQ, Regional Offices, District Offices, Police Stations) throughout the province. Keeping in view the needs, Development Branch was established at CTD HQ to deal with all matters related to allotment of lands and constructions of buildings etc.

Hierarchical Breakdown

Key Metrics and Achievements

State lands were allocated across nearly all districts of Punjab, and development schemes for the construction of purpose-built buildings were approved by the relevant authorities. Most of these buildings have been completed and handed over to the CTD, while a few are still under construction, as detailed below.

Sr.	Name of Office	Status
1	CTD Provincial HQ, Lahore	Partially completed / Handed over
2	CTD Police Station Lahore	Completed / Handed over
3	Regional Office CTD Sheikhpura	Completed / Handed over

4	Regional Office CTD Gujranwala	Completed / Handed over
5	District Office CTD Hafizabad	Completed / Handed over
6	District Office CTD M.B. Din	Under Construction
7	District Office CTD Narowal	Under Construction
8	Regional Office CTD Rawalpindi	At final stage of completion
9	CTD Police Station Rawalpindi	Completed / Handed over
10	Regional Office CTD Sargodha	Completed / Handed over
11	District Office CTD Mianwali	Completed / Handed over
12	District Office CTD Bhakkar	Completed / Handed over
13	Regional Office CTD Faisalabad	Completed / Handed over
14	CTD Police Station Faisalabad	Completed / Handed over
15	District Office CTD Jhang	Completed / Handed over
16	District Office CTD T.T. Singh	Completed / Handed over
17	District Office CTD Chiniot	Completed / Handed over
18	Regional Office CTD Sahiwal	Completed / Handed over
19	District Office CTD Pakpattan	Under Construction
20	Regional Office CTD Multan	Completed / Handed over
21	CTD Police Station Multan	Completed / Handed over
22	District Office CTD Vehari	Completed / Handed over
23	District Office CTD Khanewal	Completed / Handed over
24	Regional Office CTD Bahawalpur	Completed / Handed over
25	District Office CTD R.Y. Khan	Completed / Handed over
26	District Office CTD Bahawalnagar	Completed / Handed over
27	Regional Office CTD D.G. Khan	Completed / Handed over
28	District Office CTD Muzaffargarh	Completed / Handed over
29	District Office CTD Layyah	Completed / Handed over
30	Approach Road at CTD HQ, Lahore	Completed

Moreover, state lands have been got allotted in following districts but development schemes have not been approved by Govt. of the Punjab: -

Sr. No.	Name of Office
1	District Office CTD Nankana Sahib
2	District Office CTD Sialkot
3	District Office CTD Chakwal
4	District Office CTD Okara

Future Outlook / Tasks

State lands have been allotted in following districts but development schemes have not been approved. Cases have been forwarded to the competent authority for approval of development schemes for construction of purpose-built buildings on state lands allotted in said districts: -

Sr.	Name of Office	Amounts of RCE (in millions)
1	District Office CTD Nankana Sahib	229.07
2	District Office CTD Sialkot	209.02
3	District Office CTD Chakwal	212.04
4	District Office CTD Okara	207.737

Further, state lands also have been identified in following districts for construction of purpose-built buildings. Cases have been forwarded to the competent authority for allotment of said lands to CTD: -

Sr. #	Name of Office
1	District Office CTD Khushab
2	District Office CTD Jhelum
3	District Office CTD Rajanpur
4	District Office CTD Gujrat
5	District Office CTD Kasur
6	Sub-Camp CTD Taunsa Sharif

Follow up is being made regularly for approval of schemes / allotment of state lands in above mentioned districts so that development schemes for construction of buildings on said lands as early as possible.

Following schemes have recently been approved by the Govt. and construction work is yet to be started.

- i. District Office CTD Attock
- ii. District Office CTD Lodhran

Intelligence Section

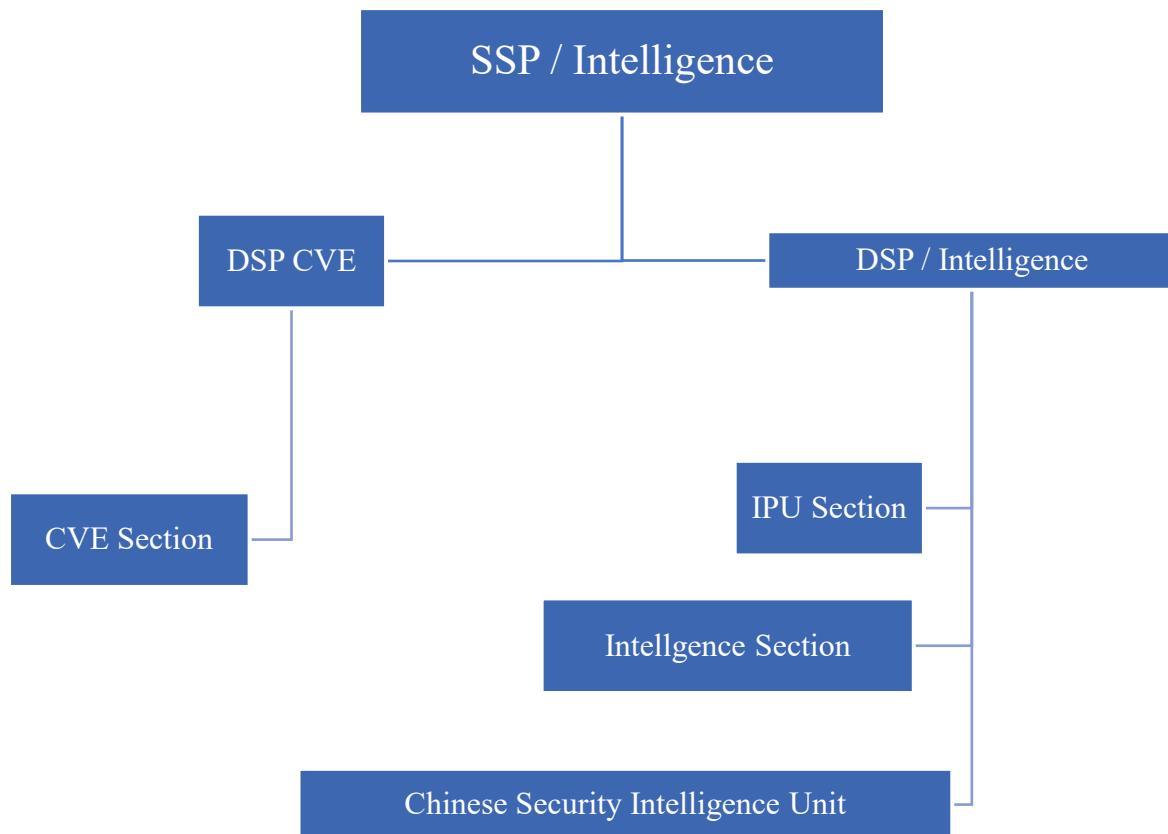

Introduction

The Intelligence Wing is tasked with gathering, analyzing, and disseminating information related to security and countering the terrorism. The primary goal of the Intelligence Wing is to provide accurate and timely information to support decision-making and operations. This information can include data on potential threats, terrorism activities, terrorism landscape developments, and other factors that may impact national security or public safety. The mission of the CTD Intelligence Wing is to make a positive contribution to the safety of lives and property in Punjab by maintaining the highest standards of professionalism and best practice in the field of intelligence management.

- **Data Collection:** Gathering information from various sources, including Human Intelligence (HUMINT), Open-Source Intelligence (OSINT), Financial Intelligence (FININT), Technical Intelligence (TECHINT) and Social Media Intelligence (SOCMINT). This may involve monitoring communications, surveillance and liaising with other intelligence agencies.
- **Analysis:** Evaluating and interpreting collected data to identify patterns, trends, and potential threats. Analysts use various tools and methodologies to assess the reliability and relevance of the information.
- **Reporting and Dissemination:** Preparing intelligence reports and briefings for decision-makers. These reports provide insights into potential threats, risks, and opportunities, helping to make operational and tactical decisions.
- **Counter-Intelligence:** Identifying and mitigating threats posed by hostile entities. This includes protecting sensitive information, installations and preventing espionage.
- **Coordination and Collaboration:** Working with other units and agencies to share information and coordinate responses to threats. This collaboration is essential for comprehensive security efforts.

- Counter Violent Extremism (CVE): To monitor activities of proscribed / extremists / sectarian/ terrorist organizations on different digital/electronic/social media platforms in order to prevent any untoward incident, dig out suspicious activity, radicalization efforts and contribute towards an overall understanding of these organizations.

Hierarchy

Objectives

- Threat Identification and Assessment
- Early Warning and Prevention
- Support to Decision-Makers
- Counterintelligence
- Operational Support
- Collaboration and Information Sharing
- Strategic Analysis and Forecasting
- Support to Counter-Terrorism Efforts
- Safeguarding National Interests

Desks of Intelligence Section:

Special Information Report (SIR):

A Special Information Report (SIR) is a critical document generated based on the existence of an imminent threat targeting a specific person, event, area or entity, supported by credible information that necessitates immediate attention or action. The report preferably relies on intelligence obtained from human sources and has never been shared by any other channels. The specificity and urgency of the information make the SIR a vital tool in preempting and responding to potential threats effectively.

Human Sources:

- Casual Sources
- Regular Sources
- Sources Across the Border
- Sources in Category-A Madaris
- Afghan Repatriated Sources

Casual	Regular	Across the border	Afghan repatriated	CAT-A Madaris	Total
888	199	41	42	168	1338

Cover Exercise:

The cover exercise is a critical aspect of the training and operational activities of the CTD Intelligence Corporals. The purpose of a cover exercise is to ensure that intelligence personnel can effectively operate under a false identity or cover, without revealing his true affiliation or mission. This capability is essential for a variety of intelligence activities, including surveillance, infiltration, recruitment, and counter intelligence. The main purposes of a cover exercise include:

- Testing and Validating Cover Stories
- Building Confidence and Competence
- Training in Counter-Surveillance
- Enhancing Psychological Resilience
- Maintaining Operational Security
- Facilitating Information Gathering

- Protecting the Organization
- Enabling Covert Operations
- Preparing for Crisis Situations

Field Intelligence Report:

The purpose of a Daily Field Intelligence Report (DFIR) concerning terrorist activities is to provide a concise, timely, and accurate summary of relevant intelligence gathered in the field. The Daily Field Intelligence Report (DFIR) plays a crucial role in enhancing the overall security posture and preparedness against potential terrorist threats.

Daily Situation Report (DSR):

The primary purpose of a Daily Situation Report is to provide a comprehensive, up-to-date overview of the current situation, including any significant developments, incidents or changes in status. This report helps in coordinating activities, making informed decisions, and maintaining situational awareness. Key purposes of a Daily Situation Report include:

- Maintaining Situational Awareness
- Identifying and Managing Risks
- Communicating Critical Information
- Documenting Events and Actions
- Supporting Crisis Management

Advance Information:

Advance information, also known as advance intelligence or prior information, serves several crucial purposes. This information is typically gathered and disseminated before a specific event to prepare, respond, and act more effectively. The key purposes of advance information include:

- Proactive Planning and Preparation
- Enhancing Security and Safety
- Facilitating Contingency Planning
- Threat Mitigation and Risk Management
- Supporting Coordination and Communication

Chinese Security Intelligence Unit (CSIU)

On 26th March 2024, a suicide attack killed five Chinese nationals and their Pakistani driver in northwest Pakistan. The explosion occurred when the bomber rammed a vehicle into the workers' convoy as it traveled from Islamabad to the Dasu dam, the country's largest hydropower project, in Khyber Pakhtunkhwa province. As per direction of the competent authority a dedicated Chinese Security Intelligence Unit (CSIU) was established at HQ, ROs and DOs level on 04-04-2024 vide letter No 196372/CTD/INT/IPU to effectively counter threat to the Chinese nationals and other foreigners.

Counter Terrorism Efforts by CSIU:

- 1080 Cover Exercise
- 28 Special Information Reports (SIRs)
- 40 FIRs Registered due to security lapses in Chinese Security
- 11 Factories have been sealed/ closed by authorities due to non-compliance of SOPs/unsatisfactory security measures
- Weekly Report of Lacunas identified in Chinese Security
- Daily Field Intelligence Report
- Co-ordination with Sister Agencies

Key Metrics & Achievements:

Sr.	Heads	Total
1.	Special Information Reports (SIRs)	28
2.	Aversion	03
3.	Human Sources	1338
4.	Field Intelligence Reports	365
5.	Daily Situation Reports	365
6.	Advance Information Reports	365
7.	Intelligence Cover Exercises	1080

Way Forward:

- Activities of hostile agencies on each possible platform need to be monitored strictly.
- Keep an eye on the liaison between BSNs and FAK, BSNs and ISIS.
- The effects of radicalization can be mitigated by developing counter-narratives.

- BSNs keep showing their presence in south Punjab, they may expand their area of operation and conduct sabotage activities in big cities of Punjab.
- Some organizations may not be active on ground but active on social media. Their social media activities be checked properly and threat perception be developed accordingly.

Counter Violent Extremism Section (CVE)

Introduction

Counter Violent Extremism (CVE) section was established in 2019 in CTD HQrs. Lahore by following the concept of soft approach to control / apprehend extreme inclinations before the launching of nefarious acts on grounds. The concept is

to check and to spot the extremists on social media through their narrative and pledge them with counter narrative. CVE sections have 04 dedicated teams specifically worked on social media platforms as the current era is of internet, everyone has profiles / accounts on social media and directly or indirectly effecting from content scattered on social media. CVE teams are following the concept of thematic division with no jurisdiction as social media have no boundaries.

Functions of CVE Teams:

- Surveillance of social media platforms to identify miscreant's account that are generating the propaganda / hate material against the state, sects and institutions.
- Blocking and tracing of social media accounts engaged in hate mongering against the state and sects etc.
- Actionable Lead generation for field formations to conduct IBOs.
- Collection of the information related to TOs from social media platforms.
- Analysis of emerging trends among terrorist organizations.

- Information collection about the motivation of previous terrorists and radicalized persons affiliated with terrorist organizations.
- Any suspicious activities sponsored by Madaris on social media.
- Study and collect information by using social media platforms about the firebrand speakers and their followers.
- Maintain a high state of situational awareness regarding current scenario and generate threat perception.

Performance Analysis:

CVE section is responsible to ensure complete monitoring of print, electronic and social media platforms and different websites being run by the terrorists, extremists, religious, proscribed organizations, individuals and hostile elements by employing all safety precautions.

- CVE teams have been acting proactively with effective cyber detection, surfing and patrolling of cyber space.
- Assist in countering anti-state, anti-LEAs themes/narratives making use of social apps/Twitter accounts. Twitter hashtags monitoring and future trends/patterns of terrorists/HIAs.
- Cyber space has been monitored to identify sites/pages/platforms spreading the hate speech and anti-state material. Such sites shall be reported to PTA for blocking. If any terrorist/proscribed activists glorify activities of their organizations, such activists will be traced, and lead of identified suspects will be shared with the concerned field formations.
- Study and collection of information about terrorists/sectarian leaders and their followers, who are active on social media. Each social media team has complete information about their respective assigned organization.
- Dossiers and Catalogue/one pager of terrorists/extremists/religious organizations have been maintained.
- Daily Social Media Monitoring Report (DSMR) has been prepared.
- Assessment and threat perception to identify the future trends and potential threats posed by terrorists/extremists/proscribed organizations. Analyze new trends being followed by the terrorist organizations on monthly basis.

- Fake ID ingress by employing all safety precautions and honey trapping to apprehend the terrorists/facilitators.
- Social media teams have been performing under cover /fake identities, approved from the headquarters.
- CVE section has performed functions in close coordination with technical wing and field formation.
- Only fake SIMs have been inserted in source phones and no official gadgets will be used for personal purposes.
- Correspondence with field formation and other wings has been done with the prior approval of SSP Intelligence.
- CVE section teams have been maintaining a proper record of reports initiated by them, DSP/CVE forwards these to SSP Intelligence with remarks, on monthly basis.
- CVE is monitoring social media to counter terrorism and extremism through an analytical software, which supports real time monitoring, analysis and respond to social media content. The system integrates advanced media intelligence, social listening, capabilities to support CTD Punjab's mission of maintaining public safety and countering extremist propaganda.

Key Metrics & Achievements:

During reporting period (1st July 2024 to 30th June 2025), CVE has been submitted.

- **222** Assessment Reports
- **679** Tracing Requests
- **442** Blockings
- **02** Research Papers
- **60** Leads
- **07** FIRs
- Sectarian task Muharram June 2025 (**229** tracing and **32** Leads)

Future Outlook / Tasks:

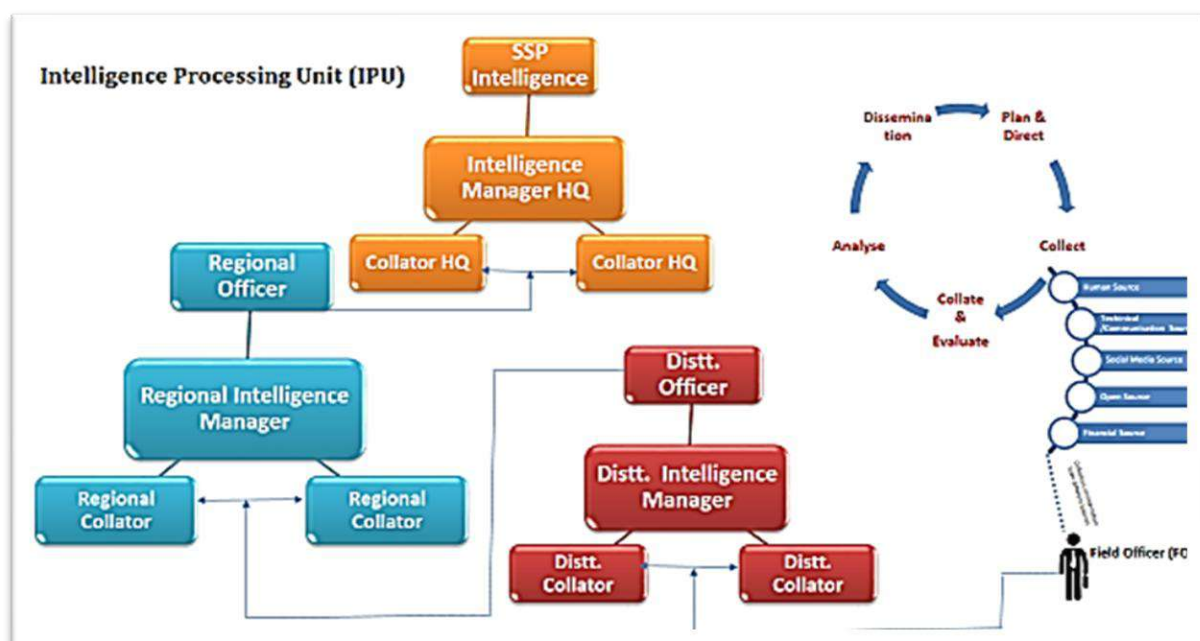

The CVE section will continue contributing to the soft approach of leveraging social media platforms for the identification, monitoring, and apprehension of extremists, as well as the disruption of their propaganda efforts. With the rapid expansion of

cyberspace, terrorist organizations (TOs) are increasingly shifting towards emerging social media platforms and encrypted applications, many of which remain unknown to LEAs. This evolving digital landscape creates intelligence gaps and operational challenges. To counter this, the development or procurement of an advanced software solution is essential, capable of or lesser-known platforms, tracking encrypted detecting and mapping new communications, and integrating AI-driven analytics for behavioral pattern recognition. Such a tool should also enable early warning alerts, automated content categorization, and cross-platform linkage analysis to identify extremist networks. In parallel, capacity- building and specialized training for CVE teams in digital forensics, OSINT exploitation, and emerging tech trends will be critical to maintain a proactive edge in the fight against online radicalization and extremist propaganda.

Intelligence Processing Unit (IPU)

Intelligence Processing Unit (IPU) has been established at District, Regional and Headquarters level for collection/evaluation/analysis of information gathered through Information Reporting Proformas (IRPs) from field formation.

Structure of IPU section:

Responsibilities of Intelligence Manager HQ:

The IM has a pivotal role within the CTD Intelligence Wing and carries the responsibility for ensuring that intelligence activities are conducted efficiently and effectively toward the objectives and intelligence requirements of the unit. Their duties include the following:

- Work on behalf of, and be answerable to, the head of unit
- Establish processes and procedures by the CTD IPU Model
- Manage collection plans for HQ, RO or DO as appropriate
- Provide direction, supervision, advice and guidance to IPU collators and any other support staff
- Ensure that all IPU activity is directed according to requirements of the head of unit
- Represent the CTD at multi-agency forums if required
- Oversee all incoming information
- Direct incoming information to the requisite collator
- Ensure that incoming information is properly collated
- Receive reports from collators and carry out intelligence evaluation and quality control review of the reports
- Ensure information has been objectively and accurately assessed by collators before onward transmission via head of unit

Responsibilities of Collators

Collators are intelligence officers who are integral to the efficient function of the IPU, by using analytical skills and objectivity to convert information into intelligence. Each collator will be allocated to a geographical or thematic area of responsibility. The collators will carry out the following activities:

- Receive IRs from the IM
- Accurately record and store the IRP or other sources of information
- Cross-reference the IRP/information to other related information, so that it can be subsequently retrieved
- Evaluate the IRP/ information in the context of other information and intelligence

- Prepare intelligence reports with recommendations
- Submit reports to the IM

Sources of Intelligence:

Human-Source Intelligence (HUMINT)

Intelligence collected from or provided by human beings, who may have acted as either sources and/or any other role. This includes direct observation, reconnaissance, surveillance team and interviews with suspects and encompasses intelligence gathered through recruited agents/sources.

Open-Source Intelligence (OSINT)

Information accessible to the public that is of potential value when placed in an intelligence management process. This includes the following:

- Media: television, radio, Internet, newspapers, magazines, specialist publications
- Web-based: social-networks such as Facebook, blogs, twitter and video-sharing sites
- Public data: mapping, building plans, demographics, contract awards, VIP visits, political speeches, potential target events such as sporting fixtures, demonstrations and marches, anniversaries of significant events, articles on community tension, etc.
- Maps, building plans, Google Earth
- Academic and professional papers
- Visible messages: wall-chalking, posters, advertisements, leaflets

Technical Intelligence (TECHINT) including COMINT (Communications Intelligence)

- Telephone usage: surveillance of conversations and monitoring text messages, call data records
- Pagers, faxes and other electronic means of communication
- Encrypted or coded messages
- Vehicle tracking devices
- Technical surveillance devices: photography, CCTV, drones

Social Media Intelligence (SOCMINT)

- The analytical exploitation of information available on social media networks
- Facebook
- Twitter
- Google

Financial Intelligence (FININT)

- Monetary transactions: records from banks, money exchanges and other financial institutions, personal financial records, company accounts
- Money laundering activities
- Terrorism financing
- Chanda/hide collection
- Bogus charity fundraising activities

Contribution to Counter Terrorism Efforts:

Contributions of IPU during 2024-2025 are:

IRPs:

When an important information is gathered by field operator using different sources; who reproduce it in writing on a prescribed format which is called Information Report Proforma (IRP).

After its initial assessment through 5×5 evaluation system to analyze the credibility of source and information, the information report is then submitted to district intelligence collator who is responsible to collate all the available information. Hereafter intelligence managers collate and evaluate the information. Information report after analysis is forwarded to next in hierarchy for its timely submission and dissemination to quarter concerned.

Total IRPs generated during 2024-25: 891

Project Persons

CTD projects are meant for conducting regular surveillance of proscribed/under-observation/extremist organizations as well as their associated persons/masjid/Madaris/ NGOs & NPOs. These projects are divided into two broad categories.

- Intelligence projects
- Ordinary projects

Intelligence projects used to be created against proscribed/under-observation/extremist/active organizations and their activities and affiliates are monitored in these projects while ordinary projects deal with NGOs & NPOs/Madaris & masjid/ Minority Worship Places etc. The intelligence projects are further divided into five broad categories.

- Militant organizations are those that are involved directly in terrorist/sectarian activities in Pakistan such as DAESH, Al-Qaida, FAK and SSP/LeJ, etc.
- Jihadi organizations denote organizations founded with the purpose of Jihad in Kashmir and Afghanistan like Hum, HJI, Let, and JeM. These organizations though not involved in terrorist activities in Pakistan but have been designated as terrorist organizations by international fora.
- Sub-Nationalist organizations working for separate and independent status of their areas i.e. BRA, BLA, SRA, BRAS etc.
- Religious organizations incorporate organizations like Tablighi Jamaat, Tanzeem-e-Islami, and Jamat-e-Islami etc.
- Others include projects which cover a range of organizations/multiple organizations like CFT, DJT, CVE, Columbus and Miscellaneous.

At present field formations of CTD Punjab are working on 25 main projects, including active and dormant projects. On average each of CTD district offices is working on 17 active projects and these are being monitored by IPU section CTD Headquarters Lahore. Out of these 25 projects, 08 projects have been categorized as Dormant projects with activists doing hidden activities, but they can emerge on surface anytime.

The report covers region-wise qualitative and quantitative assessment through graphic description of intelligence projects along with recommendations to make working on the projects more result oriented.

Total Project Persons during 2024-25: 6759

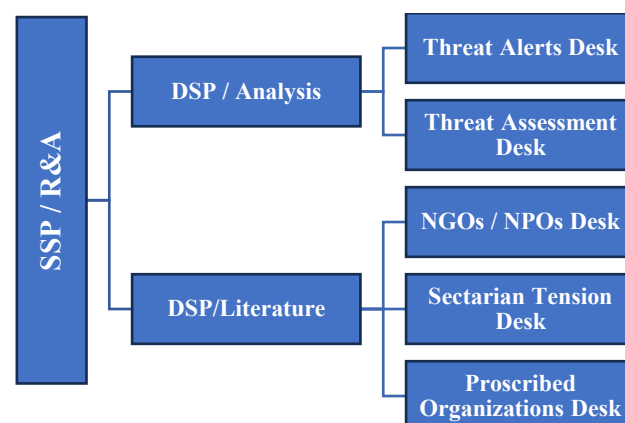

Rehashing of old project persons: 7809

Way Forward

- Activities of hostile agencies on each possible platform need to be monitored strictly in view of cricket events in Pakistan.
- The effects of radicalization can be mitigated by developing counter-narratives.
- Baloch sub-nationalist organizations keep showing their presence in south Punjab, those may expand their area of operation and conduct sabotage activities in big cities of Punjab as well, i.e. Lahore. Their activities need to be kept under observation.
- Some organizations may not be active on ground but those are active on social media. Even those should not go unattended, their social media activities be checked properly, and threat perception be developed accordingly.

Research & Analysis Wing

Research & Analysis wing of CTD Punjab was established in 2010 for analyzing the CT landscape based on threat spectrum and presence of terrorist elements. It further evaluates and forecast future CT trends, suggesting policy options in order to contribute in countering terrorism. The hierarchy of the R&A wing is as under: -

Analysis Section

Analysis section has two desks :-

- Threat Assessment Desk
- Threat Alerts Desk

Threat Assessment Desk

The Threat Assessment Desk is an important component of the Analysis Section, responsible for timely disseminating threat information to all field formations of CTD Punjab and other stakeholders. Its primary function is to evaluate these threats based on historical data and current situations. This evaluation forms the basis of a weekly threat assessment report being submitted to senior officers, which greatly aids decision-making in intelligence operations.

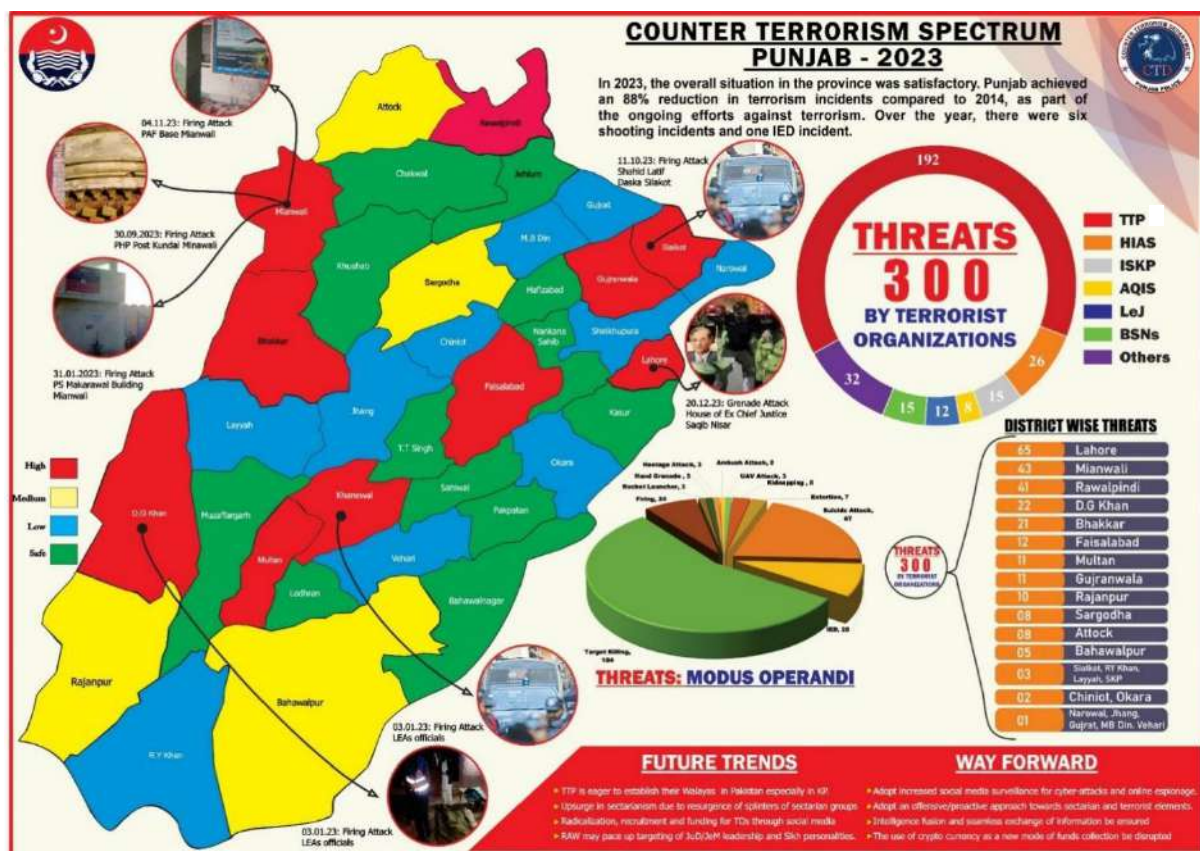

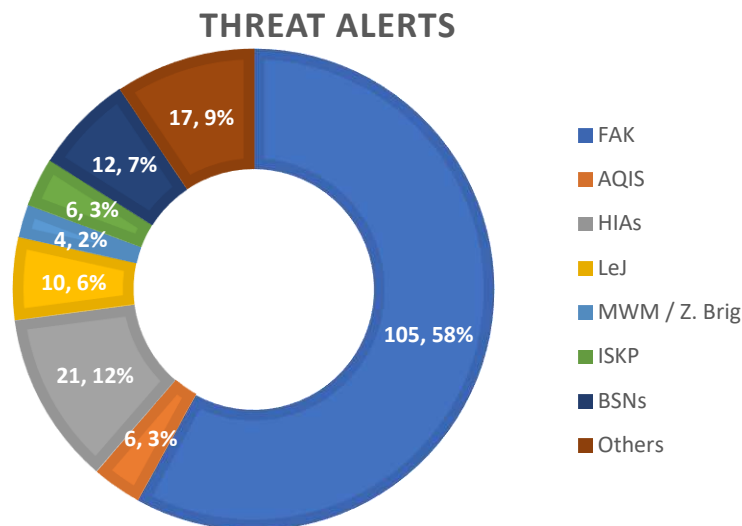

In addition to the regular threat assessment reports, the desk generates event-specific assessments such as Muharram, Ramadhan, Youm-e-Ali, Eid-ul-Fitar, New Year, Christmas, and others as directed by higher authorities. These reports are tailored to anticipate and address potential security challenges during these events.

Threat Alerts Desk

Moreover, the desk plays a significant role in monitoring and evaluating the response of field formations to threat alerts. It compiles reports detailing the actions taken by CTD regional offices in response to the shared threats. Notably, during the reporting period, the desk promptly shared **181 threats** with field formations, prompting necessary actions.

The threat landscape depicted in the reports highlights significant contributors to the threats faced, with FAK accounting for 58% of the identified threats, followed by 12 threats attributed to BSNs and 10 to LeJ. Overall, the Threat Assessment Desk serves in proactive threat management, ensuring timely dissemination of critical information and supporting strategic decision-making across intelligence operations.

Literature Section

Introduction

This section is structured into three core desks.

- Proscribed Organizations Desk
- NGOs / NPOs Verification Desk
- masjid and Minority Worship Places Verification and Sectarian / Communal Tension Desk

Functions

Proscribed Organizations Desk:

Functions of Proscribed Organizations Desk are as under: -

- Folders of Proscribed Organizations
- Proscription
- Activity Monitoring
- Trend Analysis of social media used by proscribed organizations

NGOs / NPOs Verification Desk:

- Verification: NOCs for the legitimacy of NGOs through the Punjab Charity Commission Online Portal and manual ground check from CT point of view.
 - i) masjid and Minority Worship Places Verification and Sectarian / Communal Tension Desk:
- Verification: NOCs for Worship places
- Categorization of Worship Places
- Sectarian / Communal Tension Monitoring
- Geo-tagging of Worship Places

Performance:

Proscribed Organization Desk:

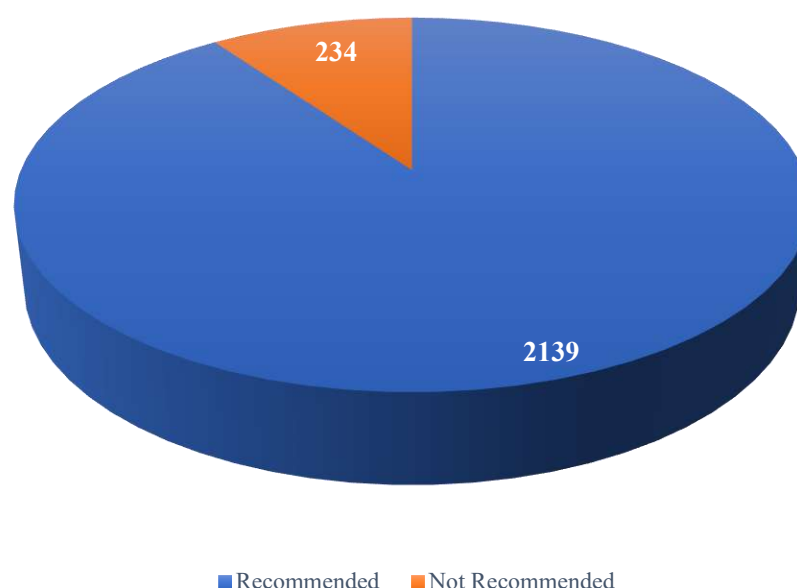

Weekly Activities Report: Prepared **52** weekly activities report of proscribed organizations and TLP.

Trend Analysis of social media used by proscribed organizations: Prepared
12 Monthly Trend Analysis of social media used by proscribed organizations.

NGOs / NPOs Verification Desk:

By utilizing both the Punjab Charity Commission Online Portal and manual verification processes, the NGOs verifications desk has effectively scrutinized and verified the legitimacy of numerous NGOs. This diligent oversight has ensured that the leadership / membership of NGOs is not involved in terrorism or do not have contacts with 4th Schedulers of ATA 1997, watchlist persons or proscribed organization. Regular audits regarding terrorism financing have reinforced the desk's commitment to transparency, helping to uphold the integrity of NGO operations. The desk performance in regard to CT efforts has contributed significantly to the proper functioning and accountability of non-governmental organizations, promoting a peaceful and transparent environment. During **2024-2025**, NGOs Desk has conducted verification of **2373** NGOs through Punjab Charity Commission Online Portal and manual ground check in which **2139** NGOs were recommended for NOC while **234** were not recommended due to multiple reasons i.e. failure to provide required documentation, having contacts with proscribed organizations or criminal record.

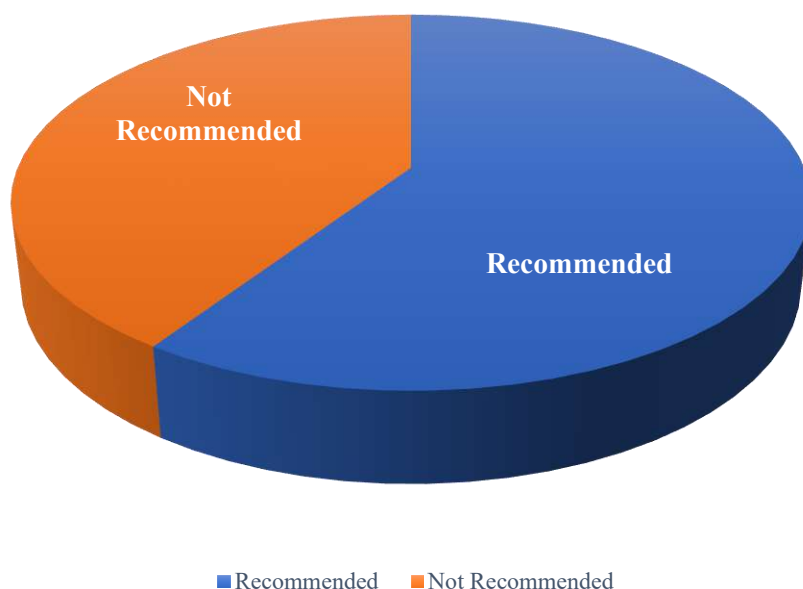

Verification of NGOs

Masajid and Minority Worship Places Verification and Sectarian / Communal Tension Desk

The Sectarian Tension Desk is responsible for maintaining sectarian / communal tension record reported by district offices through WMS. It ensures that all the sectarian / communal tensions of the districts have been reflected in database. All the regional offices have been regularly monitored and necessary directions have been sent time to time in order to ensure the accuracy and availability of updated information. The desk's efforts in verifying the security of masjid and minority worship places have ensured the protection of these sites from potential threats, thereby fostering a climate of communal harmony. During **2024-2025**, this Desk has conducted verifications of **91** worship places in which **54** were recommended for NOC while **37** were not recommended due to multiple reasons i.e. failure to provide required documentation, ownership conflicts between parties, having contacts with proscribed organizations or criminal record.

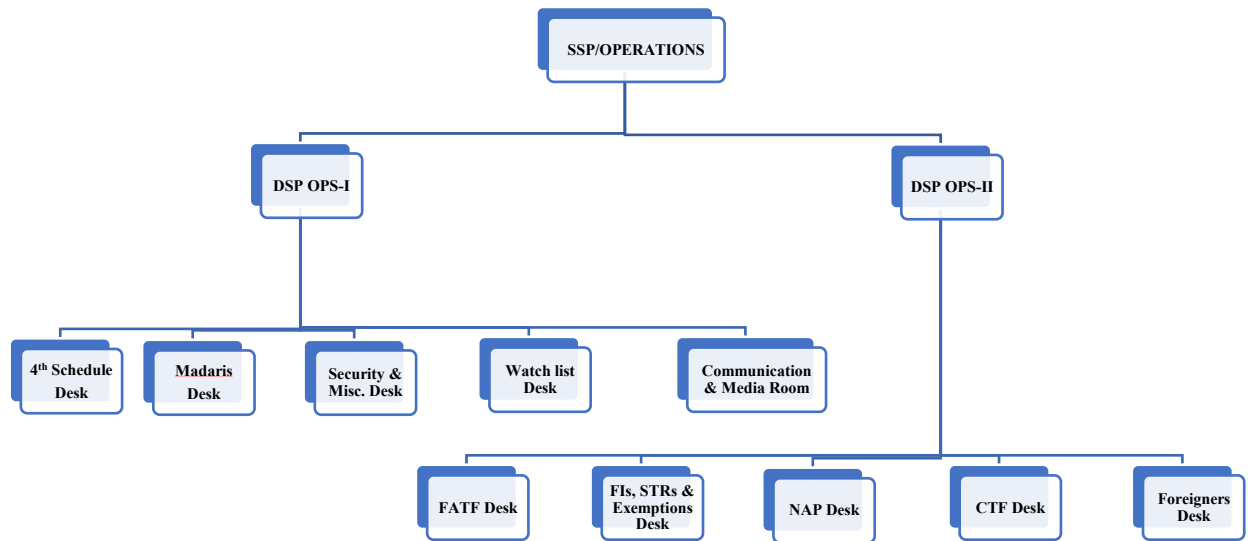

Verification of Masajid and Minority worship places

Operation Section

The operation section mainly deals with monitoring of 4th Schedulers/WLPs/ Madaris/execution of IBOs & Combing Operations. It acts as a bridge between CTD headquarter and other LEAs.

Hierarchical Breakdown:

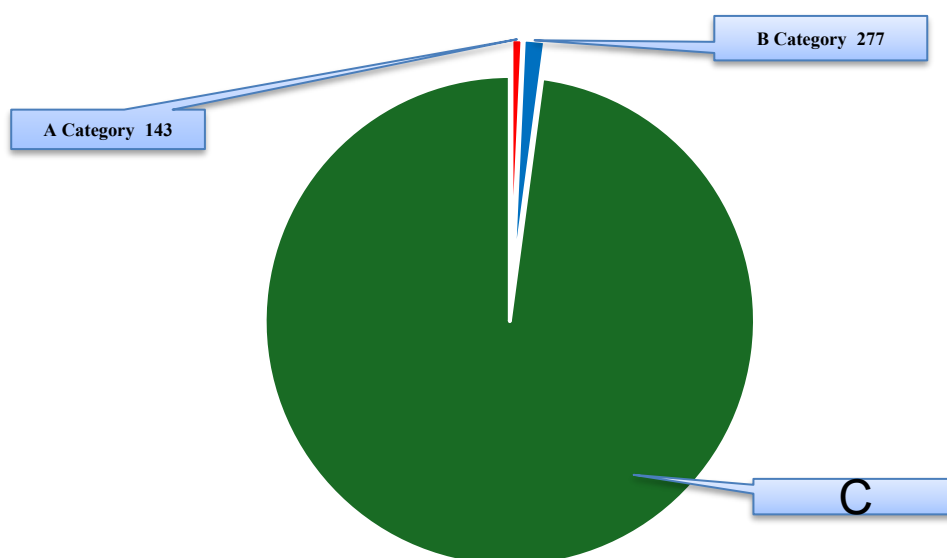

Performance:

4th Schedule Desk:

- Preparation of cases for inclusions/ re-notifications of persons in the list of 4th Schedule
- Updating of all breakups. (Org. Wise, Sect Wise, Category Wise, Govt. servants etc.)
- Updating of Surety bonds obtained from 4th Schedulers
- Follow up of 11-EE ATA violations from regions
- Updating of Assets Frozen list/Breakup
- Correspondence with Home Department Punjab/NACTA/CPO
- Analyze the Monthly Ground check Proformas of 4th Schedulers on WMS
- Maintenance of personal files of Newly added 4th Schedulers

Madaris Desk:

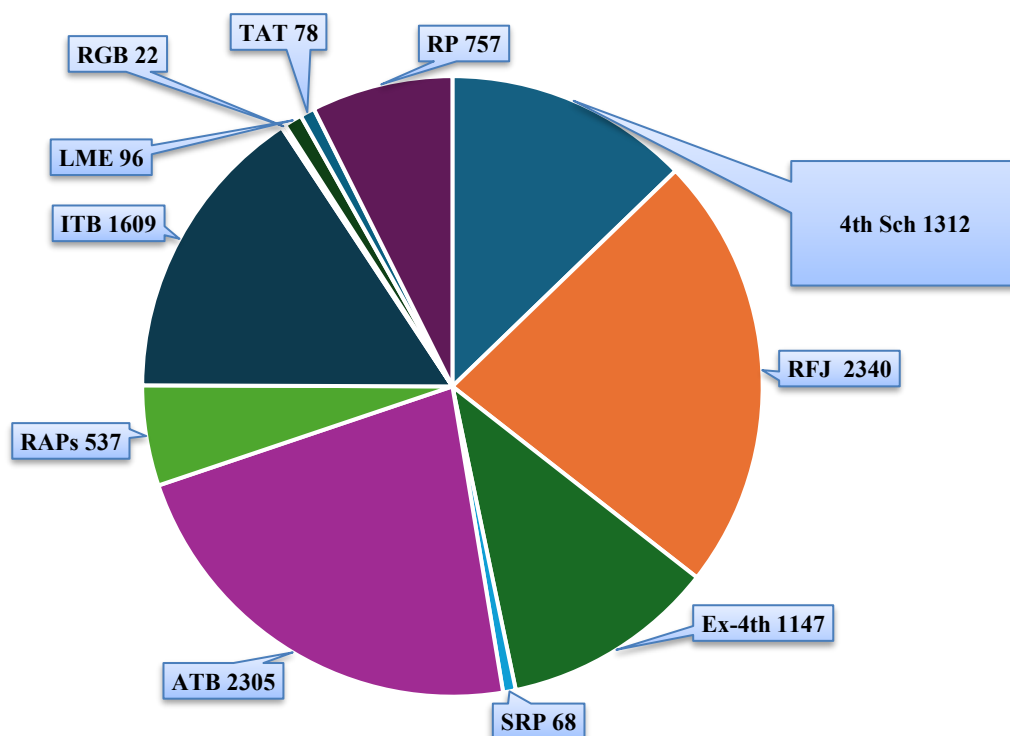

- Analyze monthly ground check proforma of Madaris "Category A, B & 10% of Category-C".
- Analyze actionable intelligence lead generated from Madaris "Category A & B".
- Monitoring of Madaris "Category A, B & C" on WMS (Project Maktab).
- Re-Categorization of Madaris in "Category A & B".
- Monitoring of Foreign Teachers and Students (especially Afghans) in Madaris.
- Prepare & maintain update list & Breakups of Madaris "Category A, B & C".
- Region and District Wise Breakup of "Category A, B & C".
- Sect Wise Breakup of "Category A, B & C".
- Breakup of Registered and Un-Registered Madaris.
- Breakup of Teachers and Students.
- Prepare noting/ draft of newly identified Madaris.
- Update and maintain hard files of Madaris "Category A & B".
- Updating the record of Madaris Desk on DCMS.
- Processing verifications of Madaris NOCs for registration and Zakat Fund.
- Extract lacunas/deficiencies from monthly ground check of Madaris and share it with concerned ROs.

Watch List Desk:

- Updating and maintaining of personal files and Ground check Proformas on WMS of ATBs, RAPs, ITBs, TATs, RGBs, LMEs, RPs, RFJ, SRP and Ex 4th Schedulers received from ROs.
- Maintenance of lists and breakups of ATBs, RAPs, ITBs, TATs, RGBs, LMEs, RPs RFJ, SRP and Ex 4th Schedulers.
- Prepare inclusion/Exclusion cases of Watch list persons on DCMS.
- Updating of information/source/interview/interrogation reports of released from Jail RFJ, SRP & Ex 4th Schedulers.
- Maintaining personal files of all Maintaining record of the correspondence, letters/reports received from Home Department Punjab, HSP and all ROs.
- Replied to letters of Writ petitions received from home department.
- Maintaining record of Missing watch list persons.

Watch list Persons: 10271

Security & Misc. Desk:

- Maintenance of daily diary of Intelligence Based Operations & Combing Operations
- Correspondence with Regional offices regarding security of Religious Places Miscellaneous/Religious Events received from CPO and Home Department
- Preparation of Law-and-order briefing files
- Preparation of Weekly Press Release of CTD Punjab
- Approval of NOCs for Arms, Ammunition and Explosives dealers /companies
- Process requests for the clearance of NOCs of Schools, Colleges, Universities, FM Radio and TV Channels
- Preparation of Special incident reports related to terrorism incidents

Intelligence Based Operations (IBOs) 01.07.2024 to 30.06.2025								
No. of IBOs Conducted	Nature of IBOs Conducted (Joint/CTD)		No. of Suspects Interrogated	No. of Suspects Detained	No. of Suspects Arrested	No. of Cases Registered	Recoveries	Terrorists Killed
	Joint	CTD						
3874	156	3718	3888	16	347	326	1309	37

Combing Operations 01.07.2024 to 30.06. 2025				
No. of Combing Operations	No. of Suspects Interrogated	No. of Suspects Arrested	No. of Cases Registered	Recoveries
63460	22,51,232	9354	7736	6015

Foreigners Desk:

- Maintenance of weekly/fortnightly/monthly diaries received regarding CPEC/Non CPEC Projects
- Preparation of briefing files regarding meetings of CPEC/Non-CPEC projects
- Correspondence with Home Department Punjab/CPO/Other LEAs regarding CPEC/Non-CPEC projects

Communication & Media Room:

- Monitoring/Reporting terrorism related news on national and international TV channels to the higher ups
- Report/inform terrorism/police encounter news through WhatsApp & text messages to the Addl. IGP, CTD and sectional heads including field formation of CTD, Punjab.
- Maintain helpline calls data received regarding terrorism on CTD Punjab helpline related to CTD.
- Put up terrorism related report before W/Addl. IGP CTD, SSP Operations, SSP R&A and SSP Intelligence and also to disseminate the same to ROs concerned.

Contribution to Counter-Terrorism Efforts:

- a. Inclusion of activists in 4th Schedule of ATA 1997 & Watch Lists ATBs, ITBs, etc.
 - i. 1464 activists of proscribed organizations have been included in 4th Schedule of ATA 1997 and they are under surveillance and their activities are being monitored. Besides, 2299 ATBs, 535 RAPS, 22 RBGs, 1645 ITBs, 83 TATs, 96 LMEs and 766 RPs are also under surveillance.
- b. Monitoring of 2547 Released from Jail Persons (RFJs)
- c. Monitoring of 67 Syria Returned Persons (SRPs)
- d. Geo-Tagging of Madaris/Mosques
 - i. In Punjab, there are total 20609 Madaris in Punjab and all of them have been geo-tagged.
- e. IBO and Combing Operations July 2024-June 2025
 - i. 3874 IBOs and 63460 combing operations were conducted. During these Operations, 37 Jet Black terrorists were killed. Operational structures of FAK substantially weakened due to killing of HVTs in encounters during IBOs or their arrest.

Future outlook/tasks

- Inclusion of 10% RFJs into 4th Schedule.
- Follow-up of remaining pending surety bonds.
- Follow up of 11-EE violations.
- Follow up of Re-Notification cases pending in HD.

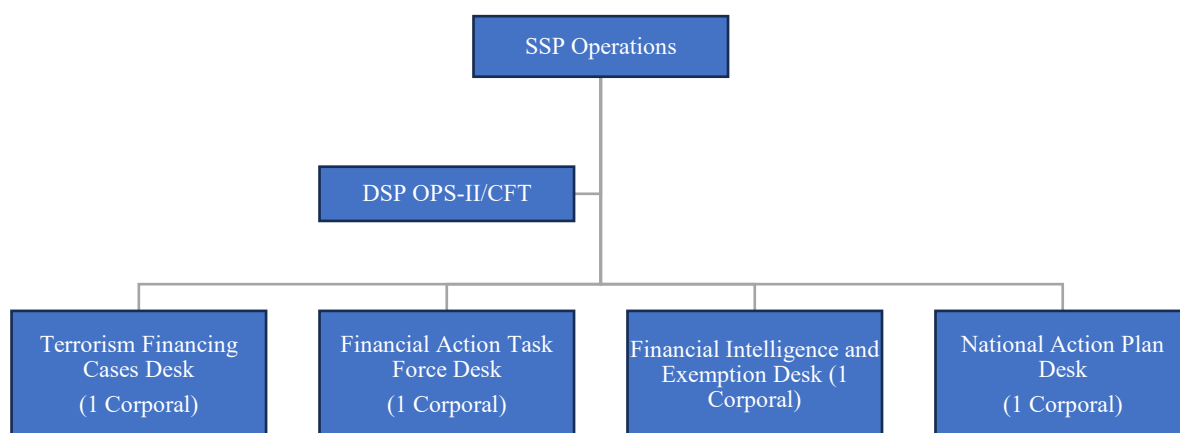

- Tracing of missing WLPs.
- Special surveillance of WLPs linked with banned outfits through HUMINT/TECHINT.
- Thorough ground check of Madaris revealed from IRs.
- Surveillance of Madaris linked with proscribed organizations.
- Extensive IBOs/target based Combing operations to counter the prevailing threat situation.
- Effective monitoring of Chinese workplaces/residence and traveling routes as per SOPs.
- Formation of Event Calendar to monitor important events happening in Punjab

Counter Financing Terrorism (CFT) Unit

Introduction of CFT Unit:

- CFT Unit, established at CTD HQ in 2016 as well as regional offices to meet the tasks by NACTA and other departments especially in context of FATF and National Action Plan.
- CFT Unit at CTD HQ is comprised of four desks & each desk maintains the record according to their job description supervised by DSP OPS-II/CFT.
- Each desk is headed by a Corporal having specialized training in countering financing terrorism and handling of FATF tasks.
- CFT Unit collects data from all regions and sections/wings of CTD HQ for onward submission to MoFA, MoI, NACTA, Home Department and CPO in specified formats.
- CFT Unit keeps close liaison and coordination with all regions.

