Moreover, an officer may also be nominated to act as Coordinator/Focal Person, for further correspondence. His/her contact number(s) alongwith postal and e-mail addresses may also be communicated.
4. Subject: CONFERMENT OF CIVIL AWARDS

Pakistan Civil Awards are conferred by the President, Islamic Republic of Pakistan under the provisions of Article 259 of the Constitution of Pakistan read with the Decorations Act, 1975 on individuals for distinction in the different fields. The Civil Awards are announced once a year i.e. on the 14th August, while the investiture for these awards takes place on the 23rd March every year.

2. To objectively assess the nominations received in this behalf, multiple committees are working that consider the nominees on the basis of objective criteria already in field. The Main Awards Committee, besides making its own recommendations in certain fields, also finalizes the recommendations received from Sub-Committees. While an elaborate process for consideration of nominations is already in place, the final recommendations of the awards are normally received so late that careful consideration of the nominations at the level of Prime Minister is hardly feasible.

3. In view thereof, the Prime Minister has been pleased to direct that henceforth, the Cabinet Division shall ensure submission of recommendations, duly finalized by Main Awards Committee, to the Prime Minister invariably one month prior to announcement for conferment of awards. The Cabinet Division shall issue necessary instructions to all concerned, including heads of the Main Awards Committee/ Sub-Committees, and ensure compliance of the aforesaid timeline without fail.
