INTRODUCTION

W

elcome to our Annual Policy Plan for the Year 2024-2025.

The said plan 2024-2025 sets out priorities to fight crime supported by clear commitments to tackle the issues that concern our community the most. We recognize that as the major law enforcing agency, we are under tremendous scrutiny over years, and we are currently working on clear improvement plan to develop trust and confidence and demonstrate our ability to significantly improve our performance and self-accountability.

Our manifesto is to protect people, prevent crime and to tackle the law and order issues round the clock. We want to build an example of good practice in policing in the province and to target the offenders that make people more vulnerable to crime and particularly becoming victims of burglary, robbery and anti-social behavior. This is something we recognize we cannot do alone and we will be banking on partnership with the people. We will be increasing our visibility through effective patrolling reassuring people that we are where we are most needed preventing the kind of criminal behavior that affects people's lives.

We want to become one of the top performing police forces in the province. An important addition to our plan this year is "Prevention of Child Abuse". Although the Child Abuse crime has fallen, but we need to remain relentless in pursuing such like criminals.

We know that the best way to win public confidence is through "performance with purpose" and all members of the force will work very hard to improve public confidence in everything that they do. Another issue that we will be focusing during the current year is the anti-state elements. This year extremists and terrorists will be pursued and brought to justice vigorously.

The instant Plan covers the District Profile, challenges, hurdles, short term strategy and long term strategy to overcome the challenges.

We will keep the "Annual Policing Plan" under constant review as we respond to the ever changing situation.

Main Responsibilities:

Our main responsibility is to fight crime and win by providing dynamic and effective law enforcement through following ambitions:

- **Integrity**
We are honest, trustworthy and genuinely accountable
- **Commitment**
We are committed to excellence and delivering the highest quality of service.
- **Fairness**
We act impartially treating all according to the law on merit
- **Respect**
We treat all with dignity and honor.
- **Values**
Our values have been defined by the police officers and the people we serve. They are the standards for which we strive and by which we wish to be judged. Loyalty to these Values is a must for every member of Kasur Police.

Our responsibilities are as under:-

- Fight against terrorism and extremism.
- Free registration of cases in the Police Stations.
- Maintain law & order.
- Prevention of Child Abuse
- Investigation on merit.
- Speedy dispensation of justice.
- Revival of the public trust on Police.
- To make public feel the atmosphere of safety.
- To make public realize their responsibility to give proper assistance to Police in their workout.