Hierarchical Breakdowns

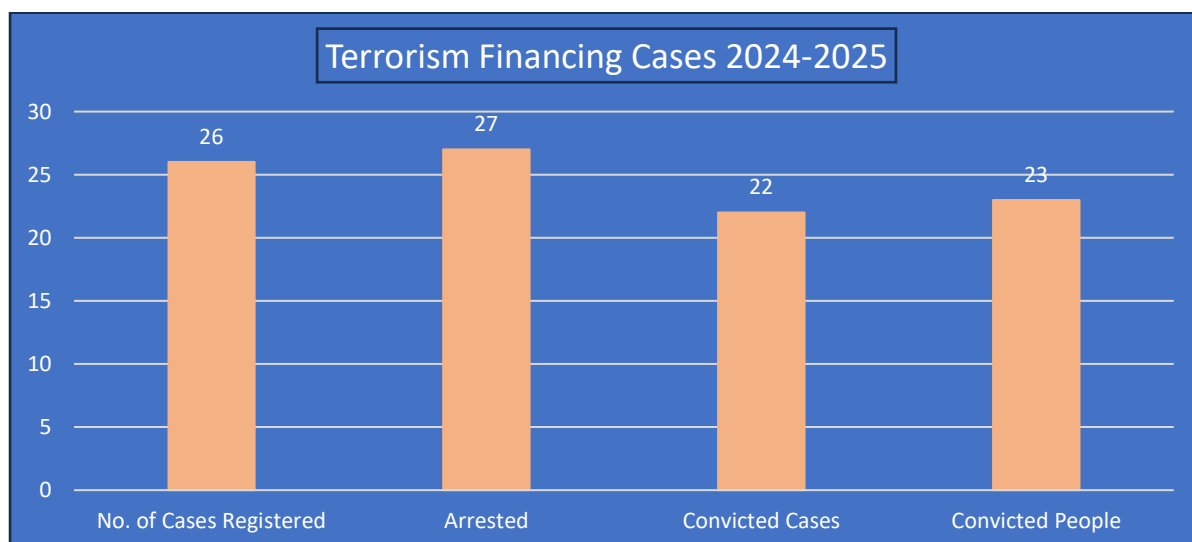

Performance:

Terrorism Financing Cases Desk

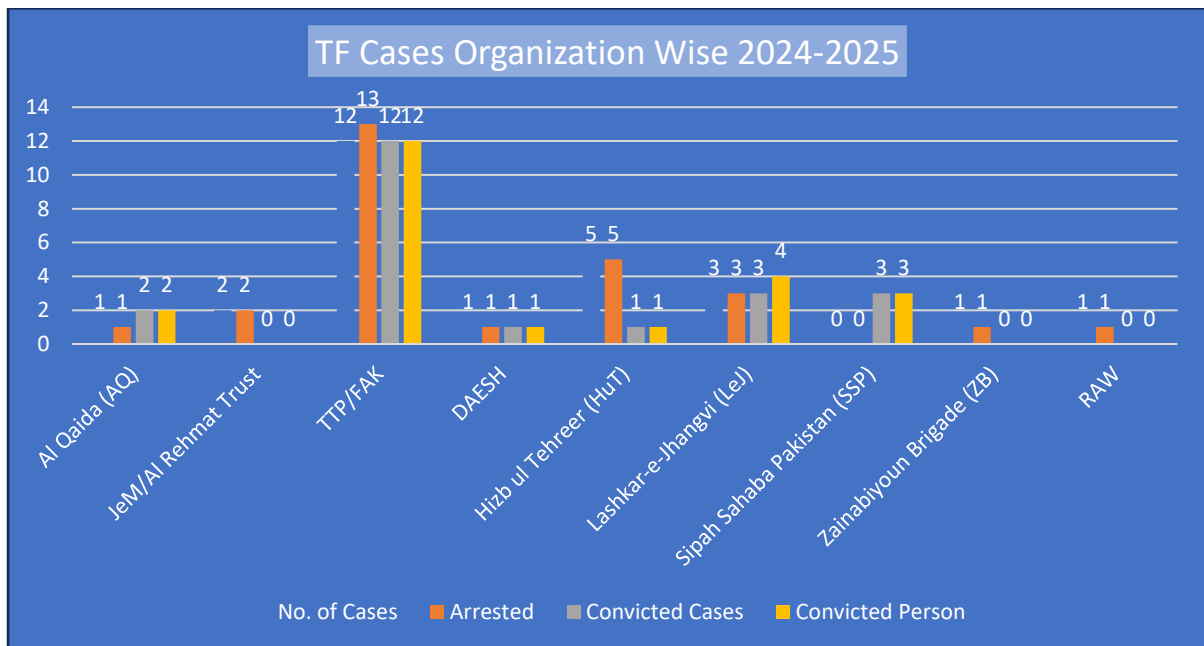

- Preparation of data related to Terrorism Financing Cases
- Preparation of data regarding TF Cases as and when required by NACTA
- Guidelines regarding misuse of crowdfunding by NACTA shared with regions
- Maintain Conviction of TF cases on different templates and sent to NACTA

Terrorism Financing Cases Registered			
No. of Cases Registered	Arrested	Convicted Cases	Convicted People
26	27	22	23

Cases against organizations involved in TF in Punjab 2024-2025

Sr. No.	Organization	No. of Cases	Arrested	Convicted Cases	Convicted Person
1	Al Qaida (AQ)	1	1	2	2
2	JeM/Al Rehmat Trust	2	2	0	0
3	TTP/FAK	12	13	12	12
4	DAESH	1	1	1	1
5	Hizb ul Tehreer (HuT)	5	5	1	1
6	Lashkar-e-Jhangvi (LeJ)	3	3	3	4
	Sipah Sahaba Pakistan (SSP)	0	0	3	3
7	Zainab Youn Brigade (ZB)	1	1	0	0
8	RAW	1	1	0	0
TOTAL		26	27	22	23

Financial Action Task Force Desk

- Preparation of files for FATF Meetings
- Preparation of meeting files and data regarding assets of UNDPs shared with Home Department via letter
- Preparation of UNDPs data and 4th schedulers data and sent to Home Department

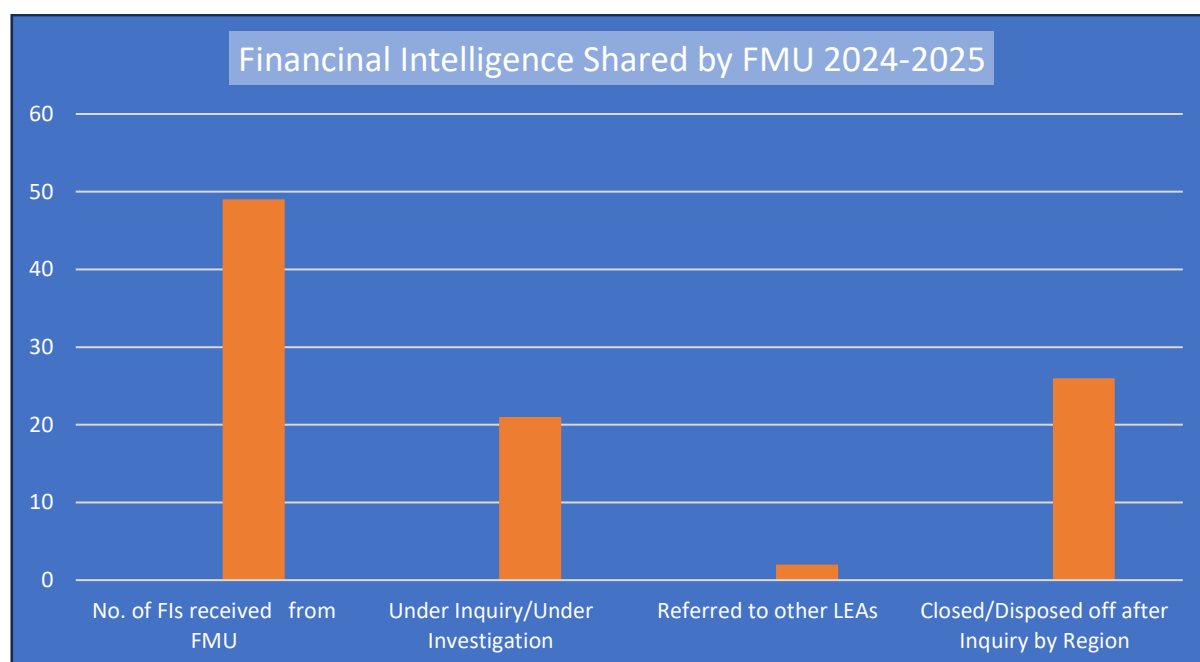

- Maintenance of data regarding TF sustainability efforts by CTD Punjab and sharing of the same with NACTA on monthly basis.
- Maintenance of record of Referrals from Customs and working on it

Financial Intelligence and Exemption Desk

- International Cooperation Cell (MLA)
- Focal person with FMU regarding Financial Intelligence and coordination via goal software.
- Working on UNDP 1267 exemptions
- Inter-Agency coordination with FIA regarding TF
- Meeting of Committee for Intelligence Sharing and Coordination on ML/TF/PF on ML/TF/PF with FMU
- Preparation of Afghan repatriated data

Financial Intelligence (STRs, CTRs) Shared by Financial Monitoring Unit (FMU) 2024-2025

Reporting Period	No. of FIs received from FMU	Under Inquiry/Under Investigation	Referred to other LEAs(Not related to CTD Pb.)	Closed/Disposed after Inquiry by Region
2024-2025	49	21	2	26

Exemptions of UNDPs (UNSCR-1267) 2024-2025

Sr.	Region	UNDP Name	Exemption Month	Status of Exemption
1	LHR	Hafiz Muhammad Saeed Exemption Rs. 1,70,700/- Approved on (02-09-2019)	Jun-25	Exemption Rs. 125,000/- (By Bank)
2	LHR	Muhammad Yahya Mujahid Exemption Rs.1,18,300/- Approved on (28-11-2019)	Jun-25	Exemption Rs. 1,18,300/- Manual
3	SKP	Mailk Zafar Iqbal Exemption Rs.157786/- approved on (5 Sep-2019)	Jun-25	Exemption Rs. 157730/- By Bank
4	SKP	Muhammad Ashraf Exemption Rs.123500/- approved on (5 Sep-2019)	Jun-25	Exemption Rs. 123459/- By Bank

National Action Plan Desk

- Data collected from the focal persons on 208 KPIs of revised National Action Plan-2021 by the 3rd of every month
- Data is updated on NACTA online NAP portal by the 5th of every month
- NAP data is provided as and when required by NACTA, HD and Central Police Office Punjab
- Provision of data to ANF and FIA as and when required regarding suspects/accused involved in terrorism/terrorism financing under MMOU for inter-agency coordination

Prosecution Wing

Introduction

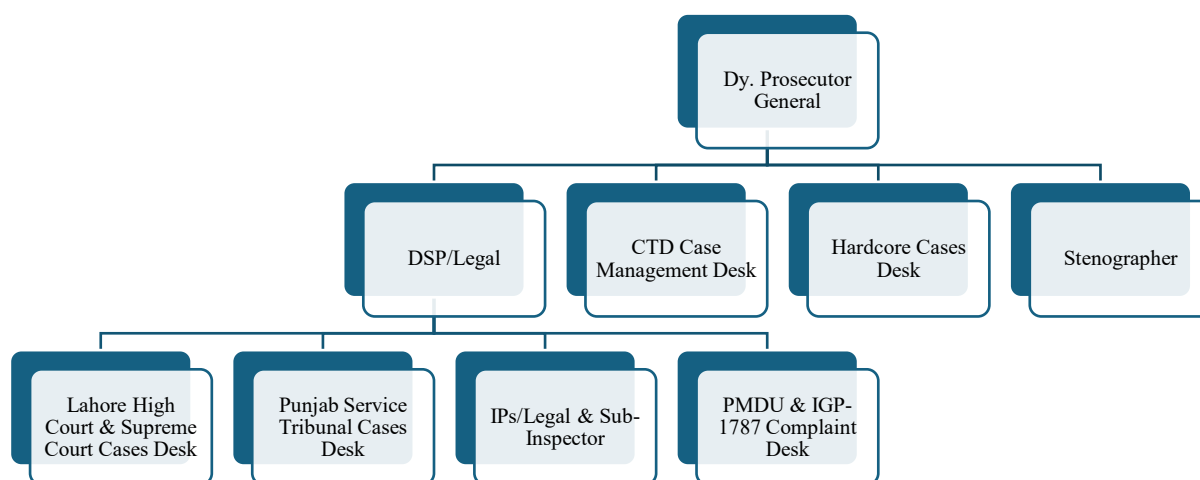

In 2010, CID Punjab was converted into Counter Terrorism Department. It was not mere change of name but revamping of the department with a vision to counter the menace of terrorism from not only Punjab but also from Pakistan. In an era marked by the pervasive threat of terrorism, law enforcement agencies worldwide are compelled to evolve and adapt their strategies to effectively combat this ever-changing menace. One crucial step in this evolution is the establishment of a specialized prosecution wing dedicated to counterterrorism efforts. This prosecutorial arm not only fortifies the legal framework necessary for combating terrorism but also ensures that justice is served with precision and expertise.

Keeping in view the circumstances and to make efficient follow up of cases, a Prosecution Wing has been established in CTD HQ since July 2011. A seat of resident prosecutor was created to supervise the prosecutorial work, and for this a full time Prosecutor was borrowed from the Punjab Public Prosecution Department, Punjab. It has been bifurcated into two sub-branches given as under:

Aims and Objectives:

The manifesto of prosecution is to provide assistance during the course of investigation as and when required by the investigation officers. To develop a comprehensive case management system, to follow the CTD cases from Anti-Terrorism Courts to August Supreme Court of Pakistan and to impart trainings to enhance knowledge & skills of investigating officers regarding the modern investigation techniques and the amendment in law.

Hierarchical Breakdown:

Performance:

Crime Register Maintenance Desk:

Preparation of crime registers (PS-wise) of the cases registered by CTD Punjab containing information in the following heads:

- Particulars of FIR (FIR No., complainant, u/s, date, brief facts, etc.)
- Accused detail

- Date-wise ATC's Proceedings
- Decision of ATC
- Decision of High Court
- Decision of Supreme Court

Hard-Core Cases Desk:

- Maintenance of case files and updating of hard-core cases registered by CTD Punjab.

Database Desk:

- Maintenance and upgradation of record of cases registered by CTD Punjab.

Follow-up of cases till Judgment Desk:

- Correspondence on daily basis with Pervi officers of ATC's, High Courts, Supreme Courts regarding daily Court proceedings of cases registered by or transferred to CTD Punjab.
- Up-to-date information of bail of accused on daily basis.
- Request for court orders in case of evidence, bail, final decision, etc.

Detailed analysis and evaluation of judgments / court orders desk:

- Analysis of judgments / court orders on completion of trial of the case by Anti-Terrorism Courts
- Analysis of Judgments / court orders of High Courts
- Recommendation for appeal against acquittal or conviction
- Evaluation of witnesses
- Recommendation for certificates on good performance
- Acquittal Reasons
- Conviction Reasons

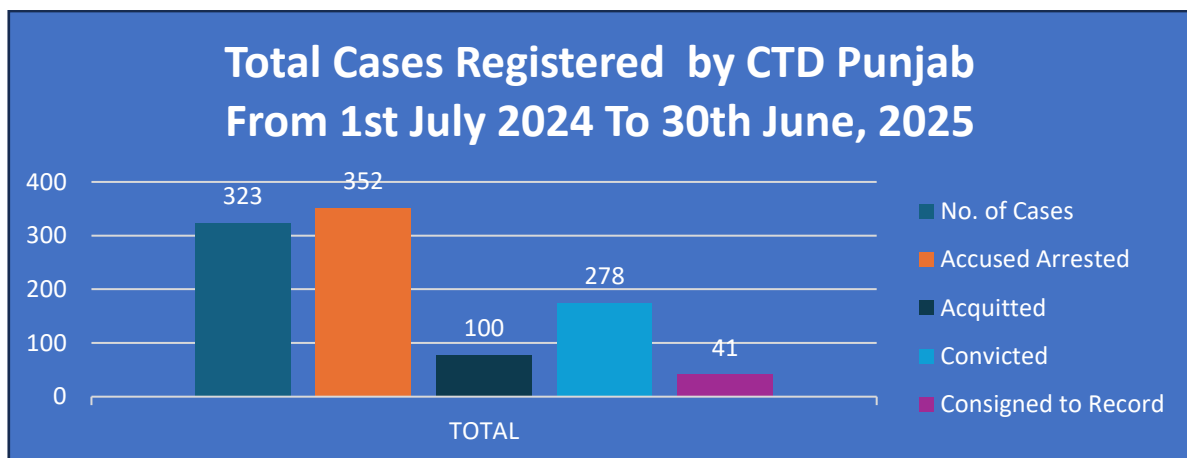

Specialized Training, Workshops & Courses Desk:

- Trainings, Workshops & Courses required for the capacity building of officers/officials of CTD Punjab with the collaboration of CAPRI (British High Commission).

- Course Module Development
- Nomination of individual for courses
- Delivery of lectures
- Participation in training workshops and programs

Miscellaneous Tasks performed by Prosecution Section:

- Correspondence with Home Department Punjab/NACTA/CUSTOMS/CPO
- Preparation of meeting files
- Continuous consultations.
- Issuance of Trial Worthiness Certificates.
- Preparation of witnesses.
- Disposal of court matters of Supreme Court, High Court and Lower Courts.
- Legal opinions.
- Specialized Training & Courses with the collaboration of CAPRI (British High Commission).

Contribution to Counter-terrorism efforts:

1. Improvement of conviction Rate from 44% to 68% (2015 to 2025)
2. Played key role in removal from **FATF**
3. Amendments in laws
4. Played vital role being member of different committees/boards.
5. Better representation of CTD Punjab at different platforms (NACTA, FATF) and liaison with sister LEAs

6. Better liaison between Prosecution and CTD Punjab
7. Appeals against acquittals
8. List of Trainings/Courses & Workshops conducted by Prosecution Branch:
 - i. Thinking Trial Course for CTD Investigating Officers
 - ii. Court Evidence Presentation Course for CTD Investigating Officers and Officials
 - iii. Basic Investigation Course
 - iv. Counter Terror Financing (CTF) Investigation Course
 - v. Improvement of investigation Skills
 - vi. One Day Workshop on NPO Cases
 - vii. Briefing to Jail Monitoring Staff
9. Continuous consultations
10. Preparation and finalization of Standard Operating Procedures (SOPs) of CTD Punjab
11. Better Management of NPO cases

Additional Information:

Future outlook/tasks

- Better conviction and zero acquittal
- Timely disposal of cases
- CTD officers/officials to get well equipped with expertise
- Best use of modern technology
- Reduction of cost of investigation
- Courses for capacity building of Investigation teams
- Better functioning of ATC's
- Development of Witness Protection Program

Legal Section

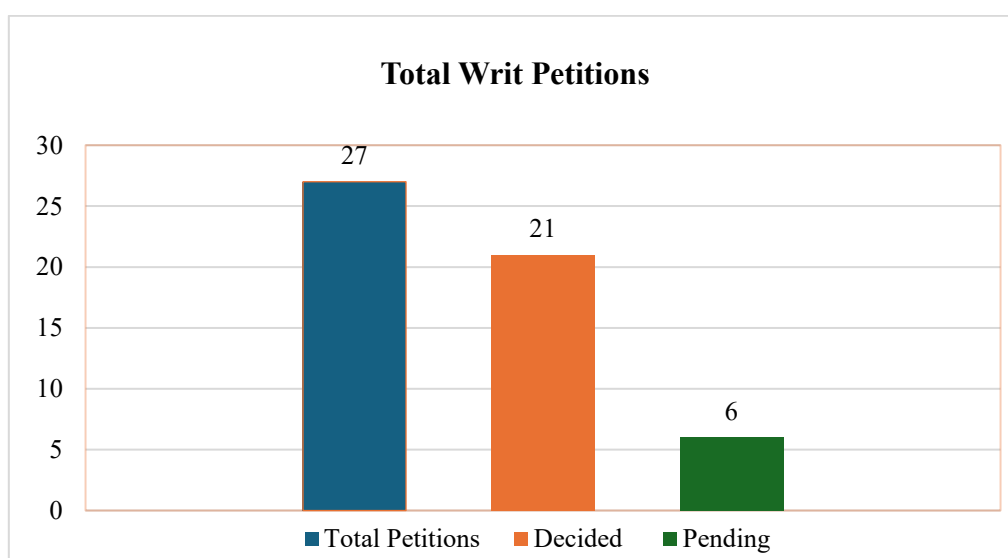

Legal Desk:

This report presents the annual performance of the Legal Desk of the Counter Terrorism Department (CTD), Punjab, which operates under the supervision of the

DSP/Legal. The Legal Desk plays a critical role in preparing reports and comments for Writ Petitions before the Honorable High Court Lahore, vetting the comments of the PST, and providing legal opinions as solicited by the competent authority. Additionally, the DSP/Legal personally represents the CTD in the High Court.

Key Responsibilities:

- **Preparation of Reports and Comments:** Drafting and vetting comprehensive reports and comments for Writ Petitions submitted to the Honorable High Court Lahore.
- **Vetting of Para wise Comments:** Ensuring thorough review and accuracy of comments prepared for the PST.
- **Legal Representation:** Representing the CTD in the High Court concerning writ petitions.
- **Legal Opinion:** Providing well-considered legal opinions on various issues as required by the competent authority.

Performance Summary:

Writ Petitions in High Court:

- Total Writ Petitions Heard: 27
- Outcome: All petitions were disposed of favorably.

Over the past year, the DSP/Legal appeared in the Honorable High Court Lahore for 27 writ petitions involving the CTD. The meticulous preparation of reports and

comments, coupled with effective representation by the DSP/Legal, 21 petitions being resolved in favor of the CTD. This achievement underscores the high competence and dedication of the Legal Desk in advancing the department's interests.

Legal Opinions and Vetting:

The Legal Desk has been pivotal in delivering timely and well-reasoned legal opinions on a variety of matters as requested by the competent authority. Furthermore, the desk has rigorously vetted all comments from the PST, ensuring that the CTD's legal position remains robust and defensible in-service tribunal cases.

Impact on the CTD:

The efficient operation of the Legal Desk has significantly benefited the CTD in the following ways:

- **Ensuring Legal Compliance:** By preparing and vetting legal documents meticulously, the Legal Desk has ensured that the CTD adheres to all legal standards and procedural requirements.
- **Effective Representation:** The successful handling of writ petitions in the High Court has safeguarded the department's interests and reinforced its legal standing.
- **Informed Decision-Making:** The provision of legal opinions has aided the competent authority in making informed decisions on complex legal matters.

PST Desk:

This report provides a comprehensive review of the annual performance of the PST desk, which operates under the leadership of DSP/Legal. The desk is managed by a dedicated Sub Inspector (SI) tasked with overseeing and managing various legal proceedings. These include following up on Service Tribunal Appeals, assisting attorneys in representing the Counter Terrorism Department (CTD) in legal matters, and handling Civil Petitions for Leave to Appeal (CPLA) to the Supreme Court of Pakistan. Additionally, the SI is responsible for ongoing civil suits involving the CTD, Punjab.

Key Responsibilities:

1. Service Tribunal Appeals:

- Following up on the development and adjudication of Service Tribunal Appeals.
- Assisting attorneys in arguing cases on behalf of the CTD.

Performance Summary:

Service Tribunal Appeals:

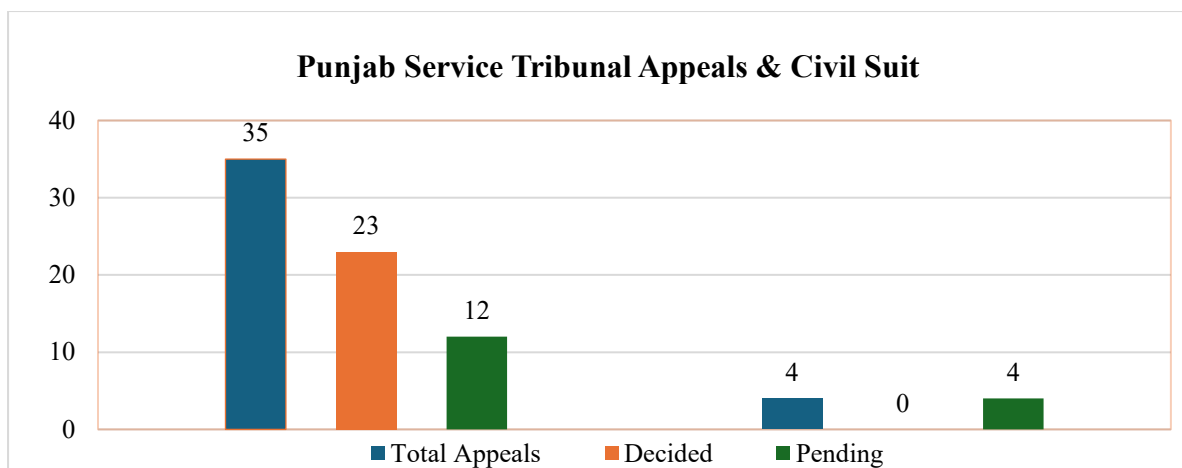

- Total Appeals Instituted: 35
- Appeals Decided: 23
- Appeals Pending Adjudication: 12

The PST desk has played a crucial role in managing appeals filed by employees challenging departmental punishments. Notably, many of these appeals were dismissed, with the decisions of the competent authority being upheld. This demonstrates the desk's effectiveness in defending departmental decisions and ensuring that the integrity of the CTD's disciplinary actions is maintained.

- Total PST Appeals: 35
- Decided: 23(Out of which 10 decided in Favour of Department)
- Pending: 12
- Total Civil Suit: 04
- Decided: 0
- Pending: 04

Civil Petitions for Leave to Appeal (CPLA):

The SI has been proactive in managing CPLAs before the Supreme Court of Pakistan, following up on cases where adverse tribunal orders were received. This diligence ensures that the CTD's interests are robustly represented at the highest judicial level.

Civil Court Responsibilities:

The SI has also been actively involved in managing ongoing civil suits involving the CTD. Currently, the SI is handling three such suits, which includes preparing for court appearances, assisting attorneys in arguments, and ensuring effective representation of the CTD's position.

Impact and Contribution to the Department:

The PST desk's performance has been instrumental in safeguarding the CTD's legal interests. By effectively managing Service Tribunal Appeals and other legal proceedings, the desk ensures that departmental decisions are defended against legal challenges. The proactive approach in handling CPLAs and civil suits has contributed to upholding CTD's legal position.

Future Outlook:

Moving forward, the PST desk aims to enhance its effectiveness by:

- **Improving Case Management:** Streamlining processes to expedite the handling of pending appeals and civil suits.
- **Enhancing Legal Support:** Strengthening coordination with attorneys to better argue cases and manage complex legal proceedings.
- **Increasing Proactivity:** Implementing more proactive measures to anticipate and address potential legal challenges before they escalate.

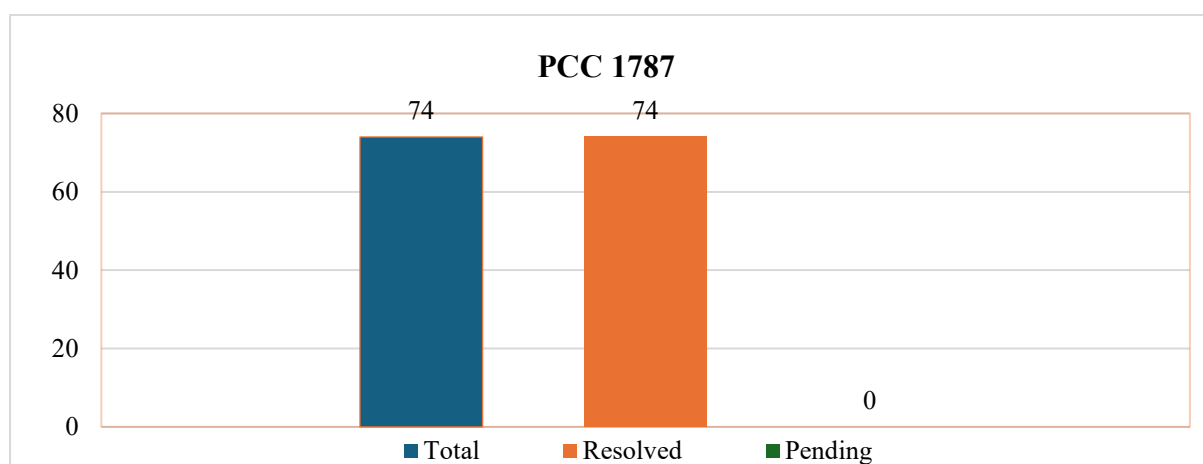

Overall, the PST desk remains committed to providing robust legal support and ensuring that the CTD's interests are diligently protected in all legal matters.

Complaints Desk:

The complaint desk operates under the command of DSP/Legal, handling grievances received through the IGP Police Complaint Center PCC-1787. There are 03 logins i.e. Addl. IGP/CTD, DIG/CTD & SSP/Admin through which the complaints of 1787 are received and dealt whereas complaints of Pakistan Citizen Portal are received through 01 login Addl. IGP/CTD. In the preceding year, the performance of the complaint cells remained outstanding, evidenced by the high number of resolved complaints and the positive feedback from complainants.

Police Complaint Center PCC-1787 Performance:

On the PCC Portal alone, 74 complaints were received, each involving various grievances. With professional prowess and a skillful, delicate touch, all these complaints were resolved to the fullest satisfaction of the complainants.

Pakistan Citizen Portal Performance:

A total of 57 complaints were received and resolved with an impressive positive feedback @ 80% from the complainants. This high level of satisfaction among complainants and the positive feedback received are strong indicators of the effective work carried out by the desk.

Achievements:

High Resolution Rate: Out of the 74 complaints received on the PCC-1787 Portal, every single one was resolved to the complete satisfaction of the complainants, showcasing our commitment to addressing public grievances effectively.

Positive Feedback: The desk received an overwhelming amount of positive feedback from complainants, highlighting the desk's dedication to resolving issues promptly and professionally.

Efficiency and Professionalism: The resolution of complaints was handled with a high degree of professionalism and efficiency, ensuring that all grievances were addressed in a timely and effective manner.

Citizen Portal Feedback: With 57 complaints received on the Pakistan Citizen Portal and an 80% positive feedback rate, the desk demonstrated consistent performance and reliability.

Impact on the Counter Terrorism Department (CTD) Image:

The outstanding performance of the complaint desk in redressing grievances is significantly improving the image of the Counter Terrorism Department (CTD). By effectively addressing public complaints, the complaint desk demonstrates the CTD's commitment to accountability, transparency, and responsiveness. This proactive approach to handling grievances not only resolves individual issues but also fosters a sense of trust and reliability among the public.

Future Outlook:

The Complaint Desk remains dedicated to adhering strictly to the Standard Operating Procedures (SOPs) issued. Moving forward, efforts will be made to streamline our processes to ensure that complaints are handled more swiftly. This includes refining our internal workflows and enhancing coordination with all the sections in Headquarters as well as all the regions of the CTD.

Investigation Section

After the establishment of Police Stations in March 2015, the CTD has started registering the cases regarding terrorism/sectarianism followed by the investigation of the cases. Follow up section is part of investigation wing, established at CTD HQ in 2015. This section takes the follow up of cases registered by CTD Punjab from FIR registration to Challan submission.

Currently 10 CTD Police Stations are working in Punjab i.e. Lahore, Sahiwal, Sheikhpura, Gujranwala, Faisalabad, Sargodha, Multan, Bahawalpur, Dera Ghazi Khan and Rawalpindi.

The Key responsibilities of Follow up Section at CTD Headquarters Punjab Lahore are as:

- Follow up of cases registered by CTD Punjab from FIR registration to Challan submission.
- Maintain the data of recoveries according to FIRs registered by CTD Punjab.
- Maintain the record of accused/terrorists Arrested & Killed by CTD Punjab.
- Daily follow up of CTD under investigation cases and submission of Challan or interim reports in time.
- Prepare the JIT of Terror Financing Cases and any real Terrorism Incident through the prescribed procedure and follow up till constitution by Home Department, Lahore
- Make a liaison with IG office (AIG monitoring/AIG legal) for smooth communication of investigation work.
- Supervision of Formal inspections of CTD Police Stations Punjab.
- Prepare the Descriptive data regarding National Action Plan (NAP)/NACTA.
- Prepare the Supreme Court Meeting for the Addl. IGP CTD Punjab.
- Prepare the related data for Quarterly Counter Terrorism Spectrum & Threat Assessment.
- Prepare the Fortnightly diaries for Operation Section/HQrs.
- Prepare monitoring of the function of Anti-Terrorism Courts data on a Daily,
- Fortnightly & Monthly basis of registered cases for CPO, Punjab.
- Prepare weekly & Fortnightly data of Crime Figures for the Analysis Section CTD, HQrs.

- Prepare weekly Combined Crime Diary data for the Prosecution Section CTD, HQrs.
- Prepare the Revised action plan diary for CTFU Wing CTD HQrs.
- Prepare regular data for the Police reforms committee constitution by the Hon'ble Chief Justice of Pakistan
- Prepare & conduct the Quarterly Review Meetings from the Investigation Wing.
- Prepare the High Court Meeting for the Addl. IGP CTD Punjab.
- In time proper correspondence and compliance with other LEAs.
- Any other task assigned by High Ups.

Statistical Data (01.07.2024 to 30.06.2025)

- Total **337 cases** under ATA have been registered in **10** Police stations of CTD Punjab.
- CTD Punjab have recovered **207.6** Kg Explosives, **43** Grenades, **403** Detonators, **13** Batteries, **297.3-meter** Prima Cord, **19** SMGs, **27** Pistols, **569** Bullets in different cases and **03** Suicide jackets are taken into custody.

Record Desk / TsTD Desk:

- Maintaining the record of interrogation of accused/suspects in HQ. (IRs)
- Maintain the record & follow-up of Things to Do for HQ, RO to RO and Operation Black Persons.
- Ground checking of activists from interrogation reports.
- Prepare meetings of Things to do for RO Conferences/ RO Meetings.
- Maintain year wise registers of accused/suspects and body search etc.
- Supervision & updating the Record of TsTD & IRs in WMS.

Statistical Data (01.07.2024 to 30.06.2025)

- Total 106 suspects are interrogated at Investigation section CTD/ HQ. Interrogation reports and relevant records of these suspects is properly maintained at Record section of Investigation Wing CTD HQ.

- 270 TsTD were extracted from Interrogation reports of Suspects from which 34 TsTD belongs to Punjab and 236 to other provinces, their tasks were sent to concerned regions in CTD Punjab and other provinces.
- 29 TsTD HQ disposed of during the period.
- 173 TsTD RO to RO disposed of during the period.
- 107 new TsTD RO to RO were added and their record is properly updated on WMS.
-

Missing Persons Desk:

Missing Persons desk was established in 2011, as the Pakistan's Federal Government constituted a Commission of Inquiry on Enforced Disappearances (COIED). The Commission's mandate was, among other things, to "trace the whereabouts of allegedly enforced disappeared persons" and "fix responsibility on individuals or organizations responsible.

The Key responsibilities of Missing Person desk at CTD Headquarters Punjab Lahore are as:

- To Prepare the Notice for hearing meetings of Commission of 'Enquiry on Enforced Disappearances' regarding missing person's cases, held at Avian-e- Iqbal Lahore/Directorate of Civil Defense, 35 Lodge Road Lahore.
- To prepare the meetings of provincial task force about missing person cases held at Civil Secretariat Lahore.
- To get the whereabouts from regional offices CTD Punjab regarding writ petition letters of missing persons received from the Apex courts, and reply to legal branch CTD HQ Lahore,
- To deal with whereabouts letters of missing persons received from all over Pakistan.
- To get progress reports of Missing Persons Under Investigation cases from Regional Focal Persons
- Maintained the files of missing persons since 2011 in hard form.

Statistical Data of Missing Person's Desk

Writ petitions:

Whereabouts of 39 writ petitions were obtained from the regional offices CTD Punjab and sent to Legal Branch CTD/HQs Lahore for onward submission to Apex Courts.

Progress Reports Regarding Notice for Hearing:

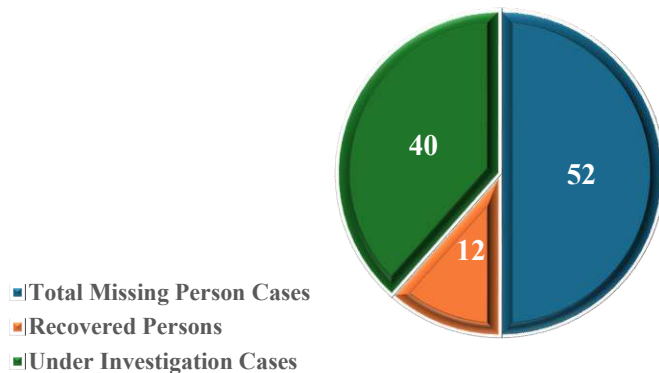

215 progress reports of under investigation Missing Persons Cases were obtained from the regional offices and sent to COIED for notice for hearing meetings which were held during the period.

Missing Person Cases Registered in Punjab (01-07-2024 to 30-06-2025)

Total Registered Cases	Recovered	Under Investigation
52	12	40

- These cases are Missing person's cases and commission of enquiry on enforced disappearances or provincial task force decides whether the case is enforced disappearances or not.
- FIR of enforced disappearance is lodged by local Police u/s 365,365/B of PPC 1860.
- Joint Investigation Team (JIT) is constituted immediately by the Home Secretaries/ Chief Commissioner ICT in each case of enforced disappearance.
- JIT will immediately order registration of FIR, if not already done
- Concerned DPO is the convener of JIT.
- Representatives of CTD, MI, ISI, IB and Special branch are the members of constituted JIT.
- Rep of FC (in case of KPK & Baluchistan) Member will be the member of JIT
- Investigation of such cases is carried out by Local Police.

Missing Persons Cases Registered in Punjab (01.07.2024 to 30.06.2025)

Interrogation Desk:

- Total 106 suspects are interrogated at Investigation section CTD/ HQ.
- Make comprehensive handwritten integration reports and all interrogation Performa's (Summary Report, One pager, Bio data) of all suspects.
- Type all interrogations and all Performa's.
- Do Technical analysis like CDR, Mobile Forensic and social media analysis of all Suspects.
- Collect Fingerprints and Pictures of all suspects.
- Extracted almost 270 plus "Things to do" from the interrogations.
- Uploaded interrogations on WMS.
- Submit all complete interrogations file in Record Room.
- Assist in making update Organizational Structure of Banned Organizations.
- Performed miscellaneous tasks assigned by Interrogation Incharge e.g. (TsTD Madaris, Cases Study)

Interrogation and Indexation Desk

Interrogations of terrorists are conducted by Investigation Wing at Head Quarter level and then interrogation reports are sent to Analysis Section for analysis. Where reports are analyzed. The suspects surfaced during proper study of interrogation reports are further indexed in database which is called Work Management System (WMS). It

makes easy for field staff to access updated information of a suspect and generate new leads about terrorist groups and their activities. After analysis of IRs, the regional offices are being tasked with grounds checks of suspects who further submit their reports and updated information has been included in WMS profiles.

Interrogation Reports since 1995: 2721

The table below shows the number of interrogation reports received, ground checks conducted, and suspect profiles updated during the period under discussion.

Period	IRs Received	Analyzed	Updating of Suspect's Profiles in Database
01.07.2024 to 30.06.2025	55	55	800

From July 1, 2024, to June 30, 2025, a total of 55 interrogation reports (IRs) were received and analyzed. Consequently, profiles of 800 suspects were updated in the database, ensuring that the information remained current and comprehensive.

Red Book Desk/POs Desk:

Sectarian Terrorism was on the rise in the Punjab province in 1997 and the terrorists/Proclaimed Offenders (PO) from Proscribed sectarian organizations Lashkar-e-Jhangvi/Sipah Sahaba Pakistan and Sipah Muhammad Pakistan/Tehreek Jafaria Pakistan were very active in Punjab. To get help in the apprehension of PO's, CID Punjab for the very first time published a booklet containing records of PO's in 1997, which was later named Redbook. Now CTD Punjab publishes a new edition of Redbook each year containing information on such PO's involved in terrorism, facilitating/funding terrorism, sectarian terrorism, or in any way in the country to achieve their nefarious objectives and also have been declared Proclaimed Offenders by the court in terrorism cases. So far, by 2024, 27 editions of Redbook have been published. Every year, after publication, the Redbook is distributed to the concerned officers in the province of Punjab, as well as the concerned officers of Federal and other provinces.

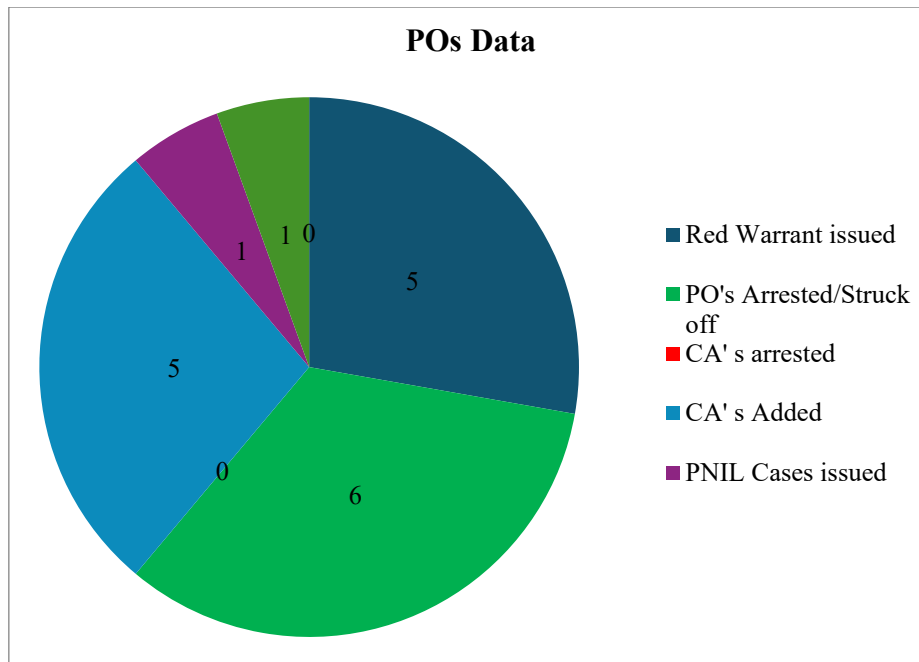

The Key responsibilities of Red Book Section at CTD Headquarters Punjab Lahore are as follow:

- Preparation, Editing, Publication and Distribution of Redbook.

- Getting Red Warrant / Extradition of most wanted / hardcore fugitives / proclaimed offenders (POs)
- Fixation of Head Money of most wanted / hardcore fugitives / proclaimed offenders (POs)
- Release of Head Money of most wanted / hardcore fugitives / proclaimed offenders (POs)
- Registration of the wanted criminals in the Exit Control List (ECL) to prevent them from absconding abroad.
- Enlisting the most wanted / hardcore fugitives / proclaimed offenders (POs) in Provisional National Identification List (PNIL)
- Enlisting the most wanted / hardcore fugitives / proclaimed offenders (POs) in Passport Control List (PCL)
- Verification of criminals wanted by CTD Punjab enlisted in ECL and blacklist or suspicious persons of the same name and parentage ever go to NADRA linked department for obtaining/renewal of any official document.
- Correspondence related to POs with all regions of Punjab.
- Work related to apprehension of Court Absconders (CAs)
- Updating of POs/CAs related work on WMS.

Statistical Data of POs (01.07.2024 to 30.06.2025):

- 06 POs apprehended during this tenure
- 01 case of PCL is issued
- 01 case of PNIL is issued
- 05 CA is added
- 00 CA is arrested
- 05 cases of Red Warrant are issued

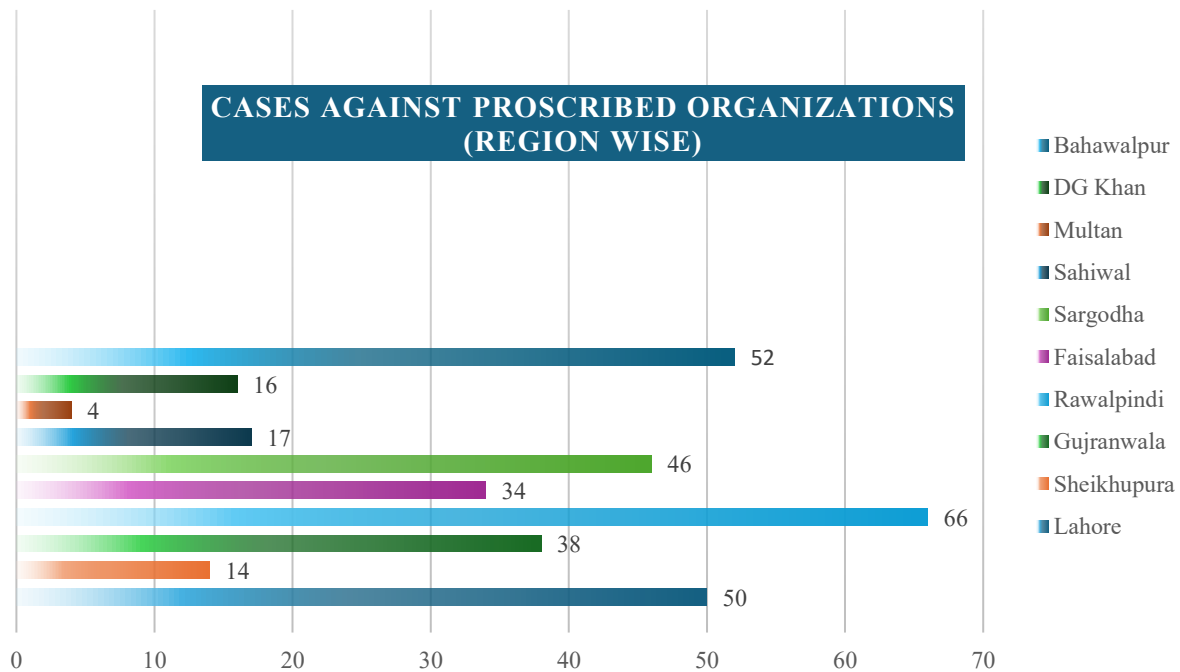

WMS Desk:

- To coordinate and arbitrate WMS Investigation HQ related issues with Technical Wing CTD HQ.
- To keep check on any WMS related updates and resolve issues therein forthwith.
- To maintain WMS Lab equipment and keep check on any entailing redundancy or recurrence of concerns.
- To attend meetings at HQ in accord with WMS progress or relevant ramifications (if need be).
- To apply and analyze suspect's CDR, NADRA verisys, subscriber detail, forensic of electronic devices, and make them available for the interrogation teams
- To Maintain Fortnightly Diary RO's Inspection Visits of their respective Districts for the High –Ups Perusal
- To Maintain Monthly Diary DSP's Inspection Visits of their respective PS for the High –Ups Perusal.
- To Maintain DCMS Portal on behalf of SP/INV CTD/HQ Chung.

Forensic and Explosive Management Unit (FEMU)

Hierarchical Breakdown:

Introduction to Forensic and Explosive Management Unit (FEMU)

The Forensic and Explosive Management Unit (FEMU) working in the investigation wing dealing with Crime Scene Management and Forensic & Explosive databases.

FEMU supports the investigation officers (IOs), crime Scene Investigation (CSI) teams and Bomb Disposal Unit/Squad (BDU/BDS) through crime scene management. It deals with evidence identification, recovery, packaging and transportation. FEMU staff in HQ works under the supervision of the SSP investigation. It coordinates and supervises FEMU staff in the regions. It maintains a database of forensics & explosives and produces monthly, biannual and annual reports. It also supports CTD by doing capacity building and training of staff, maintaining database and performing research and analysis of forensic evidence and explosives.

FEMU Working:

FEMU plays a vital role in CT cases here's how it generally operates:

Forensic Deployment at Crime Scenes:

- FEMU specialists are deployed to high-profile crime scenes to identify, secure, and document trace and physical evidence such as latent prints, DNA profiles, ballistic fragments, fibers, weapons, and other critical material.
- Utilizing advanced forensic tools & contamination-control protocols and also ensure that all evidence is preserved with full legal admissibility and scientific integrity.

Analytical Reporting & Evidence Interpretation:

- Evidence assessments are compiled into comprehensive analytical reports that not only document the findings but also provide expert interpretations aligned with investigative objectives.

Post-Blast Intelligence & Scene Reconstruction:

- In the aftermath of an explosion, FEMU spearheads forensic analysis to identify explosive compounds, triggering mechanisms, and signature patterns to determine the modus operandi and potential linkages to known threat actors.

Tactical Training & Skill Reinforcement:

- FEMU personnel regularly undergo high-intensity refresher courses and tactical training focused on explosive handling, advanced forensic methodologies, and field safety protocols.
- As forensic science rapidly evolves, FEMU actively integrates next-generation techniques, tools, and global standards into its operational framework.

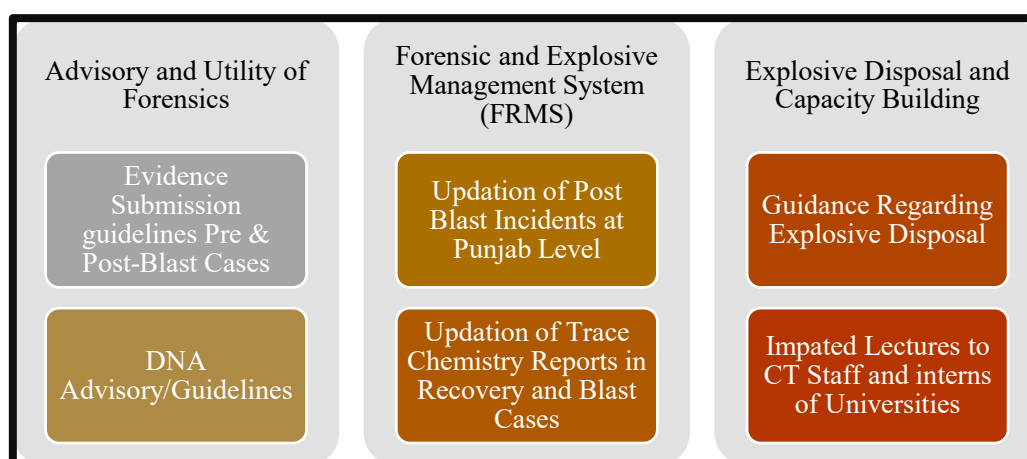

Innovation, Research & Capability Enhancement:

- Ongoing R&D initiatives empower FEMU to stay ahead of emerging threats by enhancing detection capabilities, refining analytical procedures, and adopting new technologies.

Integrity-Driven Forensic Practice:

- Objectivity, neutrality, and scientific integrity are core to FEMU's mandate ensuring that forensic conclusions remain unbiased, accurate, and legally defensible.
- Strict adherence to ethical codes and judicial standards safeguards the evidentiary value and credibility of findings in legal proceedings.

Tasks Performed by FEMU (2024-2025)

Key Metrics and achievements:

- Disposal of Explosive Material about 415.945 kg's.
- Development of Report on Pager and Walkie Talkie devices.

- Briefing about threat of IEDs to MCMC (Mid-Career Management Course) delegation.
- Briefing about latest trends in terrorism, Crime Scene Processing, Evidence Collection, Evidence Submission, Chain of Custody, and SOPs/Guidelines of Parcel/Evidence Submissions to the Army Delegation.
- Training to Officers/Junior Commissioned Officers Ex. Special Investigation Branch regarding Investigation.
- Training to Officers/Officials of Special Branch, Pakistan Railways Police regarding Intelligence and Counter Terrorism Course.

Updating FRMS (Forensic Reports Management System) Record

Addition of Post Blast Incidents and Uploading of incident Pictures

All Post Blast cases in Punjab has updated on FRMS Portal in all aspects including the high-resolution images/pictures with detailed crime scene description.

Addition of Trace Chemistry Reports in Recovery and Blast Cases

- All the trace chemistry reports regarding pre and post blast has updated on FRMS portal. These reports provide molecular-level identification of explosive residues, precursors, and chemical signatures.
- The inclusion of these scientific findings enhances the evidentiary depth of each case, supports linkage to known explosive materials, and strengthens forensic intelligence for operational and judicial use.

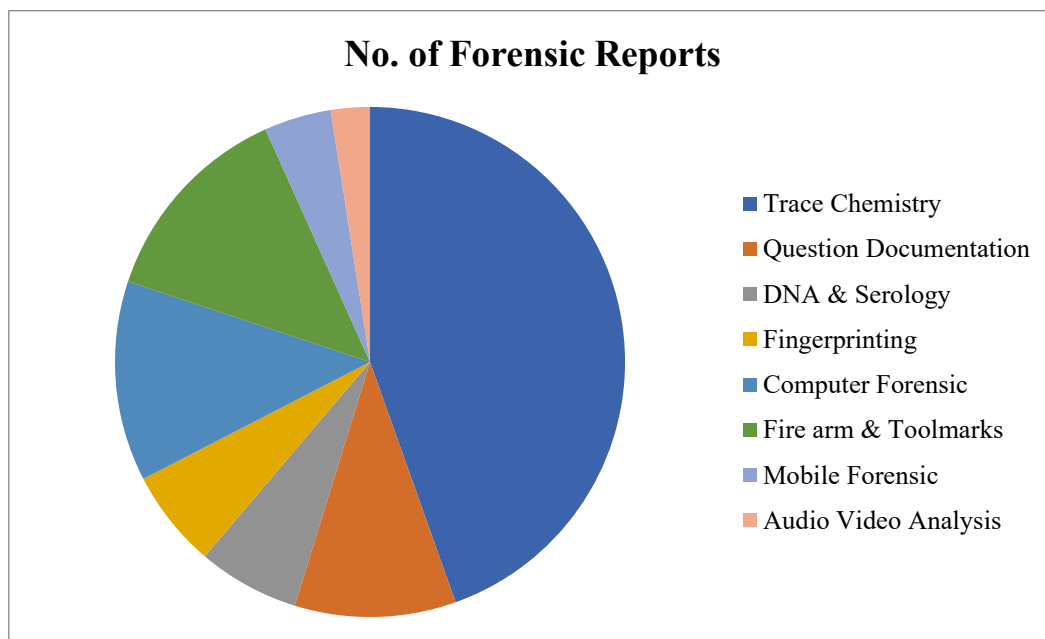

Enhancement of Utility of DNA & Serology Department of PFSA

- To enhance the effectiveness of the DNA & Serology Department at PFSA, FEMU has prioritized this area by issuing detailed advisories and operational guidelines-channeled through the SSP Investigation to Regional Offices, aiming to improve the utility and responsiveness of biological evidence handling in terrorism and violent crime investigations.
- This includes streamlining evidence submission protocols, prioritizing high-profile casework, and leveraging advanced genetic analysis tools to ensure timely, accurate, and actionable forensic outputs.

Forensic Reports

Explosive Results Comparison

Explosive used in Terrorism Incidents

Other tasks performed by FEMU 2024-2025

- Forensic DNA & Serology advisory/guidelines shared by the Forensic and Explosive Management Unit (FEMU) to the regional offices for enhancement of utility of DNA profiles in counter terrorism cases.
- The Forensic and Explosive Management Unit (FEMU) drafted a proposal for establishing an IED Replica Room at the Training School, CTD Headquarters.
- The Forensic and Explosive Management Unit (FEMU), through extensive R&D, developed detailed specifications for Explosive Detectors and Presumptive Kits used in the detection of explosives during both pre- and post-blast investigations.
- Imparted trainings at CTD HQrs:
- Training to Officers/Junior Commissioned Officers Ex. Special Investigation Branch regarding Investigation
- Training to Officers/Officials of Special Branch, Pakistan Railways Police regarding Intelligence and Counter Terrorism Course

- Briefing to the delegation of Mid-Career Management Course (MCMC) about working of Forensic and Explosive Management Unit (FEMU), IED Replica's, and latest trend & threat of IEDs.
- Briefing about working of Forensic and Explosive Management Unit (FEMU), Crime Scene Processing, Mock Crime Scene, and IED Replica's demonstration to the Army delegation.
- The Forensic and Explosive Management Unit (FEMU), through extensive R&D on pager-based explosive devices used in Beirut and other parts of Lebanon, developed a comprehensive analytical report highlighting potential future threats from such improvised devices and recommended precautionary safety measures against emerging technologies.
- Updating of FIRs and forensic reports for both pre- and post-blast incidents in the Forensic Report Management System (FRMS).
- Share data on weekly basis regarding disposal of explosive material/cases with NACTA. From 2023 to date total 415.945 kg explosive material disposed of in different regions by the permission of ATC of decided cases.
- Share data on weekly basis regarding quantity of explosive material with NACTA.

Future Task:

- Development of IED Replica room
- Advance level Bomb Scene trainings
- Focus on maximum Forensic utility in CT cases
- Analysis of large datasets, identify patterns, and support forensic investigations

Training Wing

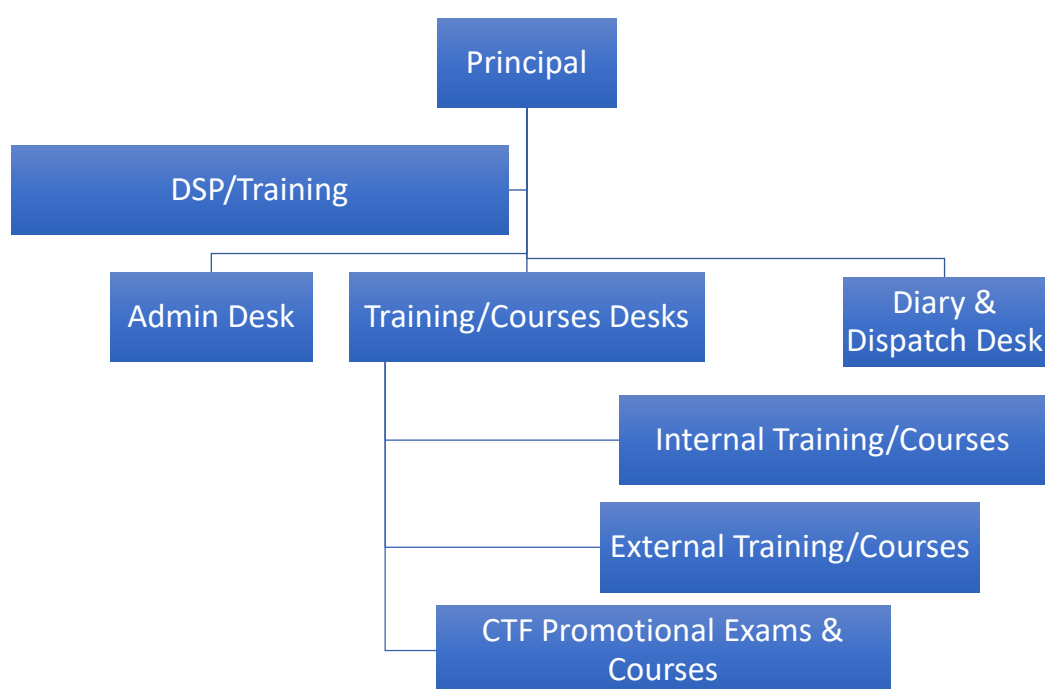

Introduction:

The Training Branch, CTD Headquarters, Punjab, Lahore plays a vital role in enhancing the professional capacity of its personnel to effectively counter terrorism in all its forms across the province. Continuous capacity building remains a strategic priority, with

regular training activities conducted both at Headquarters and in Regional Offices. A comprehensive annual training calendar is developed through a structured Training Needs Assessment (TNA), incorporating international best practices to ensure relevance and operational impact.

CTD Punjab has benefited from professional training through partnerships with organizations such as the British High Commission (BHC) CAPRI Program, International Criminal Investigative Training Assistance Program (ICITAP) US. Department of Justice, United Nations Office on Drugs and Crime (UNODC), School of Military Intelligence (SMI) Murree, Military College of Engineering (MCE) Risalpur, Army School of Logistics (ASL) Murree and National Police Academy (NPA) Islamabad. Today, CTD Punjab not only sustains its own training excellence but also supports the capacity building of other counter terrorism departments, provincial police forces and national institutions in the shared fight against terrorism.

