

ANNUAL POLICING PLAN

For the Calendar year 2022-2023
(Chapter-IV, Article-32 of Police Order-2002)

DISTRICT LAHORE

Capital City Police Lahore (CCPO)

INTRODUCTION

Lahore is financial and political hub of province of the Punjab. Being, the Metropolitan, people of different areas, move to Lahore to earn their livelihood. Hence, the population of Lahore is increased day by day. Resultantly, massive population leads to increase the chance of crime. The crime rate of Capital City has been increased during last five years. Consequently, to curb the crime, new strategies and planning are being introduced time to time. Article “32” of police Order 2002 made the provision of the annual policing plan mandatory for every head of the District Police, in which he puts forward details of objectives and achievement and sets targets to be achieved for good performance of the police. Operations Wing deals both administrative and operational targets such as arrest of POs/T. Os and C. As to ensure free and fair justice for general public, deployments of law knowing officers in field to facilitate the public and ensure justice, promoting of E-Complaint system E-Policing Change in Thana Culture are key targets.

District details:

Lahore is the Metropolitan of Punjab Province. Location of Lahore City is bounded on the North and West by Sheikhpura district, on the east by India and on the south Kasur district River Ravi flows on the northern side of Lahore. Total land area of the city is 404 sq-Km. Altitude of the city lies between 31-15 and 31-45 North latitudes and 74-01 and 74-39 East longitude. Climate of Lahore city faces extremes climate, May, June, and July are hottest months. The minimum temperature varies between 39 C and 26 C respectively, while December, January and February are the coldest months. Languages spoken in the city are Punjabi, Urdu and English. Extravagant language, may be, but admirers have always vied with each other to immortalize this pearl of the Punjab.

Industry:

Doubtlessly, Lahore has emerged as a main Centre of Industry in the Region. High quality electronic equipments and spare parts are manufactured here. Similarly, fine textile items are also produced here. Automobiles and shoe industry are the major industry of this City. Due to its significance and importance, following are main industries in Lahore: -

ICI Soda Ash	01
Pakistan Tobacco Company	01
Cement	02
Mari Petroleum	01
OGDCL	01

Brick Kilns	80
Flour mills	16
Total	102

Crops:

Allah almighty has blessed this District with rich fertile land. Rice, Wheat, Potato, maize are the major cash crops of the district. Rice Mills have been installed in different areas of the district. Rice is exported to a large number of countries of the world. However, the export business has also flourished in the district in recent time.

Food:

Lahore City has been famous for variety of food items. There are many famous restaurants and food streets established in the city e.g. Anarkali Food Street, Gowalmandi Food Street, Royal Food Street, Pearl Continental Hotel, Avari Hotel, chains of famous fast foods, like Mcdonald, KFC, Pizza Hut, etc.

<u>POPULATION</u>	
Male	5.824m (52%)
Female	5.300 m (48%)
Total Population (Estimated)	11.126 m (2017 census)
Area	1772 Sq Km

INVESTIGATION

- Under Investigation cases are on the higher side which needs to be reduced to extent. maximum Cases registered in 2017 to 2022 are which were still under investigation finalized. is being
- Case properties have not been sent timely to malkhanas concerned which are being reduced.
- Cases under arms ordinance have been found pending due to lethargic attitude and timely submission of challans will reduce pendency.
- Prompt Medical Examination in sodomy & rape/gang rape cases. •
CNIC of all accused must be feeded correctly in POLCOM.
- Cases in which the accused have been sent to the judicial lockups, the challans are not being updated in POLCOM within 14 days.
- I.Os & Incharges ensure that all objects raised by the persecution branch must be removed timely and submitted back.
- Maintenance of police stations record both manually and computerized (A number of cases in which IOs are not entered in POLCOM.
- Incharges / IOs are being given specific targets on daily bases for maximum arrest of nominated accused involved in large number of cases.
- Large number of newly added POs & Listed POS of category A & B , TOs & CAs which are at large , will be arrested by apply modern techniques.

- 21 cases of cash snatching outside back are registered in September 2022.
- Complaints received from PMDU, 1787, CMS and from higher authorities must be finalized on time and submit report to the concerned quarters accordingly.
- Large number of under investigation cases (RPO Heads) are pending with 2nd and 3rd I.Os (as a result of 1st and 2nd change of investigation) which is be finalized .
- Incharges are directed to ensure that duty officer must call PSFA Labs & district crime scene unit at place of occurrence.
- Crime scenes of all heinous cases must be visited by the divisional SsP, SDPOs and Incharges.
- It has been noticed that in cases of narcotics, the complainants (Officers of Operation Branch) are used to be reluctant to hand over the case property to the I.Os .
- Sample of case Properties must be sent timely to PFSA or other agencies.
- Any addition / Deletion of offence / offences, I.Os must update the same in POLCOM timely

Moharrers are responsible for entries in registered in no 4 and POLCOM.

- Entries in registered no 19 must be made timely, delayed shows that the I.Os genuinely not recovered anything from the custody alleged accused . Case property must be handed over to quarter concerned.
- Challans must be submitted within prescribed period i.e 14 days after registered of the case.if there is some impediments, than and interim report should be placed before the court of competent jurisdiction.

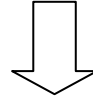

- Zero tolerance in death and escape form police custody.
- The main case of pendency is that the I.Os on their transfer from one place to another, or not handing over the case files to the concerned / Moharrar / Incharge .
- If any superior court called any senior officers, the I.Os and Incharges are responsible to inform the concerned officer timely.
- A large number of complains on very petty issues are pouring divisional offices, the divisional SSPs investigation must devised mechanism to redress the grievance of general public.
- Availability in AOR till midnight.
- Qualitative investigation would nest prevention.
- Media projection should be made by highlighting the achievements in working out the high-profile cases.
- In case of hardships the transfer / posting of any junior ranks would exempt form any policy for the time being
- Demands of strength of investigation wing may be rationalized.
- Space for AVLS in different divisions must be resolved at the earliest. SP AVLS coordinate with SSP operation and decided the mater without any delay.
- Special fund / logistic support would be provided to AVLS.
- Proposal for establishment of separate narcotics unit similar to CIA and AVLS.