Hierarchy:

2024		2025	
Month	Initiatives	Month	Initiatives
July	The training of CFT (Counter-Terrorism Force) cadre deputed with the Honorable Chief Minister of Punjab is conducted at the CTD	January	As part of efforts to strengthen the legal framework for witness protection, the Training Branch conducted the second session on Witness Protection Laws &

	Headquarters, Punjab, Lahore focusing on advanced security protocols, VIP protection and threat response strategies. It equips personnel with the tactical, intelligence and communication skills necessary to ensure the highest level of security for the Honorable Chief Minister.		Practices of LEAs Officials in collaboration with UNODC. The training aimed to enhance understanding of the Witness Protection Act 2017 and Rules 2019, improving institutional readiness for safeguarding witnesses and securing high-risk prosecutions.
Aug	The CTD Investigation Best Practices Training, conducted during the Junior NCO Course-4 at the School of Military Intelligence, Murree, aimed to strengthen modern investigative skills among junior NCOs, focusing on evidence handling, case management, and inter-agency coordination to enhance field investigations and prosecutorial outcomes. To strengthen judicial and investigative coordination in financial crime cases, the first Mock Trial on Countering the Financing of Terrorism (CFT) was held at IBD Academy, Islamabad, training prosecutors, investigators and judges in courtroom simulations, financial evidence presentation and application of CFT laws for improved case handling.	Feb	To modernize training and integrate digital learning, a kickstart session at the UNODC eLearning Lab introduced Intelligence and Investigation Wing Officers to specialized CT modules and digital tools, aiming to enhance analytical skills and improve real-time investigative response through digital upskilling.
Sep	The field attachment training for ASPs of the 26th Batch at CTD Headquarters, Punjab, Lahore provides practical exposure to counter-terrorism operations, enhancing their operational skills and understanding of investigative techniques and security protocols.	Mar	As part of the Training Branch's initiative to enhance emergency preparedness, a Basic Life Support and Fire Safety Course was held in collaboration with Rescue 1122 at the Training School, equipping personnel with essential life-saving skills such as CPR, bleeding control and fire evacuation. As part of its cyber capability-building initiative, the Training Branch conducted Basic and Advanced Training on the Dark Web and Cryptocurrencies, equipping investigators to understand illicit online activities and trace digital financial crimes for enhanced effectiveness in the digital domain.
Oct	As part of an academic collaboration initiative, the 8th Batch of the Internship Program with Lahore Garrison University provided students hands-on experience in policing, investigation and public safety, bridging theoretical knowledge with practical law enforcement exposure.	Apr	The Investigation Course for Officers/JCOs at the School of Military Intelligence, Murree, focused on case handling, evidence collection and interrogation to enhance investigation quality through intelligence-led methods and inter-agency collaboration.

	The Advanced Incident Response Commanders Course by NACTA at the National Police Academy enhanced senior law enforcement officers' command decision-making, crisis management and tactical response to strengthen strategic leadership in counter-terrorism and emergency operations.		
Nov	The Counter Terrorism Training for SPU Officials at the CM Office focused on threat assessment, close protection and emergency response to enhance security preparedness for safeguarding high-profile government sites.	May	The Intelligence & Counter Terrorism Course for Pakistan Railways Police at the Training School focused on threat identification, intelligence gathering and CT strategies to enhance security and operational preparedness of railway police. The Refresher Course at the Training School aimed to improve underperforming corporals and junior officers by enhancing their investigation, intelligence and operational skills through scenario-based training, leading to better field performance. In collaboration with UNODC, training sessions on Criminal Investigation and Intelligence at the eLearning Centre focused on building corporals' and junior officers' skills in evidence management, intelligence analysis and documentation to strengthen law enforcement competencies digitally.
Dec	The Multi-Agency Workshop on the Use of Forensics in Counter Terrorism focused on crime scene management, evidence preservation and the role of forensic science in terrorism investigations. This workshop was part of an initiative to promote inter-agency collaboration and enhance the use of forensic tools for effective counter-terrorism operations.	Jun	As part of the CT Training Branch's initiative to expand intelligence capabilities using open sources, the "3rd Eye – OSINT Training" was conducted at the CT Training School. It covered social media monitoring, metadata analysis and open-source intelligence tools. The expected outcome was improved intelligence gathering from publicly available digital data to support counter-terrorism operations. The Surveillance Drones training in Taxila, in collaboration with Wah, Pakistan, familiarized officers with UAV deployment, navigation and real-time monitoring to enhance aerial surveillance and intelligence support. The UAV/Assault Drone Training in Taxila and Mangla for corporals and junior officers covered operation, deployment, and ammunition management to boost combat support

			and tactical readiness in high-threat operations. The Advanced Sniper Training at Range No. 04, Barki, Lahore, focused on marksmanship, concealment and ballistics to enhance long-range precision and team coordination for improved operational effectiveness. A proposal was submitted for a Virtual Firing Simulator to enhance tactical training for CTD Punjab's Operations Team and Security Staff, along with a recommendation for a Virtual Driving Simulator to improve the efficiency and situational response of CTD Punjab drivers.
--	--	--	--

Training Branch is being headed by Principal (SP Training, CTD Punjab).

Infrastructure:

CTD Training School (CTS) at headquarters was handed over to Training Branch in Jan 2021, since then a number of classrooms, conference halls, offices, computer lab, library and auditorium have been made functional and CTS directs and supervises whole training program of CTD Punjab.

Initiatives:

The following highlighted glaring initiatives have been taken during this period i.e. Jul 2024 - Jun 2025:

Achievements:

The Training Branch, CTD Headquarters, Punjab, Lahore, in coordination with various branches/sections of the Headquarters and 3. Regional Offices, successfully planned and implemented the Training Calendar 2024. The calendar was followed across all units of CTD Punjab. 99% of the approved Training Calendar 2024 was effectively executed. As per the format of National Action Plan (NAP), the following training/courses were conducted during the reporting period:

Capacity Building / Strengthening of CTDs (Punjab)									
Sr.	KPIs		Jul	Aug	Sep	Oct	Nov	Dec	Jul - Dec
1.	Number of Training/Courses Conducted		51	40	28	44	39	41	243
2.	Number of Participants	Male	867	1,124	565	746	807	621	4,730

		Female	19	41	05	28	21	28	142
		Total:	886	1,165	570	774	828	649	4,872
3.	Record Management		04	04	03	04	04	04	23
4.	Investigation		11	10	06	15	09	15	66
5.	Operational		29	22	15	17	23	17	123
6.	Intelligence Analysis		07	04	04	08	03	05	31

In line with the vision of the W/Additional IGP, CTD Punjab, the Training Calendar for the year 2025 was developed and is currently being implemented by the Training Branch, CTD Headquarters, Punjab, Lahore. This marks the execution of the 5th consecutive annual training calendar, officially issued in January 2025. During the first six months, 47% of the approved activities have been successfully carried out. As per the format of National Action Plan (NAP), the following training/courses were conducted during the reporting period:

Capacity Building / Strengthening of CTDs (Punjab)									
Sr.	KPIs		Jan	Feb	Mar	Apr	May	Jun	Jan - Jun
1.	Number of Training/Courses Conducted		17	26	13	19	28	24	127
2.	Number of Participants	Male	462	556	453	637	959	657	3,724
		Female	08	28	16	15	10	13	90
		Total:	470	584	469	652	969	670	3,814
3.	Record Management		00	02	03	02	01	01	09
4.	Investigation		05	05	04	03	10	07	34
5.	Operational		09	14	05	08	11	10	57
6.	Intelligence Analysis		03	05	01	06	06	06	27

Future Outlook/tasks:

Following are the planned future tasks for the continuous capacity building:

- Training branch will continue to work on the principle of “Learn to train” as per the vision of W/Addl. IGP, CTD Punjab, meaning thereby that whenever someone get training, he/she cascades it to others up to grassroots level.
- All CTD branches and regions will conduct quarterly TNAs and formally request relevant training support from the Training Branch.

- Coordination with the CPO Punjab, Training Directorate, and national/international bodies should be institutionalized for sustainable training delivery.
- Regional Officers will continue to utilize their Training Focal Persons (TFPs) corporals/under officers to organize training and capacity building activities at regional and district levels as per the Training Calendar 2025
- The Training Calendar for the year 2026, will be prepared and developed by end of 2025 based on feedback from regions, field performance and new threat dynamics.
- Innovation, digital integration and operational coordination will remain the core principles of CTD Punjab's future training strategy.

Technical Wing

Introduction

Technical Wing, CTD Punjab, is headed by the SSP/Technical, CTD Punjab. The Technical Wing, CTD Punjab consist of Admin Section, Procurement Section/Technical, CDR Section, Software Engineering Section, Software Support Section, Data Centre, Cyber Crime Terrorism Wing, GSM Locator Section, I.T Section and Electronic Workshop. Main functioning of the wing includes to software analysis of the problems and their solutions, networking, central data base, biometric attendance machine installation and operations, to provide mobile data, CDR analyze, Geo-fencing, mobile forensic, computer forensic, coordination with PTA for blocking of banned, social media accounts and objects, Technical & Financial evaluation of bidders/firms and coordinate with PSCA etc. The Technical Wing, CTD Punjab is also responsible for repairing and maintenance of electronic gadgets, installation and activation of CCTV security system and maintenance of surveillance vehicle system. In addition to above mentioned points Technical Wing, CTD Punjab, conducts Training related to subjects being dealt in Technical Wing as well as field working of the CTD Punjab.

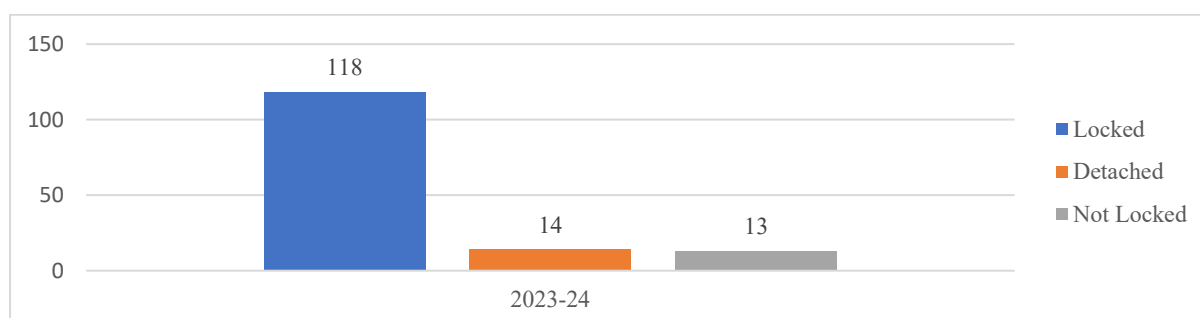

GSM Locator

GSM locator works by using the information provided by the mobile phone network and linking that to the cell transmitting antenna location data with the help of VBTS (VBTS is a smaller base station that is designed to replicate actual base station. This is designed to perform operations like actual base station but with limitations. Mostly it is a movable solution, shown as below). By doing this, we are able to locate the desired mobile device fairly precise, GSM locator has two major components which are defined as follow: -

Achievements:

Sr. No.	Total Number of Assigned Targets	145
1.	Locked	118
2.	Detached	14
3.	Not Locked	13

Charts

CDR Section

CDR Section is headed by In-charge/Technical Wing, CTD Punjab and responsible to provide mobile data, CDR analysis, NADRA verification, WhatsApp helpline 24/7 hours and technical trainings to CTD Punjab.

Achievements:

During the year, the CDR Section has achieved following objects: -

- Provided all technical assistance to Special Operations Team.
- Technical assistance given to field officers.
- Provided AIES technical support.
- WhatsApp helpline 24/07 hours. (All ROs/DOs of CTD Punjab)

- v. Provided Call Data Record Analysis
- vi. NADRA verifications.
- vii. Given Technical Training
- viii. GSM tracker assistance
- ix. Worked on special task, assigned by high authorities
- x. Resolved AIES Queries
- xi. AIES Pendency
- xii. Urgent requests priorities maintained of all ROs/DOs of CTD Punjab.
- xiii. Provided Assistance and data to Geo-fencing teams and data

Data provided by CDR section in 2024-25

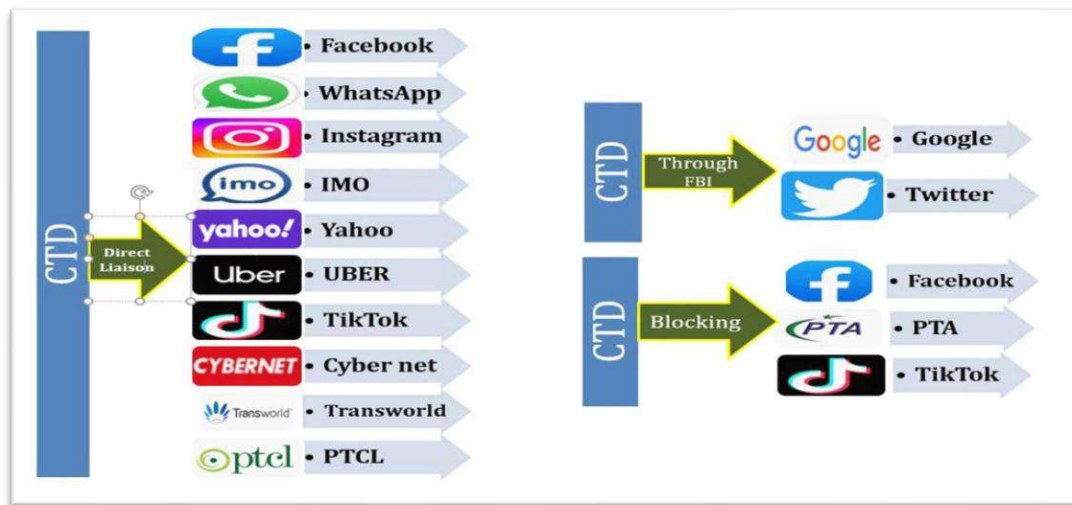

Sr.	Data Type	Count
	CDRs against MSISDN	172,090
	CDRs against IMEIs	15,202
	CDRs against International Numbers	1,085
	Current Locations	31,917
	Subscriber Details	1,9250
	Sims against CNIC	66,326
	NADRA VERISYS	14,671
	Family Tree	5,043
Total Data Provided		180,726

Counter Cyber Terrorism Wing (CCTW)

CCTW was developed in 2016 with the aim to build new set of technologies and develop investigation capabilities to counter Cyber Terrorism.

- i. Technically Trained staff who monitors social media appearances of banned outfits.
- ii. Coordination with International Social Media platforms for data provision.
- iii. Coordination with PTA authorities, Pakistan, for Social Media Blocking.
- iv. Growing partnership with sister agencies.

- v. Conduct Training sessions for CTD personnel regarding cyber techniques and awareness.

Blocking Desk

After receiving the suspicious links from CVE section, CTD Punjab, PPIC3, PSCA and ROs/Dos of CTD Punjab, this desk is responsible for blocking of those suspicious links of social media accounts, groups, pages and websites through PTA, Pakistan.

Tracing Desk

After receiving the cases from the ROs/DOs and CVE section of CTD Punjab, this desk traces out the suspicious accounts related to banned terrorist organizations through international social media platforms (i.e. Facebook, WhatsApp, Instagram, TikTok etc.).

Achievements:

KPI	No.
Social Media accounts identified and successfully blocked through PTA	43,891
Social Media Accounts successfully traced through Social Media Platforms.	4250

- i. Findings of objectionable material on social media. Analyzed the links, prepared files and sent to PTA for blocking. CCTW has knocked down 2,36,087 blocking cases sent to PTA for blocking in which 121,332 cases have been blocked.

- ii. High Success rate in tracing out the suspicious of banned outfit from international platform. Submitted 12,147 cases of Social Media Tracing to International Social Media platforms in which 9,318 cases are successfully traced.
- iii. One of the achievements of CCTW is the liaison with Zangi and Food panda, Snapchat, Meta AI, Microsoft and Thread Law enforcement portal.
- iv. Coordination with NADRA for Family tree and facial recognition assistance.

IT Section

The Information Technology (IT) Section is headed by the SSP/Technical, CTD Headquarters, Punjab, Lahore. IT Section provides regular services at the Headquarters and deals with different IT-related queries from the Headquarters, Regions, and Districts on a regular basis, along with organizing audio and video conferencing/meetings.

Achievements:

As per the directions of W/Addl. IGP CTD Punjab, the emphasis was on the efficiency and security of the Network Infrastructure and to build a state-of-the-art Technical Block. The major achievements during this period are given below: -

1. Provided IT support to all branches of CTD headquarters and maintenance of IT equipment.
2. Services provided related to computers, internet, and hardware/software issues.
3. Provided Technical support of all access control devices in Headquarters and ROs/DOs of CTD Punjab, for the safety and security of branches.
4. Implemented of User Policies according to their Job descriptions on all computers in CTD Headquarters.
5. Completed Installations, maintenance and upgradation of windows, software's, security protocols, printers and other applications on all computers installed in all blocks of CTD headquarters. IT section also

- provided technical support and training to all focal persons working in Regional and District Offices of CTD Punjab.
6. Successfully completed presentations and meeting arrangements in CTD Headquarters, administered by the nominal personal and supervised of data updating from ROs/DOs, CTD Punjab, on a regular basis.
 7. Trained of newly inducted CTD Staff.
 8. Installed and support of Access Points (APs) with controllers in all blocks of CTD Headquarters.
 9. Completed Fiber connectivity and Networking in all newly constructed buildings (GYM, TALONS) with and connected to the Data Center, Technical Wing, CTD Punjab.
 10. Maintained daily record of Bio-metrics of all CTD Punjab and also provided technical support & given trainings to focal persons of all Regional and District offices of CTD Punjab.
 11. Completed configuration and installation of Windows and software's in 100 new laptops and new PCs of CTD Headquarters.
 12. Photography and videography of special delegations, guests, and official visits to CTD headquarters.
 13. Photos and videos editing through newly acquired software, Adobe full package (photo editing, video editing, pictorial display, videography, etc.).

Software Engineering Section

The Software Engineering Section at CTD Punjab has dedicated eight years to the digitization and automation of critical operations. Through continuous innovation, the team has successfully developed and deployed multiple software solutions designed to eliminate paper-based workflows, enhance data analysis, automate routine processes, strengthen reporting mechanisms, and improve overall data management and security. These efforts have significantly contributed to modernizing law enforcement workflows and increasing operational effectiveness.

Achievements:

Over this period, CTD Punjab's software ecosystem has been significantly enhanced with the addition of 83 new advanced features. Numerous bug fixes and performance

improvements have further optimized system stability and user experience. These advancements underscore a strong commitment to leveraging technology for operational excellence, particularly in areas such as document management, intelligence gathering, and cyber terrorism prevention. Together, these developments have substantially strengthened the department's capacity to more efficiently.

Sr.	Software	Task Preview (Focus on New Development)	New Task	Issues Fixes
1	WMS	Developed enhancements for Buraq Bot integration including CVE group support, implemented bulk search supporting CNIC/mobile with export options, designed ECP data parsing and import workflows, upgraded dashboard user role management, optimized Apache multi-server setup for file uploads, enhanced SIR module and data cleanup features.	18	25
2	Mining App (New Software)	Built complete user registration/login/logout system with secure token-based APIs, implemented Retrofit API service for fetching districts, regions, contractors, miners, projects with pagination and filters, developed multi-image upload functionality with form-data, created miner and project detail UI screens with image galleries, added advanced search filter UIs, integrated progress indicators during API calls, enforced data sync on logout.	32	0
3	AIES	Developed new email receiving system with GSuite app integration for parsing, built manual cron trigger for telecom CDR parsing error resolution, enhanced mobile number search aligned with WMS Person ID, updated parsing logic for multiple telcos including Ufone, Mobilink, Zong, Telenor, trained support team on parsing troubleshooting.	10	37
4	SMART / DCMS / SIMS / CCTW/CCP	Created advanced account management APIs for creation, blocking, and deactivation based on POST API responses, developed new blocking request categories and dropdown sub lists for social media standards, implemented middleware token security and comprehensive API testing. Also fixed plenty of issues which are reported by field staff and support section.	8	39
5	FRMS	Implemented file upload fixes and improved Add New Case module workflow, developed category sub list filtering and UI stability improvements for case management.	3	4
6	Databank	Parsed and integrated large datasets such as ECP databank and Afghan subscriptions, also integrated with WMS/AIES software, also developed server-side data deployment processes and disk space upgrade support.	10	11
7	GeoScape (Mobile APP)	Upgraded the app to the latest Android version, ensuring full functionality of all features.	6	3
8	Buraq AI Bot (WhatsApp)	Enhanced APIs and optimized the WhatsApp integration for smoother and more reliable bot operation.	3	8

9	WMS APIs (Data Featuring service)	We have developed new software for API services, including both an API and an admin panel. This system fetches data from PITB, stores it in our database, and performs data matching with the WMS database.	13	0
---	--------------------------------------	---	----	---

Software Support Section

The Software Support Section plays a vital role in managing the day-to-day operations of key software systems. Our responsibilities include software enhancement recommendation, account management, bug resolution, user training, and report generation.

The team actively analyzes field requirements, guides developers, manages system updates based on user feedback, conducts quality assurance (QA) cycles, and publishes release notes. These functions ensure optimal software performance and provide timely support to users across the organization.

Achievements:

Over the reporting period, the Software Support Section achieved notable milestones that directly supported and enhanced organizational operations. We facilitated system access for hundreds of users, managed critical account updates, resolved thousands of support queries, and conducted extensive training to empower end-users. These efforts reflect our dedication to efficiency, user satisfaction, and mission-driven excellence in supporting law enforcement and other departmental goals. Achievements detail are as follows:

Sr. No.	Projects Supports	Supports Activities
	User Queries Resolved	Over 5,000 queries addressed across all supported platforms
	New User Accounts Created	Over 450 user accounts created across EMS, AIES, and WMS systems
	Postings Updated	More than 300 user postings updated in the EMS system

	Mobile Devices Registered	Over 1,000 devices registered via GeoScape for secure mobile application access
	Internal Reports Generated	Average of 10+ reports per day (including daily, weekly, and monthly insights)
	Training Sessions Conducted	50+ training sessions delivered across various applications and user levels
	Demonstrations & Walkthroughs	More than 20 live demos conducted for new features and system capabilities
	Technical & Coordination Meetings	Participated in numerous internal and cross-team meetings to align support and strategy
	Quality Assurance (QA) Cycles Completed	Conducted regular QA cycles on daily basis to validate software performance before deployment
	Software Testing Activities	Engaged in comprehensive testing of updates, bug fixes, and new feature implementations

Admin Section

Admin Section is headed by an Office Superintendent and responsible for overall office working, letter/note drafting, Record Keeping of Admin Section, Attendance checking, maintained office decorum, maintaining employees' record, presently posted in Technical Wing, CTD Punjab, to conduct trainings on office management/office working and all other subjects of same nature.

Achievements:

During the year, the Admin Section has achieved following objects.

- Has maintained and updated Personal files of officers / officials, posted in Technical Wing, CTD Punjab.
- Record Keeping.
- Manage correspondence of all types in Technical Wing, CTD Punjab.
- Has efficiently and timely disposed of all the references, received in the Wing.
- Daily and fortnightly attendance report is initiated that has not only improved the discipline of Technical Wing, CTD Punjab, vastly, but has also enforced prevalence of chain of command.
- Completed several Regular Departmental Enquiries and Appeals, assigned by the authority.
- Managed office inventory for smooth running of office operations.
- Provided clerical support to all sections working under Technical Wing.

Data Center

Data Center was developed in 2016, a centralized facility for storing, processing, and distributing data and applications. It ensures high availability, scalability, and security, supporting modern digital services and operations crucial for businesses and organizations.

There are various types of desks or areas typically serve specific functions to ensure the smooth operation and management of computing and networking infrastructure:

Network Operations Center (NOC): This desk monitors and manages the network infrastructure, ensuring connectivity and addressing any network issues promptly.

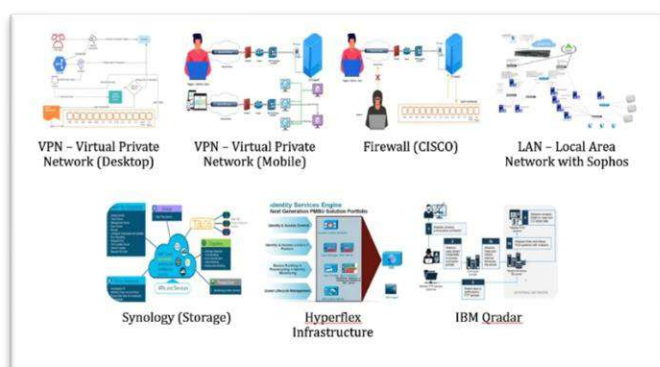

Server Room: This area houses the servers that store and process data. It's equipped with environmental controls such as cooling systems to maintain optimal operating conditions.

Security Operations Center (SOC): The SOC monitors and responds to security threats and incidents, ensuring data and infrastructure remain protected from cyber threats.

Storage Area: This section houses storage systems, including hard drives and other storage devices, where data is stored and managed.

Workstation Area: Engineers and technicians use this space to configure, maintain, and troubleshoot hardware and software components of the data center infrastructure.

Management Desk: This is where administrators and managers oversee the overall operations of the data center, including resource allocation, capacity planning, VPN and strategic decision-making. Each desk or area plays a crucial role in maintaining the functionality, security, and efficiency of the data center's operations, ensuring continuous availability of digital services and applications.

Achievements:

The achievement in the realm of the Data Centre involves a series of technical advancements:

- a. **Multiple Data Backup:** Implementation of complete automatic backup systems, taking data backup on servers, external hard drives and on Sang for HCI VM. Transferring data from Data Centre to the Disaster Recovery site through a dedicated internal network, ensuring the safety of all critical data.
- b. **VPN Technology:** Created new users on main and Backup VPN Servers. Implemented new working mechanisms for authentication of users through Mobile VPN Server.
- c. **Deployment of New Web and DB Servers:** Creation, Configuration and troubleshooting of new VMs for SIMS, ECP and Beat Book Web and DB servers.
- d. **Cisco Firewall Policies Updated:** Updated Cisco firewall policies to maintain highest standards of network security.
- e. **Logging and Monitoring:** Monitoring and Analysis of logs activity and network traffic through Q-Radar for threat detection and incident response.
- f. **Enhanced Security Measures:** Implementation of a comprehensive security updates by changing ACLs and passwords across all systems, fortifying the overall systems security.
- g. **Wireless Access Points:** Configured Cisco Controller to provide wireless internet access throughout all CTD headquarters, improving connectivity and accessibility.
- h. Disaster Recovery
- i. Implemented robust disaster recovery plans ensuring swift restoration of critical operations during emergencies.
- j. Achieved minimized downtime and maintained operational continuity to effectively respond to security threats.

Geo Fencing and Digital Forensics Section

This Section headed by in-charge technical wing CTD Punjab and responsible to provide Geo Fencing analysis of terrorism incidents, Computer & Mobile Forensics, also providing technical training related to Geo Fencing and Digital Forensics to CTD Punjab.

Achievements:

Geo Fencing & Digital Forensics Section has achieved following objects: -

- i. Forensics of 41 mobiles & 09 SIMs for regions and districts offices of CTD Punjab.
- ii. Forensics of 15 memory cards & USBs for regions and districts offices of CTD Punjab
- iii. Forensics of 10 hard disks for regions and districts offices of CTD Punjab.
- iv. 55 requests were received for BTS Data from all regional offices.
- v. Total 2530 Cell IDs data delivered to all regional offices.
- vi. Dedicated forensics workstations have been obtained for fast and reliable forensics.
- vii. IBM i2 analyst notebook has been obtained for CDR and BTS analysis.

Technical Workshop

Technical workshop was developed in 2016; Technical workshop is an important shop in any engineering field. It is widely used for domestic as well as industrial purpose, like CCTV wiring and installation electrical instruments installation and various type of gadgets installation and repairing.

- i. **CCTV Camera & Control Room:** From the installation of new cameras to regular validation and monitoring, the CCTV control system operates 24/7. The Technical Workshop team is present round-the-clock to ensure functionality. The control room, located in CVE, manages all technical issues, NVR optimization, and incident response in real-time.
- ii. **Media Room:** The satellite communication system is kept operational 24/7. This supports the Media Room and Terrorism Helpline, which relies on

seamless and uninterrupted services to carry out their responsibilities efficiently.

- iii. **Repair and maintenance desk:** This desk identifies faults in electronic equipment and ensures timely repair. It plays a critical role in maintaining service continuity and reducing equipment downtime
- iv. **Communication system & wireless communication:** Responsible for maintaining all mic systems in conference rooms and ensuring the 24-hour operation of the wireless control room.
- v. **Telephone Intercom exchange:** Ensures continuous functionality of telephone lines. Any main line issues are promptly reported and resolved to maintain consistent communication.
- vi. **Covert Surveillance Vehicle:** Provides 24/7 technical support to all districts of Punjab. Daily activities and reports are prepared and submitted to senior officers. All operational instructions are executed without delay.
- vii. **Command and Control Bus:** A newly introduced mobile Command and Control Bus has been added under the Technical Workshop for enhanced surveillance and operational support. Equipped with real-time monitoring systems, wireless communication tools, and mobile NVR access, this bus allows on-site live surveillance during special operations and emergency deployments. It acts as a mobile control room for field-level monitoring and rapid decision-making.

Each member of the team plays a crucial role in maintaining the functionality, security, and efficiency of the technical workshop operations, ensuring continuous availability of digital services.

Achievements:

- i. Expansion and Upgradation of CCTV Control Room
- ii. Media Room enhancement with high-definition transmission system
- iii. Deployment of New Telephone Exchange
- iv. Upgraded Digital Surveillance Systems in all CSVs (In progress)

Regional Offices CTD

Region Lahore

Introduction:

Lahore is the second largest city in Pakistan, after Karachi having population of more than 10 million. Lahore is a world heritage site with Minar-e-Pakistan, Lahore fort, Badshahi Masjid, Data Darbar and other monuments.

Geographic and CT Landscape:

According to the 1998 census, 94% of Lahore's population is Muslim, up from 60% in 1941. Other religions include Christians (5.80% of the total population, though they form around 9.0% of the rural population) and a small number of Hindus, Parsis, and Sikhs. 52% of Muslims are Brelvi, 20% Deobandi, 20% Shia, 4% Ahl-e-Hadith, 2% Ismaili, and 2% others. Punjabis dominate Lahore's ethnic outlook, showing no visible negative tendencies. It is easily accessible from Rawalpindi (via motorway/railway) and Gujranwala (via GT road). Terrorists, arms dealers, and extremists from anywhere in Punjab may benefit from the ease of access.

Performance:

Intelligence Wing

Sr. No.	KPI	Progress
1	Newly Identified Activists	219
2	IRPs Initiated	283
3	SIRs	67
4	Sources Cultivated	126
5	Leads Generated	76

Investigation Wing

Sr. No.	KPI	Progress
1	Total cases registered	50
2	Convictions	11

Operation Wing

Sr. No.	KPI	Progress
1	Newly enlisted in 4th schedule	6

2	Action against 4th scheduler violations	09
3	Enlisted in WLPs	41
4	Newly traced Madaris	137
5	Combing/search operations	2148
6	Intelligence Based Operations (IBOs)	416

Way Forward:

- A comprehensive plan has been formulated regarding Chinese Security.
- Source penetration (Across Border, Madaris and Leadership of terrorist outfits)
- Effective Monitoring of persons borne on 4th schedule and other categories of WLPs.
- Effective combing operations in specified grey areas for denial of any local facilitation and safe heaven.
- Continuous monitoring through Hotel Eye, Travel Eye and Tenant Eye Data.
- Penetration in social media groups of threat posing organizations.
- Follow up of under investigation and under trail cases

Region Sheikhupura

Introduction:

The Sheikhupura region in Pakistan includes three districts: Sheikhupura, Nankana Sahib, and Kasur. Each district has its own unique history, culture, and significance. Sheikhupura is named after the Mughal Emperor Jahangir, who was also known as Sheikhu. The city was founded by Jahangir in 1607. Nankana Sahib District was established on July 1, 2005, and is named after Guru Nanak the founder of Sikhism. Nankana Sahib is located in Punjab, Pakistan, about 80 km west of Lahore and 75 km east of Faisalabad. Kasur, the third district, has a rich history that dates back to ancient times. It was founded by the Pashtun tribe of Kasuri Pathans in the 16th century. The city is known for being the home of the famous Punjabi Sufi poet Bulleh Shah. Geographically Kasur is located in the South of Lahore and East of Pakistan. The district has total area of 3,995 square kilometers divided into 4 Tehsils namely City Kasur, Chunian, Pattoki and Kot Radha Kishan.

District Sheikhupura

Sheikhupura District, with a population of 3,460,426, ranks as the 11th most populous district in Pakistan. The majority (61.7%) live in rural settlements, while 38.3% reside in urban areas, with Punjabi being the dominant language. Islam is the prevailing faith (96.23%), followed by Christians (3.67%), with smaller Ahmadi and Sikh communities also present. Among Muslims, Barelvis form the majority (55%), followed by Ahl-e-Hadith (20%), Deobandis (15%), and Shias (5%). Sensitive areas along the Sheikhupura-Lahore border such as Barkat Market, Landa Bazaar Ferozwala, and Pathan Colony Ferozwala are inhabited by Mehmands and Bajauris, some of whom have historical links to militancy. These groups have the potential to act as facilitators, financiers, or sympathizers of banned outfits like FAK/JuA, providing safe havens and logistical support to anti-state elements. While Sheikhupura remains more peaceful than neighboring Lahore, the combination of sectarian divisions, tribal presence, and its geographical location makes it vulnerable, requiring continuous monitoring and preventive security measures.

District Nankana Sahib

Nankana Sahib District, established in 2005 and named after Guru Nanak, holds global religious importance as his birthplace and attracts thousands of Sikh pilgrims annually, though it remains predominantly Muslim (97%) with Barelvis forming the majority, followed by Deobandis, Ahl-e-Hadith, and Shias, while Sikhs, Christians, and Ahmadis represent minority communities. Despite being relatively peaceful compared to neighboring districts, Nankana Sahib has witnessed notable incidents of sectarian and extremist violence: in 1997, SSP/LeJ activists killed six Shias, a Barelvi, and an Ahl-e-Hadith near Eid Gah in Warburton; in 1998, the banned group targeted and killed SP CIA Ali Mohammad Baloch in Sangla Hill; in 2017, Advocate Malik Saleem Latif, a prominent Ahmadi leader, was shot dead while traveling to court; and in 2020, four Ahmadis were killed in Sangla Hill during a religious gathering when a local assailant opened fire. Additionally, three blasphemy-related cases have been reported in the district. These incidents highlight Nankana Sahib's symbolic sensitivity, where any sectarian or extremist violence carries serious domestic and international repercussions, especially given its global connection to Sikh communities.

District Kasur

Kasur District, with a population of about 4.5 million (25% urban and 75% rural), shares borders with Lahore, Nankana Sahib, Okara, and India, giving it strategic importance. Its population is divided among Barelvīs (43%), Deobandīs (21%), Ahl-e-Hadith (20%), Shias (14%), and minorities such as Christians and Ahmadīs (2%). Kasur has historically been a hub of religious seminaries, particularly Deobandi Madaris linked to militant movements in Afghanistan and Kashmir, and has witnessed repeated militant activity including the Bhoobhatīyan Chowk blast in the 1990s targeting Prime Minister Nawaz Sharif, the 2002 Shah Najaf Imambargah blast, and the 2012 Kamra Airbase attack. Between 2016 and 2017, the Christian community faced violence over blasphemy allegations, while in 2017 Kasur residents were linked to the Arfa Kareem Tower bombing in Lahore.

Currently, the district remains vulnerable, with Fidayeen-e-Islami and Punjabi Taliban elements attempting to revive Lashkar-e-Jhangvi, persistent sectarian tensions between Shia and Deobandi groups, growing influence of Tehreek-e-Labbaik Pakistan around blasphemy issues, and local conflicts involving Ahmadīs. Although no sub-nationalist movements exist, the district's militant history, sectarian diversity, and strategic location make it highly sensitive and in need of constant monitoring and preventive security measures.

- Close liaison should be maintained with the administration of JuD Markaz to counter the threat received to Markaz JuD and Abdul Rehman Makki.
- Target hardening of likely target installations/ Headquarters (Foreign National, LEAs, Markaz JuD, and All Gurdwara, Shrines, JW Farm and other Chinese projects).
- Conduct of frequent mock exercises. On daily basis a mock exercise is conducted in CTD Sheikhpura complex to counter any terrorist activity.
- Regular rehashing of all project persons.
- Effective monitoring of 4th schedulers, Watch Lists Persons.
- Maximum analysis by technical apps like tenant's data, hotel eye etc.
- Technical teams are tasked to ingress the networking of HIAs and terrorist organizations.
- Mock exercise should be conducted to check the response and practical according to Contingency

Region Gujranwala

Introduction:

Gujranwala is a major city in the Punjab province of Pakistan, renowned for its robust industrial base and vibrant cultural landscape. Located approximately 80 kilometers northwest of Lahore, Gujranwala serves as a pivotal commercial and industrial hub in the region. The city is not only a central economic engine but also a key administrative center, overseeing a number of districts within its jurisdiction.

Geographic and CT Landscape:

The counter-terrorism landscape across the districts of Gujranwala, Sialkot, Gujrat, Mandi Bahauddin, Narowal, and Hafizabad reflects a complex situation with varying levels of threat and security challenges:

1. **Gujranwala:** Historically, Gujranwala has experienced sectarian target killings and bomb blasts, including incidents involving high-profile figures like SSP Muhammad Ashraf Marth and Mr. Fida Hussain. The district's geographical location as a junction to major Punjab cities makes it vulnerable to terrorist activities. Although currently peaceful, there are concerns about the resurgence of defunct organizations such as SSP (Sipah-e-Sahaba Pakistan) and LeJ (Lashkar-e-Jhangvi), which are attempting to re-organize and promote their extremist agendas.
2. **Sialkot:** Known for its industrial significance and rich history, Sialkot has a generally safe security situation. However, banned organizations such as IS, FAK (Fitna Al-Kharij), LeJ/SSP, TGI (Tehrik-e-Ghalba-e-Islam), JeM (Jaish-e-Mohammed), JuD (Jamaat-ud-Dawa), TJP (Tehreek-e-Jafaria Pakistan), Zainab Youn and TLP (Tehreek-e-Labbaik Pakistan) have presence in the district. Since 2021, there have been incidents of sectarian violence, including assassination attempts and attacks on gatherings, indicating ongoing sectarian tensions.
3. **Gujrat:** The general situation in Gujrat is peaceful, but there are signs of religious and sectarian extremism in some areas. Groups such as FAK, IS (Islamic State), SSP, AQ (Al-Qaeda), JuD, and JeM have been identified in the district. Intelligence efforts are focused on uncovering and disrupting terrorist networks to prevent potential threats.
4. **Mandi Bahauddin:** Mandi Bahauddin is known for its agricultural productivity and cultural events. The district has a history of peacefulness with a strong agricultural base. However, there are reports of TLP activity in the district, reflecting some level of sectarian and religious extremism.
5. **Narowal:** Located near the Indian border, Narowal has a relatively stable security situation. Punjabi and regional dialects are predominant, with historical connections to local saints and cultural traditions. Although

generally peaceful, the proximity to border areas requires vigilance against potential cross-border terrorism and extremism.

6. **Hafizabad:** Hafizabad has generally been peaceful, with no major terrorist activities reported in recent years. However, in 2015, three suicide jackets were recovered from a canal, indicating a potential threat. There are also signs of religious and sectarian extremism in some parts of the district, warranting ongoing monitoring and counter-terrorism measures.

Performance:

Intelligence Wing

3	Enlisted in WLPs	53
4	Newly traced Madaris	72
5	Combing/search operations	16212
6	Intelligence Based Operations (IBOs)	716

Way Forward:

- Door knocking policy regarding Watch List persons on regular basis
- Trace out maximum activists of hardcore organizations i.e. FAK, DAISH, Al-Qaida, LEJ, BLA & Ghazi Force
- Generate IRPs of hardcore organizations
- Cultivation of Regular Sources especially across the border sources

- Follow the new SOP of Leads Generation received from CTD HQ
- Generate actionable SIRs
- Assets probe of 4th Schedulers
- Ground Check of Absent 4th Schedulers, and their surety bonds
- Apprehension of remaining Things to Do persons
- Data of Tenants of KPK and Baluchistan provinces will be analyzed and Search Operations will be conducted at Buss Stands, and local hotels.
- IBOs of suspects of FAK, DAISH, AQIS, SSP, LeJ, and Gazi Force etc. have been planned.
- Special Search & Combing Operations will be conducted with the help of district police in all Afghan areas and vulnerable establishments such as police compounds and educational institutions.
- CVE/ Social Media teams have been tasked to monitor social media and generate new leads, penetrate in groups and keep an eye on the activities of miscreants as social media is being widely used by defunct organizations especially for recruitment and fundraising.

Region Rawalpindi

Introduction:

District Rawalpindi is a crucial administrative region in Pakistan, serving as the headquarters for the Rawalpindi Division. It plays a key role as a military and commercial hub due to its strategic location near the capital city, Islamabad. This positioning makes it essential for political, economic, and security related activities. District Chakwal was established in 1985. District Jhelum is a relatively peaceful district with scattered incidents of sectarian target killings and bomb blasts in the past. Its geographical location makes it vulnerable to the terrorist activities. Presently, general situation of the district is peaceful. **Attock** is serving as a strategic gateway between the northern and central parts of the country. Situated approximately 80 kilometers northwest of Islamabad, Attock is notable for its historical significance and geographic positioning. Established as a district in 1904, it has a diverse population and a rich

cultural heritage influenced by its historical role as a major crossing point along ancient trade routes.

Geographic and CT Landscape:

The counter-terrorism landscape in the districts of Rawalpindi, Attock, Chakwal, and Jhelum highlights varying levels of threat and security challenges:

Rawalpindi is a key administrative and military hub with a diverse population. Despite its generally peaceful status, it has faced significant terrorist incidents involving groups like FAK, LeJ, AQIS, and others. Notable attacks include those on former President Pervez Musharraf and Benazir Bhutto. The district's strategic location and historical incidents of targeted killings underscore ongoing concerns related to terrorism and sectarian violence.

Attock is a high-risk area due to its proximity to Khyber Pakhtunkhwa and its role as a gateway from KPK to Punjab. The district faces threats from groups like FAK, TJP, DAISH (ISIS), AQIS, and LeJ, which target sensitive installations and law enforcement. Sectarian violence is also a concern, with groups such as Zainab Youn and sectarian factions like SSP and LeJ active in the region. The presence of extremist elements and recent attacks highlight the need for heightened security.

Chakwal is predominantly peaceful but faces threats from sectarian groups and terrorist organizations like FAK and AQIS. The district has seen footprints of extremist activity, particularly from groups linked to sectarian violence. The presence of extremist sympathizers and past detection of weapon caches indicate a potential risk to law enforcement and key installations.

Jhelum is generally peaceful but vulnerable to sectarian extremism due to its geographical location. The district has experienced sporadic incidents of violence linked to outlawed groups such as Sipah-e-Sahaba Pakistan, Daesh, and Jaish-e-Mohammed. Despite the current tranquility, the presence of extremist elements and potential threats from various factions necessitates continued vigilance and counter-terrorism efforts.

2	Action against 4th scheduler violations	05
3	Enlisted in WLPs	70
4	Newly traced Madaris	44
5	Combing/search operations	7918
6	Intelligence Based Operations (IBOs)	538

Way Forward:

- **Implementation of Door-Knocking Policy:** conduction of door-to-door visits for individuals on the Watch List to ensure compliance and gather intelligence.
- **Identifying and Tracking Activists:** Will focus on tracing and monitoring activists associated with hardcore organizations such as FAK, DAISH, Al-Qaeda, JuA, LeJ, BLA Ghazi Force, HIAs, SSP/ASWJ, and Zainab Youn.
- **Generation of Intelligence Reports (IRPs):** Develop and generate Intelligence Reports (IRPs) on the activities and networks of hardcore organizations.
- **Cultivation of Regular Sources:** Will Establish and maintain regular sources of information, particularly those located across borders.

- **Follow New SOPs:** Adhere to the new Standard Operating Procedures (SOPs) for lead generation as provided by the Counter Terrorism Department (CTD) Headquarters.
- **Generate Actionable Special Intelligence Reports (SIRs):** Produce actionable Special Intelligence Reports to support operational planning and decision-making.
- **Probe Assets of 4th Schedulers:** Conduct thorough investigations into the assets of individuals listed under the 4th Schedule of anti-terrorism regulations.
- **Conduct Ground Checks:** Verify the presence and surety bonds of absent individuals listed under the 4th Schedule.
- **Apprehend Remaining Individuals:** Focus on the apprehension of individuals who have pending tasks or warrants.
- **Analyze Data:** Continuously analyze data from tenant records, hotel registries, and travel logs on a daily basis.
- **Initiate Intelligence-Based Operations (IBOs):** Carry out intelligence-based operations targeting suspects affiliated with FAK, DAISH, Al-Qaeda, JuA, LeJ, BLA Ghazi Force, HIAs, SSP/ASWJ, and Al-Zainab Youn.
- **Conduct Special Search & Combing Operations:** Coordinate with district police to execute search and combing operations in Afghan areas, vulnerable establishments, and grey zones.
- **Share Special Information Reports:** Disseminate Special Information Reports to relevant stakeholders.
- **Cultivate Sources in Banned Organizations:** Develop and maintain sources within banned terrorist and sectarian organizations.
- **Penetrate Social Media Groups:** Infiltrate social media groups associated with banned terrorist and sectarian organizations to gather intelligence.
- **Monitor social media:** CVE (Counter Violent Extremism) and Social Media teams are tasked with monitoring social media platforms to generate new leads, penetrate extremist groups, and observe the activities of miscreants. This is critical as social media is extensively used by defunct organizations for recruitment and fundraising.

- Trace out maximum activists of hardcore organizations i.e. FAK, DAISH, Al-Qaida, LeJ, BLA & Ghazi Force.

Region Faisalabad

Introduction:

CTD Region Faisalabad comprises of 4 Districts, Faisalabad, Jhang, Chiniot and Toba Tek Singh. Total area of the division is 17,917 Sq km and population is about 16M. It connects with division Gujranwala in the north, Sheikhpura in north/east, Sahiwal in east, DG. Khan Multan in south and Sargodha/D.G Khan in the west.

Geographic and CT Landscape:

The Region Faisalabad presents a complex and diverse terrorism landscape, with each district having its own sectarian history and terrorism potential. This region is notably a haven for facilitators and activists associated with banned organizations, including SSP/LeJ, Al-Qaeda's Umer Kundi Group, Khair-un-Naas International/Daesh, and other extremist factions. District Jhang, in particular, has a notorious history of sectarian violence, marked by severe Shia-Sunni conflicts and massacres. Prominent figures such as Bait Ullah Mehsud, the founder of FAK, along with Noor Wali Mehsud and Hakim Ullah Mehsud, studied at local madrassas like Jamia Islamia Imdadia and Jamia Aminia in Jaranwala, Faisalabad. Additionally, Shoaib Iqbal Cheema, a person of interest, is also linked to Faisalabad. Currently, the leadership of SSP and ASWJ is based in the region, further highlighting its significance as a center of extremist activity.

Way Forward:

- Eradicate menace of terrorism from Pakistan especially Punjab by adopting and maintaining highest standards of operational professionalism and moral integrity.
- Arrest of Red Book POs.
- Arrest of HVTs.
- Identification/Apprehension of activists of banned organizations especially FAK, Daish, Al-Qaida, LeJ and BSNs.
- Re-hashing and continuous monitoring of already identified activists in intelligence projects.
- By conducting meaningful Search/Combing Operations and Intelligence Based Operations.
- By human, technical and social media surveillance of activities of banned organizations and activists in intelligence projects.
- Strict surveillance of Madaris to trace out the sleeper cells of banned organizations and financial monitoring of families of dead and jailed terrorists.
- Human Source cultivation in and outside of boundaries.
- By maintaining highest level of Vigilance.

Region Sargodha

Introduction:

Sargodha Division is an administrative division of Punjab Province, Pakistan. It consists of following districts:

- a) Sargodha
- b) Khushab
- c) Mianwali
- d) Bhakkar

Sargodha Region has sensitive installations like 3 Air Defense Division, PAF Air Base Mushaf, Kirana Depot, Atomic Energy Chowk Garoot Jauharabad, PAF Base Skaisar, PAF Base Mianwali, Chashma & Jinah Barrage, and Atomic Energy Projects Mianwali. Region Sargodha has adjoined boundaries with KPK Province (Bhakkar with D.I. Khan) and (Mianwali with D.I. Khan, Lucky Marwat, Karak, Bannu and Kohat). Region Sargodha has also adjoined boundaries with District Jhang through Sargodha and Bhakkar District. District Jhang is well known for sectarianism.

Geographic and CT Landscape:

- Boundary adjacent with **04x KPK Districts** (Lakki, D.I Khan, Karak & Kohat), **11x Punjab Districts**
- FAK South Willayat: **Umar Muavia** (Commander), **Molana Haider** (Ameer MWI), Tipu Gul Karwan, Baitani Group, Asmat Ullah Shaheen group, Nawaz Astrana / Balli Khayara, Gandapur Group are active groups across border with KPK.
- Bhakkar and Sargodha are also well known for sectarian violence history.
- 07x Terrorism Incidents since Dec 2022, **Lakki** (59) and **D.I.K** (50) LEA's martyred in 2024.

6	Intelligence Based Operations (IBOs)	419

Way Forward:

- Dismantling the terrorists' groups threatening law & order in the bordering areas.
- Denying space for terrorist's groups / individuals by curbing local facilitation/Busting of remaining terrorist's Networks/sleeper cells in Region's Ongoing Special Operations.
- Arrest of remaining Potential Suspects/TsTD from the list of suspects generated from the interrogated persons.
- Social media penetration in defunct organizations to disrupt their nefarious designs.
- Establishment of close Liaison between sister LEA's especially cross Border KPK.
- Cultivation of Effective Cross Border Sources especially in Afghanistan.
- Close eye on the elements of banned organizations / watch listed persons/ 4th Schedulers/Madaris.
- Shifting of Work Pattern as Country/Region/District wise threat spectrum.

Region Sahiwal

Introduction:

Region Sahiwal, located in central Punjab, Pakistan, is an important agricultural and industrial hub. It is known for its fertile lands and economic contributions, including key crops like wheat and rice. The Region is actively monitored to address potential threats and ensure regional stability.

Geographic and CT Landscape:

District Sahiwal, in central Punjab, Pakistan, faces threats from sectarian violence and terrorism, with extremist groups such as Al-Qaeda, FAK, SSP/LeJ, and Takfiri/ISIS (Mujahid Islam Butt group) targeting law enforcement, politicians, and civilians. Notable incidents include targeted killings and attacks on law enforcement between 2016 and 2017. While terrorists from these groups have been neutralized in operations and the district is under ongoing surveillance, the diverse population and presence of various sectarian and jihadi organizations continue to contribute to regional instability.

District Okara, with a population of 3.5 million, is predominantly Muslim but has notable minority communities. The area has a history of sectarian tensions, particularly from the defunct SSP/LeJ. It contains key installations such as an Army Cantonment and has a presence of extremist groups like Al-Qaeda, FAK, LeJ, and JeM. Several individuals are under surveillance for suspected involvement in terrorist activities. Currently, there is no reported sub-nationalist presence, although some Baluchistan students are studying in the district without any suspicious activities.

Pakpattan, known for its pilgrimage site dedicated to Fareed-ud-Din Masood Ganjshakar (R.A), borders Okara, Sahiwal, Bahawalnagar, and the River Satluj. The district has a population of 1.9 million, with 60% Barelvi, 20% Deobandi, 13% Ahl-e-Hadith, and 7% Shia. The Barelvi-majority population supports the TLP, while Deobandi (TGI, ASWJ, SSP, LeJ) and Ahl-e-Tashee (MWM, ISO, SMP) groups are active in areas such as Qaboola, Arifwala, Mahant Darshan Kalyana, Pakpattan, Kameran Sadar, and Chak 67/EB. There is no presence of sub-nationalist terrorist organizations. On October 25, 2010, a motorcycle bomb blast occurred at the shrine

of Hazrat Baba Farid Gunj Shakar in Pakpattan, leading to the registration of Case FIR No. 565/10 dated 25.10.2010

Performance:

Intelligence Wing

Sr. No.	KPI	Progress
1	Newly Identified Activists	389
2	IRPs Initiated	450
3	SIRs	41
4	Sources Cultivated	67
5	Leads Generated	31

Investigation Wing

Sr. No.	KPI	Progress
1	Total cases registered	17
2	Convictions	10

Operation Wing

Sr. No.	KPI	Progress

2	Action against 4th scheduler violations	2
3	Enlisted in WLPs	20
4	Newly traced Madaris	40
5	Combing/search operations	9014
6	Intelligence Based Operations (IBOs)	173

Way Forward:

To effectively combat terrorism and sectarianism in the Region, a comprehensive and proactive strategy should be adopted. This includes:

- i. **Monitoring Extremist Activities:** Activists of LeJ, splinters of TGI, JeM, and JuD are regularly monitored through human and technical means to generate leads.
- ii. **Security Audits:** Conducting security audits of police establishments and sensitive installations to identify and mitigate vulnerabilities.
- iii. **Evaluation of Threat Alerts:** Analyzing threat alerts and SIRs to understand the modus operandi of terrorists.

- iv. **Counter Intelligence Operations:** Counter Intelligence teams are vigilant, conducting surveillance around the CTD office and the residences of those under surveillance.
- v. **Intelligence Projects:** Thematic teams are tasked with working on intelligence projects and monitoring suspect activities through human and technical means.
- vi. **Monitoring Watchlists:** Effective monitoring of individuals on 4th Schedulers/watchlists is ongoing.
- vii. **Countering Violent Extremism (CVE):** CVE teams infiltrate hardcore and softcore organizations through social media platforms (WhatsApp, Telegram, Facebook, etc.) to monitor and trace activists posting hate or anti-state material.
- viii. **Collaboration with Law Enforcement:** Maintaining close liaison with law enforcement agencies in the district to ensure coordinated efforts.
- ix. **Event-Specific Vigilance:** Thematic and monitoring teams are advised to be particularly vigilant during significant events.
- x. **Lead Generation on social media:** Intelligence and CVE teams generate leads by monitoring social media for activities linked to defunct organizations.
- xi. **Security Measures for CTD Officials:** CTD officials are sensitized to potential threats, and security audits of their facilities are conducted to address any lapses.
- xii. **Dedicated Thematic Teams:** Teams working on projects like Albatross, Greenland, CVE, Skull, Scorpio, and Thunderbird focus on infiltrating social media groups to gather actionable intelligence.
- xiii. **Vigilance in Areas of Responsibility (AOR):** Monitoring staff are advised to remain vigilant in their respective areas.
- xiv. **Combing Operations and Exercises:** Regular combing operations, IBOs, and mock exercises are conducted to prevent any untoward incidents.

By implementing these measures, the district can strengthen its security posture and mitigate the threats posed by extremist groups and individuals.

Region Multan

Introduction:

Multan serves as a significant economic hub and gateway to South Punjab bolstered by its strategic importance and infrastructure. The region has an International Airport and hosts two Pakistan Air Force airbases, located in Multan and Vehari. It shares borders with the DG Khan, Bahawalpur, Jhang, and Muzaffargarh, areas known for the presence of Baloch sub-nationalist groups. Multan is also an educational center with prominent institutions such as Nishtar Medical University, Bahauddin Zakariya University, Nawaz Sharif Agricultural University, and Nawaz Sharif Engineering University, attracting students from Khyber Pakhtunkhwa and Baluchistan. Additionally, Multan boasts key healthcare facilities, including Nishtar Hospital, the Cardiology Center, Burn Center, and the Kidney Center, which serve patients from Baluchistan and Sindh, highlighting its role as a crucial medical hub in the region.

Geographic and CT Landscape:

In Multan region, following proscribed organizations had potential and their terrorists/activists, facilitators remained active and were involved in Terrorism, sectarianism, promoting sectarian hatred and Extremism in Multan region.

- Lashkar-e Jhangvi (Malik Ishaq Group)
- SSP/ASWJ (Ahmad Iudhyanvi Group)
- Harkat Jihad-ul-Islami (HJI)
- Al-Qaida (Lashkar-e-kharasan-Qari Imran group)
- Khair un-Nas international/ Al-Qaida Hassan Gul/Ahmad khan group/ Daesh (ISIS)
- FAK (Ustad Yaseen @ Aslam Punjabi Group)
- FAK (Rana Afzal @ Noor khan Group)
- AQIS (Abu-Bakar @ Shamil Group)
- AQIS (Qari Amman Ullah Sikander group)
- Tehreek Ghalba-e-Islam/ Jamat ul Furqan/their splinters (Molana Abdul Jabbar Group)

- Jaish-E-Muhammad (Masood Azhar Group/ Their Splinters)
- Jamat-Ud-Dawat (JuD)/ Their Splinters
- TLP
- Sipah Muhammad Pakistan (SMP)
- Tehrik Jafria Pakistan
- Syrian Fighters/ Al- Zain yon Brigade.
- Majlis Wahdat Ul Muslimeen (MWM) (Not Banned, Under Surveillance by CTD)

Students from well-known Madaris of Multan Region, like Khair-ul-Madaris, Umar Bin Khitab in Multan, Darul Aloom Eid Gah Kabirwala Khanewal, Madrassa Khalid Bin Waleed Vehari, Babul Aloom in Lodhran are sensitive to extremism. In past, students of these Madariss remained involved in terrorist activities. Because of the large number of students, it becomes difficult for the Madriasa administration to monitor/watch clandestine activities of their students. Geographically districts of Multan region are interlinked with other districts i.e., Bahawalpur, Muzaffargarh & Jhang. Multan is the main passage for terrorists coming from Southern Punjab residing mostly in rural areas. A very low fraction of People from the pool of population are rigid about their religious sectarian believes and are radicalized. The past and present potential of proscribed organizations in Multan region is as under:

Sensitive Installations.

- **Multan:** Multan Airport, PAF Air Base, BZU University, APS Multan, Commissioner Office, Judicial complex, District Jail, Darbars. CTD Complex
- **Khanewal:** COD Khanewal, Abdul Hakim Cantt, APS Khanewal, Oil Depot, LEAs
- **Vehari:** PAF Airbase, Mailsi Garrison, PSO Oil Depot, LEAs Offices.
- **Lodhran:** DPO Office Lodhran, DC office, District Courts, Dental Hospital

3	Enlisted in WLPs	54
4	Newly traced Madaris	59
5	Combing/search operations	4654
6	Intelligence Based Operations (IBOs)	430

Way Forward:

The following counter strategy should be adopted specially based on pre-emptive measures in the field of intelligence and operations by utilizing all available resources / sources including technical and social media expertise to curb the menace of terrorism:

- a. Massive and standard IBOs against activists / facilitators of terrorist organizations.
- b. Continuous follow up of all types of POs, their families and associates.
- c. Search combing operations in radicalized localities with prior homework and intelligence to deny any facilitation.
- d. Rehashing of watchlist persons and project persons by using all means.
- e. Monitoring of Madaris and focusing on their funding.
- f. Target hardening of all vulnerable installations and leadership of pro-Pakistan organizations.
- g. Effective snap checking on entry / exit points of District.
- h. Surveillance of hotel eye, travel eye and tenants on regular basis

- i. Check on funding of terrorist organizations and parallel terrorist financing investigation.
- j. Proper investigation and prosecution of terrorism cases to get maximum conviction.
- k. Strong network of local and across the border sources to fetch prior information and actionable lead.
- l. Effective use of cyber space and social media for ingress terrorist organizations
- m. Phishing/Honeytrap techniques
- n. Profiling and technical analysis of families of dead terrorists.
- o. Surveillance through HUMINT and TECHINT on families of those dead and jailed terrorists' families and terrorist commanders have visited their homes to get their sympathies by providing Kafals's to radicalized their family members to take revenge from LEAs.
- p. Check on social media propagators/trouble makers promoting sectarian hatred and anti-state/terrorist Organization ideology and their technical analysis to probe their link with terrorist/sectarian outfits.
- q. To count the percentage/numbers of tendency of harbourers/facilitators, executors, radicalized mind-set for further CT working.

Region Bahawalpur

Introduction

Region Bahawalpur consists of three districts Bahawalpur, Bahawalnagar and Rahim Yar Khan. **District Bahawalpur** is largest district of Punjab, Pakistan. Bahawalpur district covers 24,830 km². Approximately two-thirds of the district (16,000 km²) is covered by the Cholistan Desert, which extends into the Thar Desert of India. It is located in the south of the Punjab province, Bahawalpur district is bordered by India to its south and south east, Bahawalnagar to its north east, Vehari, Lodhran and Multan to its north, Rahimyar Khan to its west and Muzaffargarh to its north west. **District Bahawalnagar** is situated in Punjab province of Pakistan. It lies on the Pak-India border. Before the independence of Pakistan, Bahawalnagar was a part of Bahawalpur State governed by the Nawab of Bahawalpur named General Nawab Sir Sadiq Muhammad Khan V Abbasi. Bahawalnagar District was established in 1904. It spreads

from an area of 300 km from one corner (Head Sulemanki) to end of the boundary of P.S Maroot (Desert area). **District Rahim Yar Khan** is last district of Punjab. Geographically it shares boundaries directly with Sindh province and indirectly with Baluchistan after 15 km area of District Rajanpur near Kashmore (Sindh). It is one of largest Distt of Punjab with 11,880 sq km. In south of district is Cholistan approximately covered 2/3 of district shared border with India and at north side Indus River, Kacha criminals' area.

Geographic and CT Landscape:

District Bahawalpur is considered as nursery for banned outfits like SSP, LeJ, ASWJ. Some footprints of banned FAK Khorasani Group are also found in Hasilpur Tehsil. From sectarian point of view, Rao Javed Iqbal (4th Schedule) and Maulana Abdul Ghani (4th Schedule) are Main Leadership of ASWJ in District Bahawalpur who were close companion of Malik Ishaq in past. Now, they are in close contact with Molana Muhammad Ahmad Ludhyanvi Ameer ASWJ. Recently they have developed a political wing namely "Rah e Haq Party" and Rao Muhammad Javed Iqbal (President of ASWJ South Punjab) organized ASWJ activities in District Bahawalpur. In the past TTP Amjad Farooqi group and TTP Lashkar Khorasan Qari Imran Group remained active in District Bahawalpur. Two main Marakiz of JeM exist in Bahawalpur which are vulnerable and under threat from HIAs. It is also worth mentioning that Splinters of JeM are going to Afghanistan for training and joining the FAK.

LeJ / SSP has presence in Hatheji Area of Tehsil Ahmadpur District Bahawalpur. Mostly they use the ASWJ platform and keep organizing their congregations to mobilize their activists and generate finances. Rao Javed Iqbal (4th scheduler Bahawalpur), President South Punjab ASWJ is trying to re-organize the banned outfit in Hatheji Area of Ahmadpur East which is considered as most fertile area for banned organizations. He has organized a rally and Conference of ASWJ in Multan in Feb 2025 in which ASWJ main leadership participated. It indicates that ASWJ is using political platform of Rah-e-Haq Party for their nefarious activities and SSP and LeJ are also taking benefit of this political platform. Keeping in view the current situation, 4th schedulers and Watch list persons may not be allowed to participate in this sort of activities.

In district Bahawalnagar SSP/LeJ is the most active banned organization and in the past terrorists of this organization remained involved in different sectarian incidents in Bahawalnagar. After killing of Ghulam Rasool Shah of LeJ, there is a large dip in the activities of above said banned organization. However, mindset and its remaining's are still present in the district which can be involved anytime in any terrorist activity by facilitating other terrorist organizations specially FAK. Due to large number of Deoband sect Madaris in district, sectarian mindset is still flourishing which can repeat the history of sectarian killings. Another fact which is alarming is Tehreek e Ghalba e Islam from where activists of Deoband sect are getting training and found involved. District Rahim Yar Khan is very important in respect of sectarianism and terrorism. Malik Ishaq was a sign of Terror in district and be involved in Target Killing several Ahle Tashee Leader and their followers. He also involved in Bomb Blast in Khanpur in 2012. District Rahim Yar Khan Remained Headquarter of SSP/LeJ. Resultantly several official/religious leaders and activist of Shia and Sunni sects have targeted by SMP and SSP/LeJ. Distt has prominent Deoband Madaris which are nursery to produce activists for terrorist organizations and contributed towards Afghanistan and Kashmir Jihad in 90s from platform of HJI, Harkat-un-Ansar and Harkat-ul-Mujahideen. JeM was created in Jan 2000 under the leadership of Molana Masood Azhar, his followers also present in this district. In the revenge of Malik Ishaq, his two sons and his companions encounter, splinters of TGI and LeJ involved in suicide attacked at District Officer and officials of CTD Rahimyar khan in 2016. In the surroundings of Indus River there are different gangs like Indhar Gang, Sharr Gang, Umrani, Lund and Kosh etc. present in Kacha, which is a safe haven for terrorists and criminals. BSN like as BRA, BLA, BLF etc. also have influence in this district. In past BRA involved in different activities of terrorism at Vital installation like as Sui gas pipeline and Railway line in this district. They may be exploited anti-state sentiments in Kacha area. Splinters of LeJ, Jem and Tehreek-e-Galba's Islam also present in this district. Splinters of these outfits are joining FAK, AQ and ISIS.

Way forward:

- Threats / SIRs specific to AOR are being evaluated to determine the type of threats/ modus operandi of terrorists to formulate a counter strategy to pre-empt any terrorist act.
- A dedicated team tasked to monitor / surveillance of the family of Malik Ishaq dead terrorists.
- Activist of AQ/LeJ Ghulam Muhmmad is being monitored through all means.
- Splinters of LeJ, JeM and TGI are being monitored through all means.
- Registered FIRs against Activist of LeJ and also has close monitoring and surveillance.
- A dedicated team tasked to monitor / surveillance the families of dead terrorists.
- Effective network of human source is being developed in the Cat A and B Madaris.
- IBOs are being planned on the hardcore activist's organization.

- Counter intelligence and Surveillance teams are employed around the clock to protect CTD assets.
- Thematic teams have been tasked to work on all Intelligence projects to monitor activists of all organizations.
- Target hardening of likely installations / Headquarters.
- Conduct of frequent mock exercises.
- Close liaison with sister Agencies and LEAs.
- Effective monitoring of 4th schedulers, Watch Lists Persons.

Region D.G Khan

Introduction:

DG Khan region has 4 districts. It covers the extreme south-western area of Punjab province.

- DG Khan
- Muzaffargarh
- Layyah
- Rajanpur

This region shares borders with KPK (D.I. Khan), Baluchistan province (Barkhan, Musa Khel, Dera Bugti) and Sindh province (Kashmore). On the eastern side, it borders with 5 districts of Punjab province (Bhakkar, Jhang, Multan, Bahawalpur and Rahim Yar Khan). Most of the population speaks Saraiki, with minor Balochi, Urdu and Punjabi.

Geographic and CT Landscape:

The counter-terrorism landscape in the Region is shaped by its Tri-border areas in DG Khan and Rajanpur Districts. Tri-border area of DG Khan District is formed in Koh-e-Suleman Range where its border touches the boundaries of DI Khan, KPK and Musa Khel, Baluchistan. In this area, FAK South Wilayah (Walswali DG Khan) and FAK Ustrana Group is active and conducted repeated attacks on Police Pickets Jhangi, Lakhani and Police Patrols. Their permanent hideouts are Khoi Baharan, Khoi Pewar and Guzi Jungle DI Khan, KPK. Previously, they had established temporary bases at Basti Jadewali and Marrha area of PS Vehowa, DG Khan but after the recent killing of 05 FAK Ks in an IBO by CTD in the bordering area and community mobilization against

FAK activities, they were forced to retreat back to their permanent stronghold. Besides this, their off and on movement on motorcycles is seen in the bordering area for short time intervals. FAK South Wilayah (Walswali DG Khan) is vengeful for killing of their 05 Ks recently and in this regard, they have demanded reinforcement of their tashkeel by provision of 5/5 experienced Ks of Gandapur, Mehsud tribes and foreigner Ks as well. Tri-border area of Rajanpur district is also formed in Koh-e Suleman Range where it touches the boundaries of Dera Bugti, Baluchistan and Kashmore, Sindh. Presence of Camps of FAH (BRA) in the Gyandari Mountains is a constant threat to the district as the organization had conducted numerous terrorist activities in the area previously. In addition to the above, western border of DG Khan and Rajanpur is adjacent to the neighboring districts of Baluchistan through mountainous range of Koh-e Suleman which provides a natural terrain to BLA for infiltration in the region.

The region houses several vital installations that are potential targets for terrorist activities. These include:

- **Chinese Nationals** working on non-CPEC projects such as the mother and Child Care Hospital in Layyah and Sheikhu Sugar Mills in Muzaffargarh.
- **Pakistan Atomic Energy Commission** in Dera Ghazi Khan, which is a high-profile target due to its critical role in national strategic assets.
- **Steel Bridge Fort Munro** in Dera Ghazi Kha bears significant importance for inter-provincial road between Punjab and Baluchistan.
- **Farid Air Base** and the **Civil Aviation Radar Station** in Rajanpur, which are essential for air defense and monitoring.
- **PARCO Oil Refinery** and **Head Panjnand** in Muzaffargarh, both critical to energy supply and management.
- **Head Taunsa Barrage**, a significant infrastructure for water management, agricultural support and transportation passage.

The districts of Dera Ghazi Khan, Layyah, Rajanpur and Muzaffargarh are highly vulnerable to terrorism and sectarian violence due to their strategic positions and historical issues. Dera Ghazi Khan, located close to KP and Baluchistan, faces threats from various terrorist factions, including FAK South Wilayah (Walswali DG Khan), FAK Ustrana (ex Bali Khiyara group), BLA, LeJ/SSP and ISK-P. Its tribal structure and

proximity to conflict-ridden areas compound these risks. Layyah, with a notable presence of FAK Ustrana families / sympathizers, also contends with threats from LeJ/SSP, ISK-P, BSNs and Zainab Youn, necessitating robust intelligence and surveillance efforts. Rajanpur's security challenges are heightened by its closeness to Baluchistan and Sindh, hosting significant groups such as BRA, LeJ, LMEs, ISK-P, AQIS and Kacha Criminals. Muzaffargarh, surrounded by districts with high levels of terrorist activity, grapples with threats from LeJ/SSP, FAK, BSNs, ISK-P, and Zainbiyoun Brigade. It has been a historical stronghold for JeM/TGI, with splinter groups continuing to pose risks.

Performance:

Intelligence Wing

Sr. No.	KPI	Progress

3	Enlisted in WLPs	25
4	Newly traced Madaris	48
5	Combing/search operations	5484
6	Intelligence Based Operations (IBOs)	411

Way Forward:

- Penetration of sources in terrorist organizations in the country as well as across the border.
- Collection of information through Human, technical, social media and open sources.
- Identification and busting of terrorist networks.
- Conduct of IBOs and Combing operations.
- Registration of cases under Anti-Terrorism Act, 1997 against the terrorists.
- Round the clock surveillance of watch listed persons.
- Coordination with all sister Intelligence Agencies.

Conclusion

Counter Terrorism Department (CTD) Punjab has achieved remarkable success in combating terrorism and ensuring public safety through comprehensive source network as well as discreet mapping and surveillance of radicalized individuals and banned organizations. The department has developed distinctive insight of emerging threats and robust strategy to counter the acts of terrorism in its all manifestations. The CTD's proactive approach includes infiltrating the terrorist networks and executing both overt and covert operations leading to significant apprehensions and disruptions preemptively. The implementation of extensive Intelligence-Based Operations (IBOs) and targeted combing operations has effectively dismantled sleeper cells and identified facilitators and abettors. By conducting panoptic security audit, the department has fortified target hardening measures. The CTD's intelligence gathering efforts, supported by cyber patrolling and the CVE section, have strengthened its overall effectiveness. Moreover, the department's robust prosecution strategy, leveraging technical and electronic evidence, has ensured successful adjudication of the registered cases by the CTD Police stations. The CTD Punjab has also met international standards by executing tasks related to the Financial Action Task Force (FATF) in a timely and efficient manner, reflecting its commitment to both national and global counterterrorism efforts. CTD Punjab will continue to extend its counter terrorism efforts to confront the challenges of terrorism, sectarianism and violent extremism in the following years for safer Punjab.

CHAPTER 17

PUNJAB CONSTABULARY

Introduction

Punjab Constabulary formerly known as **Punjab Reserve Police** was raised in 1972 with the strength of 1,000 Constables, who were trained in anti-riot tactics. The main idea behind its creation was to render maximum assistance to the District Police and units of the Province of Punjab for maintenance of Law & Order situation. Its strength was gradually increased up to 2,800 by 1982. Later on, as per directions of the Governor of the Punjab its strength was raised up to 5,000 in phased program. During 1987 with its re-organization and renaming as **Punjab Constabulary** its strength was increased to 12,000. PC is headquartered at Sheikhpura with regional presence at Lahore, Faisalabad, Multan & Rawalpindi. PC is a borrowing unit with only minimal permanent staff officers and junior ranks are posted to PC for a period of one year in case of officers and 1½ years in case of constabulary as per revised IGP Standing Order 09/2020 vide No.4040/AD/E-II, dated 15.06.2023. Age limits have also been revised by the IGP vide No.AD/E-III/194-260/XI, dated 09.01.2024.

Major/high profile law & order duties performed: Muharram, AJK, Katcha Operation, Elections duty, Cricket Matches duties and Judicial guards etc.

Punjab Constabulary trains the officers and constabulary received on deputation in various disciplines to build their professional capacity and better output during various duties/ deployments.

Punjab Constabulary Basic Orientation and Induction Programme has been initiated with this objective in mind and during the period under report 7339 personnel have successfully completed it. Mission statement drafted vide Administrative Order:2envisions the professional responsibilities of PC and embodies the core values accordingly. Similarly, the official emblem drafted vide administrative order No.2 symbolizes the core functions of the organization.

Welfare of constabulary: In line with the instructions/directions of IGP different welfare measures /initiatives have been taken:

- i. Funds disbursed under various heads (wedding gifts, burial charges upon death, gift to martyr's families etc.) to senior / junior rank officers and their families as per Annex-A.
- ii. General recruitment has been carried out in this unit during the year under report, detail as per Annex-B.
- iii. Medical check-ups of constabulary have been got conducted as per detail at Annex-C.

Objective achieved and Initiatives taken

The report covers the period from July 2024 to June 2025. Different initiatives and measures taken during the period under report aimed to better the internal processes, professional capacity, symbolic essentials and outlook and output of the Organization. The aim was to create ease of doing business within the organization to facilitate incoming and outgoing officers and make their stay comfortable and predictable while in PC. Standardization and strict adherence of protocols, providing a pathway to various issues and transparency through sharing of information on these issues has been the fundamental and guiding methodology to achieve these goals. While wholesome capacity development of officers in a healthy environment remained key priority.

The initiatives can be classified in three broad categories namely; administrative, capacity development and transparency.

Administrative Interventions

Administrative Orders: Number of administrative measures have been taken to streamline the arrangements at the PC to remove various bureaucratic glitches and facilitate the officers reporting and leaving PC. An important aspect of the entire effort has been to introduce transparency in the processes while reducing and removing the discretion of various branches such as OASI, IPP, QM, Accountant etc.

Series of administrative orders issued in previous year remained continued to streamline various administrative issues, procedures and processes in the daily management of battalion activities. These orders standardize and bring transparency in the internal operations of various Battalions. Issues like attendance, transfer/posting, appointments, pay and TA, scheduled rest, repatriation etc. that are

the major cause of worry for incoming and outgoing constabulary have been streamlined and a pathway for resolution created.

Transparency: All these matters are processed in line with the standing instructions and decision taken are shared with the officers/constabulary through various social media platforms to keep them informed and ensure transparency. Information sharing gives credibility and transparency to the processes.

04 E-Newsletter (quarterly basis) circulated besides, Instagram and Facebook accounts remained activated/operational during the year under report to document organizational activities and share essential information with the constabulary and other units of Punjab police.

Tenure & Duty Matrix: to overcome the anxieties of incoming officers and to give them a fair idea as to what awaits them upon their arrival at PC, a duty and tenure matrix developed for the purpose has been followed strictly. This matrix besides sharing information help new arrivals plan their stay at PC by providing broad understanding of events and activities. It also help visualize information at a glance.

Dynamic Inspections: Monthly inspections of BC office (various branches) introduced is continuous to identify and remove administrative glitches that cause inconvenience for the constabulary in the day-to-day management of PC internal affairs. These are not routine formalistic inspections rather dynamic inspections that aim at identifying and addressing the problem, issues faced by employees in their individual interactions with the Battalion offices and headquarters. Primary purpose is resolution of the pending issues.

Bio-metric attendance system: Abuse of the attendance process has been a major concern both for administration and constabulary. To overcome various corrupt practices and attempts to evade or avoid daily attendance, headquarters approved (ZKT) software-based bio-metric attendance system has been introduced at all battalions and headquarters is functioning in streamlines. The process is monitored with the help of live IP-based CCTV cameras and recording saved for later verification/investigation. The various elements and processes of the system have been standardized through Administrative Order No.10.

Capacity Development

- Anti-riot drills courses (10 courses with 5855 participants completed during the year) are conducted in a professional setting to help train officers to perform their duties in a manner that is consistent with the situation and professional standards.
- Various sports, cultural events and e-tutorials in a classroom setting are arranged. Various committees of junior ranks to engage and involve them in the management and resolution of issues that concern them have been constituted in all Battalions. Annual sports competitions held and revival of sports activities through various competitions and rewards ensured. Sports made essential part of PC Basic.
- An application is being developed to register and record all the events and activities of PC Basic digitally with geographic coordinates. This will allow BCs and headquarters to monitor and evaluate daily activities thus eradicating malpractices and loopholes in the system.
- **Sports:** Second inter-battalion sports competitions were held in January 2025 and best performers were rewarded by the former Deputy Commandant Khurram Shazad Haider. The 2nd IGP Tent Pegging Cup 2025," was held at PC Headquarters Farooqabad on February 26th, 2025, bringing together teams and clubs from across Punjab. The event was organized under the banner of Punjab Police Equine Club (PPEC). Two Police teams of Punjab Mounted Police (PMP) also participated. Each team participated with four horses and four riders, competing under the supervision of former Additional IGP/Commandant Imran Arshad and DIG/Deputy Commandant Punjab Constabulary. Sports tend to be good pastime for officers besides providing opportunity for healthy competition. Sports are an essential part of daily routine for all officers when not deployed on active duty.
- Committees of Junior Officers: Different committees of junior ranks have been constituted to involve and engage them in the management of various matters

that concern them directly or indirectly during their stay at the PC. This also helps in the capacity development of officers in terms of interaction with colleagues, senior leadership and decision making. Various matters such as managing mess, cleanliness of hostels and restrooms, upkeep of lawns and play grounds, arranging sports competitions, cultural nights etc. are being managed by junior officers with the guidance and facilitation of battalion commanders.

Development

Various development works have been carried out/completed to provide better and secure environment and facilities to the officers i.e. New Admin Block, Salami Platform, MT Shed, Renovation of Hostel & Barracks.

New Admin Block: The construction of the new Admin Block at the PC headquarters is completed, addressing the long-standing need of proper office space for various branches. This modern facility, equipped with contemporary furniture and amenities, will provide a spacious and well-organized working environment. By combining functionality with modern design, the Admin Block will enhance operational capacity and provide better working environment to the staff in the performance of their day-to-day duties.

Construction of Salami Platform: As part of ongoing improvements at PC Abbas Lines, Lahore, a new Salami Platform has been constructed for weekly parades and passing-out ceremonies. The existing platform was in dilapidated condition and had no roof making it unusable in extreme weather conditions.

MT Shed: Construction of a new MT shed for buses and heavy vehicles underway at PC Headquarters Farooqabad is completed. Previously, only light vehicles had covered parking. The new facility will provide proper shelter for heavy vehicles and improve fleet care and management.

Renovation of Hostel: A hostel building for upper subordinates has been fully renovated at Abbas Lines, Lahore. The two-story facility includes 38 rooms and 36

washrooms, providing improved residential arrangements and addressing a long-standing accommodation issue.

Repair of Barrack: Renovation of a residential barrack is underway at Abbas Lines, Lahore, to help resolve accommodation issues. Though the building belongs to Battalion No. 7, the work is being carried out under the supervision of Battalion Commander, Btn-1. Nearly 85% of the renovation work has been completed.

Transparency: Transparency in various operations have been ensured/achieved through sharing of information among various platforms such as e-newsletter, Instagram account, official website and WhatsApp groups.

CHAPTER 18

ELITE POLICE FORCE

History

In view of increasing violence such as Terrorism, Sectarian Killing, Kidnapping for Ransom, Hijacking, Sabotage and Robbery, it was decided in 1997 by the then Chief Minister, Punjab to combat the modern organized violent crimes. For this very purpose, Elite Police Training School was established in 1997 by addition of Chapter – XIX A in Police Rules 1934. Under the command of a serving Lieutenant Colonel of Special Service Group (SSG), Pakistan Army, the first training schedule was undertaken in which Basic Elite Courses, Advanced Instructors Courses and VVIP Protection Courses were organized. So far, 26 batches of Basic Elite Course have been passed out in which 18645 have been qualified whereas, the Elite Police Training School has the honor of imparting training to the Officers and officials of other Provinces, Law Enforcement Agencies / Units and Departments like Gilgit Baltistan Police, KPK Police, Baluchistan Police, Sindh Police, Capital Police Islamabad, Pakistan Rangers, Punjab Prisons Department, City Traffic Police, FIA, Rescue – 1122 Punjab, District Management Group, (PAS), Pakistan Railway Police, Private Security Agencies, Bank Securities etc.

Its companies were named after the luminaries of Muslim military history i.e. HAMZA, UMAR, and KHALID. The EPTS is very proud of thousands of its graduates who gallantly perform their chartered duties. Amongst them are the recipients of innumerable gallantry awards. Its alumni have vindicated themselves at every moment of trial. Over the years, there has been colossal contribution towards improvement of the campus and enrichment of its curriculum. Presently, its facilities and curriculum fully cater for all challenges and needs for the foreseeable future. Over the years, Elite Police Training School has evolved an indigenous system of training, based on the role of Elite Police Force in combating all types of heinous crimes.

Objectives

- A striking force for special operations against hostage situations, organized armed assault on sensitive establishments and against high value targets, hardened criminal and dacoits hideouts.
- To protect Very Important Persons (VIPs) and Very Important Persons (VVIP).
- To provide security including patrolling in high risk and targeted areas for a maximum period of one month in the form of combat teams.
- To develop the sense of discipline, honor, patriotism and acquisition of knowledge to enable them to tackle appropriate tactical situation
- To inculcate maturity of outlook, liberal attitude in order to make them a team member through comradeship.
- To generate sense of discipline and duty and make them firm in enforcing orders under all circumstances.
- To ensure the well-being of public and the state by Elite Officials with marked sense of justice.

Honour to serve as commandants at EPTS

The Instructors

The faculty comprises of a conglomeration of diverse skills. Encompassing tactical lesson, an athletic skill, or a feature of character development, it must be conducted by highly competent and inspiring staff. Besides their unparalleled devotion and expertise, they all work in harmony with others so as to have the best of yield. In the absolute professional effort of the staff, a trainee remains in lime light. The members of the faculty consequent into optimized results through display of professional excellence, personal involvement and above all by own exemplified conduct.

Courses Offered

The courses offered at EPTS are as under:-

- Basic Elite Course
- Combat Orientation Course for Probationer ASPs of Police.
- Combat Orientation Course for Probationers, Sub Inspectors, P-Cadet SIs & ASIs.
- Basic Elite Equivalence Course for Probationers, Sub Inspectors, P-Cadet SIs & ASIs.
- Elite Refresher Course for EPF/CTD Department.
- TOT Sindh Police,
- VVIP Protection Course
- General Security Course
- Weapon Orientation Course
- Special Operations Course for SOU, EPF.
- Instructors, Development Course.
- Any other course as per directions of the competent authority.

Details of courses run at elite police training school from July 2024 to June 2025

CHAPTER 19

TELECOMMUNICATIONS & TRANSPORT

Telecommunication & Transport branch has further two sections:

- a. Telecommunication, Punjab
- b. Motor Transport Wing, Punjab

TELECOMMUNICATION PUNJAB

Telecommunication Operations

Telecommunication is a Technical Wing of Punjab Police. The Aim and Object of this Wing is to provide communication facilities to the Punjab Police and the local administration. It also supports the local Police/District Administration regarding the Security of VVIP and provides all kinds of Law-and-Order information promptly. It is helping the Punjab Flood Commission to establish and monitor Flood Warning System. It is responsible to operate and maintain VHF/UHF/HF and E-Mail Systems. It also gives Indents for the procurement of wireless and hardware equipment. On Technology part, the Punjab Police has deployed UHF & LTE-technologies in Punjab and are operational in Lahore. VHF is being used in All over Punjab. There are 27,592 sets of various types.

Human Resource Management

On Human Resource issues, the sanctioned strength of Telecommunication Punjab is 6353 and 619 Posts are vacant. 138 Constables/Lady Constables Wireless Operator and 16 Band Staff have recruited through General Recruitment against the vacant posts.

Promotion courses are conducted on regular basis. 01 SIs promoted as Inspectors, 70 ASIs promoted as SIs, 07 Head Constables promoted as ASIs and 122 Constables promoted as Head Constables during the Financial Year 2024-2025 (Total 200 officials promoted).

Welfare of Staff

- 320 officials of Telecommunication Wing were granted Wedding Gift during Financial Year 2024-25.
- Scholarships to 795 officials of Telecommunication wing were granted during financial year 2024-25.
- 162 officials retired during the year 2024-25 and they have been granted last month salary in accordance with Welfare Policy of CPO.
- 23 officials of Tele expired during year 2024-25 and funeral charges have been provided to their families.
- 08 cases of maintenance allowance.
- 132 cases of differently abled children processed during financial year 2024-25.

Training Institutions

The Telecommunications and Transport Branch Punjab Police have specialized trainings institutions for continuous capacity building and development of officers on modern lines. The Staff of Telecommunication Wing undergo Basic Training courses as well as promotional courses at Police Wireless Training School (PWTS) Bahawalpur and School of Telecommunication and Transport (SOT&T) at Qurban Lines Lahore. Presently officers of the Telecommunication Wing are working as faculty staff. Training of Trainers (TOT) Course has been conducted and qualified faculty staff is posted in Training Schools. Syllabus of Recruitment Course, Elementary Level Course, Mid-Level Course, Advance Level Course and Refresher course has been designed and approved by Addl: IGP, Training Punjab.

Following training courses were conducted during the year 2023-24:

Sr.	Name of Training Course	Duration	Total Trainees qualified
1	Basic Recruit Course No. 03	01.07.2024 to 03.01.2025	35
2	Elementary Level Course No. 06	02.09.2024 to 03.01.2025	92
3	Radio Mechanic Course No. 02	02.09.2024 to 27.01.2025	31
4	Mid-Level Course No. 08	06.02.2025 to 02.06.2025	119

Grand Total			277

Construction of Police Wireless Training School, Bahawalpur.

The Police Wireless Training School (PWTS) and PRTC in Bahawalpur were allotted 74 Acres, 21 Kanal, and 15 Marlas of land by the Government of Punjab in 1987. The construction scheme, approved by the IGP, Punjab, in 2017 (ADP No. 4118) at a cost of Rs. 288.095 million, remained unfunded due to land possession issues with the Pak Army.

- On July 16, 2020, the Punjab Police successfully took possession of 66 acres and 18 Marlas of this land.
- An amended administrative approval was granted for the "Construction of Boundary Wall Around the allotted Land for PWTS Bahawalpur," included in ADP No. 6004/2021-22 at a cost of Rs. 57.507 million by the DDSC on January 12, 2022.
- Work was allotted on April 4, 2022.
- A revised administrative approval for this scheme was granted on December 30, 2022, for ADP No. 3958/2022-23, at a cost of Rs. 63.204 million.
- Financial progress stands at 91%, and physical progress is 93%.
- During FY 2023-24, Rs. 0.210 million was released but not utilized, and the aforementioned progress percentages remain unchanged.
- The DSP/PWTS, Bahawalpur, has reported that the boundary wall work is not completed according to the approved work order issued by the Building Department, Government of Punjab. However, the Executive Engineer, Buildings Division No. 1, Bahawalpur office, has submitted a certificate/report for the handing/taking over of the scheme, along with a justification report regarding work completion.
- Given these discrepancies, this office cannot proceed with the handing/taking over certificate until the work is fully completed as per the approved work order.
- A request has been made to AIG/Development, CPO, to issue directions to the Executive Engineer of the Building Department to resubmit a second revised rough cost estimate, which must include the estimated expenditure for the remaining work.

- The contractor has filed Writ Petition No. 1722/2025/BWP, seeking the release of their performance guarantees, asserting that the work has been completed. This case is currently pending in court. The subject scheme is now expected to be completed in financial year 2024-25.
- Furthermore, a request has been moved to the Additional Chief Secretary, Government of Punjab, Home Department, Lahore (via IGP/Punjab's office vide No. 2196/Dev-V, dated December 18, 2023) concerning the release of the remaining 8 acres of land or the allotment of a suitable alternate adjoining 8 acres. This land is crucial for the most important school of Telecommunication, with the case pending in the Secretary (Colonies), Board of Revenue Punjab office (reference No. Col/2402-04, dated November 19, 2018, and No. col/205-06, dated January 21, 2020).

Master Plan of Qurban Lines

In compliance with the directions passed by the IGP, Punjab, master plan of Qurban Lines is under progress. In this connection an agreement has been signed with NESPAK on 7th March, 2022 for consultancy services of Master Planning of Qurban Lines, Lahore. In this regard, after Topographic survey of Qurban Lines NESPAK submitted various drafts drawings and also gave a presentation to IGP and committee members. After amendments in the light of discussion on the draft, the NESPAK has submitted final layout Plan for approval which has been approved by the competent authority on 09-05-2022. Accordingly, Quarter Guard, 13 No's of family quarters, Mujahid & Flying Squad barracks, 03 No's of garages, 01 No. old Dhobi Khana have been dismantled. Only offices of Telecommunications and Safe city will be remained in Qurban Lines and whole area will be vacated and converted into residential colony. Following development schemes were completed during the financial year 2023-24: -

Master Planning of Qurban Lines, Lahore Phase-1 (Ground+2 Storey Residence for BS-18-19 Officers)

This scheme was initially approved under ADP No. 3422/2020-21 and ADP No. 5853/2021-22, with administrative approval granted by the DDSC on April 12, 2021, at an estimated cost of Rs. 229.939 million.

A revised administrative approval for the scheme was later accorded by the DDSC on January 3, 2024, including it in ADP No. 4861/2023-24 at a revised cost of Rs. 399.970 million.

Rs. 400.169 million in funds were released and fully utilized during the fiscal year 2023-24, achieving 100% financial and physical progress. The scheme was completed in fiscal year 2023-24 and officially handed over on December 27, 2024.

Construction of Apartments 4th to 6th Floor for BS 18-19 Officers at Qurban Lines (Phase-II), Lahore

Administrative approval for this scheme was granted by the DDSC via No. Dev-0143-PPDMS, dated December 7, 2022, and included in ADP No. 3980/2022-23 at an initial cost of Rs. 322.466 million.

A revised administrative approval was subsequently accorded by the DDSC on January 3, 2024, including the scheme in ADP No. 4863/2023-24 at a revised cost of Rs. 399.997 million.

Rs. 399.997 million in funds were released and fully utilized during the fiscal year 2023-24, resulting in 100% financial and physical progress. This scheme was also completed in fiscal year 2023-24 and officially handed over on December 27, 2024.

The following sub-schemes for the financial year 2024-25 have also been successfully completed:

Sr .	ADP No.	Name of Schemes	Name of Sub Schemes	Scope of work	Sub A.A	Status
1	6534(10)	Construction Of Police Posts in Punjab	Construction and Provision of allied facilities along with Watch Tower at Qurban Lines, Lahore.	Water Supply Sewerage Linear Lights	36.176	Completed
2	6536(32)	Addition / Alteration and Provision of Missing Facilities in	Construction and Provision of missing facilities in Police Official buildings in	Provision of Railing Geyser 35-Gallon Bathroom Accessories set Electric Cable	14.976	Completed

		Police Units of Punjab	Qurban Lines, Lahore

Replacement of Floor Tiles. Replacement of Windows & Doors. Replacement of Sanitary and electrical items. Addition Alteration of existing structures.	27.949	Completed
8	6537(26)		Construction, addition alteration of DIG VVIP & SDPO block at Qurban lines, Lahore		28.748	Completed

Digitalization of Telecommunication Wing:

The following business automation projects have been started: -

1. HRMIS is functioning.
 - Transfer/posting.
 - Show cause notice.
 - Punishment orders.
 - Reward orders.
 - Printing police identity cards (HRMIS BASED).
 - Retirement orders (LPR, Encashment & Medical Invalid).
 - Suspension orders.
 - Re-instatement orders.
 - Promotion/Demotion orders.
 - Leave orders.
 - Training and courses orders.
 - Family profile.
 - Appeal orders.
 - Covid-19 - Database
 - Skill Assessment.
2. Leave Management System of Telecommunication with support of PSCA is functioning to enhance the efficiency and easiness in official work, a paperless policing has been adopted in Police Telecommunication. All types of Leaves except Ex-Pakistan Leave are processing through leave Management System.
3. Resource Management Center of Telecommunication Wing with the support of PITB is working with the aim to maintain record and locate the end user of wireless sets.
 - Visitor Management System is operated by using the software named "Smart Eye" provided by the PITB and started operational from 10.01.2021, to enhance security of Qurban Police Lines, Lahore
 - VISTOR CARDS are issued to the Visitors on the both gates for entering in Qurban Lines.
 - UVSS (Under Vehicles Scanning System) two scanners are installed on both gates of Qurban Lines. Technical support and analyzing reports are being prepared.

4. On line Orderly Room are being held on Zoom, Google Meet and Skype to save the staff from long travel from far flung areas.
5. 1787 Complaints issued from Complaint Cell, IGP Office, are being received and reports uploaded after completion of inquiry.
6. E-FOAS (Electronic Filing Office Automation System) newly launched software by PITB CPO for electronic correspondence with CPO.
7. PWM (Police Welfare Markaz) is in working for the welfare of police officers/officials and their families through HRMIS mobile app

Wireless Sets (on charge):

The following wireless sets are on the charge of Punjab Police Telecommunications:-

Sr.#	Description	Qty.
1. 1	H.F Wireless Sets	115
2.	UHF Base wireless sets	102
3.	UHF Mobile wireless sets	2051
4.	UHF Walkie Talkie wireless sets	3770
5.	VHF Base Set	1677
6.	VHF Mobile Set	7811
7.	VHF Walkie Talkie Set	12021
8.	Handi Talkie	10
9.	Motorcycle Set	10
10.	Total:-	27567

Wireless Sets (issued & functioning):

Sr.#	Description	Qty.
1.	H.F Wireless Sets	86
2.	UHF Base wireless sets	81
3.	UHF Mobile wireless sets	1197
4.	UHF Walkie Talkie wireless sets	3458
5.	VHF Base Set	1504
6.	VHF Mobile Set	7316
7.	VHF Walkie Talkie Set	10082
8.	Total:-	23724

Flood warning stations (year-2025):

The following wireless sets have been installed/provided for Flood duty-2025:

H.F Wireless Sets	= 24
VHF Base Sets	= 71
VHF Mobile Sets	= 135

E-mail computers:

Systems of communications:

There are three systems of communications:-

- Wireless Telegraphy (HF)
- Radio Telegraphy (VHF/UHF)
- E-mail through Computers

Communication (during year 2024-25):

The wireless communication from 1st July 2024 to 30th June 2025 remained satisfactory. If any problem in communication occurs, the same is rectified immediately in order to keep the chain of communication working.

All the District HQrs. in Punjab Province are linked with their respective Range HQrs. and these Range HQrs. are linked with Provincial Control (P.C.M Lahore) and H.F/E-

Mail Control P.H.Q Lahore. The communication throughout the year remained satisfactory.

During the Year-2024, 24-H.F, 71-VHF Base and 135-VHF Mobile wireless sets were installed for flood warning duties.

The Police Telecommunications Punjab performed an outstanding Role by providing the communications to maintain the Law & Order situation in the province during the year 2024-25. The wireless sets were installed on different occasions such as Flood, Muharram, Visit of VVIPs, PSL Matches, Urs of Baba Farid Shakkar Ganj at Pakpattan Sharif, Tableghee Ijtimia at Raiwind, Election and Census duty etc.

E-mail communication:

The E-mail Computer System is functioning since February, 1997. Total 40-Nos. Computers have been installed at Range/District & Lahore HQrs., which are being functioning round the clock and their communication is satisfactory.

Future Plan:

There is a dire need to upgrade the existing Analog communication of Punjab Police with latest Digital communication (gradually) being the best way to move forward as the same is much cheaper and does not have any operational/recurring cost as compared to LTE/4G technology.

MOTOR TRANSPORT WING, PUNJAB.

Introduction

Transport is a vital pre-requisite for any good and efficient police system because a Policeman moves about City, Town, Highways, Deserts, Forests and far-flung hamlets at night and day only in the cause of peace, safety and protection of life, honour and property of the public. A Policeman who has to face the criminals must be equipped and mobilized better than the criminal otherwise he cannot act properly due to such handicaps. Motor Transport Wing Punjab is performing major role in providing transport to the Punjab Police and ensuring their maintenance. Soon after independence, vehicles of Punjab Police were 94 which consisted of military jeeps,

troop carriers and trucks etc. In 1961, Motor Transport Wing Punjab was established in Punjab Police Department. After the dissolution of One Unit in 1970, Punjab Police inherited a total fleet of 384 vehicles including motorcycles. Presently 22770, Vehicles/Motorcycles are on the charge of Punjab Police Department. In order to cater the work load of M.T Workshop (Provincial HQ, at Lahore), 10 Sub Workshops have been established on regional level and 03 mini-Workshops have been established in borrowing units like Special Branch, Investigation Branch, Punjab & Qurban Line, Lahore.

Functions of MT Wing Punjab

- i. Preparation of proposals/indents for the purchase of transport (Vehicles/Motorcycles) for Punjab Police.
- ii. Distribution of transport (Vehicles/Motorcycles) among Districts/Units.
- iii. Recruitment of Driver Constables/Mechanic Constables.
- iv. Technical advice for the purchase of transport.
- v. Technical inspection of the Police vehicles.
- vi. Auction of condemned vehicles and unserviceable parts of the vehicles of Punjab Police.
- vii. Repairing and maintenance facilities for the vehicles of CPO.
- viii. Maintenance of History Sheets of vehicles from the date of purchase to condemnation/auction.
- ix. Capacity building of staff in driving and technical skills.
- x. Driving School facility for General Public.

Standing Order No.10/2022.

MT Wing, Punjab performs all functions relating to Police Transport, in accordance with detailed instructions contained in Standing Order No.10/2022 of the Inspector General of Police, Punjab.

Composition of MT Staff

- i. Auto Mechanics
- ii. Drivers

Steps Taken for Improvement

- Reconditioning of old transport with available resources.
- Monitoring/inspection of transport fleet through PPMT Software and Amanat App.
- Welfare of MT Staff.

Inspection of Police Vehicles/Motorcycles

During the Year-2024-25, 77 physical inspections have been carried out in districts/units all over the Punjab till July, 2025.

Repair work in the year 2023-24.

During the Year 2024-25, 2593-vehicles have been repaired (Major and Minor Work).

Detail is as under:-

Kind of Repair	No. of Vehicles/Motorcycles Repaired
Major Repair	39
Minor Repair	2554
Total	2593

Operational Problems

- i) Lack of new/latest machinery/equipment/ tools at central and regional workshops.
- ii) Budgetary restraints for repair of building & transport.

New Initiatives

- 1) Provision of new transport for districts/units for operational duties.
- 2) Addition of new tabs in Punjab Police Motor Transport Software for updating of relevant record efficiently.
- 3) Recruitment of Constable Mechanics have been made.
- 4) Promotions of MT Staff (up to the rank of Sub Inspector).
- 5) Renovation of New Motorcycle Workshop.

CHAPTER 20

TRAFFIC POLICE

The Traffic Headquarters Punjab is located at Qurban Lines, Lahore. An officer holding the rank of Senior Superintendent of Police (SSP) look after the operational matters of the Traffic Police Punjab, reporting to the Deputy Inspector General of Police, who serves as the Head of Traffic Police Punjab.

Presently, Traffic Police Punjab is working with the following strength of traffic staff:

Ranks	SSP/ CTO	SP/ STO	DSP/ TO	STW	TW	JTW	STA	TA	Total
Sanctioned	6	13	98	1695	4815	722	1583	5981	14913
Appointed	5	4	92	1392	4202	439	813	5469	12416
Vacant	1	9	6	303	613	283	770	512	2497

An officer of SSP rank, designated as the Chief Traffic Officer (CTO), serves as the in-charge of Traffic Police in City districts. In Rawalpindi, Faisalabad, Multan, Gujranwala, and Murree, the CTOs function under the operational control of their respective City Police Officers (CPOs), whereas in Lahore, the Traffic Police operates under the administrative and operational control of the Capital City Police Officer (CCPO) Lahore. In the remaining 31 districts, an ASP/DSP is posted as In-charge Traffic District, who works under the administrative and operational control of the concerned District Police Officer (DPO).

Traffic Police Punjab is responsible & committed;

- i. To ensure safety and provide help to road users in distress.
- ii. To extend due respect to all road users, be fair and uphold ethical practices all the times.
- iii. To ensure smooth flow of traffic with minimum resources and economical use of manpower / equipment.
- iv. To gradually shift to the use of modern gadgetry to enforce traffic laws and regulate traffic.

- v. To provide licensing services to maximum number of citizens with ease in a smooth & efficient manner.
- vi. To train every citizen including women & even transgender persons as skilled driver.
- vii. To educate general citizenry on war footing regarding traffic laws.

Initiatives taken in Traffic Punjab under current IGP

Three dedicated desks have been established at Traffic Headquarters to collect, compile and analyses data related to accidents, encroachments and congestion points.

Establishment of Data Analysis and Technology Support Center.

DLIMS branch has been completely revamped and refurbished in contemporary style.

State of the art monitoring room has been established to monitor the e-sign and driving test process.

Approval of 15% retention from license fee by Traffic Police Punjab for facility development and Road Safety Fund.

Establishment of provincial Traffic Control Room for round the clock monitoring of licensing, traffic management, accidents and road emergencies.

Following Summaries have been moved for approval of the Provincial cabinet of Punjab:

Establishment of strict legal framework for traffic offences.

Scaling of Traffic Fines System & Traffic Violation Point System

Streamline Driving License System in Punjab

Promotions:

Getting a promotion serves as a tangible acknowledgment of an employee's hard work, dedication, and accomplishments. It instils a sense of pride and validation, which boosts his/her motivation to excel in his/her role. Traffic Police Punjab has taken remarkable following initiatives:

1. 25 posts of Traffic Officer (TO) have been created through PASBAN.
2. 10 posts of Regional Senior Traffic Officer/SP have been created.

3. 10 TOs have been posted as Deputy Regional Traffic Officers.
4. 100 TWs have completed the promotion course (for promotion to the rank of STW).
5. 93 Traffic Wardens have been promoted to the rank of Senior Traffic Warden.
6. 83 Junior Traffic Wardens have been promoted to the rank of Traffic Warden.

Driving Training Schools:

Driving training plays a vital role in promoting safe driving practices and reducing the risk of collisions on the road. By providing comprehensive training, it can equip them with the necessary skills and knowledge to navigate various driving scenarios, handle potential hazards, and adhere to traffic regulations. In order to make road trips safer, Traffic Police Punjab has taken following initiatives:

- Police Driving Training Schools increased from 111 to 127.
- Number of students increased from 43146 to 190000.
- Number of female students increased from 1239 to 19260.
- 104 Female instructors deployed.
- 374 transgender students have been trained without charging any fee.
- Comprehensive program "Training of Trainers (TOT)" launched for the driving training school instructors and 600 instructors completed the course.

Licensing:

Possessing a driving License will not just be an official proof, but it would give the holder a sense of pride that he/she is a qualified driver and the chances of committing a mistake by him/her are going to be far less than an unqualified person.

- ii) Issuance of driving license increased by:
 - 256% – Regular Driving Licenses (735509 to 2642620)
 - 81% – Endorsed Driving License (28907 to 52298)
 - 34% – Duplicate Driving License (20331 to 27297)
- i. Driving Test Centers increased from 162 to 410.
- ii. Outreach program expansion has strengthened in every district of Punjab by adding 42 mobile licensing vans in the fleet.
- iii. Facility to pay driving license fee online has provided.

- iv. DLIMS 2.0 an advanced web-based application software has been introduced in collaboration with PITB, enabling citizens to avail several services such as issuance of learner/endorsement learner, renewal & duplicate regular and international driving license, at any place in the world.
- v. Got MVEs bound down by Secretary Transport to conduct dedicated Motor Rickshaw driving road test every Sunday (which is a holiday for transport department employees) this extra day was in addition to the normal testing days. Resultantly, M/Rickshaw licenses increased by 503%.
- vi. Condonation of motor cycle license learner period, throughout Punjab, resulting in 230% increase in motorcycle licenses.
- vii. Tripled the driving license printing capacity (3300 to 10000/per day).
- viii. Introduced new driving license card which has 9 features and is now internationally acceptable.

Enforcement:

Effective enforcement of traffic laws improves compliance and reduces road traffic fatalities, injuries and related socio-economic costs. The risky behaviors associated with road traffic crashes evolve as societies change. Enforcement performance in a few segments is as under:-

- i. Establishment of Congestion Desk at Traffic HQrs to identify hotspots scientifically, probe out causing factors, chalk-out and execute elimination plan.
- ii. Establishment of Encroachment Desk at Traffic HQrs to identify hotspots scientifically, probe out causing factors, chalk-out and execute elimination plan.
- iii. App to report congestion and encroachment spot will be available soon for field staff and general public as well.
- iv. 650093 excessive smoke emitting vehicles have been Challaned, 135244 vehicles impounded, 1440 fitness certificates seized, 520 FIRs lodged and

1175 route permits seized. This was one of the contributions in decrease of the AQI (Air Quality Index) levels across Punjab.

- v. Revised Traffic Management plans have been issued time to time for foggy, smoggy, cane crushing and hay transportation season.
- vi. Action against driving without license increased to 2004469.
- vii. Action against 417185 juvenile drivers, 718361 overloaded vehicles, 147516 one-way violators, 1780055 Line & Lane violators and 1039638 riders without helmet.
- viii. Strengthening the enforcement regime of traffic laws, which increased challans by 10% and fine by 34%.
- ix. A special campaign against illegal / Un-authorized / Fancy Number Plates vehicles was launched, resulting in 67% increase in enforcement. The matter was appreciated in the Apex Committee.
- x. In coordination with the local government, 692 encroachment points have been cleared to ensure smooth traffic flow.

Prevention of Traffic Road Accidents:

The Traffic Police Punjab is committed to safeguard lives by preventing and reducing road accidents through strict enforcement of traffic laws, fostering a culture of discipline among road users, and raising awareness among public and students, about the importance of road safety. Following steps have been taken for prevention of traffic road accidents:

- i. Accident desk fully equipped with advance technology gadgets has been established at Traffic Headquarters to collect, compile and analyses data to identify the actual causes and contributing factors of accidents and suggest preventive measures.
- ii. An app to report factors leading to accident(s) will be available soon for field staff and general public as well.
- iii. Dedicated traffic staff has been posted in 03 shifts as Accident Clerk in every district.
- iv. DTOs/TOs and Accident Clerks have to visit accident spot and furnish report of each accident occurred.

- v. Currently a special online mobile app has been used to obtain pin point location of each accident for analysis.
- vi. Dedicated and trained staff has been deployed to seek report of each accident and suggest analytical solutions and remedial measures for prevention of accidents.

CHAPTER 21

PUNJAB HIGHWAY PATROL

The Punjab Highway Patrol (PHP) is a specialized sub-unit of the Punjab Police, dedicated to ensure the safety and security of road users travelling on highways and link roads of Punjab Province. PHP was established in 2004 with the vision to provide help swiftly and effectively to commuters in distress. PHP has evolved into premier law enforcement Unit of Punjab Police with the extent to its core functions within its area of jurisdiction with excellence and professionalism.

Presently, 361 PHP Posts out of 522 are operational whereas, 13 PHP Posts are under construction while 148 remaining PHP Posts are yet to be constructed. Our jurisdiction spans over 11,500 kilometers of roads, connecting major cities, towns, and rural areas. Through our 24/7 patrolling, we have significantly reduced the accidents, saved precious human lives, minimized the crime rate, making travel safer and more convenient for millions of commuters. To inject fresh talent into the force, recently PHP has inducted 625 new Constables, Driver Constables and Lady Constables. These newly recruited officials will undergo rigorous training to equip them with the latest knowledge and techniques to tackle modern-day challenges.

Punjab Highway Patrol has embraced technology to revolutionize its operations and enhance precision of working to ensure public safety. Information Technology driven policing, E-Challan System and Axle Load Management Regime has been introduced in PHP through legislation by PHP Rules 2024, to enhance the performance and ability of PHP. In addition to its traditional method of ensuring public safety on highways, PHP has successfully transformed to IT-based applications to reduce the crime, improve the response time and transparency. This report provides a comprehensive overview of our operations, including our successes, areas for improvement, and future plans.

Initiatives

- a. New PHP rules 2024 have been approved.

- b. IT based integrated Command & Control Room has been established at PHP Headquarters for effective digital monitoring of the following apps:-
- i. PHP Record Management System (RMS)
 - ii. PHP Electronic Police Post APP (EPP)
 - iii. PHP Electronic Gadget (E-Gadget) App
 - iv. PHP Crime Prevention Application (CPA)
 - v. PHP Mera Piyara App
 - vi. PHP Human Resource Management Information System (HRMIS)
 - vii. Punjab Axle Load Data App (PALD)
- c. As per the directions of IGP/Punjab Welfare Branches have been established at PHP HQ and in all Regional Offices for the welfare of PHP Officials.
- d. 71 Android tabs (provided by DOM) with all Police Apps have been distributed in PHP Lahore & Gujranwala Regions as pilot project. Later the other regions will be provided by the same.
- e. 361 PHP Community Forums/Centers have been established at all PHP Posts in Punjab to engage the public for crime prevention and road safety awareness.
- f. E-Police Post App has enhanced the performance of PHP remarkably.
- g. E-challan started on 27.06.2023.
- h. 62 DLIMS centers have been inaugurated in all over Punjab by PHP.
- i. Axle Load Management Regime has been started to check the overloading, save the road infrastructure and minimize accidents.
- j. PHP Reporting Centers have been established at all PHP Posts to provide 06 services of Khidmat Markaz.
- k. 36 PHP Driving Schools & License Centers have been established in different Regions of PHP. Furthermore, the revenue generated from the schools is utilized on the welfare of PHP Officials.
- l. PHP Training School at Jia Bagga, Lahore has been established to enhance the efficiency and capability of PHP Officials.
- m. Campaign against illegal use of gas cylinder in PSV.
- n. All offices, Conference Room at PHP Headquarters have been renovated and Horticulture has been done.
- o. Revamping security of inter provincial border posts.

First Responder on 15 Calls

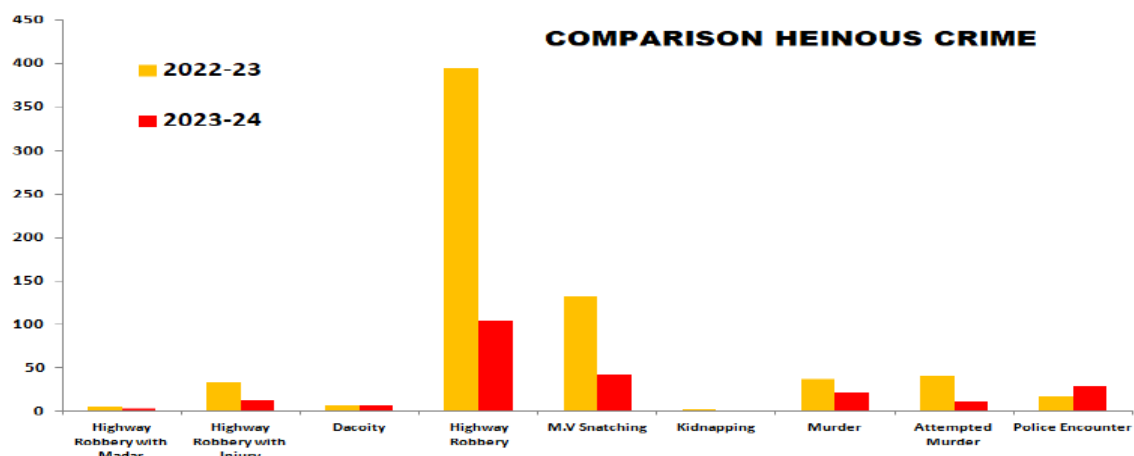

PHP has been specifically tasked by the IGP-Punjab for response to calls at PUKAR-15 (received from respective district control) in addition to PHP Helpline 1124 in their area of responsibility since October 2021.

Crime & Others						Accidents						Total
From	15 calls received	Out of beat	In Beat area	First Responder		Total	15 calls received	Out of beat	In Beat area	First Responder		
				PH P	District Police					PH P	District Police	
July23 - Jun24	680	268	412	380	32	412	288	32	256	245	11	256

Crime Fighting

HEINOUS CRIMES: With effective use of digital technology and vigorous patrolling by PHP the number of Heinous Crime on highways has decreased considerably. The heinous crimes reported during the last financial year 2023-24 along with the comparison with financial 2022-23 is reproduced below for the purpose of convenience:-

3	Dacoity/ Murder	Dacoity / Robbery + Injured	Dacoity	Highway Robbery	M.V Snatching	Kidnapping	Murder	Attempt Murder	Police Encounter	Total
	13	7	104	43	0	21	11	29	231	

Cases Registered by PHP

The detail of FIRs registered by PHP in the July 2023 to June 2024 is as under: -

PPC	Arms Ord. 13/20/65	Narcotics		Others	Total
		3/4 (PEHO)	9 CNSA		
19166	1218	1627	176	1406	23593

Accused Arrested

PHP Posts have vigorously contributed in apprehending a large number of Proclaimed Offenders, Court Absconders & others criminals by using the E-Police Post App:-

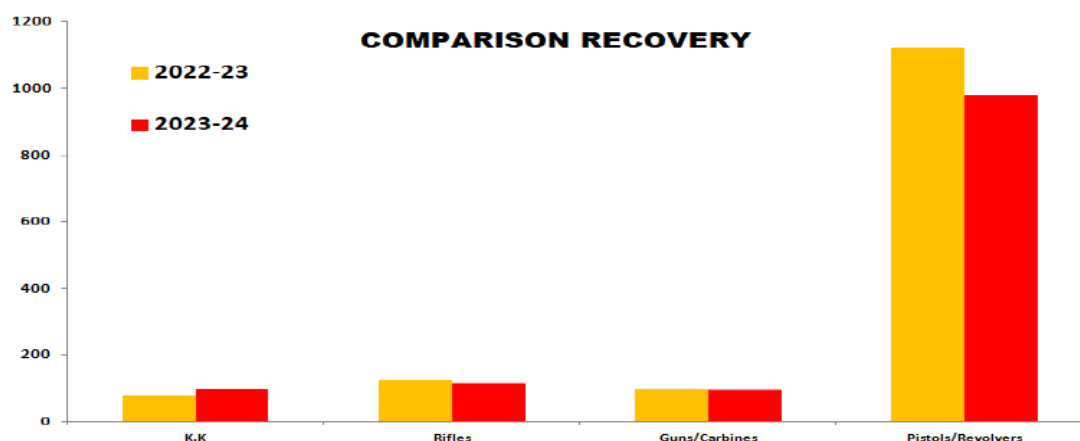

No. of Persons Checked through EPP	Pos	Absconders	Others	Total
19289506	2952	2237	22799	27988

Arms Recovery

The detail of arms recovered by the Patrolling Police in the July 2023 to June 2024 is as under: -

Kalashnikovs	Rifles	Guns/Carbines	Pistols/Revolvers	Total
97	116	95	979	1287

Narcotics Recovery

The detail of narcotics recovered by the Patrolling Police in the July 2023 to June 2024 is as under:

Liquor (in liters)	Chars (KGs)	Heroin (KGs)	Opium (KGs)
24625	375.2	1.95	77.58

Vehicles Recovery

The detail of stolen vehicles recovered by the Patrolling Police from July 2023 to June 2024 by using the E-Police Post App are as under: -

No. of Vehicles Checked	Vehicles Recovered
14479890	3413

PHP E-Challan

The detail of E-Challans issued by PHP from July 2023 to June 2024 are as under:-

Total Challans & Amount imposed 27-06-23 to 30-06-24		Overloaded Goods transport vehicles		Challans under ALMR		Challan campaign to control smog & Pollution		Challan issued against under age drivers (Rs.)	Challan issued against motor-cyclists without helmets (Rs.)
Total No. of challans	Total Amount Imposed	No. of challans	Amount imposed	No. of challans	Amount Imposed	No. of challans	Amount Imposed		

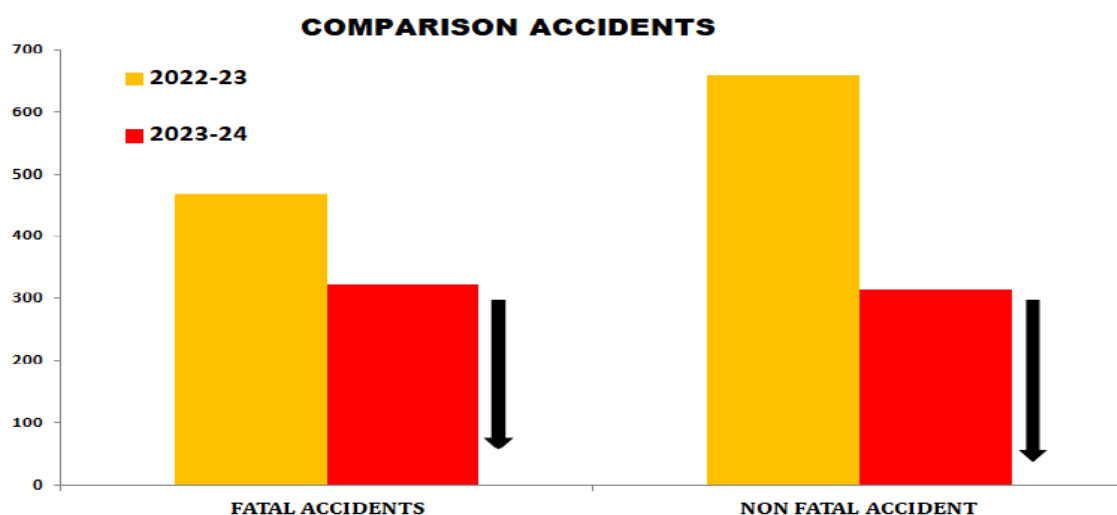

3200127	1097798060 (1.098 B)	958087	72606500	117420	53179000	94071	33306765	13310497	304996337
---------	-------------------------	--------	----------	--------	----------	-------	----------	----------	-----------

Road Accidents

Due to efficient patrolling, E-Challenging and road safety awareness campaign by PHP the number of accidents on highways are considerably decreased during July 2023 to June 2024. The detail of accidents occurred during July 2023 to June 2024 and comparison with the last financial year 2022-23 is as under:-

Fatal			Non-Fatal	
Accident	Persons died	Injured	Accidents	Injured
323	453	454	315	787

Helps Provided to Road Commuters

PHP performance regarding general helps to the road commuters is increased in the last financial year 2023-24. The detail of helps is as under:-

First Aid provided	Accident handled	Lost Children Found	Removal of Encroachments	Misc. Helps	Average No. of Helps per day
2136	638	773	4989	30018	83

Road Safety Units

Road safety Units organize events in schools, colleges, public places and bus stands across the province to create awareness regarding traffic laws, safe road crossing by pedestrians, careful driving and the harmful effects of using mobile phones while driving. Performance of Road safety Units in the year July 2023 to June 2024 is as under:

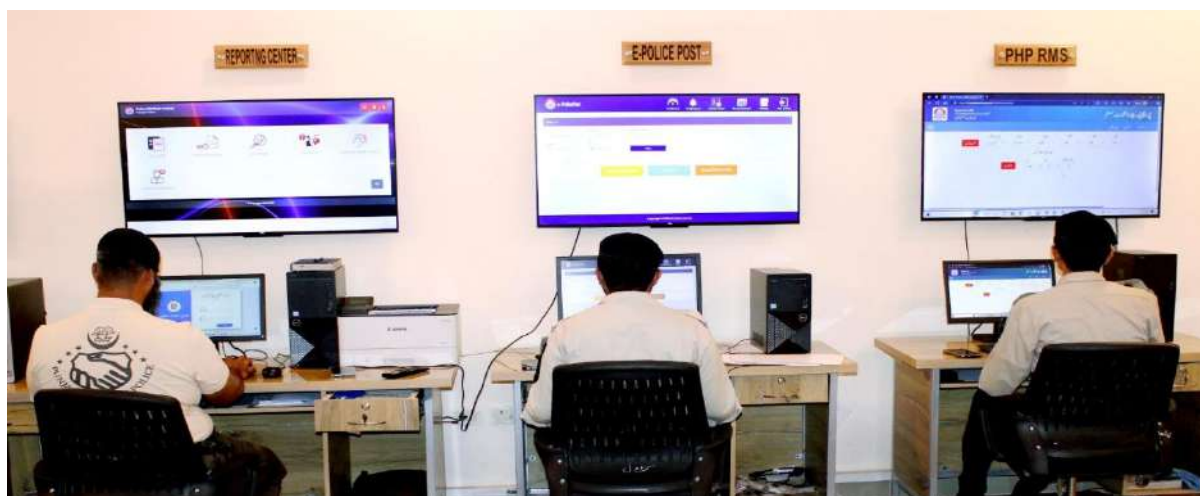

Educational Institute	Bus/Truck/ Taxi/ Rickshaw Stands	Commercial Markets	Village	Hospitals/ Health Centers	Public Places	Patrol Pumps/ C.N.G Stations	Goods/ Transport Companies	Road Safety/ Road Show Camps Held	Seminars/Workshops / Training Sessions Held	Brushers / Pamphlets Distributed
1167	1460	1099	329	514	2001	1453	842	481	468	164715

Control Room

To improve the working of PHP and monitoring through IT based intervention a well-equipped control room has been established at PHP HQ. All Apps such as PHP RMS,

E-Police Post, Reporting Center, Crime Mapping, Vehicle Tracking System, HRMIS, Driving License Issuing Management System (DLIMS), PALD Axle Load Management Regime (ALMR) and E-Challan desks are monitored under one roof:-

Inspections

PHP HQrs issue formal and informal inspections schedule for SsP/PHP and DSsP/PHP of Regions & Districts respectively on monthly basis. Detail of inspections conducted is as under during the period July 2023 to June 2024:-

Region	Regional SsP / PHP	District DSsP / PHP
Lahore	56	897
Gujranwala	54	564
Faisalabad	103	878
Sargodha	220	864
Multan	108	794
Rawalpindi	101	585
Bahawalpur	106	392
D.G. Khan	150	339
Grand Total	898	5313

Training and Promotions Courses

Training enhances the skills, capabilities and knowledge of an individual for doing a particular job. It molds the thinking of an individual and improved quality performance. The details of training courses held during July 2023 to June 2024 are as under:-

No. of trainees complete the course

Intermediate Course	Class	Lower Course	Class	Basic Course	Recruit	Other Course	Total No. of Trainees
150		537		410		0	1097

PHP Training School

PHP training School has been established in PHP Police Lines Jia Bagga, Lahore to enhance the capabilities and efficiencies of PHP Officers/Officials regarding professional skills. The detail of courses completed in PHP Training School during the last financial year 2023-24 is as under:-

No. of trainees complete the course	
Capacity Building Courses for PHP Driver Constables (8 batches)	Personality Development & Physical fitness Course (3 Batches)
227	52

Promotion

The detail of promotion awarded to PHP officials in different ranks during the financial year 2023-24 is as under:-

Promotion of ASI to the rank of Offg: SI

Two (02) DPC meetings have been held for the promotion ASIs into the rank of SIs on 26.07.2023 and 19.12.2023. Moreover, 79 ASIs of different Regions of PHP cadre have been enlisted in promotion List 'E' and subsequently promoted to the rank of SI. The detail is as under:

Region	LHR	GWL	RWP	SGD	FSD	MLN	DGK	BWP	Total
No. of personnel	12	09	14	04	13	15	04	08	79

Promotion of HCs to the rank of Offg: ASI

One (01) DPC meetings has been held for the promotion HCs into the rank of ASIs on 10.10.2023. Moreover, 91 HCs of different Regions of PHP cadre have been enlisted in promotion List 'D' and subsequently promoted to the rank of ASI. The detail is as under:

Region	LHR	GWL	RWP	SGD	FSD	MLN	DGK	BWP	Total
No. of personnel	15	17	10	07	11	12	10	09	91

Confirmation in the rank of HC

58 Head Constables of PHP Punjab have been confirmed in their rank during this period. The detail is as under:

Region	LHR	GWL	RWP	SGD	FSD	MLN	DGK	BWP	Total
No. of personnel	10	01	10	6	8	11	7	5	58

Promotion of constable to the rank of offg: HC

207 Constables enlistment in promotion list C-I have been further promoted to the rank of Head Constable. Detail is as under:

Region	LHR	GWL	RWP	SGD	FSD	MLN	DGK	BWP	Total
No. of personnel	43	44	31	31	11	12	26	9	207

Admission of constable to list C-I

145 Lower Class Course qualified Constables of PHP Punjab have been enlisted in promotion list C-I. Detail is as under:

Region	LHR	GWL	RWP	SGD	FSD	MLN	DGK	BWP	Total
No. of personnel	43	44	31	49	51	59	46	51	374

Admission into the promotion list 'B-I'

Examination for promotion list B-I was conducted on 14.12.2023 and 356 Constables & Drivers of PHP Punjab have been enlisted in promotion list B-I against 5% of the posted strength in pursuance to Standing Order No. 08/2001. Detail is as under:

Region	LHR	GWL	RWP	SGD	FSD	MLN	DGK	BWP	Total
No. of personnel	43	40	26	48	51	49	48	51	356

Admission into the promotion List 'A'

Examination for promotion list A was conducted on 11.12.2023 and 18.01.2024. 606 Constables & Drivers of PHP Punjab have been enlisted in promotion list A against 20% of the posted strength in pursuance to Standing Order No. 08/2001. Detail is as under:

Region	LHR	GWL	RWP	SGD	FSD	MLN	DGK	BWP	Total
--------	-----	-----	-----	-----	-----	-----	-----	-----	-------

No. of personnel	40	40	16	29	110	138	83	150	606
------------------	----	----	----	----	-----	-----	----	-----	-----

Recruitment in PHP

Following recruitments in rank of Constable, Lady Constable, Driver Constable and Class VI have been carried out in PHP during financial year 2023-24:-

Recruitment of constables, driver constables and lady constables

Recruitment in the rank of Constables, Driver Constables and Lady Constables has been carried out by PHP in all the districts of Punjab. The detail is as under:-

Sr.	Rank	Total
1	Constable/Lady Constable	562
2	Driver Constable	62
Total		624

Recruitment of constables / driver constables on family & shaheed claim.

01 Constable has been recruited on the family claim in PHP in pursuance of Standing Order No. 06/2021. Detail is as under:

Region	LHR	GWL	RWP	SGD	FSD	MLN	DGK	BWP	Total
Constable	1	0	0	0	0	0	0	0	01

Recruitment of Class-VI On Family Claim

Following officials are recruited against family claim quota in PHP during 2023-2024.

Sr.	Category	Total
1.	Junior Clerk	12
2.	Langri	22
3.	Sanitary Worker	09
Total		43

Legal Branch

PHP legal branch looks after all the CPLAs, Writ Petitions and service matters in the Hon'ble Supreme Court of Pakistan, Lahore High Courts and Punjab Service Tribunal respectively. It also supervises & coordinates the work of all legal concerns at regional level.

Transport

Mobile patrolling teams of PHP perform 24/7 patrolling duties and cover approximately 11500 Km of road area daily to keep the Highways safe for all commuters. As per vision of IGP Punjab to make patrolling duty more effective and efficient 313 newly vehicles after fabrication have been distributed to PHP Posts. Funds amounting to **Rs.13,533,970/-** have been allocated during the year 2023-2024. Region wise detail of allocated funds is as under:-

Region	Total Allocation of Funds
PHP/HQ	7,122,970/-
Lahore	711,202/-
Gujranwala	805,762/-
Rawalpindi	629,187/-
Sargodha	842,269/-
Faisalabad	856,765/-
Multan	958,017/-
Bahawalpur	856,763/-
D.G Khan	751,035/-
Total	13,533,970/-

Officers and Officials Embraced Shahadat

23 officers / officials of PHP have embraced "Shahadat" since 2004. The last one in this noble cause is ASI Muhammad Nawaz PHP Post Khanpur, District Sheikhpura who embraced Shahadat in Police Encounter.

PHP Welfare

During Fiscal year 2023-2024, No. of 771 cases have been processed and amounts disbursed to the employees of this unit. It is pertinent to mention here amounting to Rs.7,260,100/- was disbursed amongst officers/officials of PHP from Unit Management Welfare Fund w.e.f 30.10.2023 to 30.06.2024. The details are as under:

Head	Funeral Charges	Wedding Gift	Educational Scholarship	Medical Financial ..	Last Pay	Shuhada' s Children Scholarship	Financial Assistance ..	Creation of OSD Post
Sargodha	400,000	535,000	2,392,614	2,511,000	173,660	NIL	17,200,000	04

PHP Store

Following items were purchased centrally under different heads and distributed in all PHP Regions during the year 2023-2024 for smooth functioning of official business. As per direction of Addl. IGP/PHP funds are directly distributed to regions for different heads Like Stationary, Others, Printing & Publication etc.:-

Sr. No.	Name of items	Quantity
1.	Computer	12
2.	Printer	54
3.	Refrigerator	07
4.	Laptop	01
5.	UPS for Computer	01
6.	Android LED	03
7.	Logi Tech video conferencing system	01
8.	WD 40 Spray	22
9.	Water Pipe	45
10.	Sling for Rifle G-III	14
11.	Weapon Cleaning Kit	305
12.	Weapon Cleaning Oil	297
13.	Office Chair	08
14.	Computer Table	15
15.	Computer Chair	09
16.	Bench	09
17.	Cane Chair	42
18.	Conference chair	70
19.	Rostrum PHP Mono	01
20.	Steel Almirah	19
21.	Round Table	10
22.	Revolving Chair	09
23.	Nawar	846 Kg

Buildings

Funds allotted under head repair & maintenance during financial year 2023-24

Sr.	Region	Funds Allotted	Work Completed
1.	PHP/HQ	1,750,000/-	Installation of Fiber Shed at PHP Headquarters, Bedian Road Lahore.
2.		2,347,038/-	Establishment of Cafeteria at PHP Headquarters, Bedian Road, Lahore.
3.	Lahore	1,652,962/-	Establishment of Khidmat Markaz at Jia Bagga, Lahore.
4.	Rawalpindi	1,204,000/-	Repairing/Renovation of PHP Post Kotkay District Attock
5.	Sargodha	2,000,000/-	Security Arrangements at PHP Border Posts of Sargodha Region
Total		8,954,000/-	--

Development Schemes were reflected in ADP 2023-24

Sr.	ADP	Name of schemes	Physical Progress
1.	6462	Construction of PHP Post Zafarullah District Nankana Sahib	98%
2.	6392	Construction of PHP Post Chak No.270/GB District T.T. Singh	95%
3.	6394	Construction of PHP Ludhar District Gujranwala	90%
4.	6371	Construction of PHP Post & Mobile School at Beer Baran (Bhera-Dhori Road) Tehsil Bhera District, Sargodha.	31%
5.		Construction of PHP Post Sher Shah District Multan	--
6.	6538	Construction of PHP Posts in Central Zone: Construction of PHP Post Bahawal (Jhang-Sargodha Road) District Jhang.	60%
7.		Construction of PHP Chak No.390/JB District T.T. Singh	25%
8.		Construction Of PHP Post Chak No.5 District Nankana	30%
9.		Construction Of PHP Post Bilal Nagar District Sheikhpura	45%
10.		Construction of PHP Post Chak No. 9/1-L District Okara	30%
11.		Construction of PHP Post Khatrani District Hafizabad	30%

Cases were moved for completion of following Unfunded Schemes:

Sr.	ADP No.	Name of schemes	Physical Progress
1.	3842 2022-23	Construction of PHP Post Quaid-e-Azam Colony District Rawalpindi	90%

2.	3916 2022-23	Construction of PHP Post Laddu Manj District Kasur	95%
----	-----------------	--	-----

Following Sub-Schemes were approved during Financial Year 2023-24:

Sr.	ADP No.	Name of schemes	Approved Cost (in Million)
1.	5199(11)	Construction of Watch Tower at PHP Post Bewer, Tehsil Kahuta District Rawalpindi	2.308
2.	5199(12)	Construction of Watch Tower at PHP Shah Khaki, Tehsil Kallar Sayedan District RWP.	0.694
3.	5199(13)	Maintenance & Repair of PHP Post at Head Taunsa Barrage, Tehsil Kot Addu District Muzaffargarh	2.283

Following ADP Schemes were completed during Financial Year 2023-24:

Sr.	ADP	Name of schemes	Status
1.	6462	Construction of PHP Post Zafarullah District Nankana Sahib	Finishing is under Process PC-IV from R.Os/PHP Lahore and Faisalabad are awaited.
2.	6392	Construction of PHP Post Chak No.270/GB District T.T. Singh	
3.	6536(20)	Installation of 550-ft 04-Core Cable for Electric Transformer of PHP Headquarters at Bedian Road Lahore.	2.085 million

104 New Schemes were submitted to the IGP/Punjab (AIG/Dev.) vide this office Letter No.3664/B.Co/HQ, dated 20.02.2024 for inclusion in ADP 2024-25.

02 PHP Posts (i) PHP Post Muhammad Malik District Kasur (ii) PHPP Post Bucha Chatha District Gujranwala were operationalized.

02-Kanal & 16-Marla Land for Construction of PHP Post at Kala Khatai Road District Sheikhupura was transferred in the name of PHP/Police Department.

Litigations on following Land of PHP Posts were decided / dismissed from concerned Civil Courts / Courts of Law:

Sr.	Name of PHP Posts	Name of Court
1.	PHP Post Uggu Chak District Gujranwala	Civil Court (1st Class), Gujranwala
2.	PHP Post Ludhar District Gujranwala	Civil Court (1st Class), Gujranwala

Pinning Ceremony

Issues / Challenges

- Fluctuation in fuel prices.
- Availability of necessary equipment.
- Identification / allotment of Govt. land for PHP HQ, Regional and District Offices.

Wayforward

- To transform Punjab Highway Patrol into Public friendly and services-oriented police unit.

- Crime prevention strategy based on scientific analysis of crimes on Highways and modification of patrolling plan.
- To prevent act of terrorism through effective strategy at inter-provincial border Posts.
- To establish separate training facility for PHP to improve the capacity building of its officers.
- Prevention of accidents through effective enforcement of law and education campaign.
- To launch an effective road safety campaign for road safety.
- To improve the working of PHP through IT based interventions for effective monitoring and evaluation.
- Promotion in all ranks for better career progression.
- Digital Attendance System at all PHP Posts and Offices.
- Welfare projects.

CHAPTER 22

SPECIAL PROTECTION UNIT

Introduction

With the advent of CPEC in Pakistan, The Government of Punjab conceived the idea of raising a special security component of Punjab Police to extend exclusive protection services to the foreign partners. This idea led to the raising of Special Protection Unit (SPU) and it was formally established on October 23, 2014. "The Punjab Special Protection Unit Act 2016" was promulgated on February 06, 2016 to make provisions for SPU for providing dedicated security to the foreigners, important persons and premises across the Province of Punjab. Ex Director / Deputy Inspector General of Police, Muntazir Mehdi, took the charge on 20.02.2024 after getting transferred from DIG Administration, CPO, Lahore and relieved from this Unit on 22.07.2025. Present Director/ Deputy Inspector General of Police, Ghazi Muhammad Salahuddin, took the charge on 01.08.2025 after getting transferred from DIG/ Welfare CPO, Lahore.

SPU Functions / Objectives

- SPU ensures the protection of foreigners, important persons and premises as may be notified by PPO / IGP.
- PPO / IGP may extend the services of the unit to a private or public sector organization on payment and conditions as may be prescribed by him and shall be deposited in Government treasury.
- The person / organization utilizing SPU shall bear the cost incurred by the Unit on the provision of infrastructure, machinery, equipment and other related works necessary for the protection of person or premises.
- The Govt. may however after notification recording reasons exempt payment of such services.

Objectives Achieved / Overall Performance

Complaints Mechanism

One of the initiatives of Punjab Police is the establishment of an integrated IGP Police Complaint Center. Previously the complaints were received through post or a person had to travel to the conceived office to submit his complaint in person at the Inspector General of Police office. This initiative aims at receiving complaints through SMS and voice calls on a short code (1787). Moreover, complaints are also received online as well as through emails. A dedicated team of young IT professionals has been deputed to handle these complaints in an expeditious manner. The system is highly interactive and the complainant is kept in the loop till the disposal of the complaint. The complainant can view the progress of his complaint online and can send his feedback

at any moment, online or through SMS. Following type of complaints are entertained at the IGP Complaints Center:

- Non-Registration of FIRs
- Registration of false FIR
- Faulty investigations
- Illegal detentions
- Arrests of innocent persons
- Slackness in Duty
- Demand of illegal gratification

All complaints are sent to senior rank officers for due action. These are not marked to an officer below the rank of a Sub Divisional Police officer who is bound to call the complainant by himself within 8 hours and report to the IGP Complaints center that he has made contact with the complainant. Moreover, these officers have to send their final reports within stipulated timelines. For complaints of Illegal detentions and demand of illegal gratification the replies have to be submitted within 24 hours. Similarly, for complaints of Non-Registration of FIRs and Arrests of innocent persons the replies have to be submitted within 72 hours, and for rest of the types of complaints the reports are to be submitted within two weeks.

Prime Minister's Performance Delivery Unit (PMDU)

The Prime Minister's office has revamped its Delivery Unit so as to make it more efficient and improve its effectiveness. The purpose of this reorganization is to facilitate the general public, Overseas Pakistanis and the Foreigners to ensure prompt redressal of grievances. Additionally, Pakistan Citizen Portal is an (online) Integrated Citizen Grievances Redressal System connecting all government organizations both at Federal and Provincial levels. The system serves as a carrier of complaints to their respective offices across Pakistan. Three colour coded scheme has been introduced in this system to ensure efficiency in disposal of matter pertaining to public service delivery. Link: <https://www.citizenportal.gov.pk>

CM Complaints

Public can submit their applications regarding any issue in the CM's Complaint Cell. Online Chief Minister's Complaint Cell can be reached by opening the following link.
Chief Minister's Complain Cell

Public can view complaints status on the official website.

Police Khidmat Counters at DHQ & THQs.

Police Khidmat counters have been established at district and tehsil hospitals to facilitate public for hurt report.

Video link installation.

Video link system has been installed at all offices of DSPs/ SDPO to conduct video link meetings with circle officers and complainants as well.

Punjab Police Integrated Command, Control & Communication Centre (PPIC3)

The Punjab Safe Cities Authority (PSCA), established under the Punjab Safe Cities Ordinance 2015, ensures establishment, development and maintenance of an integrated command, control and communication system (PPIC3) for Police in major cities of the province for public safety. The Safe City is a concept for returning security and quality of life to today's complex cities through the use of technology, infrastructure, personnel and processes.

PPIC3 Lahore Centre

PPIC3 is a consolidated hub of integrated policing regulating swift emergency and police responses including, but not limited to, intelligent traffic management, dispatch of Punjab Police, PRU and Dolphin force, 1122 emergency response, criminal identifications/ Investigations, virtual surveillance and media monitoring, other than safety and security of the city, this project is also a source of employment to hundreds of young IT professionals.

Objectives

The Program aims to bring together the innovative Concept of Operations (Con Ops), quality focused business processes with integrated cutting-edge technology to provide an operational solution that delivers:

- Modern infrastructure to provide real-time information and intelligence.
- Provision of high-quality emergency response systems to the public.
- Facilitate evidence-based decision making in operationally critical situations within the Punjab Police departments to ensure seamless service delivery to the public.
- Implementation of a consolidated IC3 organizational operating model to optimize cross agency coordination, communication, and effectiveness of public safety and emergency services delivery.

Benefits

Programme benefits include following:

- Improved Service Delivery
- Traffic Management
- Monitoring Law and Order
- Electronic Evidence Collection
- Crime Reduction
- Secure Police Communication
- Accountability

OPS Room & Media Relations

With the electronic and social media explosion in Pakistan during the last decade, Police has been subjected to a lot of pressure since negative reporting against the department was not being responded to adequately.

In this regard, to publish/broadcast the view point of the department, a Media Control Room has been setup in which all the electronic channels and social media are being monitored round the clock. Any news item which is aired about the Lahore Police is responded by the PRO Branch immediately. This branch has been revamped with the help of Pakistan Peace Collective Project of the Federal Ministry of Information. Pakistan Peace Collective (PPC) has also arranged extensive training workshops for DPOs and RPOs in media handling. Thus, with this new initiative, Police response on Media has been improved.

Up gradation of police lines.

Following steps have been taken to upgrade police lines.

- Establishment of modern recreation hall
- Up gradation of police lines mess hall, and cafeteria
- Improved infrastructure of main gate of police lines for better security purposes and beautification.

Front Desk

In order to facilitate the applicants at the Police Stations, Front Desks/Reception Rooms have been established in Lahore. These Reception Rooms are being run by civilian female and male officials of the I.T. branch. Where following facilities are available

Complaints Management

In order to entertain the complaints of the visitors a Complaints Management System (CMS) software is functional, the complainants are issued an E-Tag after receiving their applications. Once the application is entered into the system it follow up is monitored by Senior Supervisory Officers in Lahore till the matter reaches its logical conclusion. If required, the application is also typed for the applicant in the Reception Rooms.

Loss Report

Important personal documents like CNIC, Driving License, ATM Card, educational documents and other belongings often get lost due to misplaced. PKM provides the facility to report the lost documents. Citizen will get a copy of the loss report which you can use to track your application and to apply for new documents.

Required Documents

- Original and copy of applicant's CNIC
- Written complaint by the applicant
- Copy of Lost documents if available
- Copy of any other supported document if available

Medical Lego Certificate

For issuance of medical certificate police officials are appointed in all government hospitals of District Lahore. They fill the form and send the particulars of affected person online to related police station for rapat of reported incident.

Employee Registration

Whenever someone hires a servant, a maid or any other worker he/she has is bound to register them with Police so that Police has information about the people living in that area. The process of registration has been simplified and can be done by visiting related police station. This will help citizens and Police to be aware about any criminal record of the potential employee.

Required Documents

- Original and copy of the owner's CNIC
- Original/Copy of employee's CNIC
- Photograph of the employee
- Affidavit

Tenants Registration

According to the THE PUNJAB INFORMATION OF TEMPORARY RESIDENTS ACT 2015 (<http://punjablaws.gov.pk/laws/2591.html>), whenever a house or a hostel room is rented, owner/tenant/property dealer have to register details (owner, property, tenant info.) in concerned police station for record purpose. Registration can be done by visiting concerned Police Station. After successful registration, front desk officer will provide a certificate to the citizen which will help him/her to avoid any hassle during any search operation.

Required Documents

- Original and copy of house owner's CNIC
- Original and copy of tenant's CNIC
- Original and copy of rent agreement
- Affidavit
- Photograph of the tenant

Police Welfare Branch

Police Welfare branch is providing welfare services to in Service, retired and all Shuhada's Families, at their door steps on priority basis.

Summary

The District Police Operations Wing, Lahore is using all its available resources to curb heinous crimes and maintain law and order. A round-the-clock patrol has been arranged to ensure the presence of police in the wider area. Whenever a heinous incident occurs, the local police rush to the spot with a mobile CRO. Addicted to heinous crime, all BCs have been identified and targeted. They have been charged under security laws and are under police surveillance. Although crime against property is on the rise, the fact remains that Operation wing have been effective and more

have been recovered. Most of the perpetrators of heinous crime are from Sheikhpura / Kasoor / Nankana Sahib and other areas of Punjab province. To deal with crime and criminals, regular patrols, patrols at key locations and possible routes for entry and exit rules have been set up by mobile squads. Let's overview the steps taken by Police Department.

Combat Against Terrorism:

In order to control terrorism, the following steps have been taken:

- i. Watch out for the activities of the banned organizations namely SSP, TNFJ, SMP and LT.
- ii. Deployment of force in mosques / imambargahs and churches.
- iii. Update on the list of Afghan trained boys.
- iv. Vigilance of fourth schedulers.
- v. Action against terrorist losers under the amended ATA Ordinance 2001.
- vi. Deployment of plainclothes force to monitor suspects' activities in key installations and key public places.
- vii. Deployment of force to protect mosques, imambargahs and churches.
- viii. Establishment of special team for arrest of sectarian POs / terrorists.
- ix. Updating the records of property dealers, about the people who rented houses through them. Hotel / Inn Updates like visitor records.
- x. Vigilance of religious gatherings.

Security Harmony:

- i. Close contact with prominent leaders of all denominations.
- ii. Hold regular meetings with members of the District Peace Committees, which include competent persons from all sects.
- iii. Special measures to ensure sectarian harmony for effective security arrangements, especially during Muharram and all other religious occasions.
- iv. Equal and even treatment of all sects by the district administration.
- v. Enforcement of ban on illegal use of Loudspeaker and Amplifier Ordinance.

Critical Analysis

The cooperation and coordination of the Legislative Assemblies, the Civil Administration, the Intelligence Agencies (Civil and Military) and the elected members of the Judiciary resulted in the success of these efforts for the year 2024-2025.

“We pray to "Allah Almighty" for the courage, enthusiasm of the police department, the enthusiasm to stop crime and to achieve the other goals set out in the Para Supra. (Ameen)”

CHAPTER 24

SHEIKHUPURA REGION

Introduction

Sheikhupura Region was established in 2001. Previously, it used to comprise of Districts Sheikhupura, Kasur and Okara. The District Nankana Sahib was established in 2005 and 4 Districts came under the command of RPO Sheikhupura. Crime Against Property	6128, 31%
Miscellaneous	5649, 29%
Local and Special Laws	4691, 24%

DISTRICT SIALKOT

Sialkot boasts an ancient history, believed to be the successor to ancient Sagala, prospering as an Indo-Greek capital under King Menander, and later a key Mughal center for Islamic learning and trade before becoming a Pakistani industrial hub famous for surgical & sports goods. Founded by Raja Sul and rebuilt by Raja Salivahan, its name means "Fort of Sia," with its fort still standing. It's the birthplace of poet-philosopher Muhammad Iqbal and a major export center for Pakistan

Sialkot, strategically located in the heart of Punjab, is a vital urban center known for its technological advancements, robust infrastructure, and growing economic significance. Renowned as one of Pakistan's foremost industrial hubs, Sialkot is globally recognized for its manufacturing prowess in sectors such as surgical instruments, sports goods, and apparel, which are extensively exported worldwide.

Sialkot district shares its border with India to the east, and its proximity to districts such as Gujranwala, Narowal, and Gujrat, alongside its strategic connectivity via motorways to Lahore making it an important city.

Sialkot District is situated at an elevation of approximately 256 meters above sea level. The climate of the district varies with the seasons: summers are generally hot and humid, while winters are cold and dry. During the rainy and spring seasons, the weather remains moderate and pleasant, creating a favorable environment for both residents and visitors.

District at glance

Attribute	Details

By using modern technologies to remove the criminal dens
To launch a campaign against the person holding unlawful weapons
To promote a conducive atmosphere for elimination of old enmities.
Adoption of proper preventive measures as per law.
To promote the role of Masalhati Committees

Combat against terrorism: Strategies and Measures

In response to the ongoing threat of terrorism, a multi-pronged and strategic approach has been implemented to ensure the safety and security of the region. Below are the key measures and actions taken to combat terrorism effectively:

1. Briefing for Personal Security Awareness

To enhance the security of all law enforcement personnel, comprehensive briefings have been conducted for officers of all ranks. These briefings focus on personal safety, identifying potential threats, and strategies to mitigate risks. This initiative ensures that police personnel remain vigilant and prepared to handle any emergency or security situation.

2. Surveillance of High-Risk Individuals

Specialized teams are tasked with monitoring individuals associated with terrorist organizations and groups. This includes:

- Surveillance of persons on the 4th schedule, Anti-Terrorism Bureau (ATBs), RAPs (Relevant Action Plans), LMEs (Listed Militants and Extremists), and activists of banned organizations.
- Ensuring that intelligence and monitoring systems are in place to track and report suspicious activities, keeping an eye on individuals who pose a security risk to the district.

3. Afghan Nationals and FATA Residents Monitoring

A thorough compilation of photographs and records of Afghan nationals and residents of FATA (Federally Administered Tribal Areas) has been undertaken. This measure

aims to keep track of foreign nationals within the area and monitor any potential terrorist affiliations or unlawful activities.

4. Strengthening the Security of Vital Installations

The protection of key government and security installations has been prioritized:

- Enhanced security measures have been established around critical infrastructures, including police lines, government offices, and other vital installations.
- Physical and digital surveillance systems, including CCTV cameras, have been installed at strategic entry and exit points across the district.

5. Development of a District Emergency Response Plan

A comprehensive District Emergency Response Plan has been formulated to ensure swift and coordinated responses to any potential terrorist attacks or incidents. This plan outlines specific procedures for emergency situations, and regular mock exercises are conducted to evaluate the state of preparedness and response efficiency.

6. Regular Surveillance and Intelligence Collaboration

To stay ahead of potential threats, continuous surveillance and intelligence-gathering activities have been intensified:

- Surveillance of Madaris (religious schools) has been implemented to prevent radicalization and monitor activities that may contribute to extremist ideologies.
- Random checks are conducted at hotels, guest houses (Sarais), and other public places to detect any suspicious activities or individuals.
- Regular coordination and collaboration with national and international intelligence agencies are ongoing to ensure real-time information exchange.

7. Legal Actions and Strict Enforcement

Vigorous legal actions are enforced against individuals involved in activities that may promote terrorism or extremist ideologies. This includes:

- Prompt legal action against violations related to the use of loudspeakers, unlawful walk chalking, collection of funds (Chanda), and distribution of hate material.

- Surveillance and actions against motorcycles with applied for or no number plates to eliminate untraceable vehicles that might be used for criminal or terror activities.

8. Intensive Patrolling and Public Presence

A visible police presence has been ensured through intensive patrolling across vulnerable areas:

- Increased patrols are carried out in commercial areas, highways, and public spaces to deter any terrorist activities and enhance public safety.
- Officers are trained to respond effectively to any emergency situation, ensuring swift and decisive actions when necessary.

9. Comprehensive Security Plans

Specialized security plans have been developed for key events and areas prone to terrorism:

- A detailed security plan for mitigating the impact of terrorist activities and suicide attacks has been put in place, outlining specific countermeasures and response protocols.
- Security protocols for sensitive locations, including court complexes and judges, are strictly followed to safeguard the judicial process.
- The security of Central Jail Sialkot has been enhanced with increased surveillance and preventive measures.

10. Event-Specific Security Measures

For major events, additional security measures are implemented:

- A security plan has been specifically designed for Muharram-ul-Haram, focusing on the safety of processions and religious gatherings.
- A robust security plan for the holy month of Ramadan ensures the protection of mosques, religious congregations, and community events during this period.

Initiatives Taken/Implemented

- Digitalization of Police Stations
- Installation of CCTVs and monitoring of SHOs and lock ups

- PUCAR-15
- Human Resource Management Information System (HRMIS)
- Front Desk
- Khidmat Markaz
- Khidmat Counters
- Tahafuz Markaz
- Meesaq Centre
- Sahara Counter
- Anti-Woman Harassment & Violence Cell

Vulnerable to be attended:

- Transgender Community

Analysis of Crime Trends:

The data from the year 2024-2025 reveals a mixed trend in overall crime rates. Notably, there has been an increase in the following crime categories: Murder, Attempted Murder, Rape/Gang Rape, Hurt, Abduction/Kidnapping for Ransom, Dacoity, Robbery, Burglary, Cattle Theft, Auto Theft, Ordinary Theft, violations under the Gambling Ordinance, Prohibition Ordinance, Arms Ordinance, and Sound System Ordinance.

During this period, property valued at Rs. 675,134,848 was reported stolen, out of which Rs. 2,930,579,075 worth of property was recovered. This results in a recovery rate of 23%.

Furthermore, the average detection rate for crimes against persons and property stood at 59%, which reflects a commendable level of investigative efficiency.

General Review of Crime during the Preceding Year under Major Heads (Sialkot Police):

Murder: A total of 196 murder cases were reported during the period under review, with 183 cases successfully detected, resulting in a detection rate of 93%. These cases

involved 641 accused individuals, of whom 432 were arrested, yielding an arrest rate of 68%.

Attempted Murder: 438 cases of attempted murder were reported, with 424 cases detected, reflecting a detection rate of 97%. In these cases, 1,650 accused persons were involved, and 1,127 arrests were made, resulting in an arrest rate of 68%.

Hurt: There were 1,139 cases of hurt reported, of which 1,134 cases were detected, reflecting a 100% detection rate. A total of 4,985 accused were involved, with 3,936 arrests, achieving an arrest rate of 79%.

Rape/Gang Rape: A total of 282 cases of rape/gang rape were reported, of which 281 cases were detected, ensuring a 100% detection rate. The cases involved 430 accused individuals, with 393 arrests, which translates to an arrest rate of 91%.

Abduction for Ransom: Seven cases of abduction for ransom were reported, of which three were challaned and three were cancelled. The overall detection rate stood at 86%. Ten accused persons were involved, and all four arrested, resulting in a 100% arrest rate.

Dacoity: 37 cases of dacoity were reported, with 30 cases detected, yielding a detection rate of 81%. These cases involved 202 accused, with 111 arrests, leading to an arrest rate of 55%. Property valued at Rs. 35,485,900 was snatched, and Rs. 10,786,900 was recovered, resulting in a recovery rate of 30%.

Pistol / 2008	Cartridges/ 9866

Recovery of Narcotics: During the period under report 2258 cases of Narcotics were registered and following narcotics were recovered from the criminals.

Charas/ 659.468 KG	Heroin/ 43.595 kg	Opium/ 14.134 kg	Liquor in bottles 14994 Ltr	Ice/ 23.381 Kg
Lahan/ 1654 Ltr	Working still/ 9	Drunkard persons arrested/ 21	Bhung/ 13.700 Kg	-

Arrest of Proclaimed Offenders: During the period under report 13900 proclaimed offenders were on the list, out of which 6710 proclaimed offenders were arrested. The percentage of arrest was 48%.

Arrest of Court Absconders: During the period under report 958 court absconders were on the list, out of which 177 court absconders were arrested. The percentage of arrest was 18%.

NAROWAL

In the year 1927, Narowal was established as a sub-division of District Sialkot. On 1st July 1991, it was granted the status of a district. The total area of District Narowal is 2,337 square kilometers. It comprises three Tehsil: Narowal, Shakargarh, and Zafarwal.

Geographically, the district is bordered by Indian territories — including Gurdaspur, Amritsar, and Jammu & Kashmir — from the east to the north. To the northwest and west, it shares borders with the districts of Sialkot, Gujranwala, and Sheikhupura. The district has approximately 175 kilometers of boundary line adjacent to Indian territory.

Due to its proximity to the international border, close coordination is maintained with the Pakistan Rangers and other intelligence agencies to prevent the infiltration of saboteurs. As a result of strict precautionary measures, no incidents of sabotage or religious terrorism have been reported within the district. Major events with the potential to disrupt law and order have been addressed tactfully and amicably, thereby ensuring a stable and controlled law and order situation.

Narowal is a non-industrial district, with agriculture serving as the primary source of income for its residents. However, agricultural landholdings are generally small, contributing to the poor financial condition of the local population. The younger generation is increasingly reluctant to pursue farming as a profession due to limited economic opportunities. This lack of viable alternatives raises concerns that some youth may resort to criminal activities such as theft, robbery, dacoity, and vehicle snatching. Consequently, special focus is being placed on preventing crimes against property to address these challenges effectively.

District Profile

1	Came into being	01.07.1991
2	Population	17,09,757
3	Police Sub-divisions	04

4	Revenue Sub-Divisions.	03

HAFIZABAD

Introduction:

A Police force is a constituted body of persons empowered by state to enforce the law, protect property and limit civil disorder. Their powers include the legitimized use of force. The term is most commonly associated with Police service of a sovereign state that is authorized to exercise the Police power of that state within a defined legal or territorial area of responsibility.

District Hafizabad is predominantly rural with agrarian economy based on farming. A total of 65.2% of the population lives in the villages and is relates to agriculture profession. Rest of the 34.8 % resides in city/towns and they work in Govt departments, private sectors and associate with various businesses. The district is known for producing quality rice in the country as well as the export of quality rice in the world. As per report of Pakistan Bureau of statistics of Pakistan and 2023 census report. District population of district Hafizabad is 1319909. The area of district Hafizabad is 488.8/KM. Punjabi is the mother Tongue of the district. Literacy rate of this district is increasing day by day.

Boundaries and Police:

Boundaries of district Hafizabad adjoin with district Gujranwala, Faisalabad, Sheikhpura , Nankana Sahib , Sargodha , Chiniot and Mandi Bhaudain. District Hafizabad is consisted on two Tehsils , Tehsil Hafizabad and Tehsil Pindi Bhattain. Each Tehsil has five police stations.

Objectives Achieved (during the year)

Mandi Baha-Ud-DIN

Introduction

The District of Mandi Bahaiddin was established in 1993. It has three Tehsils, i.e. Mandi Bahaiddin, Phalia and Malakwal. The district is located between two major rivers Jhelum and Chenab and is commonly known as Chajjdoab. It is bounded on the North east by District Gujrat & Jhelum on the South East by the river Chenab separating it from the Districts of Hafizabad , on North west by District Jhelum through River Jhelum, on west by District Sargodha through Canal Head Faqirian.

Little is known about the early history of this District. The town of Mandi Bahaiddin itself is of modern origin, but occupies the site of an ancient city, the foundation of which is traditionally assigned to one Raja Bachan Pal, a Surajbansi Rajput, who emigrated from the lower Gangetic Doab, but of whom nothing more is known. The

original name of the city is said to have been Udanagri, the everlasting or sweet-smelling city.

The principal source of the above-mentioned history is the settlement report of General Cunningham and Captain H. Mackenzie. This settlement report is the principal work of reference on all matters connected with the district. General Cunningham has also stated that the restoration of the old city was done by Ali Khan, a Gujar. Captain Mackenzie, on the other hand, records the tradition that the city was rebuilt in Sambat 175 (A.D.118) by Rani Gujran, wife of Badr Sen, son of Raja Rasalu of Sialkot. Both accounts ultimately agree in the final restoration of the city in the time of Akbar.

Main Responsibilities:

Our responsibilities are as under:-

- ✓ Maintain law & order.
- ✓ Free registration FIRs
- ✓ Prevention of Child Abuse.
- ✓ Investigation on merit.
- ✓ Fight against terrorism and extremism.
- ✓ Revival of the public trust on Police.
- ✓ Action against Harassment to Women
- ✓ Speedy dispensation of justice.
- ✓ Change in public attitude towards Police.
- ✓ To make public feel the atmosphere of safety.
- ✓ To make public realize their responsibility to give proper assistance to Police in their workout.

Our main responsibility is also involved to fight crime and win by providing dynamic and effective law enforcement through following ambitions:

- **Fairness:** We act impartially treating all according to the law on merit
- **Commitment:** We are committed to excellence and delivering the highest quality of service.
- **Integrity:** We are honest, trustworthy and genuinely accountable
- **Respect:** We treat all with dignity and honor.

- **Values:** Our values have been defined by the police officers and the people we serve. They are the standards for which we strive and by which we wish to be judged. Loyalty to these Values is a must for every member of Mandi Bahauddin Police.

Reasons behind increasing trend of crimes

Murder & attempting murder

- Egoistic Issues
- Domestic Issues
- Old enmity
- Honour Killing
- Land Dispute
- Lack of Awareness among the Citizen

Dacoity/robbery

- Big Industrial Zone
- Shortage of available resources
- Inflation
- Un-employment
- Over Population and deficit sources
- Illiteracy
- Instability
- Fragile Agriculture
- Existing frustration in the society
- Paralyzed economy

CHAPTER 26

SAHIWAL REGION

In 997 CE, Sultan Mahmud Ghaznavi, took over the Ghaznavid dynasty empire established by his father, Sultan Sebuktegin, in 1005 he conquered the Shahis in Kabul, and followed it by the conquests of Punjab region. The Delhi Sultanate and later Mughal Empires ruled the region. The Punjab Region became predominantly Muslim due to missionary Sufi saints whose dargahs dot the landscape of Punjab Region. After the decline of the Mughal Empire, the Sikh invaded and occupied Sahiwal District. The Muslims faced severe restrictions during the Sikh regime. The Sahiwal District has been settled from the pre-historical era. Harappa is an archaeological site, about 35 km west of Sahiwal, that was built approximately 2600 BCE. Sahiwal District was an agricultural region with forests during the Indus Valley Civilization. The Vedic period is characterized by Indo-Aryan culture that invaded from Central Asia and settled in Punjab Region. The Kambojas, Daradas, Kaikayas, Madras, Pauravas, Yaudheyas, Malavas and Kurus invaded, settled and ruled ancient Punjab Region. After overrunning the Achaemenid Empire in 331 BCE, Alexander marched into present-day Punjab region with an army of 50,000. The Sahiwal was ruled by Maurya Empire, Indo-Greek kingdom, Kushan Empire, Gupta Empire, White Huns, Kushano-Hephthalites and Shahi kingdoms. The district came under direct British rule in 1849, when the district was officially formed with its headquarters at Pakpattan. The district was expanded to include the trans-Ravi portion in 1852, and the district headquarters were moved to Gogera. In 1865, when the railway was opened, a village on the railway, was named Montgomery and became the capital of the district. During the period of British rule, Sahiwal District increased in population and importance. During the Indian Rebellion of 1857, there was a general rising of the Jat clans, the district formed the scene of the only rising which took place north of the Sutlej. Before the end of May 1857, emissaries from Delhi crossed the river from Sirsa and Hissar, where open rebellion was already rife, and met with a ready reception from the Kharrals and other Jat clans. The district authorities, however, kept down the threatened rising till August 26, 1857 when jail prisoners made a desperate attempt to

break loose. At the same time Ahmad Khan, a famous Kharel leader, who had been detained at Gugera, broke his arrest and, though apprehended, was released on security, together with several other suspected chieftains. On September 16 they fled to their homes, and the whole country rose in open rebellion. Kot Kamalia was sacked. Major Chamberlain, moving up with a small force from Multan, was besieged for some days at Chichawatni on the Ravi. The situation at the civil station remained critical till Col. Paton arrived with substantial reinforcements from Lahore. An attack which took place immediately after their arrival was repulsed. Several minor actions followed in the open field, until finally the rebels, driven from the plain into the wildest jungles of the interior, were utterly defeated and dispersed. The British troops then inflicted severe punishment on the insurgent clans, destroying their villages, and seizing large numbers of cattle for sale. The Region was traversed by the main line of the North Western Railway, from Lahore to Multan. It is irrigated by the Upper Sutlej inundation canal system and from the Ravi. The sites of Kot Kamalia and Harappa contain large mounds of antique bricks and other ruins left by the Indus Valley Civilization.

The district comprised three towns and 1371 villages. Its population was 360,445 (1868), 426,529 (1881), 499,521 (1891) and 497,706 (1901). In 1901, 72% of the population was Muslims, while Hindus and Sikhs formed 28%. The district was part of the Lahore Division of Punjab. The predominantly Muslim population supported Muslim League and Pakistan Movement. After the independence of Pakistan in 1947, the minority Hindus and Sikhs migrated to India while the Muslim refugees from India settled in the Sahiwal. Agriculture is important to the local economy, particularly the growing of cotton, grain, potato, wheat and rice exported all over Pakistan and around the world.

In pursuance of the approval of the Chief Minister Punjab conveyed vide Home Secretary Punjab's No. PS/HS/6011-S dated 28.11.2008 and in exercise of the powers conferred upon Provincial Police Office Punjab, under Article 21(1) of the Police Order, 2002, the new police region designated as Sahiwal Region comprising the districts of (Sahiwal, Okara and Pakpattan) was notified. The newly created Region is headed by an officer of the rank of Dy. Inspector General of Police (BS-20)

BRIEF OVERVIEW OF THE PROMINENT/HIGH PROFILE CASES OF SAHIWAL REGION

Case FIR No.729 dated 12.07.2024 u/s 302/393/34 PPC PS Mandi Ahmadabad, Okara.

The subject case was registered on the application of Zohaib Ahmad s/o Muhammad Shaukat Caste Bhatti r/o Street Madina Masjid Wali Mandi Ahmadabad, Tehsil Depalpur, District Okara against 02 unknown accused persons with the contention that, he is resident of the above-mentioned address and engaged in electronics business. He stated that on 11-07-2024 at about 11:00 PM, the incident took place. The complainant, along with his family members uncle Muhammad Ramzan s/o Muhammad Sarwar, brother Shoaib Shoukat s/o Muhammad Shaukat, sister Yusra Shoukat, wife Sumbal Zohaib and son Muhammad Aarib (aged 2.5 months) carried by his mother after having pizza at Asif Live Kitchen near PSO Rasul Pur, was returning home on motorcycles. The uncle and brother were slightly behind when the complainant reached near the well of Khalid Masood Wattoo on the paved road. In the motorcycle headlight, the complainant saw two culprits standing on the road with intent to commit robbery. One accused was wearing black trousers and a red & white shirt, medium height, whitish complexion, aged about 20/21 years, armed with a pistol. The other accused was wearing white shalwar kameez, medium height, whitish complexion, aged about 22/23 years, also armed with a pistol. They had parked a motorcycle in a start condition on the roadside. The culprits signaled the complainant to stop at gunpoint. As soon as the complainant stopped, they attempted robbery and tried to misbehave with the women sitting behind. The complainant resisted. Meanwhile, the uncle and brother arrived at the spot. During the incident, while resisting, in the presence of the complainant and witnesses, the accused wearing trousers and shirt, with intent to kill, gave a forceful blow with the butt of his pistol on the head of the complainant's son, who was in his mother's lap. The blow struck the child on the left side of the forehead, causing severe injury and unconsciousness. After injuring the child, the culprits fled towards Rasul Pur on their motorcycle. The complainant, along with witnesses Muhammad Ramzan and Shoaib Shoukat, clearly

saw and can identify the accused in light of the motorcycle headlights. The complainant immediately shifted his injured son to RHC, where the doctor provided first aid and referred him to Lahore due to critical condition. While on route to Lahore, the child succumbed to injuries and died. The culprits, during the robbery attempt and resistance, unlawfully and brutally killed the complainant's son Muhammad Aarib by a fatal blow of pistol butt. The dead body was brought to the police station. Hence, the subject case was registered. Investigation of the case was entrusted to SI Nasir Ali, who visited the place of occurrence, prepared site plan and recorded statements of witness's u/s 161 Cr.PC. Two accused persons namely Muhammad Tayyab s/o Ghulam Murtaza, Caste Mai r/o Abadi Rasul Pur and Muhammad Junaid s/o Muhammad Aslam, Caste Theem r/o Abadi Rasul Pur were identified during identification parade conducted on 20-07-2024. On 27-07-2024, both accused were formally arrested and produced before the learned court of Area Magistrate, Depalpur, Okara and obtained 4-days physical remand. During interrogation, the weapon of offence (pistol) was recovered on the pointing of accused persons. Based on positive identification and recovery of weapon, both accused were found involved. After completion of remand, on 03-08-2024, they were produced before the Learned Court of Area Magistrate, Depalpur, Okara and they were sent to judicial lockup. Complete report u/s 173 Cr.PC was prepared and the same was sent to the concerned learned trial court.

Double Murder

Case FIR no.1091 dated 30.04.2025 u/s 302/324/148/149 PPC PS Hujra Shah Mugeem, Okara

The subject case was registered on the complaint of Shahid Iqbal s/o Muhammad Irshad Caste Dolla r/o Basti Dolla Jhujh Khurd, Tehsil Depalpur, District Okara against Muhammad Amjad s/o Noor Muhammad, Muhammad Waqas, Muhammad Waqar, etc. r/o Jhujh Khurd, Tehsil Depalpur, District Okara with the contention that on 30.04.2025 at about 01:00 PM, the complainant along with his father Muhammad Irshad and brother Zahid Iqbal was at his own agricultural land to dig a watercourse/channel (Khaal). Meanwhile, the accused persons Muhammad Amjad and others, armed with firearms entered the complainant's land. Accused Mansoor Ahmed raised a Lalkara "Do not let Irshad and his sons alive today; kill them." Accused

Muhammad Waqas fired a shot with a 12-bore repeater, hitting the complainant's father Muhammad Irshad on the right thigh. Accused Muhammad Amjad fired another shot with a 12-bore repeater, hitting Muhammad Irshad on the abdomen and other parts of the body. Accused Muhammad Waqar fired with a 12-bore repeater, hitting Zahid Iqbal on the right thigh. Accused Mansoor Ahmed fired at the complainant with pistol with the intention to kill him; the bullet grazed the back of the complainant's head and exited, causing severe injury. During this attack, accused Bilqees Bibi supplied ammunition (cartridges and bullets) to the other accused and incited them to continue firing. On hearing the gunshots, Muhammad Afzal and Rashid Ali sons of Muhammad Irshad reached the spot and witnessed the entire occurrence. The injured were being shifted to THQ Hospital, Depalpur but Muhammad Irshad (father) and Zahid Iqbal (brother) succumbed to their injuries on the way. The motive behind the occurrence was that a few days earlier, the accused had demolished the complainant's watercourse and road. When the complainant tried to rebuild it, the accused in collusion, launched this armed attack, resulting in two murders and one attempt to murder, causing extreme injustice and brutality. Accordingly, case FIR No. 1091/25 dated 30.04.2025 u/s 302/324/148/149 PPC was registered at PS Hujra Shah Muqem. Investigation of the case was entrusted to SI/Inv Nasir Ali, who visited the place of occurrence, prepared site planned recorded statements of witnesses' u/s 161 Cr.PC. Accused Mansoor Ahmed obtained pre-arrest bail from the learned Court of ASJ Depalpur and appeared on 20.05.2025 to join the investigation. Accused Bilqees Bibi was formally arrested. From her possession, a black-colored bag containing 6 live cartridges were recovered. Consequently, FIR No. 1422/25 u/s 13/2(A)/XX/65 Arms Ordinance (Amendment 2015) was registered against her and she was sent to judicial lockup. Later, accused Muhammad Amjad, Muhammad Waqas and Muhammad Waqar were arrested formally and physical remand was obtained. On 09.06.2025, from accused Muhammad Amjad, weapon of offence (12-bore repeater) was recovered; separate FIR No. 1485/25 u/s 13/2(A)/XX/65 AO was registered. From accused Muhammad Waqas, another weapon of offence 12 bore repeater was recovered; separate FIR No. 1486/25 u/s 13/2(A)/XX/65 AO was registered. From accused Muhammad Waqar, one weapon of offence 12 bore pump-action gun was recovered; separate FIR No. 1487/25 u/s 13/2(A)/XX/65 AO was registered. Accused were

produced in the concerned learned court on 10.06.2025 and sent to judicial lockup. Both parties were confronted face-to-face during investigation. On the basis of evidence, Bilqees Bibi, Muhammad Amjad, Muhammad Waqas and Muhammad Waqar were found involved. Accused Mansoor Ahmed, as per CDR analysis was not present at the crime scene; no criminal role was established against him and he was found innocent in this case. No other accused remains to be arrested. Incomplete Report u/s 173 Cr.PC (without forensic reports) was prepared and sent to the concerned learned trial court.

Blind Murder

Case FIR No.277 dated 16.02.2025 u/s 302/34 PPC PS City Depalpur, Okara

The subject case was registered on the complaint of Muazam Ali s/o Mehr Ahmad Caste Bhojoana Sial r/o Chak No. 39/4-L Okara against unknown accused with the allegations that his real brother namely Qamar Fayaz, serves in the Pakistan Rangers. Qamar Fayaz and his wife Safia Bibi have two children i.e. one daughter, approximately 05 years old and one son Muhammad Haseeb Qamar aged approximately 11 years. Due to educational needs, the family was residing in a house at their in-laws' place in Quaid-e-Azam Chowk, Street No. 02, Shehzad Colony. On 16.02.2025 (Sunday) at about 1:40 PM, the complainant, along with Allah Ditta s/o Ghulam Muhammad, Ali Abbas s/o Muhammad Sadiq both residents of Chak No. 39/4L, Okara went to meet the children of his brother. Upon reaching the house, they found the main gate open. When they entered, they discovered the dead body of Muhammad Haseeb Qamar hanging from an iron window inside the room with a dupatta tied around his neck. The wife of Qamar Fayaz namely Safia Bibi and other family members were not present at the scene. The complainant immediately informed the local police through 15 Emergency Helpline and neighbors also gathered at the spot. The complainant alleged that unknown culprits killed his nephew without any justification and committed excesses. Investigation of the case was entrusted to SI Imran Khan, who visited the place of occurrence, prepared site plan and recorded statements of the witness's u/s 161 Cr.PC. During the course of investigation, two accused persons namely Usman & Iqra Bibi were formally arrested. Both accused were

produced before the learned Court and physical remand was obtained. During investigation, the accused persons Usman and Iqra Bibi were found involved in the commission of the offence. Subsequently, they were sent to Judicial Lockup as being involved. Report u/s 173 Cr.PC has been prepared and sent to the concerned learned Court.

Police Encounter

Case FIR No.1101 dated 06.07.2024 u/s 324/353/186 PPC r/w 13(2a)/xx/65 an amendment ordinance 2015 PS Haveli Lakha.

The case was registered on the complaint of SI Muhammad Nasir with the contention that he along with Shahid Mehmood ASI, Mukaram Tahir 1086/C, Muhammad Tariq 849/C, Hamza Yousaf 995/C armed with SMG rifles and 60/60 rounds of ammunition in official vehicle (Mobile-II) driven by Shahid Latif 898/DC were patrolling near Railway Crossing, Matanwala for crime prevention. At about that time, two motorcycles approached at high speed from Haveli Lakha side. When signaled to stop, the riders dropped/abandoned their motorcycles and opened straight fire on the police party with intention to kill them. The SI Muhammad Nasir informed control via wireless. Upon receiving the call, ASI Riaz Ahmed along with Constables Shahid Iqbal 865/C, Muhammad Ahmed 1307/C, Muhammad Javed 244/C and Naeem Ahmed 2079/C armed with SMGs 60/60 rounds, using an official vehicle (Mobile-III) driven by Haq Nawaz (502/DC) rushed to the spot. The police party took defensive positions behind vehicles and fired warning shots in retaliation, repeatedly asking the assailants to stop firing. After a brief exchange of fire, the firing ceased. During search with torch and searchlights, one dacoit was found injured by his accomplice's firing. On inquiry, he disclosed his name as Saeed Ahmed s/o Muhammad Shafi Caste Bhatti r/o Fateh Pur Raakh Pul, District Pakpattan. One Pistol 30 bore, 02 motor cycles Honda 125 & Road Prince, Cash amount 47000/-, One Mobile Phone Vivo Y21 and one CNIC were recovered from his possession. The injured accused disclosed that his accomplice, Nazim Ali s/o Jahangir, Caste Jutt r/o Deenanath, Thokar Niaz Baig, Lahore, fled taking advantage of darkness and fields. The accused also confessed that, he and Nazim Ali had snatched a motorcycle, cash, and a mobile phone from a motorcyclist in Haveli Lakha city at gunpoint. The recovered pistol was taken into possession through

recovery memo and sent to PFSA for forensic examination. The injured accused was shifted under police escort to THQ Hospital Haveli Lakha for treatment. At that time, Farid Ahmed s/o Ghulam Rasool, Caste Ranjha Wattoo r/o Phatak Wasaiwala arrived at the spot and stated that two-armed dacoits had robbed him of his motorcycle, cash and mobile phone. He identified the injured dacoit. Hence, the subject case was registered. After registration of the case, the investigation was entrusted to SI Khursheed Ahmed, who visited the place of occurrence, prepared site plan and recorded statements of witness's u/s 161 Cr.PC. Injured accused Saeed Ahmed was admitted to hospital and kept under custody; his formal arrest was deferred due to medical condition. After treatment and discharge from hospital, on 11-07-2024, the accused Nazim Ali was arrested in this case. During interrogation, co-accused Nazim Ali was also formally arrested in connection with case FIR No. 1242/23 u/s 392 PPC and obtained his physical remand. During interrogation, one weapon of offence pistol 30 bore was recovered from the possession of accused Saeed. Furthermore, one weapon of offence pistol 30 bore was also recovered from the possession of accused person Nazim Ali and another separate case FIR No. 1135/24 u/s 13-2(a)/XX/65 AO was registered. Both accused were found involved during investigation and were sent to judicial lockup on 15-07-2024. Report u/s 174 Cr.PC was prepared and sent to the concerned learned trial court.

CHAPTER 27

RAWALPINDI REGION

DISTRICT RAWALPINDI

Introduction

This plan indicates the objectives of policing in District Rawalpindi for the financial year 2024-25 with specific targets to be achieved and the distribution of financial and other resources, which are likely to be available during the year. This plan also highlights mechanism for achieving our planned targets. This plan also discusses the requirement of resources to work effectively. The policing targets and demand for resources has been based on the analysis of preceding three years. This plan also highlights the mechanism for proper distribution and utilization of the available resources.

District Details.

Rawalpindi city lies in the north of Punjab Province. It is situated on the southern slopes of the North Western extremities of the Himalayas. It contains the Murree hills, the Chief hill station in the Punjab, which is a famous tourist spot. The main tribes of the district are the Rajput's, Syed, Khattar, Sheikh, Ghakkars, Awans, Gujjar, Abbasi, Khawaja, Bhatti, Chauhan, Mir, Butt, Lone, Wain, Mughals, Qureshi, Rawal, Arain and Satti. 90% Punjabi Language and 10% other languages are spoken in the district. English is also understood and spoken by the sizeable educated population.

Rawalpindi Division consists of District Rawalpindi, Attock, Jhelum and Chakwal. Rawalpindi District is the Regional Headquarter of the Rawalpindi Range and consists of 5 Tehsil i.e. Rawalpindi, Taxila, Gujar Khan, Kahuta, Kallar Sydan. This district has an area of 5286 km² about 1,375 km² is hilly area and Population around 54,05,633 as per census 2017.

4	Transport	50,000,000
5	Machinery & Equipment	5,000,000
6	Furniture & Fixture	2,500,000
7	Others	187,500,000

Comments by CPO Rawalpindi

Rawalpindi Police is facing unprecedented challenges of great severity and magnitude. The District Police Rawalpindi is primarily concerned with combating terrorism, fending off increasingly desperate and well-equipped criminals, and striving to live up to the growing expectations of the general population. These problems have an impact on the police's administrative, operational, and strategic goals. All of these conceptualizations of crime are outlined in the Annual Policing Plan 2024–25, which also provides suggestions based on our social and cultural standards and the capabilities of the police department.

In our commitment to fostering a balanced police force, we have integrated contemporary policing principles into short courses at Police Lines. Through this training strategy, we aim to transform the culture within police stations. To achieve this, we have implemented policy guidelines, such as rapid case registration, police

access checks, and a code of conduct for officers, alongside strategies to address issues like kidnapping for ransom and street crime. By utilizing cutting-edge control methods, our main focus is to prevent the escalation of crime, human rights abuses, and terrorism before they can spread further.

Our goal is to revolutionize the police force by shifting from a reactive Irish constabulary model to a proactive intelligence-led policing approach. This transformation involves comprehensive analysis of information, utilizing statistical data, and developing counter strategies accordingly. The primary responsibility for implementing these changes lies with the senior police command at the district level.

The Rawalpindi Police is dedicated to a comprehensive transformation, striving to become a highly professional, accountable, and service-oriented department that effectively upholds the law. We remain committed to eradicating criminals and terrorists, who pose a significant threat to the safety and well-being of the public, while honoring the sacrifices made by our brave police officers in combating the rampant crime that has afflicted our nation. Against this backdrop, we have diligently crafted the Annual Policing Plan 2024-25, which aims to recalibrate, revise, and evaluate our goals, objectives, and targets to effectively address the challenges that lie ahead.

Welfare Projects and 'IT' Initiatives

The Following IT Initiatives are functioning properly.

Sr.No.	Name of Software	Dealing Hand
1.	Command and Control Center Command & Control Center is established in CPO Office Rawalpindi to monitor and improve services like PUCAR-15, Vehicle Tracking System, Dolphin Tracking System, wireless control, front desk monitoring, lockup monitoring, SHO monitoring, PKM monitoring, PKC monitoring SIPS monitoring, TAG & CPU monitoring is replaced with TAB 15 call, Smart Eye management, E-Gadget, Tenant Registration System, traffic management using WAZE & Google Traffic, crime hotspot monitoring using PTZ cameras, Beat book management system monitoring AVLS monitoring, Biometric Attendance System, crime mapping, complaints monitoring, Harassment reporting unit.	Mumtaz Khan SI 0333-5138098

DISTRICT ATTOCK

Introduction

District Attock is surrounded on the North by Swabi and Haripur districts of Khyber Pakhtunkhwa, on the East by Rawalpindi, on the South by Chakwal district, on the South-West by Mianwali district, in the West by Kohat district and on North-West by Nowshera district of Khyber Pakhtunkhwa. The Indus River flows along the Western boundary of the district for about 130 Kilometers. It divides Attock district from the three bordering districts of Khyber Pakhtunkhwa.

Attock district is spread over an area of 6857 square kilometers comprising of following six tehsils:

- Attock
- Fateh Jang

- Jand
- Hassan Abdal
- Hazro
- Pindi Gheb

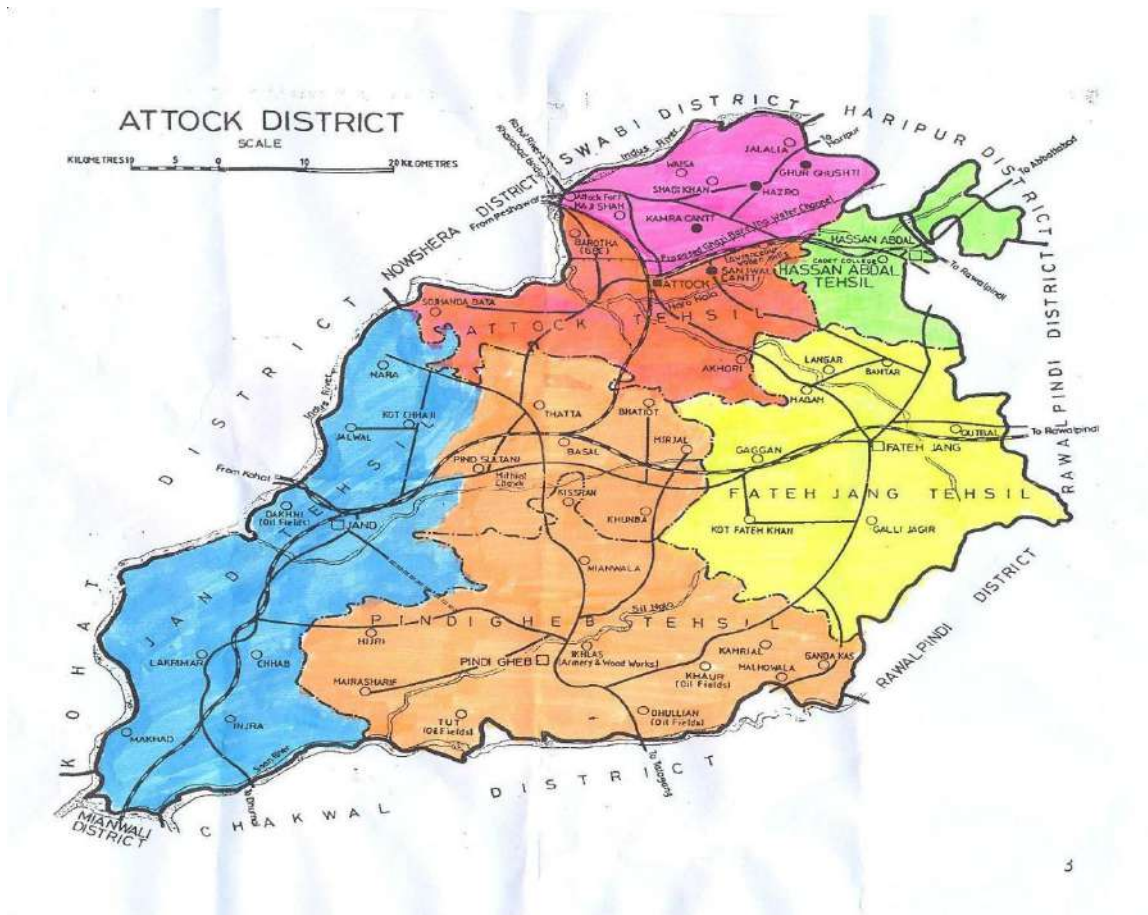

Attock is the Eastern terminus of the Kabul-Attock and is a corridor to the Central Asia. However, unlike the modern highways, this corridor is not a work of engineering marvel but an act of nature as it was naturally carved through the Hindu Kush Mountains by the legendary Kabul River and its numerous tributary rivers and streams. The 435 miles long journey of River Kabul starts just West of the Kabul city in Afghanistan and ends at Attock where it ultimately falls into the River Indus.

History

Attock is a place of great historic significance. Emperor Akbar the Great, the grandson of Babar, recognized the strategic importance of this area in 1581 and built the famous Attock Fort Complex. The fall of Mughal Empire in eighteenth century saw the rise of Sikhs in Punjab and Durrani Afghans to the West. Attock became a battle ground between two contending powers. British finally ended the feud by subjugating both Sikhs and Afghans in the nineteenth century. British at the same time also brought rail line to the area, built first permanent bridge in 1880 over the Indus River. The district was named as Campbellpur after the name of Sir Campbell who laid foundation stone of Campbellpur City in 1908 a few kilometers away on South-East of Attock Khurd Town. The district was constituted in 1904 by taking Talagang tehsil from Jhelum district and Pindi Gheb, Fateh Jang and Attock tehsils from Rawalpindi district. The city was renamed as Attock in 1978.

Climate

Attock district has a climate of hot summers and cold winters. The Northern part of the district is more humid and is more moderate in climate relative to the Southern part of the district due to the higher altitude. Geographically, the district mainly hills, plateaus and dissected plains. The Indus River flows on the Northern and Western borders of the district. After Haripur, the Haro River passes through the North of the tehsil of Attock where there is a flood plain with fertile soil. The district's average annual rainfall is 783 mm.

District Police Welfare Fund & Initiatives – Attock District

Submitted in accordance with the directives of the Inspector General of Police, Punjab, Lahore (Standing Order No. 15/2022), the following ongoing welfare projects and initiatives are being executed in District Attock:

District Police Welfare Projects

The following six (06) welfare projects are currently operational in District Attock:

1. Police Welfare Petrol Pump – Attock City
2. Police Welfare Petrol Pump – Hassan Abdal
3. SNK CNG Station – Attock City
4. Police Welfare Land/Plot – Attock City
5. Police Welfare Shop – Attock City
6. Police Welfare Shop – Hazor

Note: The income generated from these projects is utilized for the welfare of the Police Force, with prior approval from the District Welfare Management Committee, in accordance with Standing Order No. 15/2022.

Ongoing Welfare Initiatives

1. Medical Financial Assistance Provided to the Police Force in emergency cases such as road accidents, firearm injuries, or other critical medical emergencies.
2. Loans Financial support extended to employees based on individual need, as determined by the District Welfare Fund.
3. Immediate Funeral Charges Funeral assistance is provided to the families of police personnel who pass away during service, as well as after retirement.
4. Improvement of Messing and Recreation Facilities Upgrades and facelifts are carried out at Police Lines, Police Stations, and Guard Posts.
5. Ration Assistance Rations are provided during Ramadan for Sehr and Iftar in Police Lines Mess.
6. Provision of Food & Refreshments Food and refreshments are provided during special duties where no other funds are allocated.
7. Bara Khana on Eid or Other Formal Occasions Bara Khana is arranged on Eid festivals and during official gatherings such as Darbars.
8. Medical Camps All expenditures related to medical camps organized by the district are borne by the District Welfare Fund.
9. Paying Tribute to Shuhada

- a. On the martyrdom anniversary of each Police Shaheed, their family is presented with a gift hamper or a cash amount of up to Rs. 20,000/- as a gesture of respect and remembrance.

Newly initiated welfare schemes to enhance income

A land parcel measuring 2 Kanals and 1.44 Marlas, situated between two existing welfare projects in Attock City, was leased to a private contractor effective 01.03.2024.

- No cost incurred by the department for construction or maintenance.
- Full development responsibility rests with the contractor.
- Resulted in increased welfare fund revenue and operational savings.

Income enhancement measures

In line with the IGP Punjab's directives, the District Police Officer, Attock, held special meetings with project tenants. These led to revisions of lease agreements, thereby enhancing project income.

Establishment of police driving schools

Two Police Driving Schools have been established to provide driving training to both the general public and police personnel:

1. Police Driving School – Attock City
2. Police Driving School – Hazro

Income generated is used to cover operational costs (vehicle rentals, fuel) and support welfare activities.

Utilization of forklift vehicle

Police Forklift Vehicle is used to remove improperly parked vehicles and motorcycles from public roads.

- Income supports operational expenses (fuel, rentals).
- Remaining funds are utilized for police welfare.

Establishment of Police Medical Desk

A Medical Desk has been set up at the Traffic Office, Attock, to conduct medical fitness evaluations.

- Dr. Shahzaib Bhatti (MBBS) is hired on a five-year contract.
- 50% of the collected amount is paid as remuneration; the remaining 50% goes to the Traffic Welfare Account.

Establishment of Police Khidmat Marakiz

Six Police Khidmat Marakiz are operational across the district to provide services under one roof for public convenience:

- Attock
- Hazro
- Hassanabdal
- Fateh Jang
- Pindigheb
- Jand

Revenue generated is used for: utility bills, stationery, building renovation, purchase of IT equipment, etc.

Public Services Offered:

- Character Certificates
- General Police & Vehicle Verifications
- FIR, Lost Report & Crime Report Copies
- Legal aid (including women's violence)
- Tenant & Private Employee Registrations
- Vulnerable Person Registration
- Learner / International / Renewal / Duplicate / Fresh Driving Licenses
- Global / PPC MA / Dastak / FIA Requests

Police Khidmat Counters in Hospitals

Six Police Khidmat Counters are set up in major hospitals for police personnel, their families, and the public (MLC issuance):

- DHQ Hospital – Attock
- THQ Hospital – Hazro
- THQ Hospital – Hassanabdal
- THQ Hospital – Fateh Jang

- THQ Hospital – Pindigheb
- THQ Hospital – Jand

Establishment of Police Tahafaz Markaz

One Police Tahafaz Markaz has been established to support:

- Transgender individuals
- Vulnerable persons
- Special children
- Women

Revenue generated supports operational expenses such as utilities, stationery, and building upkeep.

Establishment of police meesaq center – Attock

One Police Meesaq Center has been set up to serve the minority community across District Attock by addressing their unique concerns.

Revenue is used for utilities, stationery, renovations, and IT purchases.

Moreover, increasing the revenue of the aforementioned welfare projects and establishing new ones are among the goals of this district.

Crime overview during the period from 01.07.2024 to 30.06.2025

DISTRICT JHELMUM

Introduction

Appreciation of scope and challenge of policing in a district requires, among other things, an understanding of certain peculiar characteristics of the district. Such features as geography, population, degree of urbanization, level of commercial and industrial activity, installations and places requiring fool proof security and relative importance of the district in the national context have a direct bearing on the nature of policing.

In ancient days Jhelum was known as Jalham. The word Jhelum is reportedly derived from the words Jal (pure water) and Ham (snow). The name thus refers to the waters of a river (flowing besides the city) which has its origin in the snowcapped Himalayas.

Jhelum is one of the oldest districts of the Punjab. It was established on 23.03.1849. It spreads over an area of 35873 Sq. KMs and has a population of 15,62,170 persons. This district has great historical importance with very rich heritage. This area has been

the route of foreign invaders for centuries. The district consists of four Tehsils i.e. Jhelum, Dina, Oshawa and Pind Dadan Khan. Country's main railway track i.e. Peshawar to Karachi main line passes across the district East to West from Jhelum, Dina and Sohawa as main stations. National Highway i.e. main Lahore-Karachi Road runs parallel to the main railway track. It shares its boundaries with Gujrat, Mandi Baha-ud-Din, Mirpur (AJK), Rawalpindi, Chakwal, Sargodha and Khushab districts. The major portion of the terrain consists of hills. River Jhelum marks the eastern boundary of this district.

Jhelum is 762 feet above the sea level. The highest point of Jhelum is known as "Tilla Jogian" which is located 3200 feet above the sea level. The weather invariably remains dry. Average rain fall is 74.5 mm per annum. The temperature remains 20 C in winter and 42.3 C in summer. The cultivation almost depends on rain fall. Most of the area is "barani". There are also tube wells in Tehsil Jhelum, part of Dina and Pind Dadan Khan which are used for agricultural purposes.

There are also three small water dams two i.e. "Teenpura", "Garate" dam in Dina Tehsil and one i.e. Jamargal Dam in P.S Chotala Tehsil Jhelum. The water of these dams is also used for cultivation purposes. The major crops of the districts are wheat, corn and maze. Salt and coal is derived from Pind Dadan Khan area.

The population mostly consists of Kashmiri, Gujjar, Rajput, Jatt, and Awan tribes.

The major profession of people is service in Armed Forces, hence they are generally disciplined and law abiding. A large number of people of this district are settled in foreign countries particularly Western Europe. Main source of livelihood of the people is agriculture. District Jhelum has few industries like Pakistan Tobacco Company Cement Factory and ICI Soda Ash Factory. There is no labour unrest and over all situations is quite peaceful.

DISTRICT SARGODHA

Introduction

Sargodha district is the 12th largest city in Pakistan. It is also an administrative center of Sargodha divisions located in the Punjab Province, Pakistan. It is one of the fastest growing cities in Pakistan. Sargodha is also known as City of Eagles. Sargodha is located 172 kilometers northwest of Lahore. It lies about 30 miles from the M-2 motorway, which connects Lahore and Islamabad. It is connected to the M-2 by 04 interchanges at different locations, Sial Morre, Kot Momin, Salam and Bhera. Sargodha is about 94 kms away from Faisalabad. Sargodha is also famous in the world for citrus production.

Topography

Sargodha mainly comprises flat, fertile plains, but here are a few small hills on the Sargodha-Faisalabad Road. The River Jhelum flows on the western and northern sides, and the River Chenab lies on the eastern side of the city. The city is located 190 meters above sea level.

Climate

The city has a climate of extreme heat in the summer and moderate cold in the winter. The maximum temperature reaches 50 °C (122 °F) in the summer while the minimum temperature recorded is as low as freezing point in the winter.

Population, Area & Sub-Divisions.

Total Population of district Sargodha is 3.9 million. The district has an area of 5,864 km² and there are a total of 08 Sub-Divisions in district Sargodha.

Objectives achieved during the year

- i. Effective campaign has been launched against proclaimed offenders & court absconders. Resultantly, 4645 P.Os have been arrested so far during the period. Moreover, 04 P.Os arrested through Interpol who proceeded abroad after committing crime.
- ii. Due to proactive policing and effective search operations in this district law & order situation is well under control.
- iii. Record of all police officials has been computerized via HRMS system.
- iv. Regular Training of I.Os to keep them familiar with modern techniques/SOP of investigation.
- v. Holding of seminars in Educational Institutions and distribution of awareness pamphlets regarding Traffic Rules.

Initiatives taken (any significant project/program.

- i. "Complaint Officer" has been deputed at each police station level for redressal of grievances of general public.
- ii. "Police Khidmat Counter" has been established in DHQ Hospital, Sargodha. Now injured persons without wastage of time, directly report to DHQ Hospital, Sargodha instead of police stations.
- iii. Establishment of visiting room at DPO office for general public.
- iv. Establishment of Shuhada Desk at DPO office to facilitate families of martyrs.
- v. Anti-Women Harassment Cell has been established in this office.
- vi. Investigation Monitoring Cell has been established in this office.

DISTRICT KHUSHAB

INTRODUCTION

District Khushab was elevated to a full-fledged district on 1st July 1982. It is one of the four districts of Sargodha division. Khushab district is bounded on the east by district Sargodha and towards west by district Mianwali. Chakwal and Jhelum districts lie on its north whereas districts Jhang & Bhakkar lie on its southern side.

Topography

Khushab is situated between the cities of Sargodha and Mianwali, on the west bank of river Jhelum. The district capital is Jauharabad (founded 1953). Khushab consists of agricultural lowland plains, lakes, hills and desert. The Thal desert forms the major part of Noorpur Thal Tehsil. The Thal desert is situated between the River Indus and the River Jhelum and the area is known as Sindh Sagar Doab. The soon valley (Salt Range) forms tehsil Naushera. The soon valley comprises hilly area and full of scenic beauty and ancient remnants. There are three lakes (Ochali, Khabbaki & Jahlar) in the soon valley, Kanatti Garden is the largest forest of Khushab district, located in Khabbaki village. Sakesar Peak is the highest point of the Salt Range situated in Khushab district.

Climate

The climate of Khushab differs in its all parts. In summer Noorpur Thal experience one of the highest temperatures in the country and the temperature rises upto 51 °C while soon valley experience mild and pleasant temperature during this period. The winter

is relatively harsh in soon valley and Sakesar receives snowfall. Both Thal desert and soon valley are arid and depends heavily upon rains for agricultural activity.

Population, Area & Sub-Divisions.

Total Population of district Khushab is 1.308 (M) (approx) according to the 2012 Census. The district has an area of 6532 square kilometers. The district has four Tehsils i.e. Khushab, Noorpur Thal, Quaidabad & Naushera. There are 03 police sub divisions and 09 police stations in the district.

Objectives achieved (during the year)

- i. Revamping of complaint Cell for the redressal of grievances of public at large.
- ii. Computerization of record of police stations.
- iii. Effective crime prevention and detection, improvement has been made in arrest of POs (138 category A 1605 category B POs).
- iv. Welfare of the force up to the set targets and according to directions of W/IGP has been achieved within the available resources.
- v. Engagement of community for effective policing has been ensured.
- vi. Foolproof security to sensitive installations & foreigners has been provided.
- vii. Religious harmony has been achieved.
- viii. Due to effective policing no major incident has been reported.
- ix. Excellent coordination with other organs of criminal justice system has been achieved.

Initiatives taken (any significant project/program).

- i. Establishment of separate & dedicated CRO Branch at DPO Office.
- ii. Provision of clean drinking water to all police stations for facilitation of force and the general public.
- iii. Establishment of Resource Management Centre (RMC).
- iv. Establishment of Mobile Khidmat Markaz to facilitate the public at their doorstep.
- v. Establishment of Virtual Women Police Desks in all police stations as well as DPO Office Jauharabad

DISTRICT MIANWALI

Introduction:

Mianwali used to be the part of Banu district but on November 9th, 1901 a new district was made with headquarters at Mianwali city. District Mianwali shares its boundary with district Attock on North-East, Chakwal and Khushab districts on East and Bhakkar on South and Khyber Pakhton Khaw on its West and North-West. River Indus flows across the district from North to South. Three branches of the Thal Canal Emerging from Jinnah Barrage on river Indus near Kalabagh which irrigates the vast areas of Punjab. Another canal called Chashma Jhelum Link Canal connects river Indus with river Jhelum through Chashma Barrage. Most of the population resides in the rural areas. Niazi tribe is the most famous tribe of this District. Mostly people speak a unique dialect of Seraiki which borrows many words from Hindko and Pashto. District Mianwali is spread over an area of 5,840 square kilo meters comprising of three tehsils i.e., Mianwali, Isa Khel & Piplan. However, there are 5 Police Subdivisions namely Isa Khel, Daud Khel, Musa Khel, Piplan and Saddar division Mianwali. Its population is more than 17 lac persons (approximately). The following main Highways passes through this District.

- i. Mianwali _ Sargodha Road
- ii. Mianwali – Multan Road
- iii. Mianwali – Banu Road
- iv. Mianwali – Talagang, Rawalpindi Road

- v. Kundian – Dera Ismail Khan Road
- vi. Kalabagh – Kohat Road

CPEC Mianwali: To improve the lives of the people of Pakistan, a project namely CPEC (China-Pakistan Economic Corridor) has been developed by China, aiming to establish an economic corridor that promotes bilateral connectivity, infrastructure development, exploration of investment potential, economic and trade growth, logistics, and people-to-people contact for enhanced regional integration. The M-14 Motorway, a key part of this corridor, passes through the districts of Attock and Mianwali in Punjab and enters Khyber Pakhtunkhwa. The last interchange of the motorway is Yarik in D.I. Khan, while Abdul Khel Interchange provides access to Lakki Marwat district. M-14 serves as a strategic route for the districts of Khyber Pakhtunkhwa and adjoining areas, linking them directly to the federal capital Islamabad and other parts of the country.

CPEC also passes through Mianwali district, where it traverses the Sindh Sagar Doaba region and crosses the Indus River near Mianwali before entering Khyber Pakhtunkhwa. Due to this development, the distance between Islamabad and Mianwali has been reduced to just two hours, greatly improving accessibility. In addition to enhanced connectivity, CPEC has brought numerous positive impacts to Mianwali, including the potential for industrial development, growth in local trade and commerce, increased employment opportunities, improved real estate value. The project has also encouraged the development of ancillary infrastructure, such as service areas, communication networks, and transport facilities, contributing to the overall socio-economic uplift of the region.

Objectives Achieved:

During the year 2024-2025 district police Mianwali has achieved the following objectives: -

1. The Safe City Project Mianwali, initiated under the Punjab Safe Cities Authority (PSCA), aims to enhance security and improve law enforcement capabilities through modern surveillance and communication technologies. The project includes the installation of high-resolution CCTV cameras, automatic number plate recognition systems, and the establishment of an Integrated Command,

Control, and Communication Centre (IC3) to ensure real-time monitoring and rapid response to emergencies.

2. Effective campaign has been launched against proclaimed offenders. Resultantly, 2098 POs have been arrested so far.
3. Due to proactive policing and effective search operations in this district no case of Dacoity with kidnapping is reported during the above-mentioned period.
4. Entry exit points with bordering district of KPK has been secured by establishing check posts and establishing of security cameras, which are running around the clock.
5. By establishing new Khidmat Markaz Mianwali, PKM Kukran Wala, PKM Katcha Pakka Mor and PKM Harnoli. Khidmat Counter THQ Piplan, Khidmat Counter THQ Esa Khel and Khidmat Markaz Mianwali has made it possible for public to easy access and door step facilities under one roof.
6. A dolphin squad was established to reduce street crimes and overall crimes was a successful experience and now is being served for quick action on 15 calls to respond with in shorter possible time. Because of good performance Dolphin Squad is deputed to secure 65% schools and collages for protection at the opening and ending time.
7. "Police Khidmat Markaz Piplan" and "Police Khidmat Counter in THQ Piplan" as well as "Khidmat Counter THQ Esa Khel" has been established now, and injured/needly people of this area can directly report to their concerned hospitals instead of Police station.
8. The District Police Mianwali has established a Police Public School Collage at Police Lines, Mianwali to provide the best standard of education in affordable fee to the children of police official (including children of Shuhada) as well as general public.

Initiative taken:

1. A new building of Police Khidmat Markaz Jahaz Chowk has been constructed in premises of Police Lines Mianwali.
2. Khidmat Markaz Bangi Khel has been established for driving license learner permit of general public.

Brief overview of the prominent/high profile case/cases (if any):

During this period, 02 Proclaimed offenders have been arrested through INTERPOL after obtaining Red Warrant. Furthermore, 03 accused persons/proclaimed offenders have also been arrested through PCL (Passport Control List) in specific period mentioned above.

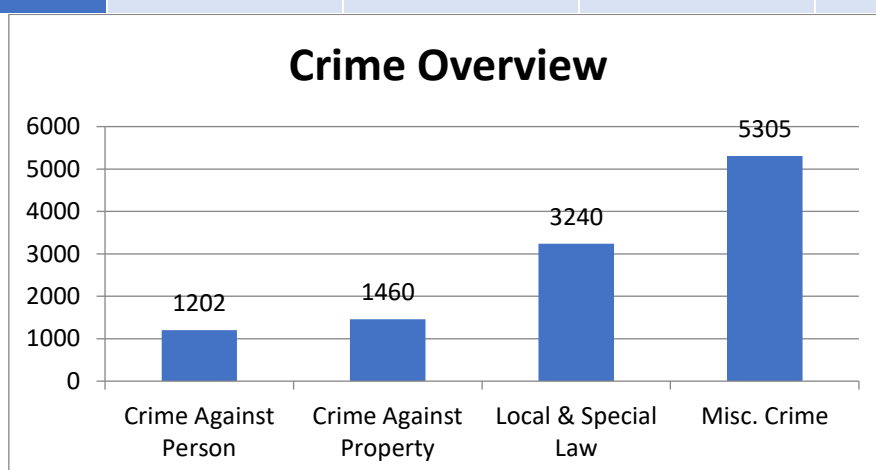

In this district, 01 gang involved in Dacoity has been traced and 07 accused persons were arrested. Further, Rs.26,03,000 have also been recovered from accused persons as a case property.

In this district, total 04 cases of blind murder were registered out of which 03 cases has been traced, arrested and challaned to court while hectic efforts are being made to trace the actual accused.

DISTRICT BHAKKAR

Introduction

- ✓ Bhakkar District established in 1982 is a far-flung district of the Punjab with no significant urbanization. The district borders DI Khan (KPK) with a riverine belt of 135 Km between the two sensitive districts and one of the biggest District of Punjab area wise.
- ✓ The main Crops are sugarcane, wheat and pulses. Thal desert takes a major chunk of the area
- ✓ Strong sectarian history and sensitivity due to contiguity with DI Khan and Jhang
- ✓ Majority of inhabitants are poor and are associated with agriculture as their source of income. Thal desert covers a significant chunk of the district area with Mankera being the largest sub-division of the Punjab area-wise.
- ✓ District Bhakkar has high level of political activism without any influence of political parties with major players being Niwanis, Dhandlas, Shahanis, Masti Khails, Khanan Khails and Niazis
- ✓ District Bhakkar consists of 4 Sub-Divisions, i.e. Sadar Bhakkar, Darya Khan, Kallurkot and Mankera. There are 12 Police Stations and 4 Police Posts.

Topography

Bhakkar mainly comprises flat, fertile plains. The River Indus flows on the western.

Climate

The city has a climate of extreme heat in the summers and moderate cold in the winters. The maximum temperature reaches 50 °C in the summer while the minimum temperature recorded is as low as freezing point in the winter.

Population, Area & Sub-Divisions:-

Total Population of district Bhakkar is 1957470. The district has an area of 9154/Sq km and there are total 04 Sub-Divisions in district Bhakkar.

CHAPTER 29

FAISALABAD REGION

Introduction

This Statutory Annual Report is based on requirements of Police Order 2002 for the Provincial Government and oversight by the Provincial Public Safety and Complaint Commission.

Faisalabad district spreads over an area of 5856 square kilometers with a population proximately more than 8 million. There are forty-five Police Stations in Faisalabad district including one women police station. Police to public ratio is 1 to 915 which is below then the national as well as international standards. An officer of the rank of SSP or DIG heads Faisalabad Police assisted by 2 SSP's (Operations & Investigation). Faisalabad Police is divided into five Divisions which are headed by an officer of SP rank. 85% of the police strength consists of the Constables and Head Constables thus being the most visible part of the force which interacts with public more frequently.

Vision

Faisalabad Police is striving hard to deliver for community, achieve excellence in everything it does and in doing so provides a world class service. This is not just in relation to national performance tables but being recognized as a worldwide center of excellence for our policing outfits. In order to realize this ambition, vision of the Police for City of Faisalabad is appended below:

"The relentless pursuit of excellence to deliver outstanding service, staff, performance and reputation"

Mission

Our core mission is to make the City of Faisalabad safer by upholding the law fairly and: Preventing crime and antisocial behavior; keeping the peace; protecting and reassuring the community; investigating crime and bringing offenders to justice.

Values

Faisalabad Police will strive to uphold the following values which promote professionalism and Trust:

Integrity

Integrity to Faisalabad Police means acting in accordance with the values of the organization. It is about being trustworthy, reliable, committed and there is an expectation that confidence and support of their colleagues to challenge behavior falls below the standards, expected by the Force. Our behavior, actions and decisions will always support the public interest and those work in partnership. We value public trust and confidence in policing and to earn this we will open scrutiny and transparent in our actions. We will respond to well-founded criticism with willingness to learn and change. We fully support the National Police Code of Ethics.

Fairness

We are an organization that believes in openness, honesty and fairness. We believe in mutual trust and respect, and in valuing diversity in our role both as employer and everyone's talents in order to meet the needs of the organization, and those of the community we serve.

Professionalism

Professionalism is a quality that we highly Value. We expect our staff to be dedicated to professional development, both for themselves and the people they are responsible for, and empowered to use discretion and common sense to make important operational decisions at the correct level. Being professional ensures that we meet the needs and demands of our customers to deliver high quality, fast and effective Services.

There is a strong belief and commitment at all levels of the organization that adherence to being professional produces better outcomes for our community and greater success for the City of Faisalabad Police.

"Our values underpin everything we do"

Executive Summary

Realizing to improve and soften police image and to build positive relationship between Society and Police, we have exhibited great willingness and commitment to improve the working of Faisalabad Police.

Terrorism is not only challenge that police has been facing. Poverty, Illiteracy and growing urbanization are also responsible for surge in crime. Despite having limited resources, both men and material, viz-o-viz the criminals, Faisalabad Police has improved its working during the year 2023-24. There is an increasing trend to address the complaints of the general public through various mechanisms on the part of Faisalabad Police. Number of Vehicles has increased manifold which in turn is a great challenge for Faisalabad Police In maintaining the road discipline, traffic management and road safety. There is a constant need to improve the methodology, contents and type of courses for enhancing the professional skills of Police functionaries.

Faisalabad Police reviewed the law-and-order situation, performance, issues and constraints in effective functioning such as shortage of police strength, lack of modern weapons and equipment as well as efficiently trained police officers. Faisalabad Police also deliberated on ways and means for positively changing police image and culture. Faisalabad Police greatly contributed towards devising a policy mechanism to ensure public safety at all levels.

The present report covers only a period of 12 months (i.e. 01.07.2024 to 30.06.2025) outlining the activities of Faisalabad Police.

Objective Achieved

Law & Order Situation

The overall law & order situation in Faisalabad District remained satisfactory and under control as no incident of terrorism or sectarianism causing public alarm or concern occurred during this year. Important events like Ramadan, Eid-ul-Fiter, Eid-ul-Azha and Muharram passed peacefully due to effective mechanism in maintains Law & Order situation.

Apart from carrying out its routine duties, like prevention of crime and maintaining public order, it constantly confronted the challenges of violent protest by different

segments of political / social elements. Important law and order Issues confronting Faisalabad during period above report mention below:-

- Labor Quami Movement (LQM) protests for Increase in wages, issuance of social security cards, and provision of other basic facilities and registration of factories.
- Protests by Paramedics staff of government hospitals for the approval of service structure.

Initiatives

The Faisalabad Police initiated the following strict measures to control the substantial crime, maintenance of peace and Improve law & order:

- MERA PYAARA APP
- ZARA Zainab Alert
- RMC
- CRI

Prominent/High Profile Cases

Kidnapping for Ransom

A man named Abdul Samad Rao (age 32) was kidnapped by unknown suspects who demanded a ransom of Rs. 02 crore through a telephone call. A case was registered

under FIR No. 202 dated 27.01.25 under No. 365A PPC PS Khurainwala. A special team was formed in this regard and rescued the kidnapped Abdul Samad Rao and arrested the accused Muhammad Hassan and others and conducted an identity parade. They were later summoned and the ransom money was recovered. This case was a challenge for the Faisalabad Police and by the grace of Allah Almighty, the target was achieved in a short time.

Blasphemy Case

Accused Muhammad Abbas allegedly desecrated a signboard with a religious inscription.

A crowd gathered, but the police took timely action to control the situation. An FIR (No. 479, dated 09.03.25) was registered under Section 295-A PPC at PS City Jaranwala. The police showed professionalism by shifting the accused to safety and issuing a challan. The police's swift and effective response was appreciated by the public, despite initial anger and resentment. This incident highlights the importance of prompt police action in maintaining law and order, particularly in sensitive situations involving religious sentiments.

Crime Overview

A total number of 82249 cases were registered during the year 2024-2025, which was 79576 higher than the cases registered during the previous year. Crime against property and person increased by 839 and 626 respectively. However, the proportion of the miscellaneous cases (Criminal/trespass), motor vehicle accidents and violations of local and special law remained substantial. Some of the important reasons for increase in crime include; increase in population, unemployment/poverty, urbanization, mushroom growth of slums, shortage of police strength and resources etc.

Kidnapping / Abduction:

Total 2754cases were registered during 2024-25 as compared to 2118cases of 2023-24, showed an Increase of 636cases.

Kidnapping for Ransom:

Total 04cases were registered during 2024-25 as compared to 07cases of 2023-24, showed a decrease of 03cases.

Highway Dacoity:

Total 04cases were registered during 2024-25 as compared to 21cases of 2023-24, showed a decrease of 17cases.

Other Dacoity:

Total 159cases were registered during 2024-25 as compared to 194cases of 2023-24, showed a decrease of 35cases.

Highway Robbery:

Total 139cases were registered during 2024-25 as compared to 140cases of 2023-24, showed decrease of 01case.

Other Robbery:

Total 1119 3cases were registered during 2024-25 as compared to 11194cases of 2023-24, showed a decrease of 01case.

Motor Vehicle Snatching:

Total 2489 Cases were registered during 2024-25 as compared to 2491 cases of 2023-24, showed a decrease of 02 cases.

Motor Vehicle Theft:

Total 10584 Cases were registered during 2024-25 as compared to 10584 cases of 2023-24.

Total Crime

- 7001 Proclaimed Offenders were arrested during the year 2024-25.
- 1931.500 kg of Charas, 107.365 kg of Opium, 221.925 kg of Heroine, ICE 64.784 kg and 69650 liters of liquor were recovered during the year 2024-25.
- 136 Kalashnikovs, 229-Rifles, 3672-Pistols and 15872 bullets were recovered during the year 2024-25.

Conclusion

Involvement of community towards safe guarding the interests of the society including protection of human rights, service delivery and maintenance of law & order Is the first step; Faisalabad police is putting its utmost efforts in bridging the gap between community and itself.

Despite the availability of meager resources, the local police strive hard to ensure peace & harmony in the area and through effective involvement of community, sectarian tension in the area is rooted out. The fundamental objectives of force to serve the nation will be continued to maintain peaceful atmosphere for the people of Faisalabad District.

DISTRICT CHINIOT.

Introduction

This Statutory Annual Report for the financial year 2023-2024 has been framed under Article 92 (f) of Police Order 2002. This document chiefly aims at the objectives achieved and initiatives taken by the District Police Chiniot. Chiniot City, the administrative headquarters of Chiniot District is situated on the bank of the river Chenab, it is known for its intricate wooden furniture, architecture, Mosque

(Badshahi Masjid), and Haveli (Umar Hayat Mahal). Chiniot City lies on the left bank of the Chenab River amidst small rocky hills. It is at the intersection of Faisalabad, Sargodha, Lahore and Jhang roads. It is 158 kilometers northwest of Lahore and 38 kilometers north of Faisalabad. Chiniot City is spread over an area of 10 square kilometers with an average elevation of 179 meters (587 ft).

JHANG DISTRICT

Introduction

This is the Annual Policing Plan 2024-2025 of Jhang District and has been framed keeping in view the statutory provisions of the Police Order 2002. The objective of this plan is to afford environment to the people of the district in which they do not have a general sense of insecurity. It is aimed at reducing crime about which people are really worried. Policing in modern times is a complex task. The days of the reactive policing are over and a new era of proactive policing has commenced. Therefore, this annual policing plan has been framed keeping in view the geographical location of the district, its essential features, analysis of the past five years crime along with wide ranging discussions, debates, seminars, interviews, consultations and meetings held with a cross section of society. This plan adequately reflects the trend of crime and the needs and expectations of the community. Not only the measurable targets have been identified, key actions and mechanism to achieve these targets have also been mentioned under each head of crime.

Achieving the objectives outlined in the plan is a gigantic as corresponding task. Adequate resources are not available to the district. Responsibility of maintaining public peace has become complicated due to sectarianism and other social of economic factors. Notwithstanding these shortcomings, district police Jhang is determined to strive to the utmost for realization of these targets so that qualitative and meaningful policing is provided to the people on whose behalf we undertake these onerous responsibilities. We plan to work in close cooperation with law abiding citizens

and their representatives for establishment of rule of law as well as apprehension of offenders. We substantially depend on public support by bringing about qualitative change in the attitude of the police particularly the staff posted at the police stations so that our fight against both crime and criminals is undertaken with necessary strength and support of the people. I am confident that we will deliver in accordance with the expectations of the people as I have faith in my officers and subordinates for adequately meeting this challenge.

District Profile

Jhang is a District in the Faisalabad region of the Punjab Province of Pakistan. It is one of the oldest districts of the Punjab declared in 1849. The total area of the district is 8809 sq. kilometers or 3401 sq. miles. Geographically, the District Jhang is the oldest District in the sub-continent, which was established around 2000 BC, when it was known as "Jhang Sial". Jhang is bordered by Sargodha & Chiniot District to the North, Faisalabad District & Toba Tek Singh District to the east, Khanewal District & Muzaffargarh District to the south, Layyah District & Bhakkar District to the North West. Jhang District have 14 Police Stations and 19 Police Posts. The District Police is all set to deliver to the people on the basis of need analysis by revamping its orientation and attitude to conform to the new good governance, parameters and aspirations of the people.

Initiatives

Operational

Operational priorities of District Police for the financial year 2024-2025 are as under:

1. Maintenance of Public Peace & Order.
2. Drive against Criminals and Narcotics Peddlers.
3. Combat against terrorism.
4. Sectarian harmony.
5. Effective control over violent crime.
6. Security of Sensitive Installations, Foreigners and Dignitaries.
7. Free and Prompt Registration of Cases.
8. Ensuring Fair and Speedy Investigation.
9. Preventing Heinous Crime against Person and Property.
10. Prompt and Professional Response on Calls for Service.
11. Contingency plan for meeting emergencies and annual events like Moharram.
12. Promotion of Police-Public Liaison.
13. Control over traffic accidents.
14. Extension of Police Khidmat Markaz at Tehsil Level.
15. Establishment of Medico Legal Certificate counter at Tehsil level.
16. Establishment of DRC (Dispute Resolution Committee)

ADMINISTRATIVE

Administrative priorities of District Police for the year 2024-2025 are as under:-

1. Improvement of police image.
2. Change in Thana Culture.
3. Community Policing.
4. Redressal of Public Complaints.
5. Monitoring and vigilance.
6. Improving discipline and accountability.
7. Help/Service Oriented Police.
8. Merit-Based Recruitment and Promotion.

9. Raising training standards.
10. Welfare of the force and projects being implemented.
11. Computerization.
12. Good behavior with the Public.
13. Financial discipline.

Mechanism to achieve targets.

Plan for operational Targets:

Comprehensive strategy is being implemented to achieve the targets, which are as under:

Maintenance of public peace and order.

1. Remain alert to maintain peace and order during public protests.
2. Resort to minimum and necessary use of force dispersing an unruly mob or tracking a violence prone situation.
3. Regulate processions and public gatherings in accordance with Police Order, 2002, Criminal Procedure Code and Police Rules.
4. Maintain peace and harmony during Muharram, national days and on special occasions.
5. Work in unison with public representatives for maintaining of peace and order in accordance with government policy.
6. Develop a Control Room to monitor law and order situation during Moharram-ul-Haram and other important events.
7. Security Checking through integrated security officials' team.
8. Installation of CCTV Cameras on Police Vehicles and routes of the processions etc.

Drive against criminals.

1. Pursue Target Offenders and POs and reduce their number by at least 60% by end of financial year 2024-2025
2. Action u/s 88 Cr.PC against all Proclaimed Offenders.
3. Addition of maximum hidden POs and follow-up of their arrest.
4. Help Ehtesab Bureau and Special Courts in arrest of wanted persons.

5. Action u/s 514 Cr.PC against sureties of Court Absconders through learned Courts.
6. Arrest of POs having Head Money and borne on Black Book and Red Book.
7. Action against Harborers and patronizes of criminals.
8. Combing operations in crime infested areas.
9. Action against illicit arms, narcotics and prostitution dens.
10. By name allotment of POs to different IOs and SHOs for their early arrest.
11. Round the clock patrolling and proactive policing.
12. Installation of trackers in all patrolling vehicles of Police and their real time, round the clock monitoring through Control Room.
13. Computerization of FIRs.
14. Computerization of Criminal Record of offenders.
15. Surveillance of Hotels/Sarae/Guest houses and rented building through software application.

Combat against terrorism.

In order to achieve control over terrorism, the following measures have been adopted:-

1. Vigilant eye on the activities of the activists of the proscribed organizations and persons on 4th Schedule of ATA 1997.
2. Deployment of force and installation of CCTV Cameras at Mosque/Imam Bargahs, Churches and Shrines etc.
3. Updating the list of Afghan Trained Boys.
4. Action against the harborers of the activists.
5. Deployment of force in plain clothes to watch over the activities of the suspects at the vital installations and important public areas.
6. Implementation of security plans for security of Court Houses and Judges. .
7. Constitution of special Teams for the arrest of Sectarian POs/Terrorists.
8. Security of the persons on Hit-List.
9. Updating the record of property dealers, regarding the persons who obtain rented houses through them. Like-wise updating of record of Hotel/Sarai visitors.

10. Surveillance of Hotels/Sarae/Guest houses and rented buildings through software application.
11. Action against chanda collection and hate material.
12. Ban on fiery speakers.
13. Close coordination with sister intelligence agencies.

Sectarian Harmony

1. Close liaison and contact is being maintained with the prominent leaders of all sects.
2. Holding of regular meetings with the Members of District Peace Committee including the notables of all sects.
3. Special steps are taken to ensure the sectarian harmony for effective security arrangements especially during the Moharram-ul-Haram and all other religious occasions.
4. Equal and even-handed treatment with all sects.
5. Implementation of Punjab Sound Systems (Regulation) ACT, 2015.
6. Meetings of Interfaith harmony.

Effective control over violent crime.

In order to achieve control over violent crime against person i.e. Murder, Attempted Murder etc., timely preventive measures are initiated, against inimical parties even in case of minor disputes. Moreover, in families where old enmity subsists, the parties are persuaded to compromise through conciliatory efforts of the respectable and local public representatives.

Security of sensitive installations, foreigners and dignitaries.

1. Security against sabotage of all key installations.
2. Security of Government functionaries and buildings against suicide attacks and bomb blasts.
3. Security of all foreigners, including Chinese national, involved in development projects in the province.
4. Security according to Blue Book for all visiting dignitaries, VIPs and diplomats etc.

5. Coordination on security matters with Armed Forces, and Intelligence Agencies.

Free and prompt registration of cases.

1. Open door policy' Establishing complaint centers and holding Khuli Kachahris by the DPO, SDPOs and SHOs in mosques and other places.
2. All criminal cases, particularly against property will be registered freely and promptly.
3. Cases would preferably be registered on written statement duly signed by the complainants.
4. Reporting rooms in all police stations to be upgraded.
5. Establishing Women Help Desk at DPO Office with female staff.
6. Establishing Front Desks in all Police Stations staffed with well-educated I.T. familiar Police Station Assistants/Senior Station Assistants.
7. Establishing Women Desks at all Police Stations for facilitation of the Women victims.
8. Patrons of criminal and men of influence harboring absconders or criminals would be special target of the District Police in order to ensure rule of law.
9. Citizen Feedback Model for having feedback of general public regarding action taken by police to redress their grievances.

Ensuring fair and speedy investigation.

1. Monitoring through early dispatch of case diaries.
2. Investigation of Special Report cases will be accorded the highest priority.
3. Weekly meetings at the level of SHOs, SDPOs and DPO will be held to review and monitor investigations.
4. Complete/Interim/Incomplete challans will be submitted before trial courts within 14+3 days.
5. Investigation teams will be constituted in each investigation section of the police station in accordance with volume of crime based on average statistics of last five years.
6. Punishments to the Investigating Officers failing to finalize investigations within stipulated period and rewards to those showing efficiency and merit.

7. Use of scientific aid for the investigation purposes.
8. Refresher courses for Investigating Officers with the help of judiciary and prosecution department.
9. Completion of investigation as per SOPs circulated by the competent authority.

Preventing heinous crime against person and property.

1. Reduce incidents of highway robberies in the district.
2. Utilization of Punjab Highway Police for Nakabandis and general hold ups.
3. Special attention will be given to control heinous crime against property.
4. The following measures are taken to prevent crime.
5. Proactive policing.
6. Preventive policing.
7. Training and capacity building.
8. Improved detection and prosecution.
9. Involvement of community policing.
10. Police image-improvement measures.
11. Special initiatives for improvement of police station, traffic management and highway safety.

Prompt and professional response in calls for service.

1. Rescue-15 would be a model response center for citizens' calls for service or information. The District Police will reach the door steps of citizens in less than 05 to 10 minutes.
2. Rescue-15 Response Center has been improved utilizing Information Technology and monitoring of feedback. The complainants/informers are being updated through SMS.
3. A Police Ambulance shall invariably be stationed at Rescue-15 Center and shall respond in criminal cases of attack or medical emergencies.
4. Stolen/snatched vehicles data has been stored in Rescue-15 Center for professional input to patrolling officers or investigators.

5. Emergency response mechanism in case of gruesome acts of terrorism, law and order situations or natural calamities has been developed in Rescue-15 Center.
6. School Security Management System has been installed at Central Control Room.

Contingency plan for meeting emergencies and annual events like moharram.

Following measures have been adopted for maintenance of peace and tranquility during emergencies and annual events like Moharram:-

1. A comprehensive security plan has been prepared with specific duties of available manpower.
2. Mock exercise on different occasions.
3. Close coordination with the other agencies, especially with Civil Defence, Hospitals and Intelligence Agencies.
4. Close surveillance of suspects and persons of 4th Schedule of ATA, 1997 and other elements of sectarian/terrorist organizations e.g. ATBs, LMEs and RsGB.
5. Banning and detention of fiery speakers of sectarian organizations.

PROMOTION OF POLICE-PUBLIC LIAISON

1. Be responsive and work in coordination with the Community through appointment of community police offers in various police stations.
2. Work with NGOs in creating awareness about policing priorities and promote public tranquility.

Constitution of dispute resolution committee.

A Dispute resolution committee has been established at District Level and others at each police station level. These committees have been constituted under the direction of IGP Punjab in consonance with the article 168-B of police order 2002. The basic function of these committees would be to facilitate the people by solving their petty disputes/ issues of non-cognizable nature by police. Hence the police would be spending its all energies and recourse to fight crime against property, maintenance of law and order and other important issues.

Control over traffic accidents.

Following measures have been adopted for effective control over fatal accidents: -

- Action against rash and reckless driving.
- Cancellation of Driving Licenses and route permits in case of fatal accidents.
- Briefing to the road users.
- Installation of light reflectors.

Plan for administrative targets:

Improvement of Police Image

1. The primary strategy and device for building up a sound public image of the Police Force is overall concrete and tangible out-put, significant achievements in prevention and detection of crime widely splashed in the media, highly decent and attitude for the redressal of their grievances in matters relating to Police for which officers and Jawans of the district Police have been thoroughly briefed with elaborated instructions. The delinquents shall be dealt with strict departmental action commensurate with the gravity of the violative conduct.
2. Open Kachahris in Mosques are also being arranged for the improvement of police image.
3. Gifts, sweets and toffees are distributed among children by visiting different localities and schools.
4. Participation in different events arranged by Educational Institutions, different departments and Civil Society.
5. Highlighting police good performance in the media.
6. Radio Kachahri on local FM Radio for having feedback of general public and to know their grievances.
7. Complainants visiting DPO Office are served with tea or cold drinks as per weather conditions.

Change In Thana Culture

1. In order to improve the image of Police in general public, change in "Thana Culture" is indispensable. In order to achieve this goal well-furnished reception rooms have

been established at police stations to provide public friendly and congenial environment. Front desks are the latest example of this initiative.

2. Well, educated and I.T. familiar Police Station Assistants and Senior Stations Assistants has been posted at all front desks.
3. Strict accountability is being ensured. Complaints against police personnel are decided on priority basis and delinquents are punished adequately.
4. District Complaints Cell is exercising its role effectively.
5. Regular courses are being arranged at District Police lines.

COMMUNITY POLICING.

1. Participation of public in prevention of crime.
2. Building mutual trust and co-operation.
3. Impartial services to every segment of society.
4. Minimum use of Force.
5. Fixation of time by SDPOs and SHOs for hearing public complaints.
6. Establishment of Model Police Stations.
7. Frequent meetings with public representatives and notables of the area.
8. Frequent meetings with the representatives of Civil Society Organizations including Anjuman-e-Tarjan Peace Committees etc.

Redress of public complaints.

- The public complaints received from the offices of Chief Minister Punjab and Chief Secretary; Punjab will be disposed of on priority basis.
- The complaint cell already working in the DPO Office has been improved.
- Establishment of Women Help Desk under woman police officer.
- Every complaint, whether false or true, must be responded to by telephone call, letter, email or SMS.

Monitoring and vigilance.

1. Monitoring of submission of challans, police torture cases, service of summons/warrants, arrest of POs/CAs at district and sub-division level. .
2. Vigilance by posting special officers/officials for different tasks. .
3. Surprise visits to the police stations/police posts and judicial lock-ups.
4. Strict action against police torture and illegal detentions. .

5. Installation of trackers and CCTV Cameras on Police Patrolling vehicles.

IMPROVING DISCIPLINE AND ACCOUNTABILITY.

1. Establishment of Internal Accountability Division by posting honest and experienced police officers.
2. Zero tolerance policy against complaints of police torture and corruption.
3. Rewards to the police officials / officers showing excellent results and merit-based working during their services.
4. Refresher courses with the help of religious scholars and other prominent figures.

HELP/SERVICE ORIENTED POLICE.

This means responding to incidents, which are not crime. Providing help and assistance to lost children and mentally retarded people, making good name to the department. Assistance in flood or other emergencies improve the image of police.

MERIT-BASED RECRUITMENT AND PROMOTION.

- Merit-based recruitment of Constables to fill all vacancies.
- Merit-based promotion to the ranks of Head Constable.

RAISING TRAINING STANDARDS,

At district level Police Lines School has been revived and short/refresher courses are being arranged to improve the quality of investigation and behavior of the police with general public. Besides this, Advance Investigation and TOT Courses are also being arranged regularly.

WELFARE OF THE FORCE AND PROJECTS BEING IMPLEMENTED

The following steps have been taken at district level for welfare of the force and their families.

FINANCIAL AID TO WIDOWS.

During the current financial year, special attention was paid to the welfare of the force and especially welfare of the 4 widows of late police employees. An amount of Rs. 3603280/- is being paid to all the widows on quarterly basis.

WELFARE OF WIDOWS OF MARTYRS OF POLICE FORCE.

This important aspect of the welfare of the force is never ignored and on the eve of different occasions i.e. 23th March, Ramadan-Ul-Mubarak and Eid-ul-Fitar in the year 2024-2025 an amount of Rs.1959294/- was distributed to widows/legal heirs of 39 Martyrs of police force .

Welfare Projects.

The following are further projects/targets of the District Police for welfare of the force:-

1. Establishment of Police Welfare Markets of Police lines Jhang .
2. Establishment of Police Welfare Petrol Pump at Jhang Faisalabad Road.
3. Treatment of special children of Police personnels.
4. Health screening test of all Police Force.
5. Establishment of Police Driving School at tehsil level.
6. Establishment of Police Khidmat-Markaz at tehsil level.
7. Establishment of plaza at PS Kotwali.
8. Establishment of plaza at PS Garhmahraja.

DISTRICT T.T. SINGH

Introduction

District Toba Tek Singh has 04 Police Sub-Divisions, 12 Police Stations and 04 Police Posts, having 04 Revenue Sub-Divisions comprising 807,238 Acres area. Earlier it was a sub-division of District Faisalabad and it was given the status of District on 01-07-1982. District Toba Tek Singh is bordered by Faisalabad District to the East, Khanewal District to the West, Sahiwal District to the South and Jhang to the North. The District Police is striving to deliver by realigning its orientation and attitude to conform to the new good governance parameters and aspirations of the people. Section 92(f) of Police Order 2002 has made it mandatory for the Head of District police to prepare Statutory Annual Report. Accordingly, this Statutory Annual Report has been prepared for the year 2024-2025.

Objectives achieved (during the financial year)

The Police Order 2002 envisaged the organization of police for efficient prevention/detection of crime and maintenance of public order. The police are now obliged to

function according to constitution, law and democratic aspirations of the people. The police force is required by Police Order 2002, to be professional, service oriented and accountable to the people.

This means complete alienation with the past, and a total transformation of the police working, according to the need of the time. Humane and compassionate culture would replace the repressive and aggressive one. Articles 3&4 of police order amply delineate the attitude and responsibilities of the new police as; humane, courteous, amiable, friendly, and compassionate. Police Officers are guardians of life, property and liberty of citizens and committed to “preserve and promote public peace”. They are to “obey, and promptly execute all lawful orders”, without fear or favour, and to be firm but polite towards general public. District police would work with the community to eradicate crime from society. All members of the force would be motivated to share the commitment to bring the cultural change. Efforts would be made from foot constable to the District Head.

The objectives achieved during the year (01.07.2024 to 30.06.2025) are as under:-

Initiatives taken (any significant project/program)

Citizen Feedback System.

The Citizen Feedback Cell has been established to gather feedback from all the clients of the District Police, so that the public grievances against the police officials can be redressed. This system tends to enhance the level of service delivery, accountability and fair dealing by the police personnel and will generate realization on the part of general people that their complaints against the malpractices of police officials are being responded and their grievances are redressed expeditiously.

Empowering people through communication and respect.

Open Door Policy, No Chit System, no visiting cards and no visiting hours. Now, complainant comes into direct contact with DPO in case of any grievance.

Open Katchehri.

Open Kachahri at DPO office on daily basis and Open Kachahri's in the Mosques after "Juma Prayer" on every Friday have been made on regular feature where the grievances of Public are heard and redressed on the spot as per law.

Establishment of central 15 control room and Police vehicles tracking system.

In order to ensure the quickest response from Police against crime, a Central 15 Control Centre, equipped with police mobile vehicles, tracking system has been established at the District Police Offices Complex, Toba Tek Singh. For this purpose, emergency call center system has been installed at Control Room. Moreover, 58 vehicles have been equipped with tracker units.

Accountability through awareness – guidelines for general public for criminal Investigation.

These guidelines have been developed by Toba Tek Singh Police to enhance the knowledge regarding the procedure and process of police investigation and to create awareness about their legal rights. These guidelines are imparted to the complainant's along with copy of every FIR registered in the district.

Initiatives taken up for improving Investigation

For improving the quality of investigation, a digital lab has been established at DPO Office. Analysis of Call data records of mobile phones to trace out complicated cases is the major function of this Lab. This Lab also has a digital database for stolen vehicles.

Skill Development Centre

A training facility including a class room equipped with multimedia and other modern devices has been established at Police Lines, T.T. Singh. This Skill Development Centre has seating capacity of 34 persons. After its establishment, many courses have been conducted at this center to enhance the professional capacity of Investigation Officers and Moharrirs.

Digital Uniform Store

A new digitalized uniform store has been established at the Police Lines. All the transactions of this Uniform Store are recorded in the computer through specially designed software which has ensured proper and timely distribution of uniform articles among the police personnel of District Police Toba Tek Singh.

Computerization

A computer center is established in each Police Station. A Computerized Complaint Cell, with complaint management system at district level is inter-connected with the provincial offices through Web. Official record of police officials has been computerized.

Merit Based Recruitment

Monitoring of all the stages of recruitment i.e. Forms evaluation, physical measurement, endurance test, written test and interview of the aspiring candidates is conducted by a Higher-Level Recruitment Board headed by a DIG of Police nominated by CPO, Punjab, Lahore. Police officials with unimpeachable service record are deputed in the whole recruitment process. The principles of transparency, accountability and merit are followed strictly.

Establishment of Police Khidmat Markaz

In order to facilitate the general public "Police Khidmat Marakaz" have been established in DPO Office as well as in circles of the district which are functioning properly. More than 14 facilities including Learner Driving Permit, Police Character Certificate, Verification of Vehicles, issuing copy of FIR are being provided to the public under one roof.

Establishment of Police Khidmat Counters

"Police Khidmat Counters" have been established in DHQ Toba & THQs Kamalia, Pir Mahal & Gojra in order to facilitate the general public.

Functioning of Police Khidmat Mobile Van

In order to facilitate the general public nearest to their doors "Police Khidmat Mobile Van" has been started in this district and the same is working properly.

Establishment of Police Driving Training Schools

Police Driving Training Schools have been established in District Police Lines, Toba Tek Singh, Tehsil Gojra & Pir Mahal. 1565 individuals got training from the schools.

Establishment of Digital Lab

A Digital Lab has been established adjacent to DPO Office, for analyzing Call Data Record (CDR), tracing the Proclaimed Offenders (P.Os) and maintain the record of CRO Branch.

Establishment of Special Initiative Police Stations (SIPs)

11 Police Stations of this district have been designated as "Special Initiative Police Station (SIPs) and PS Bhussi of this district has been partially designated as SIP in this district to facilitate the public in an efficient manner and due courtesy to the visitors.

Welfare of Police Force

Several projects of welfare of police force have been completed in which Renovation of Mess Hall, construction of new recreation room and Gymnasium, establishment of Utility Stores, new barracks for officials, construction of Quarter Guards, repair of metallic road within the Police Lines are of worth importance. A jogging track has been constructed in district police lines; Home grown Mess kitchen garden; massive scale renovation of police petrol pump has been made. Further BAHAR Officers Hostel has also been constructed at Police Lines Toba Tek Singh.

Establishment of Safe City Project

In order to ensure safety & security of the city by digital surveillance, Safe City Project has been established. It creates a safe and secure environment by ensuring the following:-

1. Detecting offenders and preventing crimes, like theft, burglary etc. within the area.
2. Providing evidence for any investigation and offender's prosecution.
3. Preventing and responding effectively to any crises and harassment of any kind.
4. Enhancing confidence and commitment to the security of premises.
5. Doing effective watch & ward against suspicious activities including terrorism.

Police Health Officer

An upper subordinate has been tasked for:-

1. Treatment of all employees in District Headquarters Hospital.
2. Appointments with consultants.
3. Treatment in tertiary care department.
4. Issuance of Medical Bills.

CHAPTER 30

REGION MULTAN

District Multan

Introduction

Multan Police plays an important role in fighting crime protecting people and promoting law and order in District Multan. Multan is known as the 'City of Pirs and Shrines', and is prosperous city of bazaars, mosques and superbly designed tombs.

One of the subcontinent's oldest cities, Multan derives its name from an idol in the temple of the sun god, a shrine of the pre-Muslim period. The city was conquered (c.326 BC) by Alexander the Great, visited (AD 641) by the Chinese Buddhist scholar Hsüan-tsang, taken (8th cent.) by the Arabs, and captured by Muslim Turkish conqueror Mahmud of Ghazna in 1005 and by Timur in 1398. In the 16th and 17th century, Multan enjoyed peace under the rule of Mughal emperors. In 1818, the city was seized by Ranjit Singh, leader of the Sikhs. The British held it from 1848 until Pakistan achieved independence in 1947. Landmarks include an old fort containing the 14th-century tombs of two Muslim saints.

Area

Multan is a city in Punjab; an area of 3,720 square kilometers located on the bank of river [Chenab](#). It is one of the five largest urban centers of Pakistan in 2024 and is the administrative center of Multan Division. It is a major cultural, religious and economic center of Punjab region, Multan is one of the oldest cities of Asia with a history stretching deep into antiquity.

DISTRICT POLICE, KHANEWAL

INTRODUCTION:

Khanewal District is a district of Multan Region and Province of Punjab. The district of Khanewal was created in 1985 by taking two tehsils from Multan District, Kabir Wala and Mian Channu. Its capital City is Khanewal. It has second largest railway station in the country. Multan City is at distance of almost 50 kilometers from Khanewal City. Its boundaries meet the districts of Jhang and Toba Tek Singh in the north, Sahiwal in the east, Vehari in south and with Multan in the west. The climate of the district is hot and dry. The summer season starts in April and continues till October. May, June and July are the hottest months. The district lies along bank of the river Ravi. Cotton, wheat, rice, maize and sugarcane are main crops which are cultivated in this district.

DISTRICT LODHRAN

INTRODUCTION

Lodhran Police plays an important role in fighting against crime, protecting the lives and properties of people and promoting law and order in the district. The district derives its name from its headquarter town, which was previously Tehsil Headquarter of Multan district. It was created in July, 1991.

HISTORY:

Lodhran family stepped into this District in 1740. Lodhran was honored status of Sub-Division by British Regime in the year 1873. Lodhran was honored status of District in the year 1991 (01.07.1991). Its total area is 2778 Sq. K.M. and total population is 1,928,299 Nos. Besides Lodhran family, Arain, Baloch, Kanju, Joiya, Rajput, Syed, Pathan, Awan and Gujjar Families are also living. Agriculture is main profession of the masses of District Lodhran. Cotton and wheat are major crops of this District.

PHYSICAL FEATURES:

The district consists of plain area with fertile land. It is a part of Indus plain. It has the best cultivated land which is suitable for cotton, wheat and other agricultural crops. Lodhran district lies on the bank Sutlej and Bias Rivers.

RIVERS:

There is only one River Sutlej in the district. It flows along the southern boundary of the district. In ancient times river Bias also flowed here.

WEATHER:

The climate of the district is hot and dry. The summer season starts from April and continues till October. May, June and July are the hottest months. The maximum temperatures for these months are about 42 and 48 degrees centigrade respectively. The winter lasts from November to March. December and January are the coldest months, the maximum and minimum temperatures for this about 22 and 8 degrees centigrade respectively. Dry, Hot and dusty winds are common during summer.

RAIN FALL:

Mostly rain fall starts during monsoon July to September. During winter season there is very little rain.

BOUNDARIES:

The district, at present, borders with Bahawalpur on the Southern side, with Vehari & Khanewal on the Eastern and on Western and on Northern Side Multan.

Objectives achieved during 01.07.2024 to 30.06.2025:

1. Maintenance of public order.
2. Drive against criminals.
3. Combating terrorism.
4. Security of key installation or foreigners.
5. Free registration of cases.
6. Fair and speedy investigation.
7. Prevention of crime.
8. Contingency plan for meeting emergencies and Annual events like Moharram.

Initiatives taken

1. **CMS:** Complaint Management System is functional at all police station of this district.
2. **PSRMS:** All the police stations have been connected with PSRMS. FIRs, all registers of police station and progress of investigation are being updated in the system on daily basis.
3. **TRS:** Tenant Registration System is functional in this district.

4. **PKM:** Police Khidmat Markaz are working in this district and providing their services throughout this District.
5. **MKM:** Mobile Khidmat Van provide facilities to the people at their door step.
6. **RMS** (Resource management system)
7. **HRMS:** Human Resource Management System is working in this Office and the service data of police officers and officials are being monitored through HRMS.
8. **CRMS:** Index cards have been fed in Criminal Record Management System.
9. Anti-Women Harassment and violence Cell has been established in this district to investigate the cases regarding women harassment and violence cases.
10. A welfare branch has been established in this office for the welfare of in service / retired police officers / officials and for the families of Shuhada of District Police Lodhran.
11. All above initiatives are being utilized properly

Brief overview of the prominent / high profile case / cases (if any from 01.07.2024 to 30.06.2025)

No prominent / high profile case was registered in this District during the above cited period.

Crime overview (a brief analysis of crime during the report year) 01.07.2024 to 30.06.2025 on the following format:

DISTRICT VEHARI

INTRODUCTION

Vehari Police plays an important role in fighting crime protecting people and promoting law and order in District Vehari. The district derives its name from its headquarter town, which was previously Tehsil Headquarter of Multan district. It was created in June, 1976. However, literally Vehari means low lying settlement by a flood water channel.

This is also an actual fact as promotion of the district lies along the right bank of the river Sutlej, which forms its southern boundary.

Organogram:

POPULATION:

According to Census of 1998, the population of District Vehari is as under:-

Total Population	=	2897446
Male 51%	=	1434215
Female 49%	=	1377972
Rural 80%	=	2249749
Urban 20%	=	562438

OCCUPATIONS:

1. Service=7%

2. Agrarians=53%
3. Labors=20%
4. Trade/Industries=20%

AREA:

The district, at present, borders with Bahawalnagar and Bahawalpur on the Southern side, with Pakpattan on the Eastern with Multan and Lodhran on Western and Sahiwal and Khanewal on Northern side.

BOUNDARIES:

Main cities are Vehari, Burewala and Mailsi. Main Town, Sheikh Fazal, Gaggo, Sahuka, Fateh Shah, Machiwal, Luddan, Thingi, TibbaSultapur, Dokotta, Karampur, Mitroo, Garhamore, PippliAdda, DallanBanglah, JallahJeem and Pakhimore. There are grain markets at Vehari, Burewala, Mailsi, Gaggo and Garhamore. Railway line is passing through Gaggo, Burewala, Machiwal, Vehari, Noor Shah and Mailsi. River Sutlej is running in the Southern side of District Vehari. Its length is about 100-KM Pakpattan Canal and Mailsi Sidhnai Link Canal are the main water sources of agriculture.

OBJECTIVES OF POLICING:

1. To minimize the crime rate through prevention & detection.
2. To increase citizen participation in the Police programs through "Community Policing".
3. To improve the operation of Police Department through the acquisition of equipment, technology and recruitment of high quality manpower in the force.
4. To effect maximum arrest of Proclaimed Offenders, Court Absconders and Military Deserters.
5. To prevent the sale and use of narcotics.
6. To ensure security at all important events including Moharram-ul-Haram, Eid, Religious events of minorities and elections etc.

7. To develop intelligence to bust criminal gangs.
8. To de-weaponized the society by confiscating illegal weapons.
9. To execute maximum number of warrants and service of summons.
10. To ensure safe custody of the under-trial prisoners from jails to Courts and Courts to jail.
11. To ensure maximum recovery of stolen/robbed goods, motorcycles, motorcars and other vehicles.
12. To ensure smooth flow of traffic throughout the district and to minimize major and minor roadside accidents.
13. School safety and youth security initiatives through presentations, counseling and parents' conferences and watch over after school Programme of the kids.
14. To provide necessary legal support to other departments in the discharge of their duties.
15. To assist the Government during different kinds of natural disasters.

CRIMEPROFILE

1. Crime against person.
2. Crime against property.
3. Local and Special Laws.
4. Miscellaneous.

CRIME SITUATION WITH PARTICULAR EMPHASIS ON LAW & ORDER.

The District Police by using their available resources are trying their utmost to avoid the occurrences of heinous crime and to control law and order situation. Systematic patrolling has been arranged round the clock to ensure the police presence at every corner. Whenever any occurrence of heinous nature takes place the police of the nearest police station reach the spot and give hot pursuit to the criminals and provide safety cordon to avoid the recurrence of such crime. All B.Cs addicted to heinous crime have been identified and are under police surveillance. As compared with the previous financial year, during the financial year 2022-2024, the crime against property has increased 5530as compared to last years. We are constantly focusing on reducing crime against property and have devised a plan for this purpose. We are closely

monitoring activities of Target Offenders and persons released from jails in the cases of Crime against Property. Most of the criminals who indulge in this crime are outsiders and infiltrate from long zigzags of adjoining districts of Khanewal, Lodhran, Pakpattan, Sahiwal, Bahawalnagar. In order to combat the crime and criminals on possible routes of influx and efflux of out-laws, systematic patrolling by especially established mobile squads has been introduced. The police strength at exit/entry points of the district has also been increased with modern devices. Biometric checking is also being ensured at these points. The data of stolen vehicles, P.Os & C.As have also been made available with the concerned staff. The timings at which the out-laws used to commit heinous crime were calculated and stringent measures were taken to prevent the occurrences of heinous crime. At present, there is no threat to law-and-order situation in this district.

The crime against person showed that during the financial year 2022-2024, it increased 520 as compared to last year. All SDPOs/SHOs have been directed to ensure preventive action against all rival groups besides effecting compromise at large scale for avoiding any incident of crime against person. To control the crime of kidnapping for ransom SOP devised by the CPO, Lahore is being implemented in letter & spirit.

lett

VISION

Professionalism, services orientation and accountability to the people constitute our vision.

MISSION.

The mission of the Vehari Police is to work in collaboration with the community to prevent, reduce and deter crime. We are committed to the citizens of Vehari and the men and women of our department to provide professional police service in an ethical, courteous and impartial manner. In furtherance of this mission, we are also committed to the following values represented by the law enforcement stars we wear.

VALUES

The District Police Vehari are striving to uphold the following values promoting professionalism and trust-

- i. Professionalism.
- ii. Integrity.
- iii. Commitment.
- iv. Excellence.
- v. Accountability.
- vi. Fairness and transparency.

GOALS/TARGETS TO BE ACHIEVE

Operational priorities of District Police for the financial year 2024-2025 are as under:-

1. Maintenance of Public Peace & Order.
2. Drive against Criminals.
3. Combat against terrorism.
4. Sectarian harmony.
5. Effective control over violent crime.
6. Security of Sensitive Installations, Foreigners and Dignitaries.
7. Free and Prompt Registration of Cases.
8. Ensuring Fair and Speedy Investigation.
9. Preventing Heinous Crime against Person and Property.
10. Prompt and Professional Response in Calls for Service.
11. Contingency plan for meeting emergencies and annual events like Moharram.
12. Promotion of Police-Public Liaison.
13. Control over traffic accidents.

ADMINISTRATIVE.

1. Administrative priorities of District Police for the year 2023-2024 are as under:-
2. Improvement of police image.
3. Change in Thana Culture.
4. Community Policing.
5. Redress of Public Complaints.
6. Monitoring and vigilance.
7. Improving discipline and accountability.
8. Help/Service Oriented Police.
9. Merit-Based Recruitment and Promotion.
10. Raising training standards.
11. Welfare of the force and projects being implemented.
12. Computerization.
13. Good behavior with the Public.
14. Financial discipline.

MECHANISM TO ACHIEVE TARGETS.

Plan for operational Targets:

Comprehensive strategy is being implemented to achieve the targets, which are as under:

MAINTAINENCE OF PUBLIC PEACE AND ORDER.

1. Remain alert to maintain peace and order during public protests.
2. Resort to minimum and necessary use of force dispersing an unruly mob or tracking a violence prone situation.
3. Regulate processions and public gatherings in accordance with Police Order, 2002, Criminal Procedure Code and Police Rules.
4. Maintain peace and harmony during Muharram, national days and on special occasions.
5. Work in unison with public representatives for maintaining of peace and order in accordance with government policy.
6. Develop a Control Room to monitor law and order situation during Moharram-ul-Haram and other important events.
7. Security Checking through integrated security officials' team.
8. Installation of CCTV Cameras on Police Vehicles and routes of the processions etc.

DRIVE AGAINST CRIMINALS.

1. Pursue Target Offenders and POs and reduce their number by at least 40% by end of financial year 2022-2024.
2. Action u/s 88 Cr.PC against all Proclaimed Offenders.
3. More than 4000 at large converted into POs ,
4. Addition of maximum hidden POs and follow-up of their arrest. CNIC of all pending POs updated in PSRMS and launched campaign for arrest of POs
5. Action u/s 514 Cr.PC against sureties of Court Absconders through learned Courts.
6. Action against Harbors and patronizes of criminals.
7. Revised patrolling plan issued as per crime statistics of last five years

8. Action against illicit arms, narcotics and prostitution dens.
9. By name allotment of POs to different IOs and SHOs for their early arrest.
10. Installation of trackers in all patrolling vehicles of Police and their real time, round the clock monitoring through Control Room.
11. Computerized/Online FIRs.
12. Computerization of Criminal Record of offenders.
13. Surveillance of Hotels/Sarae/Guest houses and rented building through software application.
14. Patrons of criminal and men of influence harboring absconders or criminals would be special target of the District Police in order to ensure rule of law.

COMBAT AGAINST TERRORISM.

In order to achieve control over terrorism, the following measures have been adopted:-

1. Vigilant eye on the activities of the activists of the proscribed organizations and persons on 4th Schedule of ATA 1997.
2. Deployment of force and installation of CCTV Cameras at Mosque/Imam Bargahs, Churches and Shrines etc.
3. Updating the list of Afghan Trained Boys.
4. Action against the harborers of the activists.
5. Deployment of force in plain clothes to watch over the activities of the suspects at the vital installations and important public areas.
6. Implementation of security plans for security of Court Houses and Judges. .
7. Security of the persons on Hit-List.
8. Updating the record of property dealers, regarding the persons who obtain rented houses through them. Like-wise updating of record of Hotel/Sarai visitors.
9. Surveillance of Hotels/Sarae/Guest houses and rented buildings through software application.
10. Action against chanda collection and hate material.
11. Ban on fiery speakers.
12. Close coordination with sister intelligence agencies.

SECTARIAN HARMONY.

- Close liaison and contact is being maintained with the prominent leaders of all sects.
- Holding of regular meetings with the Members of District Peace Committee including the notables of all sects.
- Special steps are taken to ensure the sectarian harmony for effective security arrangements especially during the Moharram-ul-Haram and all other religious occasions.
- Equal and even-handed treatment with all sects.
- Implementation of Punjab Sound Systems (Regulation) ACT, 2015.
- Meetings of Interfaith harmony.
- Implementation of National Action Plan.

EFFECTIVE CONTROL OVER VIOLENT CRIME.

In order to achieve control over violent crime against person i.e. Murder, Attempted Murder etc., timely preventive measures are initiated, against inimical parties even in case of minor disputes. Moreover, in families where old enmity subsists, the parties are persuaded to compromise through conciliatory efforts of the respectable and local public representatives. This crime will be controlled/reduced up to maximum level.

SECURITY OF SENSITIVE INSTALLATIONS, FOREIGNERS AND DIGNITARIES.

- Security against sabotage of all key installations.
- Security of Government functionaries and buildings against suicide attacks and bomb blasts.
- Security of all foreigners, including Chinese national, involved in development projects.
- Security according to Blue Book for all visiting dignitaries, VIPs and diplomats etc.
- Coordination on security matters with Armed Forces, and Intelligence Agencies.

FREE AND PROMPT REGISTRATION OF CASES.

- Open door policy' Establishing complaint centers and holding Khuli Kachahris by the DPO, SDPOs and SHOs in mosques and other places.
- All criminal cases, particularly against property will be registered freely and promptly.
- Cases would preferably be registered on written statement duly signed by the complainants.
- Reporting rooms in all police stations to be upgraded.
- Redressal of grievances of public through designated District Complaint Officer (SP/Investigation) regarding non-registration of cases.
- Establishing Women Help Desk at DPO Office with female staff.
- Establishing Front Desks in all Police Stations staffed with well-educated I.T. familiar Police Station Assistants/Senior Station Assistants.
- Establishing Women Desks at all Police Stations for facilitation of the Women victims.
- Citizen Feedback Model for having feedback of general public regarding action taken by police to redress their grievances.

ENSURING FAIR AND SPEEDY INVESTIGATION.

- Monitoring through early dispatch of case diaries.
- Investigation of Special Report cases will be accorded the highest priority.
- SHOs will hold weekly meetings; DSPs/SDPOs will hold two meetings in a month and SP/Investigation and DPO will hold fortnightly/monthly meetings to review and monitor investigations.
- Complete/Interim/Incomplete challans will be submitted before trial courts within 14+3days.
- Investigation teams will be constituted in each investigation section of the police station in accordance with volume of crime based on average statistics of last five years.
- Punishments to the Investigating Officers failing to finalize investigations within stipulated period and rewards to those showing efficiency and merit.
- Use of scientific aid for the investigation purposes.

- Refresher courses for Investigating Officers with the help of judiciary and prosecution department.

PREVENTING HEINOUS CRIME AGAINST PERSON AND PROPERTY.

- Reduce incidents of highway robberies in the district.
- Utilization of Punjab Highway Police for Nakabandis and general hold ups.
- Special attention will be given to control heinous crime against property.
- The following measures are taken to prevent crime.
 - Proactive policing.
 - Preventive policing.
 - Training and capacity building.
 - Improved detection and prosecution.
 - Involvement of community policing.
 - Police image-improvement measures.
 - Special initiatives for improvement of police station, traffic management and highway safety.
 - Regular Inter-District meetings.

PROMPT AND PROFESSIONAL RESPONSE IN CALLS FOR SERVICE.

- PUCAR -15 would be a model response center for citizens' calls for service or information. The District Police will reach the doorsteps of citizens in less than 05 to 12minutes.
- PUCAR-15 Response Center has been improved utilizing Information Technology and monitoring of feedback. The complainants/informers are being updated through SMS.
- Close coordination with Rescue 1122 and hospitals.
- Stolen/snatched vehicles data has been stored in PUCAR-15 Center for professional input to patrolling officers or investigators.
- Emergency response mechanism in case of gruesome acts of terrorism, law and order situations or natural calamities has been developed in PUCAR-15 Center.

CONTINGENCY PLAN FOR MEETING EMERGENCIES AND ANNUAL EVENTS LIKE MOHARRAM.

Following measures have been adopted for maintenance of peace and tranquility during emergencies and annual events like Moharram:-

- A comprehensive security plan has been prepared with specific duties of available manpower.
- Mock exercise on different occasions.
- Close coordination with the other agencies, especially with Civil Defence, Hospitals and Intelligence Agencies.
- Close surveillance of suspects and persons of 4th Schedule of ATA, 1997 and other elements of sectarian/terrorist organizations e.g. ATBs, LMEs and RSGB.
- Banning and detention of fiery speakers of sectarian organizations.

PROMOTION OF POLICE-PUBLIC LIAISON.

- Be responsive and work in coordination with the Community through appointment of community police offers in various police stations.
- Work with NGOs in creating awareness about policing priorities and promote public tranquility.

CONTROL OVER TRAFFIC ACCIDENTS.

Following measures have been adopted for effective control over fatal accidents:-

- Action against rash and reckless driving.
- Cancellation of Driving Licenses and route permits in case of fatal accidents.
- Briefing to the road users.

Plan for Administrative Targets:

Improvement of police image.

- The primary strategy and device for building up a sound public image of the Police Force is overall concrete and tangible out-put, significant achievements in prevention and detection of crime widely splashed in the media, highly decent and attitude for the redressal of their grievances in matters relating to

Police for which officers and Jawans of the district Police have been thoroughly briefed with elaborated instructions. The delinquents shall be dealt with strict departmental action commensurate with the gravity of the violative conduct.

- Open Kachahris in Mosques are also being arranged for the improvement of police image.
- Gifts, sweets and toffees are distributed among children by visiting different localities and schools.
- Participation in different events arranged by Educational Institutions, different departments and Civil Society.
- Highlighting police good performance in the media.

CHANGE IN THANA CULTURE.

- In order to improve the image of Police in general public, change in “Thana Culture” is indispensable. In order to achieve this goal well-furnished reception rooms have been established at police stations to provide public friendly and congenial environment. Front desks are the latest example of this initiative.
- Well, educated and I.T. familiar Police Station Assistants and Senior Stations Assistants has been posted at all front desks.
- Strict accountability is being ensured. Complaints against police personnel are decided on priority basis and delinquents are punished adequately.
- District Complaints Cell is exercising its role effectively.
- Regular courses are being arranged at District Police lines.

COMMUNITY POLICING.

- Participation of public in prevention of crime.
- Building mutual trust and co-operation.
- Impartial services to every segment of society.
- Minimum use of Force.
- Fixation of time by SDPOs and SHOs for hearing public complaints.
- Establishment of Model Police Stations.
- Frequent meetings with public representatives and notables of the area.
- Frequent meetings with the representatives of Civil Society Organizations including Anjuman-e-Gajanand Peace Committees etc.

IV. REDRESS OF PUBLIC COMPLAINTS.

- The public complaints received from the Courts as well as offices of Prime Minister, Chief Minister Punjab, Chief Secretary, Punjab and IGP etc. will be disposed of on priority basis.
- The complaint cell already working in the DPO Office has been improved.
- Establishment of Women Help Desk under woman police officer.
- Every complaint, whether false or true, must be responded to by telephone call, letter, email or SMS.

MONITORING AND VIGILANCE.

- Monitoring of submission of challans, police torture cases, service of summons/warrants, arrest of POs/CAs at district and sub-division level. .
- Vigilance by posting special officers/officials for different tasks. .
- Surprise visits to the police stations/police posts and judicial lock-ups..
- Strict action against police torture and illegal detentions. .
- Installation of trackers and CCTV Cameras on Police Patrolling vehicles.

IMPROVING DISCIPLINE AND ACCOUNTABILITY.

- Establishment of Internal Accountability Branch by posting honest and experienced police officers.
- Zero tolerance policy against complaints of police torture and corruption and misbehavior.
- Rewards to the police officials / officers showing excellent results and merit-based working during their services.
- Refresher courses with the help of religious scholars and other prominent figures.

HELP/I.T. ORIENTED POLICE.

- This means responding to incidents, which are not crime. Providing help and assistance to lost children and mentally retarded people, making good name to the department. Assistance in flood or other emergencies improve the image of police.

- The district police are committed to provide necessary services to the citizens of Vehari.

MERIT-BASED RECRUITMENT AND PROMOTION.

- Merit-based recruitment of Constables to fill all vacancies.
- Merit-based promotion to the ranks of Head Constable.

RAISING TRAINING STANDARDS,

At district level Police Lines School has been revived and short/refresher courses are being arranged to improve the quality of investigation and behavior of the police with general public. Besides this, Advance Investigation and TOT Courses are also being arranged regularly.

WELFARE OF THE FORCE AND PROJECTS BEING IMPLEMENTED.

The following steps have been taken at district level for welfare of the force and their families.

Financial Aid to Widows (Maintenance Allowance).

During the current financial year, special attention was paid to the welfare of the force and especially welfare of the ...40... widows of late police employees. An amount of Rs. 1919194/- is being paid to all the widows on quarterly basis.

Welfare of Widows of Martyrs of Police Force.

This important aspect of the welfare of the force is never ignored and on the eve of different occasions i.e. 04th August in the year 2022-2024 (YOUM-E-SHUHDA) and Eid-UI-Fitar an amount of Rs.2063000/-was distributed to widows/legal heirs of Martyrs of police force.

Educational scholarships for the children of employees.

During the previous academic year, the amount of Scholarship of Rs./- 922350 was paid to the 38 police officials received from CPO, Punjab, Lahore.

The following are further projects/targets of the District Police for welfare of the force:-

- Establishment of Primary school for the children of Police Personnel.
- Establishment of Police Welfare Petrol Pump.
- Vaccination of Hepatitis of 100% of the personnel.

- Treatment of Hepatitis Patients of Police on priority basis.

Computerization.

The following IT related projects have been initiated in this district.

- i. HRMIS. (Human Resource Management Information System).
- ii. Driving Licensing Issuance Management System.
- iii. Case Flow Management System (CFMS).
- iv. Police Record and Office Management System (PROMIS).
- v. E-policing in Punjab Highway Patrol (PHP)
- vi. Vehicle Tracking.
- vii. Automation of PUCAR -15.
- viii. Citizen Feed Back Model.
- ix. Police Security and Route Deployment System(PSRDS)
- x. Development of Police Websites of all Districts of Punjab.
- xi. Daily Crime Report System (D.C.R) in Investigation Branch
- xii. Extra Initiatives Taken by Provincial Investigation Branch.
- xiii. Online verification through NADRA.
- xiv. Hotel Eye.
- xv. Tenant Registration System.
- xvi. Tracking of Patrolling Vehicles.
- xvii. Women Help Desk.
- xviii. Online Complaint Management System.
- xix. Monitoring of Security Staff through Android Phones.
- xx. Automated Rescue-15 Centre.
- xxi. Installation of CCTV Cameras on patrolling vehicles.
- xxii. Real time monitoring of security arrangements during Moharram-UL-Haram etc.
- xxiii. Call Data Analysis.
- xxiv. School/Bank Alarm system.

Besides above, necessary computer training is also being imparted to the police officials.

Good behaviour with public.

Public cooperation is of paramount importance for intelligence collection, combating crime, maintaining Law and Order and delivering justice. Its importance is increased particularly during Muharram, Ramzan or other periods of religious significance or political turmoil. With this objective no one can under estimate the significance of police-public relation. Therefore, we aim to keep ourselves in constant contact with medi-men, NGOs workers, public representatives, members of Peace/Mohafiz Committees and such other people representing the cross section of society.

DISTRICT OBJECTIVES OF POLICING

The duty of Police is to maintain Law & Order, Prevention & Detection of Crime, Implementation of Law/Rules and execute orders of the competent authorities. According to Police Order, 2002 police is also responsible to protect life, property and liberty of citizens.

The prevailing suicidal bombings in the country with particulars reference to recent attacks in various parts of the county on the law enforcing agencies, has created an alarming situation. Therefore, it is high time to evolve a comprehensive strategy not only to prevent such occurrences but also to control crime effectively. Vehari police is doing its level best to maintain law and order in the district which is most sensitive with sectarian point of view and remained hub of sectarian violence.

HISTORY AND LEGAL FRAMEWORK UNDER WHICH THE ORGANIZATION HAS BEEN ESTABLISHED.

The system of policing in Mughal India was organized on the basis of land tenure. Zimindars were responsible for apprehending disturbers of the public peace and performing other policing duties. At the level of the village these functions were performed by the village headmen. In large town, administration of the police was entrusted to functionaries called Kotwals who discharged the combined duties of law enforcement municipal administration and revenue collection. Patrol officers in the shape of village watchmen or patels in villages and peons, horse patrolmen and such other like men in the towns were present. Violent organized crime was usually dealt with by the military.

The British administration relieved the Zamindars of their responsibility for police service and introduced magistrates with daroghas and other subordinate officers for police purposes. In Madras the system of daroghas was abolished by Madras Regulation XI of 1816 and the establishment of the tehsildars was employed without distinction in revenue and police duties. A similar system was put in place in Bombay by Bombay Regulation XII of 1827. In Bengal the system of daroghas was not abolished due to the absence of the subordinate revenue establishment but their powers were curtailed in 1811 by taking away some of their powers of cognizance.

In Bengal special control was introduced in 1808 by the appointment of a Superintendent or Inspector General for the divisions of Calcutta Dacca and Murshidabad. In 1810 the systems was extended to the divisions of Patna, Bareilly and Benares. However, with the appointment of Divisional Commissioners the office of the Superintendent was abolished.

The next major change in the organization of police took place in Sindh where Sir Charles Napier drawing inspiration from the Insh constabulary developed a separate and self-contained police organization for the province. The Sindh Model was put into effect in Bombay in 1853 and in 1859 in Madras.

In Punjab, the Police was also organized on the pattern of Sindh but with two main branches, the Military Preventive Police and the Civil Detective Police. As this arrangement was not found to be satisfactory so in 1860 the Government of India urged the government of Punjab to look into the system of policing then prevalent in the province. However, as the issue was of general importance the central Government appointed a commission to enquire into whole question of policing in British India. The Police Commission of 1860 recommended the abolition of the Military Arm of the Police, the appointment of an Inspector General of Police in the Province and the placement of Police in a district under the District Superintendent. The Commission recommended that only the District Magistrate should exercise and Police functions. Based on the recommendations of the Commission the Government of India submitted a bill which was passed into law as Act V of 1861. The Police Act of 1861 was adopted by all the provinces except Bombay where a District Police Act was

adopted in 1890. The Bombay District Police Act continued to remain in force in Sindh till the establishment of the one unit.

The organizational design that followed the Acts survives to this day Police became a subject to be administered by the provinces that were divided into police jurisdictions corresponding with the districts and the division. The police were made exclusively responsible for prevention and detection of crime. In the maintenance of public order, they were responsible to the District Magistrate.

The Punjab Police Rules of 1934 documented the police practices as they stood at that time and introduced some new measures for improving administration and operational effectiveness of police. The content of the Rules reveals that the Punjab Police had grown into a thoroughly professional police organization by 1934 and possessed considerable knowledge of the crime and criminals in the province. It had developed effective procedures and practices for dealing with various kinds of criminal activity. The administrative and disciplinary functions were also elaborated. The Rules have served as the model for similar sets of rules in other provinces of Pakistan and are still in force today.

The Punjab Police played a significant part in handling the refugee crisis of 1947-48. It continued as a separate organization till 1955 when it was merged with the police of other provinces to create the West Pakistan Police. There were several attempts to review and reform police organization and performance during the 1950s and 60s which however could not be implemented.

The legal framework of the police underwent a major change as a consequence of Devolution of Power Plan. The Devolution of Power Plan called for the devolution of the authority of the Provincial Government to the Districts and the introduction of public accountability of police.

In line with the devolution of Power Plan the officer of the District Magistrate was abolished in 2001 and a system of Public Safety Commissions were introduced. These changes were incorporated into a new Police Law which was promulgated in 2002. Apart from Public Safety Commission, the Police Order 2002 also provided for a professional Police Complaints Authority, increased powers for the Inspector General of Police and separation of the watch & ward and the Investigation functions of the

Police. Now, with the amendment of Police Order 2002 of 2013, the District Investigation Branch is being established as per law. These amendments will definitely improve the performance of police and played a pivotal role for the provision of justice to the public speedily.

Targets to be achieved and mechanism

Sr.	Category of Targets	Present Status (No. / Percentage)	Expected Achievement of the target (No. / Ratio / Percentage)	Mechanism
1.	Maintenance of Law & Order	100%	100%	Security Constables have been deployed at all the police stations of the district in order to maintain law & order situation. The monitoring of these Security Constables is being done through Security Branch of DPO Office. The system of sharing of information with the sister agencies has also been developed.
2.	POs	38%	45%	All out efforts are made and all available resources are utilized through special means for the arrest of maximum number of POs.
3.	Heinous Crime	21%	20%	A comprehensive patrolling plan has been revised for the prevention of crime. Haider Squad has been introduced, which conduct patrolling on motorcycles in all the Sub-Divisions of the district around the clock.
4.	Capacity Building Training	04 courses Done	07 more will be conducted.	Capacity Building course have been conducted / arranged to enhance the capacity of investigating officers and to bring betterment in their performance by lectures through skilled Prosecutors, Judges, Lawyers and other prominent members of the society.
5.	Welfare Projects	80%	90%	Top priority is given to the Welfare of serving / retired / martyred police officers /

				officials. All the projects of welfare, which are in pipeline, will be completed till the end of financial year.
6.	I.T. Initiatives	70%	80%	The I.T. initiatives launched by CPO are complete and the same are being implemented, however, some of the IT projects on district level are in pipeline which will be completed till the end of financial year.
7.	Investigation	27%	30%	The process of finalization of investigation is being monitored by SP/Investigation of the district on regular basis. Cost of Investigation is provided to the IOs. Regular meetings are held with the IOs on supervisory level in order to assess their performance regarding finalization of investigations of cases.
8.	Any other	-	-	-

Financial resources likely to be available

Sr. No.	Code / Head of Account	Allocation 2023-2024	Expenditure (Total)	
			01.07.2022 30.06.2024	to
1.	Pay & Allowances	374384000	1838561975	
2.	POL	27096000	132810804	
3.	Investigation Cost	4704148	4702588	
4.	Transport	6373000	14508836	
5.	Machinery & Equipment	436000	1192450	
6.	Furniture & Fixture	136000	584526	
7.	Others	953000	3049874	

In the end, we express our determination to set a high standard of Policing by better performance. In the past Vehari police has achieved great successes in fight against sectarian terrorism. A lot number of terrorists met their end in encounters with Vehari Police and a lot of numbers of terrorists were arrested. Vehari Police has also notable success against notorious criminals. District Police Vehari is fully aware of its duties and responsibilities. To maintain public Law & Order and to provide security to residents of District Vehari against terrorists and criminals is our mission. We are also

determined to achieve our objective according to priorities. Earnest and sustained efforts will be made to achieve our targets and address our priorities to attain our core objectives with a missionary zeal to come up to the expectations of the people. We are ready to serve the public at any cost. In the end we beseech the almighty that he may succeeded us in our noble aim and guide us in right direction. (AA MEEN)

CHAPTER 31

DERA GHAZI KHAN REGION

Introduction:

Dera Ghazi Khan Division is one of the administrative divisions in the Punjab province of Pakistan, known for its rich history, diverse culture, and economic significance. The division is named after the city of Dera Ghazi Khan, which was founded in the 15th century by Nawab Ghazi Khan Mirani, son of Haji Khan Mirani, a powerful Baloch chieftain. During British colonial rule, Dera Ghazi Khan was designated a district in 1849, with General Courtland appointed as its first Deputy Commissioner.

After Pakistan gained independence in 1947, many Muslim refugees from India settled in this area. It was initially part of the Multan Division. Later on, Dera Ghazi Khan became its own Region in 1982 comprising of 04 districts namely Dera Ghazi Khan, Muzaffargarh, Rajanpur and Layyah—with 19 tehsils, 19 police circles, 69 police stations and an approximate population of 11.852 million (as of the 2023 census).

Geography

Located in the southern part of Punjab, Dera Ghazi Khan Division is characterized by a varied landscape that includes fertile plains, river valleys, and desert areas. The region is traversed by the Indus River, which plays a crucial role in irrigation and agriculture. Its strategic location makes it a vital area for trade and transportation between Punjab and the neighboring provinces of Sindh, KPK and Baluchistan.

Demographics

The division is home to a diverse population comprising various ethnic groups, including Punjabis, Baloch, Sindhis, and others. This multicultural environment contributes to the vibrant social fabric of the region, with numerous languages and traditions coexisting. The major languages spoken are Punjabi, Saraiki, Balochi and Urdu.

Economy

The economy of Dera Ghazi Khan Division is predominantly agrarian, with agriculture serving as the backbone of the local economy. Major crops include wheat, cotton,

sugarcane, and rice, supported by an extensive irrigation system. In addition to agriculture, the division has seen growth in small-scale industries, trade, and services, contributing to overall economic development.

Education and Healthcare

Dera Ghazi Khan Division has made strides in education, with various schools, colleges, and universities established to serve the educational needs of the population. The healthcare infrastructure includes public hospitals, private clinics, and health centers that provide essential medical services to the community.

Culture and Heritage

The cultural heritage of Dera Ghazi Khan Division is rich and diverse, reflecting the traditions of its various ethnic communities. The region is known for its folk music, traditional dance forms, and festivals that celebrate local customs. Historical sites and monuments, including forts and shrines, attract visitors and showcase the division's historical significance.

Wildlife and Natural Resources:

The region has various natural resources, including minerals and forests, and is home to wildlife that inhabits the riverbanks and nearby hills.

Overall, Dera Ghazi Khan is strategically located in the southern part of Punjab province, serving as a crucial link between various regions of Pakistan.

3.	Combat against terrorism.	Vigilance and Preventive Measures: Continuous directives emphasize vigilance and precautionary steps against terrorism.							
		Daily Combing and Search Operations: Routine search activities are conducted daily.							
		24/7 Patrolling: Intensive patrols operate around the clock across police jurisdictions.							
		Threat Alert Management: Threat alerts from authorities are regularly discussed in District Intelligence Committees (DICs) with follow-up actions.							
		Riverine Monitoring: Riverine police posts monitor suspect movements in riverine areas.							
		Use of Modern Techniques: Technologies like SVAS are employed to track potential terrorists.							
		Coordination with Law Enforcement Agencies: Constant coordination with other agencies supports anti-terrorism initiatives.							
		Mock Drills for Foreign Personnel Safety: Exercises are conducted at sites with foreign workers to ensure preparedness.							
		Surveillance of High-Risk Individuals and Groups: Activities of suspected terrorists, religious extremists, and those on the 4th schedule are under ongoing surveillance.							

4.	Sectarian harmony.	District and Tehsil-Level Meetings: Regular meetings are held with all stakeholders at district and tehsil levels to foster sectarian harmony among different groups and ensure law and order. Directives for Vigilance and Preventive Measures: Periodic instructions are issued to relevant parties, emphasizing strict vigilance and precautionary steps to strengthen religious harmony.																																										
5.	Effective control over violent crime.	Patrolling Strategy for Crime Control: A comprehensive patrolling plan has been developed to maintain control over violent crime. Action Against Targeted Offenders: Measures are underway to take action against targeted offenders (TOs).																																										
6.	Security of Sensitive Installations, Foreigners and Dignitaries.	At present 03 Chinese in District M. 14.	Improvement of Police image.	Daily Open Kachahris: Open forums are held daily to engage with the public. Public Grievance Redressal: Public concerns are prioritized, ensuring timely resolution of grievances. Highlighting Good Performance: Positive achievements are promoted through social, print, and electronic media.																																																																		
15.	Change in Thana Culture.	Community Policing Initiatives: Efforts are underway to actively implement community policing. Accountability for Police Misconduct: Strict measures are in place to prevent any misuse of authority within the police force. Recognition of Good Performance: Outstanding performance is acknowledged and encouraged.																																																																		

		Behavioral Training: Courses are organized at the District Police Line to promote positive behavioral changes.																															
16.	Community Policing.	Engagement with Community and Public Representatives: Regular meetings are held with community members and public representatives. Encouraging Public Reporting: The public is encouraged to share information regarding crime and criminals. Utilization of Peace Committees: The services of peace committees and similar organizations are being actively utilized.																															
17.	Redress of Public Complaints.	A district complaint officer has been assigned to address grievances within the district. Additionally, a complaint management system has been implemented to track and oversee the complaints received.																															
18.	Monitoring and vigilance.	Close Monitoring of Investigations and Complaints: Investigations and complaints are being monitored meticulously. Special Patrolling Plan for Oversight: A specialized patrolling plan for Gazette Officers (GOs) has been developed to oversee patrolling vehicles and address any irregularities within police stations. 24/7 Monitoring of Rescue-15 Response: The response to calls made to Rescue-15 is continuously monitored around the clock.																															
19.	Improving discipline and accountability.	Encouragement of Good Performance: Positive performance is actively encouraged, while strict disciplinary measures are implemented for poor performance and misuse of authority. Zero Tolerance for Disciplinary Violations: A zero-tolerance policy is enforced regarding any violations of discipline.																															
20.	Help/Service Oriented Police.	Police Khidmat Marakiz – 13 PKM – Mobiles Van – 05 Police Khidmat Marakiz have been established at following different places to provide 14 basic services at door step of citizens under one roof. i.e. driving license, character verification, lost report, temporary residence report, FIR copy etc. <table><tr><th>PKM</th><th>DG Khan</th><th>M. 22.	Raising training standards	The following courses were conducted at the District Police Lines in DG Khan to enhance training standards: Capacity Building and Anti-Riot Course: Focused on developing skills for effective crowd management. Workshops for Service Improvement: Workshops were held for personnel from constables to inspectors to enhance service delivery and foster a positive attitude towards the public. Investigation Standards Improvement: A refresher training course for Investigating Officers (I.Os) was conducted at the Regional Training School in DG Khan to elevate investigation standards. Police Station Record Management Course: Training was provided on completing and managing police station records. Behavioral Change and Operational Courses: Courses on behavioral change, patrolling techniques, checkpoint operations (Naka Bandi), and conducting raids were offered. First Responder Course: Training focused on equipping officers to effectively respond to incidents as first responders. CDR and Geofencing Training: Courses were conducted on Cell Data Records (CDR) and geofencing techniques for better crime investigation and prevention.																								
23.	Welfare of the force and projects being implemented	Financial Support for Police Officers’ Widows: Financial aid is provided to the widows of police officers and officials. Welfare Initiatives for Martyrs' Widows: Dedicated efforts are made for the welfare of widows of police force martyrs. Educational Scholarships for Employees' Children: Scholarships are available for the children of police employees to support their education. Fee Concessions through MOUs: Memorandums of Understanding (MOUs) are signed with various schools and colleges to offer fee concessions for the children of police personnel. Focus on Training Courses for Probationers: Special attention is given to the A, B, C, and D courses for probationary Trainee Sub-Inspectors (T/SIs) and Trainee Assistant Sub-Inspectors (T/ASIs).																								

24.	Computerization	FIRs and other relevant record of the police station have been computerized and is being updated.
25.	Good behavior with the Public	Implementation of Community Policing: Community policing initiatives are actively being promoted. Accountability for Police Misconduct: Strict measures are in place to address any misuse of authority by police personnel. Encouragement of Positive Performance: Good performance is recognized and actively encouraged. Training for Behavioral Improvement: Necessary courses have been arranged to facilitate behavioral changes among officers.
26.	Financial discipline	Financial discipline has been ensured in utilization of funds allocated to all Districts of this Region.

Initiatives taken (DG Khan District)

Special initiatives Police Stations:

All 18 – Police Stations of this District have been converted to SIPS with all protocols and prompt provision of services to the Public.

Merging of PUCAR 15 and District wireless control:

PUCAR15 and District Wireless Control are merged under one roof to improve communication and response time against crime calls.

Command & Control Center:

Command & Control Centre has been established in DPO office for monitoring of 14 – Desks, including IT Initiatives, i.e. PSRMS, CMS, Hotel eye, AVLS, TRS and Front Desk etc.

Police Khidmat Marakiz:

In DG Khan district, 05 Police Khidmat Marakiz with 02 Mobile PKM Vans have been established at following different places to provide 14 basic services at door step of citizens under one roof. i.e. driving license, character verification certificate, lost report, temporary residence report, FIR copy etc.

01	196/25	27.02.2025	302/364A PPC	Saddar Alipour	04	04	Complete without Forensic report. Challan

Brief: On 27.02.2025, an unidentified male dead body of approximately 28/29 years old was found near irrigation reservoir, village Beat Muazzin. Photographs of the unidentified body were circulated via social media. On 28-02-2025, the body was identified as Muhammad Arshad S/O Muhammad Afzal, caste Arain R/O Basti

Khandan. The father and the brother of the deceased, nominated Abid, Mehboob, Adeel and Rehana as accused in supplementary statement and all accused were arrested on 07-03-2025 by the local police.

During investigation, it was found that Rehana was the former wife of the deceased Muhammad Arshad, who divorced her about a year ago and they had a son named Aryan. Later on, Rehana married to Abid Ali (main accused). Muhammad Arshad deceased frequently visited Abid Ali's house to meet his son. Abid Ali was doubted that his wife Rehana has illicit relation with X-husband Muhammad Arshad. On 25-02-2025, Abid Ali with his co-accused Adeel and Mehboob kidnapped Muhammad Arshad at gunpoint, and detained him for two days. On 27-02-2025, Abid Ali reached at Irrigation Reservoir at Head Panjnad, and shot Muhammad Arshad dead in the darkness of night. On 22-03-2025, all accused were arrested and sent on judicial remand.

MUZAFFARGARH DISTRICT

Introduction

There is no denying the fact that an organized activity can be satisfactorily accomplished without a roadmap. This roadmap essentially requires predetermined goals to be achieved in the given time frame and an account of available resources to be utilized in achieving these objectives.

The first and foremost objective of the District Police is to maintain law and order and to provide safe and sound environment to the general public so that each segment of the society may contribute positively towards economic growth. To provide complete security of life and property to the law-abiding citizens is priority to the District Police. To achieve this objective, the District Police has chalked out a well thought out plan

which includes monitoring of persons / groups that have potential to create law and order problems with special focus on trade / labour union, lawyers, students and transporters etc.

Terrorism has been at the top of agenda for Pakistani society for the last few decades. To uproot terrorism/extremism complete implementation of National Action Plan is priority of the District Police. The Anti-Terrorism strategy, as envisaged in the Annual Policing Plan includes monitoring of "Deeni Madrasas" involved in fanning sectarian hatred, surveillance of persons brought on 4th schedule, strict enforcement of law regarding misuse of loudspeaker, "chanda" collection, publishing and distribution of hate material, security of sensitive institutions and information of rented buildings. Special attention has been given for the protection of "Imambargahs", "Majalis", Mosques, Processions, religious gathering, important personalities and places of worship of minorities in annual plan.

The Statutory Annual report also caters for a measure to be taken for reducing crime against property with special emphasis to the highway robberies. Control of crime in riverine belt specially kidnapping for ransom is also on the priority in the Annual report. Eradication of social evils like gun running, narcotics, gambling and prostitution is also on the priority agenda.

Bringing the hardened criminals to the book of law will remain the top most priority of the District Police.

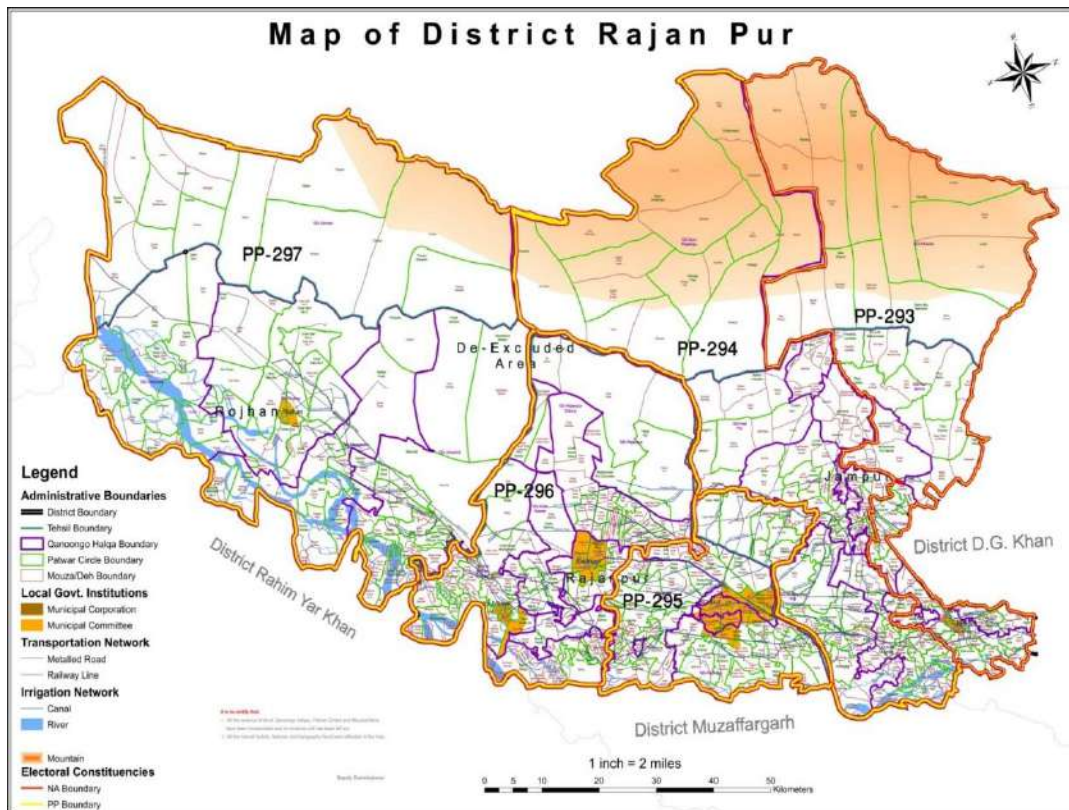

Effective utilization of human resources, eradication of corruption from Police department, elimination of torture, illegal confinement and abusive language is also on the agenda in the Annual Plan. Bringing qualitative and quantitative changes in the Police culture by imparting necessary training coupled with effective system of monitoring will definitely improve the Police image in public eyes. May Allah give us courage to serve the nation.

District Rajanpur

Introduction

As per Article 92(f) of police order 2002 statutory annual report, in which details regarding objectives of police, availability and utilization of financial and material

resources during the year, targets as well as mechanism to achieve the targets are to be mentioned in the report. Statutory annual report plays a pivotal role in decision making, management of human resource and material, policy formulation and other activities carried out by District police in pursuance to protect lives and properties of its citizens. As it is truly said by veteran American author and radio speaker Earl Nightingale that "All you need is the plan, the road map, and the courage to press on your destination", similarly roadmap is very necessary to set the targets and to get those targets accomplished with collaborative efforts. In compliance with the statutory requirement, the statutory annual report 2022-23 is articulated after thorough deliberation and keeping in view the forthcoming requirements of the district police. The prime and upmost objective of Rajanpur police is to provide not only protection but sense of protection to citizens by adopting proactive policing approach. Arresting the perpetrators and Proclaimed offenders in furtherance to get them scrutinized by investigation process of police and send them to courts of law along with collected evidence so that such persons may be convicted by courts of law and society may be prevented by such ill minded criminals. It is always required by the governments and the civil society that police culture at police station level should be changed and it should be people friendly and polite. Strategies to make police as a public friendly organization are also included in the priority list of this District. For accomplishment of desired goal resources are inevitably required. The calculations of required resources have been carried out which is included in the report 2022-23. The same report is being submitted to the competent authority.

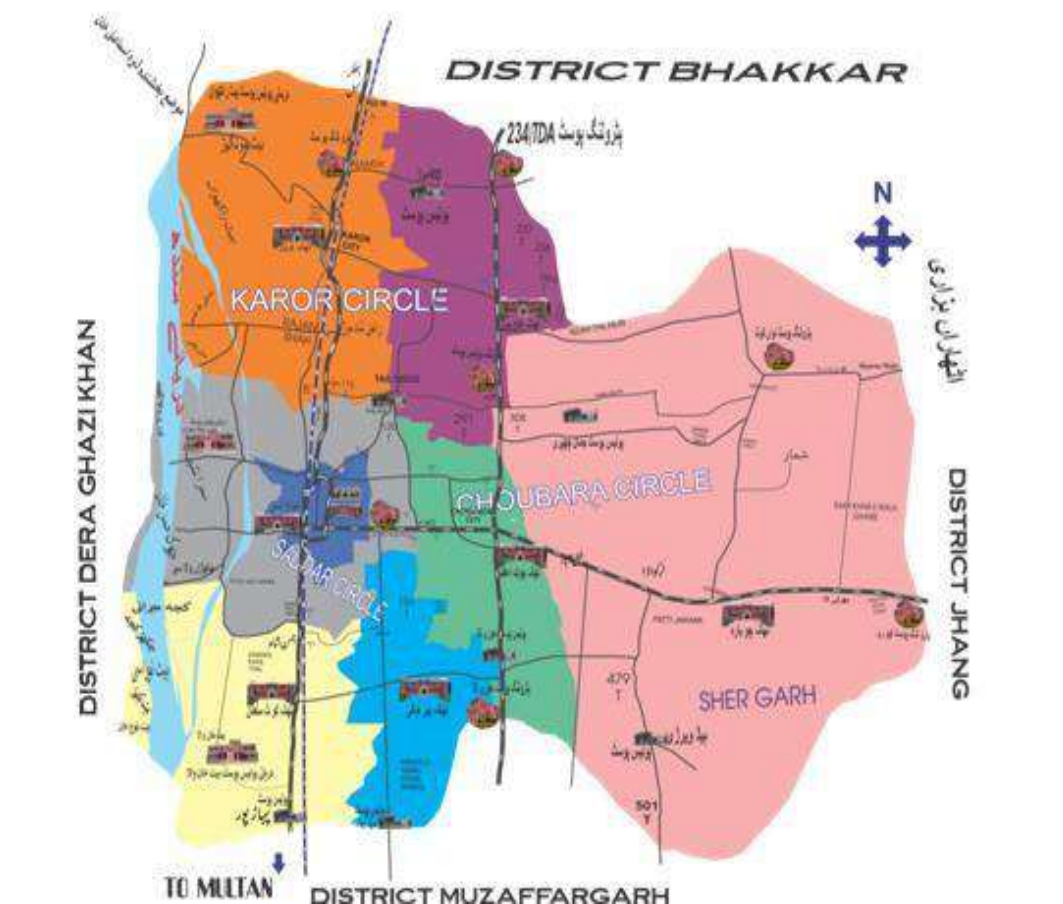

District Layyah

Introduction

Layyah is one of the peaceful districts in South Punjab which is located at 30°45' to 31°24' north latitude and 70°44' to 71°50' east longitude. This district is bounded by Districts Bhakkar, Muzaffargarh and Jhangh whereas Indus River separates this district from Dera Ghazi Khan on the western side. The map of the district is also given below.

Layyah covers the area of 6291 square kilometers. The area covered by District Layyah is approximately 3% of total area of Punjab while 0.8% of total area of Pakistan. Areas covered by Tehsils of the district is given in the table below,

MAP OF DISTRICT LAYYAH

CHAPTER 32

BAHAWALPUR REGION

Introduction:

Bahawalpur was a princely State, founded in 1727 AD by Nawab Sadiq Muhammad Khan Abbasi, On 22 February 1833, the 3rd Abbasi Nawab entered into subsidiary alliance with the British by which Bahawalpur was admitted as a princely state of British, India. When India became independent of British rule in 1947 and was partitioned into two states i.e. India and Pakistan, Bahawalpur joined the dominion of Pakistan. Bahawalpur remained an autonomous entity till 14 October 1955 when it was merged with the province of West Pakistan. This state, now Bahawalpur Region, has its own heritage and rich culture. Its people are simple, brave, courageous, good hosts and very co-operative.

Bahawalpur Region has three districts namely Bahawalpur, Bahawalnagar and Rahimyar Khan. It has a total population of 11.51 million (Bahawalpur 3.7 M, Bahawalnagar 03 M and Rahimyar Khan 5.5 M) with a police population ratio of 1:1600. The region has been divided into 17 subdivisions (Bahawalpur 06, Bahawalnagar 05 and Rahimyar Khan 06 each). There are 73 Police Stations in the region (Bahawalpur 24, Bahawalnagar 22 and Rahimyar Khan 27).

Bahawalpur District

Introduction

Bahawalpur is the 11th largest city in Pakistan with an estimated population of 3.7 million. The precise history regarding etymology of the name "Bahawalpur" is as under. The present district of Bahawalpur was previously known as "Bahmanabad". In 1729 Nawab Amir Sir Sadiq Muhammad Khan Abbasi conquered it. His son "Nawab Amir Bahawal Khan" when came into power, he established capital of his State at Bahmanabad and named it after his own name as "Bahawalpur". Accordingly, the whole State owned by him was also named as Bahawalpur State. Being populated by Muslims in majority, the ruler of the State opted for Pakistan in the year 1947. The present Bahawalpur District was created on 14th October 1955.

It consists of following 6 sub-Divisions namely: -

1. City Bahawalpur.
2. Sadar Bahawalpur.
3. Yazman.
4. Ahmedpur East.
5. Hasilpur.
6. Khairpur Tamewali.

Location

The territory of Bahawalpur district lies between the latitude of 27-48 to 29-50 North and between the longitudes of 70– 54 to 70–50 East. The district forms one of the southern parts of the Province of Punjab and is situated almost in the center of the country at the eastern border at an elevation of 152 meters from the sea level. The general slope of the district towards the sea is gentle, with an average gradient of 0.19 meter a kilometer. The average length from north to south is about 178 kilometers and breadth from east to west is 139 Kilometers.

Boundaries

North	=	Bahawalnagar District
South	=	Rahimyar Khan District
West	=	Vehari , Lodhran , Muzaffargarh Districts
East	=	Indian Border (220 Kilometer)

Physical Features and Topography.

Physical Features.

The district Bahawalpur, from all the sides, is land locked. In the South and South East, the Cholistan reaches the Indian border whereas in the north it runs parallel to the southern part of the Punjab plains and river Satluj makes common border with the Lodhran, Muzaffargarh and Vehari Districts.

Topography

The district Bahawalpur topologically can be divided into three parts i.e. the river area, the plain area and the desert area. The river area lies close to the river Satluj which

flows from the north along its boundary with Vehari, Lodhran, Multan and Muzaffargarh districts. The area is inundated during floods. The irrigated track is higher than the riverian area. Most of the land has been brought under cultivation. The desert area is known as "Cholistan". It lies to the south and east of the irrigated track and north of the desert of Bikanir and Jaisalmer of India. It extends along the entire eastern boundary of Bahawalnagar district in the North and Rahimyar Khan district in the south. The surface of the desert consists of a succession of sand dunes rising in some places.

The barren tract of Cholistan/Rohi is inhabited by nomadic shepherds. It is actually a part of Indian desert known as "THAR". Cholistan means waterless-waste land. Cholistan has been declared as GAME RESERVE (JEEP RALLY).

The former Bahawalpur State, which consisted of only two districts of Bahawalpur and Rahimyar Khan, was later on categorized into three districts with the addition of Bahawalnagar District.

Before 1866, there was no Police Department in the Old Bahawalpur State. The regular Police Department came into being in 1867. Then, for the first time, Police Stations were established in Bahawalpur. The District Headquarters lies on the main Lahore - Karachi Railway line of Pakistan Railways. The Karachi, Lahore, Peshawar Road (KLP Road) also passes through it. It is also linked with the Provincial Capital Karachi, Lahore and Islamabad through P.I.A.

Nature of Crimes, Committed in the district

Like most of the Districts, the River areas are infested with cattle-piracy. As one goes towards cities, the crime of vehicle theft, motorcycle snatching and burglary is more predominant.

Although the system of "Rassagiri" does not exist in the district, yet some "Zamindars" sitting in River-belt provide shelter to the cattle-lifters. However, due to persistent campaigns launched against the cattle lifters, the incidents of cattle lifting has decreased. Being a large district, it has crime of every nature e.g. murder, abduction, rape, dacoity, robbery and theft etc. Like other major cities of Punjab, Bahawalpur is also facing the phenomena of street crime.

Extension in important towns has started a process of urbanization which still continues. People from more densely populated areas of interior Punjab are still attracted to this district because they consider that there are charming prospects of earning livelihood by bringing barren land under cultivation.

Bahawalnagar District

Bahawalnagar District is predominantly an agricultural district, being situated between river Sutlej and Pak-Indian Border. In the past, it remained integral part of State Bahawalpur but in the year 1952, this district got its separate entity as a district. However, now it is a part of Bahawalpur Region.

In terms of physical characteristics, this district can be divided into 'Hithar' (riverain belt), 'Uttar' (settled area) and Cholistan. Hithar and Cholistan are less developed and have lesser socio-economic development as compared to 'Uttar' region. Cholistan is a mass of sand with sand dunes rising at certain places to the height of even 100 feet.

It consists of 5 sub-divisions namely Bahawalnagar, Chishtian, Haroonabad, Minchinabad and Fortabbas with 22 Police Stations, 8879 Sq. KMs of area with a population of 03.00 million. This district is inhabited mostly by settlers from upper Punjab who have brought their old feuds with them and thus they indulge in crime against persons. The inhabitants of river belt are however, active in crime against property.

Bahawalnagar has good connectivity with neighboring districts. Bhukan Pattan Bridge on Sutlej River links the district with Pakpattan and Sahiwal districts while a new bridge on the same river has also been constructed to link Tehsil Minchinabad to Pakpattan. However, metal road from river to Pakpattan is very bad condition. Extension in important towns has started a process of urbanization and people from more densely populated areas of interior Punjab are still attracted to this district because they consider that there are charming prospects of earning livelihood by bringing barren land under cultivation.

The people of this district are generally religious minded and followers of different schools of thought. Religious leaders exercise considerable influence over the people. Occasionally, religious controversy creates law and order situation for the District

Police. However, during the last year, no untoward incident took place in the area. The activities of religious/sectarian figures are closely and constantly kept under surveillance.

In this district, poor condition of metal roads and driver's/vehicle's faults result in traffic accidents. Traffic Police is making efforts for the maintenance of traffic discipline. From Bahawalnagar to Haroonabad, Chishtian, Hasilpur (District Bahawalpur) and district boundary adjacent to Tehsil Arifwala District Pakpattan carpeted metal roads have been constructed but Bahawal Nagar to Minchinabad road and roads in Haroonabad, Fortabbas sub-divisions are in poor condition which need immediate attention of the concerned departments.

Rahimyar Khan District

Rahimyar Khan District is named after its headquarter which was built in 1875 by Fazal Elahi Halani on the ruins of ancient Phool-Wada during his supremacy in Sindh. The former name of the district was Nowshera. In 1881, railway authorities wanted to rename a railway station as "Peshawar District". Hence, Nawab Sadiq Khan IV named it after his first son Rahimyar Khan. The district is located between 27-40 and 9-16 North longitude and surrounded by Muzaffargarh District in the North, Bahawalpur District in the East, Jaisalmer (India) and Ghotki District of Sindh Province in the South and Rajanpur District in the West. The important facts and figures of the district are;

Population	5.5 million
Union councils	139
Police Stations	27
Police Sub-Divisions	6
Imam Barghas	78
Masajid	1639

Commercial Areas/Markets	18
Hotels / Guest House	109
Foreign Establishment	-
Schools (Govt & Pvt)	3872
Colleges	66
Universities	2
National Airport	1

Introduction of Police Department, RYK

The district consists of 6 police sub-divisions named as Liaquatpur, Khanpur, Sadiqabad, Bhong, Saddar and City Rahim Yar Khan.

- i. Sub-division Liaquatpur has been named after the visit of the first Prime Minister of Pakistan Liaquat Ali Khan. Liaquatpur subdivision is generally inhabited by Baloch, Jam, Laar, Dashti, Naich, Chandia, Dry and Aryan tribes. It consists of 5 police stations, Liaquatpur, Pacca Larran, Shedani, Tabassum Shaheed and Tranda Muhammad Panah. Four police outposts Khanbela, Allahabad, Janpur and Feroza are also functioning under police stations Shedani, Liaquatpur and Pacca Larran.
- ii. During the Abbasi rule, Khanpur sub-division was an administrative district. Due to its geographical design, it is called Khanpur Katura. There are 5 police stations which are City Khanpur, Saddar Khanpur, Zahir Pir, Sehja and Islam Garh. The jurisdiction of Zaheer Pir police station and its police Chacharan Sharif touches the area of Kot Mithan's police station in Rajanpur district, while the Islam Garh police station in the south is connected to the Cholistan desert which is the Indian state of Jaisalmer.
- iii. Saddar Sub-division is a part of the administration of Rahim Yar Khan based on the rural areas of Rahim Yar Khan Tehsil which is consisted of 6 police stations,

- Saddar Rahimyar Khan, Kotsamba, Rokanpur, Abadpur, Manthar and Iqbalabad. Similarly, the city sub-division comprises of urban population and there are 5 police stations: City "A", "B", "C" divisions, Airport and Abe Hayat.
- iv. Sadiqabad sub-division was formed as a preferred sub-division over Ahmadpur Lama and is named after Nawab Sadiq V. It consists of 3 Police Stations. They are City Sadiqabad, Saddar Sadiqabad and Kotsabzal. Kotsabzal police station has its boundary with Ghotki of Sindh province.
 - v. Bhong sub-division was formed in 2021. It consists of 3 Police stations which are Ahmad pur Lammah, Bhong and Machka. Machka police station is in the form of two islands and is adjacent to Kashmore and Ghotki districts of Sindh province and is connected to the main link of Rahim Yar Khan.
 - vi. In order to deal with crime and criminals, possible routes of arrival have to be constantly monitored. In this regard, Sadiqabad and Bhong sub-divisions adjoining Sindh Province and Rajanpur District are most affected. The dacoits of Sindh, Sonmian and Shah Wali districts of Rajanpur commit the heinous crime of dacoity, robbery and kidnapping for ransom and escape by adopting illegal routes. To check their nefarious activities, 29 check posts were set up on the east bank of the Indus River. Two important check posts have been set up at Kot Sabzal and Dauwala to control encroachments between Punjab, Sindh and Baluchistan. Moreover, River Ryan Check posts were also set up where the retired military men have been deployed.

Police Organization:

The district has five police circles comprising of 27 police stations with 14 police posts.

No. of police stations.	27
No of Police Posts.	14

CHAPTER 33

RIOT MANAGEMENT POLICE

Detail of branches established in RMP, Hqrs, Punjab

Sr.	Name and rank	Rank	Posted
ASSISTANT DIRECTOR / OFFICE SUPERINTENDENTS			
1.	M. Afzal Akbar	Assistant Director	AD, RMP, HQrs, Lahore
2.	Qaiser Nadeem	Office Superintendent	OS, RMP, HQrs, Lahore
3.	Muhammad Irfan Jamil	Office Superintendent	OS, RMP, HQrs, Lahore
PS to Addl: IGP Branch			
1.	Noor Muhammad	Private Secretary	PS to Addl: IGP/RMP
PS to DIG Branch			
1.	Mirza Javed Iqbal	Private Secretary	PS to DIG/RMP
2.	Zeeshan Tufail	Stenographer	PA to DIG/RMP
3.	Touqeer Ahmad	Naib Qasid	With DIG/RMP
PA to SP/Hqrs			
1.	M. Sajid Rana	Stenographer	PA to SP/Hqrs
Establishment Branch			
1.	Syed M. Abid Shah	Assistant	I/c Establishment Branch-I & IV
2.	Ali Raza	Assistant	I/c E-III
3.	Atta Elahi	Senior Clerk	I/c E-II
4.	Aashir Ali	Senior Clerk	Computer Operator, E-III
5.	Zeeshan Younas	Junior Clerk	Computer Operator, E-I & E-IV
6.	M. Muhammad Naeem	Naib Qasid	Establishment Branch
7.	Shakeel Khan	Naib Qasid	With Addl: IGP RMP
Accounts Branch			
1.	M. Ejaz ul Hassan	Senior Clerk	Accountant
2.	Zain Mehmood	Senior Clerk	Accounts Branch
3.	Waseem Ashraf	Junior Clerk	Accounts Branch
4.	Nasir Munir	Water Carrier	Attached with Accounts Branch
Development Branch			
1.	Naeem Ahmad Zahid Sultan	Senior Clerk	I/c Development Branch
Class-IV Staff			
1.	Zain Masih	Sanitary Worker	RMP, Hqrs, Lahore
2.	Patras Bhatti	Sanitary Worker	RMP, Hqrs, Lahore

3.	M. Arif	Sanitary Worker	RMP, Hqrs, Lahore
4.	M. Akmal	Electrician	RMP, Hqrs, Lahore

List of ministerial / menial staff posted in RMP Regions Punjab

Sr.	Name and rank	Rank	Posted
Lahore Region			
1.	Ali Faraz	Assistant	RMP, Lahore Region
2.	Mazhar Iqbal	Data Entry Operator	RMP, DG Khan Region
Gujranwala Region			
1.	Raza Ali	Junior Clerk	RMP, Gujranwala Region
Rawalpindi Region			
1.	M. Hafeez	Assistant	RMP, Rawalpindi Region
2.	Fahad Aslam	Stenographer	RMP, Rawalpindi Region (not yet reported)
3.	Saeed Ahmad Awan	Senior Clerk	RMP, Rawalpindi Region (not yet reported)
4.	Muhammad Ali	Junior Clerk	RMP, Rawalpindi Region
Faisalabad Region			
1.	Zafar Iqbal	Office Superintendent	RMP, Faisalabad Region
2.	M. Azam Khan	Assistant	RMP, Faisalabad Region
Sheikhupura Region			
1.	Munawar Islam	Assistant	RMP, Sheikhupura Region
2.	Haq Nawaz	Senior Clerk	RMP, Sheikhupura Region
3.	Ms. Saba	Junior Clerk	RMP, Sheikhupura Region
Sargodha Region			
1.	Muhammad Tahir	Data Entry Operator	RMP, Sargodha Region
2.	Shoukat Hayat	Junior Clerk	RMP, Sargodha Region
Sahiwal Region			
1.	M. Bilal Lodhi	Junior Clerk	RMP, Sahiwal Region
Multan Region			
1.	Nadeem Ahmad	Senior Clerk	RMP, Multan Region
Bahawalpur Region			
1.	M. Nadeem Bhuta	Office Superintendent	RMP, Bahawalpur Region
2.	Basharat Ali	Senior Scale Stenographer	PA to DIG/RMP
3.	M. Imran Jamil	Senior Clerk	RMP, Bahawalpur Region
4.	Syed M. Ali Shah	Junior Clerk	RMP, Bahawalpur Region
Dera Ghazi Khan Region			

1.	Faizan Farid	Assistant	RMP, DG Khan Region
2.	Dawood Irshad	Senior Clerk	RMP, DG Khan Region

CHAPTER 34

CRIME CONTROL DEPARTMENT (CCD)

Introduction:

The Crime Control Department came into being on 4th April-2025 vide Police Order (Amendment) Ordinance 2025 (II of 2025) which subsequently became an act of parliament on 29 May 2025. The rationale behind the establishment of CCD is to deal effectively with serious & Organized Crimes, trans-district criminal network and other complex criminal phenomena which exceed operational and technical capacity of district level units of police. Furthermore, CCD is also mandated to e-Tag Offenders of heinous crimes for their surveillance. In fact, formation of Crime Control Department is a progressive step towards functional and specialized policing which is envisaged under Article-8 and visualized by the framers of Police Order-2002. It has established its Police Stations across the Province for registration of FIR and conduction of investigation of heinous offences. The CCD department is headed by Addl: IGP, assisted by DIsG, SSsP, SsP, ASsP & DSsP. Furthermore, the CCD is divided into regions, districts, sub-divisions and police stations. The police station, District and Region are headed by Station House Officer, District Officers and Regional Officers, respectively.

CCD as per its mandate, right from its formation has been working against the hardened criminals and inter districts and inter provinces gangs. Consequently, within shortest span of time, it has busted many notorious organized gangs and nabbed number of Proclaimed Offenders of Category-A and head money. The aforementioned amendment in the Police Order through which Crime Control Department came into being reproduced here as a facility of reference.

THE POLICE ORDER (AMENDMENT) ORDINANCE 2025 (II OF 2025) NOTIFIED VIDE NO LEGIS :13-41/2002 (P-V) DATED 04.04.2025

Insertion of Article 18C in Order No.22 of 2022. In the order, after Article 18B, as omitted the following shall be inserted:

"18C Crime Control Department. (1) There shall be a Crime Control Department to register and investigate the crimes provided in the Fourth Schedule.

(2) A Specialized cadre with the name of Crime control Force shall be raised and maintained in the Crime Control Department having its Headquarters, Regions, Districts and Sub-Divisions comprising of Police Stations and Specialized Units or Wings.

(3) The Crime Control Department shall be headed by the Additional Inspector General of Police who shall be responsible for its administration.

(4) The Head of the Crime Control Department shall be assisted by such number of Deputy Inspectors General of Police, Senior Superintendents of Police, Superintendents of Police and Assistant /Deputy Superintendent of police and such other staff as the Government may notify from time to time.

(5) The Head of the Crime Control Department may delegate any of his subordinate officers.

(6) The Regional, District and Sub-Divisional Officers, and Police Stations of the Crime Control Department shall be headed by such officers as the Government may notify from time to time.

(7) The Crime Control Department Police Stations shall be established in every District and the Officers in-charge of such police stations shall act under the Code regarding the cases registered in crime Control Department Police Department police stations or transferred to it.

Establishment of various wings within CCD

Home Department and IGP, Punjab vide letter / notification Nos. HP-II/2-3/2025, dated 08.04.2025 & 2290/EXEC-III, dated 10.04.2025, respectively, created following wings within CCD to enable it to perform its mandate efficiently and achieve given targets successfully.

Operations Wing

1. Execute all operations against the criminals.
2. Infiltrate and operate against Organized Crime.

3. Draw/execute-operational strategies against criminals.
4. Arrest and hand over suspected criminals to Investigation Wing.
5. Implement plans chalked out by the CCD.
6. React/operate proactively against criminals through its own manpower.
7. Monitoring of criminals.
8. Coordination with Police and other Law Enforcement Agencies (LEAs) for the execution of operations
9. Crime Control Force shall be a non-uniform force. However, they shall wear uniform during trainings and wherever notified by the head of the department.

Investigation Wing

Investigation of cases of the following categories:

1. Dacoity/Robbery.
2. Dacoity/Robbery with Murder.

Objective/Targets achieved (High Profile Cases)

Initially, CCD undertook registration and investigation of 06 heads from the offences figured in fourth schedule (1) Dacoity (2) Robbery (3) Dacoity or robbery with murder (4) Dacoity or robbery with rape (5) Rape or sodomy (6) Kidnapping or abduction, which qualified to be serious & organized and their working out was beyond the capacity of district police. Most of these cases were untraced and accused involved belong to inter districts and inter provinces gangs. Moreover, modus-operandi of commission of offences was innovative and based on modern devices. CCD bringing

into use human intelligence as well as modern equipment worked out majority of them within a shortest span of time i.e. 10.04.2025 to 30.06.2025. Detail of some of the cases is given hereunder:

Sr	FIR No. PS Section	Brief circumstances	Brief investigation of case	Name of investigating officer
	LAHORE REGION (CCD-I)			
1. Three accused arrested and recovered Rs.42 Lacs.	SI Kashif Nazir
	LAHORE REGION (CCD-III)			
2.	FIR No. 645/25 PS Sandha Section 392	Owner of Irfan Traders Care Baby Pampers submitted an application in PS mentioned that on 06.03.25 at 12:15 PM, my recovery manager Muhammad Hamid Mahmood with an amount Rs 1 crore 30 lacs was going on motorcycle Honda 125/CD number LEV 6624 to deposit the same to Meezan Bank Branch Islam Pura, Lahore, when two unknown persons came on a motorcycle Honda CD/125 and hit near LASPS School Jinnah Road, due to which, his recovery manager felt down and one of the unknown persons took out a pistol and snatched said amount at gunpoint and fled away on a motorcycle.	Following persons were arrested / identified accused and recovered stolen case property: 1- Shehzad Ali son of Muhammad Anwar, 2-Fahad Hamid son of Hamid Mukhtar, 3-Muhammad Qaiser Yaqoob son of Muhammad Yaqoob, 4-Wali Ayaz alias Arbaaz. The crime under Section 411 of the IPC was registered against them.	SI Muhammad Arbab, Iqbal Town

3.	FIR No.951/24 PS Badami Bagh Section 302	Nighat Begum, widow submitted an application in PS mentioning there that her son Anwar ul Haq alias Noori, age 32/33, was a Hafiz of the Quran and was blind in both eyes. My son Anwar ul Haq was the only child. My son and I have been living in Imam Bargah Baqitullah Wali Street, near Ali Chowk, Gaddafi Colony, Badami Bagh, Lahore for the last five years. On 30.4.24 at around 9:40 am, her son and I were at home suddenly, an unknown person entered the house and opened fire indiscriminately on her son with a pistol. When I shouted, the unknown person fled, brandishing a weapon. Her son was covered in blood from the bullets. Her son Anwar ul Haq alias Noori was killed on the spot in the shooting.	During the investigation and search, the suspects were arrested and remanded in custody as per procedure for judicial proceedings.	Insp. Azam Ali
4.	FIR No.256/25 PS Shad Bagh Section 302/429/109 /34	Applicant submitted an application mentioning therein that he is a resident of Chamra Mandi, and his cousin Irfan Mubashir son of Mubashir and Ahsan Ali son of Ali Raza Zuljinah went out to the Amir Road Ganda Nalah to take them for a routine walk. When they reached Dildar Khan's bridge at Bhagatpura, Sajid Bakhtiari son of unknown came from behind and two unknown men came with them and as soon as they arrived, Sajid Bakhtiari shouted, "stop, you guys are having fun arguing." The three men opened	During the investigation and search, the suspects were arrested and remanded in custody as per procedure for judicial proceedings.	Insp. Mahmood Mustafa

		fire indiscriminately, and Ahsan and he saved their lives by lying on the ground. His cousin Irfan was hit by 5 bullets, which injured and he felt down, while the martyred king Zuljinah was also hit by bullets, and Zuljinah was martyred on the spot.		
	Gujranwala Region CCD			
5.	FIR No. 439/25 PS Kot Ladha Section 302/324/34	Two unknown suspects shot and killed the complainant's brother, for which, a case was registered.	During raid two unknown accused who resisted were killed in a police encounter.	SI Abdul Jabbar
6.	FIR No. 967/25 PS Nosherviran Section 302/392/201/311/34	Three unknown suspects killed the plaintiff's daughter during the incident, and a case was registered against them.	During the investigation, it was revealed that the plaintiff's daughter had married someone of her choice, and out of resentment, the plaintiff and his wife killed their daughters together and later registered a case to cover up the incident. After the investigation, the plaintiff and his wife were arrested and sent to judicial custody.	SI Abdul Jabbar
7.	FIR No.908/25	Three unidentified suspects snatched a motorcycle and cash from complainant's son at gunpoint	During the investigation, a raid was conducted to	Insp. Mahfooz Ahmed

	PS Aiman abad Section 302/394/392 /411	and killed complainant's husband, for which a case was registered.	arrest the accused. The accused, fearing arrest, opened fire on the police party, resulting in the death of one accused, injury to another, and arrest of another in good condition. Two accused were sent to judicial custody.	
8.	FIR No.862/25 PS Model Town Section 302/460/376 /375A	An unknown accused forcibly committed adultery with the petitioner's wife and killed her, for which a case was registered.	During interrogation, the accused confessed to forcibly committing adultery with the petitioner's wife and killing her, upon which the accused was sent to judicial custody.	Insp. Baqar Ali
	Sialkot CCD			
9.	FIR No. 409/25 PS Saddar Daska Section 396/397	The plaintiff filed a petition that on 30.3.25 at 1:20 pm, six unknown suspects entered his house armed with weapons. The suspects snatched his brother's mobile phone and started a fight with them. During that time, the accused opened fire directly on his brother Wajid Ali, injuring him. His father, who was a heart patient, died during the incident. The unknown accused fled the scene while firing.	The investigation into the case was conducted and three accused in this case were traced, arrested as per the procedure and sent for judicial custody, while the remaining three accused in this case were killed in a police encounter.	SI Shafaqat Ali

Gujrat CCD				
10.	FIR No.292/25 PS Tandaha Section 324/353/186 /34	Three unidentified suspects committed a crime by firing directly at a police party with the intention of killing it and shooting Constable Owais Zaman 2264/C in the right leg, for which a case has been registered.	On 28.6.25, the complainant of the case in supplementary statement nominated 3-accused: 1. Muhammad Sajjad son of Allah Ditta, resident of Mirasi, Bhagowal 2. Farooq Ahmed son of Abdul Rauf Bawa Da Bagh, Gujarat 3. Abdul Khaliq son of Asghar Ali, resident of Bhatti, currently residing in Hattar. On searching, it was found that 2 dead bodies were present in Aziz Bhatti Shaheed Hospital and identified as Muhammad Sajjad and Muhammad Farooq Ahmed. During this, Ittefaq Shah met the plaintiff that his grandson Arshman, aged 7, was also missing. On investigating, it was found on 29.05.25 that Ahmed Ali and Arshman had been killed by the	The accused Inzamam Shah 2, Zain Shah 3, and Ghulam Abbas were taken into custody and investigated, which proved that the accused Inzamam Shah had repeatedly abused the hostages	SI Ali Kamran

		accused Inzamam Shah and others and hidden in a galvanized box.	Ahmed Ali and Arshman, tortured them to death, and hid their bodies in a galvanized box. While the accused was taking the murder weapon for recovery, the accused Inzamam escaped from police custody, jumped into the canal and killed.	
	Rawalpindi CCD			
13.	FIR No.882/25 PS Rawat Section 302/392PPC pao 13.2a/2015	Assistant Manager KFC applied that KFC was opened at 9 am, as soon as they entered, 2 armed men entered. When the guard saw the armed men, he stopped them, and one of the accused took out a pistol, snatched money etc. from them and left. Suddenly, there was a sound of gunfire. When he looked outside, he saw a man, whose name and address was unknown, standing tall and a boy running away. During the exchange of gunfire, a security guard was also injured and succumbed to his injuries.	The CCD Rawalpindi team was at a continuous blockade at Awami Villas No. 3 Bahria Town when at around 12:30 AM, two youths came on a motorcycle and signaled them to stop. They opened fire on the police party, resulting in the death of one accused, Zain Ali son of Muhammad Ashraf, resident of Mohalla Dahuk Chaudhryan Rawalpindi.	Insp. Zaheer ud Babar
	Jehlum CCD			

14.	FIR No.125/24 PS Chotala Section 302/148/149 /109 PPC	Khalid Baig gave a statement that I am a resident of Shahpur Khurd and I am a landowner. In the evening, I returned home from a wedding with Nasir Beg son of Muhammad Sarwar Sukna of Shahpur Khurd. Meanwhile, my nephew Saddam Hussain son of Mushtaq Hussain came out of the house on a motorcycle along with his friend Muhammad Waqas son of Haq Nawaz Sukna of Shahpur Khurd and told me that I was going to Kadi around 05:20 in the evening. When Nasir and I came towards the road, Masmian 1 Taimur son of Sarwar 2 Imran son of Asghar Baig from Qudratabad on one motorcycle, Imtiaz son of Adalat and Haqiq son of Siddique from Shahpur Khurd on one motorcycle and Akram son of unknown son of Qudratabad on the third motorcycle along with two unknown persons went behind Waqas and Saddam on three motorcycles with whom we have previous enmity. At around 06:15 pm, when Waqqas and Saddam reached in front of Government Girls Degree College, Kadi Road, all seven people stopped Saddam. Taimur fired directly at Saddam with a 30 bore pistol, which hit him in the face. The second shot was fired by Imran, which hit Saddam's head. It hit the chest of the fallen Waqqas, then unknown two persons and other 5 persons started firing	In this case, two accused, Abdul Razaq alias Jaka Fauji and Matlubul Alam alias Tuba Muhajir, were declared criminals, and were involved in kidnapping for ransom and hired killer crimes in other districts and were declared criminals in several cases and were the leaders of a large inter-provincial gang. Both of whom were traced by the police with utmost skill and modern technical means, were killed by the fire of their own colleagues in a police encounter	SI Muhammad Faiz
-----	--	--	---	-------------------------

		indiscriminately on Waqas and Saddam, which hit different parts of the body of Waqqas and Saddam, and Nasir stopped at a short distance due to fear. Sarwar Beg son of Anwar Beg 2 Asghar son of unknown resident of Qudratabad has killed Saddam and Waqqas by consulting with each other. The signatures were recorded with Urdu and thumb marks, which I verified. The corpses of Azan 1 Muhammad Waqqas 2 Saddam Hussain are lying on the spot. Crime 302/148/149/109 was found and the above-mentioned questioner was arrested by Zohaib Islam in 937/C Arsal police station.		
	Sargodha CCD			
15.	FIR No. 439/25 PS Phularwan Section 302/324/148 /149		During the investigation of the case, 04 accused Sarfaraz etc. were found guilty and sent to judicial jail.	Insp. Gul Hameed
16.	FIR No. 400/25 PS Kadana Section 395/365	On the midnight of 25-7-25/26, at around 12 o'clock, I was going from Sargodha towards my house 39 South in a white REVO Dala number AGF-33. When I reached near 39 Bridge, two unknown cars were parked in front. A black car with police revolving lights stopped me and made me get out of the car. At the same time, another white car arrived. Three unknown armed men,	During the investigation of the case, 04 accused Shahzeb etc. were found guilty and sent to judicial jail.	Insp. Gul Hameed

		wearing white shalwar kameez, got out of the black car. 6/7 men got out of the other two cars, their faces open, whom I saw clearly in the lights of the cars, whom I could identify when I came across them. The above-mentioned men forcibly kidnapped me, put me in the car and took me towards Kandiwal Road.		
17.	FIR No. 593/25 PS Phularwan Section 302/363/376	On 04.08.25 at around 4 pm, the petitioner's daughter Gul Makki, aged 5, went out of the house to play and did not return for a long time. She is worried. She is accompanied by her brother Sher Khan. Tahir, son of Muhammad Bashir, a native of Mangat, a resident of Chakian Phulwan, went out to search for her. I searched everywhere but could not find anything. It is suspected that some unknown suspect/accused has kidnapped my daughter for unknown reasons.	The accused, Masmi Noor Khan, was arrested and the case was settled on merit.	L/SI Qaria Tariq
18.	FIR No. 796/25 PS Shahpur Saddar Section 365A	My sons Abdullah Rauf aged 6/7 years and Omar Rauf aged 8/9 years who were playing in the street outside their house at around 04:30 in the evening when they went a few steps away from the street in front of their house, two unknown persons whose appearances are as follows were standing in front of them.	03 Which accused were traced and the case was settled on merit?	Insp. Rana Babar

		The young men, one wearing black clothes and the other wearing blue clothes, both without a mask, came on a Baswari motorcycle CD/70 and forcibly picked up the deceased Abdullah Rauf and fled towards Shahpur on a Baswari motorcycle. A lot of searching has been done and nothing has been found yet.		
19.	FIR No.613/25 PS Shah pur Saddar Section 302/34	Statement by Ansar Abbas, son of Haji Ghulam Hussain, a cobbler by birth, resident of Sultanpur, Mekan, aged 40 years, stated that I am a resident of Sultanpur, Mekan, and I am a landowner. My brother Ghulam Abbas, son of Haji Ghulam Hussain, a cobbler by birth, resident of Sultanpur, Mekan, aged 55/60 years, who was a veterinary doctor, left home on a motorcycle at around 8:15 pm for some work. A and I and Azhar Abbas son of Haji Ghulam Hussain, my brother, also followed him on a motorcycle. When my brother Ghulam Abbas reached the Kadiana bridge and we were a little behind, suddenly two unknown persons appeared and started firing at my brother, and the headlight of the motorcycle was burning. We stopped a little behind. The appearance of the employees: 1. Young, medium height, thin body. 2. Young, tall, slender body. The unknown suspect fired at my brother, which hit my brother in the front on the stomach. The second	03 Which accused were traced and the case was settled on merit?	Insp. Babar Rana

		shot was fired by an unknown person with a pistol, which hit my brother on the left shoulder. Then the unknown person fired. My brother was hit on the chest near the nape, then the unknown fired, which hit him in front near the nape, then the unknown fired, which hit him on the left side of the head behind the ear. My brother fell to the ground and the suspects fled towards Kadiana.		
20.	FIR No. 370/25 PS Kot Momin Section 302	At around 7:00 in Bijisham, Munawar Khan brother, aged about 53/54 years, along with Muhammad Usman son of Khan Muhammad, Pathan nationality 2. Ismat Shah son of Jahangir Shah, Syed nationality, resident of Chak No. 9, South Karyana store, Munawar Khan brother was present at the Azan. Suddenly, three unidentified persons armed with weapons, firearms, and two motorcycles arrived, and as soon as they arrived, Khizr Hayat and others asked about Naseemullah, son of Munawar Khan, nephew of the mother. So Munawar Khan, my brother, said, "What is the need of Naseemullah?" On which, Khizr Hayat and others and my brother got into a heated argument. As we watched, an unknown person fired a pistol, which hit my brother on the right cheek.	02 Which accused were arrested and sent to judicial jail?	SI Waqar Ahmed

		He fell down. We did not go near him in fear for our lives. A few minutes before the incident, the names of 1. Ansar's son of Khalid Qom Awan, resident of Chak No. 9 South, along with an unknown person, came to the grocery store two or three times without permission, who was also riding a motorcycle. At that time, Naseem Ullah Bhatija was also present at the grocery store. All the accused fled the scene while firing and brandishing weapons. I, along with the witnesses, were taking my brother, who was in a seriously injured condition, to the THQ Hospital in Kot Momin when my brother, Munawar Khan, succumbed to his injuries and died on the way. The reason for the enmity is that the accused Khizr Hayat and others suspected that Munawar Khan's son Naseem Ullah was having illicit relations at his house, due to which all the accused, in consultation, fired pistols and killed Munawar Khan's brother and committed rape.		
21.	FIR No. 247/24 PS Sadar Johar Abad Section 302/324/186/148/149, AO 13.2a	Prosecution under Section 302/324/353/186/148/149 of the Arms Amendment Ordinance 2015 today at around 3:30pm in Bijedan along with Mujahid Khurshid SI armed with pistol, Rahim Khan SI armed with pistol, Anwarul Haq SI armed with pistol, Ansar Hayat ASI armed with pistol, Gul Hassan 653/C	On the basis of the information received, Amal Jan SI/DO registered a case and sent the investigation case to Ghulam Murtaza SI, Sadar Police Station,	SI Muhammad Imran Khalid

	armed with SMG, Zainul Abidin 775/C armed with SMG, Fazal Farooq 762/C armed with SMG, Akhtar Abbas 527/C armed with SMG, Ghulam Abbas 317/C armed with SMG, Fakhar Raza 114/C armed with SMG along with bullet proof jackets of employees in Baswari government vehicle number KBG-11 driver Muhammad Ramzan 651/DC in a series of searches and arrests of criminals who are declared criminals, and dacoity, robbery, canal bridge and Darhal. The special officer informed that Nasr Iqbal son of Muhammad Nawaz, a Muslim, resident of Lokri, along with Nasr Iqbal, a proclaimed offender Muhammad Zaheer son of Muhammad Shamir, a Muslim, resident of Hal, Basti Darhal, Nasrullah son of Allah Ditta, a Muslim, with two unknown armed men and firearms are present in an adjacent vacant lot near the house of Sheikh, a Muslim, resident of Hal, Basti Darhal, and Sheikh, a Muslim, with two unknown armed men and firearms and are planning to commit an offence. If a raid is conducted immediately, the proclaimed offender Muhammad Zaheer and others can be caught. On this information, I along with my companions formed a raiding party and briefed all the officers and employees as per SOPs and left in a government vehicle KBG 11 and	Jauharabad. The said SI took action on the spot, recorded the statements of the witnesses under Section 161 IPC, inspected the spot and prepared a visual map of the spot without scale. During the inspection, the soil at location number 2 where Muhammad Zaheer was reported to have been killed by the firing of his companions was bloody and 10 shells fired from a 30 bore pistol, while at location number 3 where Muhammad Nasrullah was reported to have been injured by the firing of his companions, the soil was bloody and 6 shells fired from a 30 bore pistol, while at location number 10 21 shells were found, in detail 16 shells fired from a 30 bore pistol, 5

	reached the above-mentioned place at around 3:50 am. There were 5 persons there, near whom a motorcycle Honda 125 was standing. Suddenly, when they saw the police party, Nasr Iqbal shouted loudly that the police has arrived. Take up position. All 5 accused armed with firearms took up position and started firing directly at the police party. We got down from the official vehicle and took cover and told the accused several times in a loud voice that they should not fire and arrest them, but the accused kept firing directly at the above-mentioned police party. We retaliated by firing in the air under the right of self-defense. Two of the accused's shots hit the left side of the body of the official vehicle. The wireless control room was informed. The exchange of fire continued for about 15/20 minutes. When the accused stopped firing and started searching, following the SOP, groaning sounds were heard in the bushes. When I went there, I saw a person identified as Muhammad Zaheer who had a gunshot wound to the stomach who had been killed by the fire of his other companions, while the other person identified as Muhammad Nasrullah who had a gunshot wound to the left side of his body who was also injured by the fire of his companions, along with three other accused, took advantage	shells fired from a Kalashnikov, scattered. A parcel headed with the name GM was prepared and sent as evidence by a separate individual to the police. The statement of two witnesses under Section 161 IPC was recorded. The search for the accused who were not available was conducted with the permission of the DHQ Hospital Jauharabad Medical Officer. The arrest of the accused was postponed under Section 169 IPC due to his being under treatment. After the post-mortem, the body of Azan Muhammad Zaheer was examined by Constable Zainul Abidin 775/C. The post-mortem report No. 27/25 along with the documents was submitted by me. After the medical

	of the trees and bushes and escaped on a motorcycle. There were many spent shells and Kalashnikovs and 30-bore pistols lying around. Upon further investigation, Muhammad Nasrullah said that two of the escaped accused were with an unknown Muhammad Zaheer whom I do not know, while the third was Nasr Iqbal. Upon searching, Muhammad Nasrullah found a 30-bore Bahlia Dast Celluloid Beetle pistol near Mudroob, with a black, unnumbered, usable magazine attached, which was found empty when unloaded. Along with this, another empty magazine of the 30-bore pistol was lying. Mudroob Muhammad Nasrullah recovered the 30-bore pistol used in the incident. The recovered pistol 30 bore weapon was illegally used in the incident, and the parcel was prepared with the seal AA and taken to the police as evidence. The body of the witness Rahim Khan S was sent to the Civil Hospital, Joharabad, by Rescue 1122. While the right hand of the deceased Muhammad Zaheer was found with a 30-bore pistol, a black celluloid magazine, with a valid number, which was found alive when the magazine was unloaded. Along with the empty magazine of the pistol 30 bore, the parcel of the recovered pistol 30 bore of Muhammad Zaheer (deceased) was prepared with the	examination of the accused Azan Muhammad Zaheer, Constable Gul Hassan 653/C. The post-mortem report and medical report were submitted by me. The documents of the deceased, Azan, were taken into custody separately by the police and the statements of each of the two constables were recorded separately under Section 161 IPC. After the identification of the body of Azan Muhammad Zaheer, the witnesses were examined by me. Fazal Farooq 762/C, Akhtar Abbas 527/C, CCD Khushab police station, recorded separate statements under Section 161 IPC. They came to the police station and handed over the case file to the police station and

	seal AA and taken to the police as evidence. The body of the witness Rahim I, Mujahid Khurshid SI was made to the body. The map of the deceased Muhammad Nasrullah was compiled and kept under the protection of Gul Hassan. Khan SI, Mujahid Khurshid SI were performed the funeral. The body of Azan Muhammad Zaheer was prepared and sent to Civil Hospital Jauharabad under the protection of Zainul Abidin 775/C for postmortem. On conducting CRO record check 653/C, Muhammad Zaheer was found to have previous record in the mentioned 32 serious cases while he was found to be a declared offender in 5 cases. Nasr Iqbal etc. opened fire on the police party with murderous intent, obstructed the government in the process of carrying out the illegal use of weapons and killed his companion Muhammad Zaheer and assaulted Muhammad Nasrullah, committing the crime of 302/324/353/186/148/149 of Section 13.2a of the Arms Amendment Ordinance 2015.	recorded the statement of the recorder under Section 161 IPC. On 10.05.25, Constable Zainul Abidin 775/C brought a computerized copy of the post-mortem report No. 27/25 of the deceased Azan Muhammad Zaheer from DHQ Hospital, Jauharabad, which was dated 11.05.2025. The cartographer was taken along and given an opportunity to view the complaint and witnesses on their identification and handed over the rough note. It was directed that 3 copies of the scale map be prepared. On 12.5.25, Constable Gul Hassan 653/C brought a computerized medical report No. 434/25 of the deceased Azan Muhammad Nasrullah from DHQ	
--	--	--	--

			Hospital, which was dated 14.05.25. The cartographer Ghulam Jafar handed over 3 copies of the scale map of the crime scene to the Investigation Officer and the Investigation Officer recorded the statement of the said cartographer under Section 161 IPC. On 15.05.2025, the investigating officer submitted the parcels for analysis PFSA and wrote a supplementary statement of the police station 161 ZF. On 16.5.25, with reference to order No. 5811 dated 17.5.25, Mr. DPO Sahib Khushab, on the recommendation of the Investigation Board, received a similar case for further investigation, on which Muhammad Imran Khalid SI	
--	--	--	--	--

			Police Station CCD Khushab was assigned to investigate. On 19.05.25, Muhammad Imran Khalid SI got the accused Muhammad Nasrullah discharged from DHQ Hospital Jauharabad, conducted an investigation, arrested him as per the procedure, presented him before the Area Magistrate, obtained a judicial remand of 14 days and sent him to jail Shahpur. In this case, the accused Nasr Iqbal along with 2 unknown persons are pending arrest. The final result of the beatings under the observation of the accused Muhammad Nasrullah is pending. The accused Muhammad Zaheer

		Monday, on 27.05.25 at 8:33 minutes, our friend Saeed Ahmed son of Muhammad Rafiq received a call on his number 03047096667 from my cousin Hasnain Bosan, which was disconnected after 5 seconds. The applicant presents his application at this police station.		
32.	FIR No. 946/25 PS City Shuja Abad Section 302/34/109/201	The petitioner is a resident of Taj Colony, Shujabad and works as a clerk in the AC Office, Shujabad. On 12.05.2025 at about 2 pm, the petitioner's son Sufyan Mujeeb, aged 18/19 years, was going to take a bath at the swimming pool along with Waqas, son of Zafar. On the other motorcycle, the petitioner's nephew Umair Shafiq, son of Shafiq-ur-Rehman, and the petitioner's nephew Muhammad Makki Muawiya, son of Saif-ur-Rehman, were also going to take a bath. When they reached the canal embankment near the swimming pool, suddenly two unknown accused riding a motorcycle came from behind, one accused, aged about 20 years, with a round face, long stature, and the other accused, aged about 25 years, with a medium height, and wheatish complexion, who stopped the petitioner's son as soon as they arrived. The accused, who was sitting behind the motorcycle, fired three shots one after the other, which hit the petitioner's son in the stomach from the left (LEFT) and exited to the	1. Haider Mahmood alias Dilawar son of Muhammad Afzal Qaum Jam 2. Naveed Ahmed son of Shafiq Ahmed Qaum Mayo Has become judicial The hearing is ongoing	Insp. Muhammad Akbar

		right and the second shot hit the left shin. This incident Apart from the aforementioned Umair Shafiq, Muhammad Makki Muawiya, Muhammad Wakil son of Muhammad Sharif, a Rajput, saw the child himself and can also identify the accused when they appear. The petitioner also reached the spot as soon as he was informed and immediately brought him to the Civil Hospital in his car. The Civil Hospital staff referred the child to Nishtar Hospital due to his deteriorating condition. He remained in a life-and-death struggle for many days and the petitioner was busy taking care of his son in distress. He died at around 9:30 pm on 25.05.2025, unable to bear the injuries. The unknown accused have wrongfully beaten and killed the petitioner's son for unknown reasons and have severely abused him.		
33.	FIR No. 898/25 PS Saddar Burewala Section 302	On 19-06-2025, a case No. 898/25 dated 19-06-2025 under Section 302 of the Pakistan Penal Code was registered at Saddar Borewala Police Station on the recovery of bones, clothes and other items of an unknown woman on 15 calls received from Village 461/EB within the limits of Saddar Borewala Police Station.	SI Muhammad Ikram, in-charge of CCD Circle Borewala, District Vehari, while investigating the case with professional expertise, traced the blind murder of an unknown body (only bones). SI Ikram arrested the	SI M. Akram

			accused Muhammad Imran son of Ghulam Farid Qom Awan, resident of 565/EB, who had married Sonia daughter of Salim, resident of 565/EB, about five years ago, and later both of them had shifted to 461/EB Borewala. After marriage, a son and a daughter were born. About four to five months ago, the accused killed his wife with an axe in a corn field due to a domestic dispute. Later, he hid the body there. During the harvesting of corn, human bones were found by a farmer. After the murder, the accused and his entire family disappeared from 461/EB. On human intelligence and technical grounds, the CCD team raided various places including Lahore,

	Section 302/394	wedding in Rahim Yar Khan with his brother Muhammad Mohsin and other relatives. A little further from Chowk Sireli on Mau Mubarak Road, two unidentified motorcycle-borne suspects stopped him at gunpoint and tried to rob him. On resistance, the suspects opened fire on Muhammad Mohsin, which hit him in the right shoulder, and he fell to the ground. The suspects threatened to kill him and fled towards Sireli Chowk. The injured was immediately taken to the hospital where he succumbed to his injuries. Witnesses saw the faces of the accused in the motorcycle lights, identification is possible. The police inspected the spot, recorded three injuries on the body, prepared a map of the injuries and the scene and sent it for postmortem. It was recommended to register a case under sections 394/302 of the Pakistan Penal Code.		
39.	FIR No. 567/25 PS Kot Sambah Section 336-B	Plaintiff Muhammad Javed stated that on 28.7.25 at about 8:15 PM, I was going home from Kotsamba on a Baswari motorcycle. When I reached near Chak No. 86/NP Cotton Factory, the accused Muhammad Asif son of Jam Majno, Muhammad Arshad son of Muhammad Ashraf, Muhammad Ahmed son of Muhammad Arshad, Aaqoom Arain residents of Basti Rahim Wadhaya, Kot Ghaniya, who were hiding behind the whites on	Accused Muhammad Arshad has been acquitted. Muhammad Ahmed and Asif have been acquitted.	Insp. Hassan Iqbal

		the side of the road, suddenly came in front of me and forcibly stopped my motorcycle and took me off the motorcycle. They started slapping and punching me while abusing me. The accused Muhammad Arshad and Muhammad Asif grabbed both my arms. The accused Muhammad Ahmed brought a box kept behind the whites which contained acid and Muhammad Ahmed wrapped a cloth on a stick and dipped it in the acid box and started applying the same stick to my body. The accused Muhammad Ahmed dipped the same stick on which the cloth was tied in the acid box and started He kept hitting me on the arms, shoulders, waist, back and legs. On my shouting and complaining, witnesses Muhammad Rashid son of Muhammad Ashraf, a resident of Rahim Wadhaya settlement, Kot Ghaniya, and Zulqarnain son of Abdul Sattar, a resident of Rahim Wadhaya settlement, Kot Ghaniya, came and saw them coming. The accused fled on a motorcycle. The reason for the enmity is that we have a land dispute with the accused.		
40.	FIR No. 199/25 PS Airport Section 302/394	Plaintiff and father-in-law Saeed Iqbal. Tashfeen Zafar son of Zafar Iqbal, resident of Chak No. 90/NP, and Yawar Ashfaq son of Muhammad Ashfaq, resident of Canal Park, after seeing the wheat crop being planted, at around 11:40	Axmal Munawar Ji, son of Topan Ji, killed in police encounter	SI Ahmed Naqash Raza

		am, my father Saeed Iqbal, on his motorcycle CD/110 Suzuki, came forward. When we reached the turn at Basti Babran Wale, a motorcycle CG/125 with number 3 crossed us and went ahead and forcibly stopped the father-in-law and forcibly removed my father from the motorcycle he was riding. When Waldam resisted, the accused, who was about 27/28 years old, with a light blue shirt and trousers, pushed Waldam down and started shooting indiscriminately to kill Waldam. The fire hit my father in both legs. I and my companions intervened. I said, "This is my father. Take whatever you want, but don't kill my father." The accused who opened fire pointed a Kalashnikov at us and threatened to kill us too. Two other accused, armed with pistols, also prevented us from coming closer and fled on the motorcycle my father was riding and their own motorcycle.		
41.	FIR No.359/25 PS Rakhna Section 302/34	On 25-6-16, Muhammad Siddique ASI along with his employees were present in the area on patrol and crime scene when 15 calls were received that a body was floating in the canal from the New Shahi Wala canal at Chak No. 140 DB. I have also informed Rescue 1122 about this information. On this information, the ASI along with his employees reached the New Shahi Wala canal at the above-mentioned	While conducting the initial investigation, the witnesses' statements were recorded, the parcels received from the crime scene were seized, the unknown name accused was moved to arrest, and an	Insp. Crime Control Department (CCD) is mandated with kinetic action blend with proactive aggressive and unconventional policing, which has been established under the vision of Provincial Government for peculiar circumstances and to meet the challenges being faced by the Punjab Province. Since, its inception in April 2025, CCD has adopted a proactive targeted and intelligence-driven policing model that has significantly transformed crime prevention, detection, and law enforcement in Punjab. Within a short span of seven months, overall crimes against property have decreased by more than 55%, while incidents of dacoity with murder have been reduced by up to 45%.
