Subject: **MOU BETWEEN LAHORE POLICE & THE MOHSIN PROJECT GLOBAL (TMPG) FOR PARC (POLICE ANIMAL RESCUE CNETER)**

Memorandum:

It is submitted that the Capital City Police Operations Wing, Lahore, has signed a Memorandum of Understanding (MOU) with **The Mohsin Project Global (TMPG)** to work collaboratively for animal welfare, social mobilization, policy and advocacy, and humanitarian assistance, as well as to establish a digital infrastructure for the Police Animal Rescue Centre (PARC) through a custom-built extension of TMPG's shelter and rescue management platform, Sanctuary, to modernize PARC's operational oversight, data logging, and inter-agency coordination across Punjab. The key details of the partnership are as under: –

a) Intake & Admission/Discharge Logging: Digital records capturing species, sex, intake condition, location found, photographic evidence, and final outcomes (on-site release, transfer, or adoption).
b) Enforcement & Cruelty Case Tracking: End-to-end tracking for animal cruelty complaints, rescue operations, and connected legal/enforcement proceedings.
c) Referral & Transfer Network: A collaborative coordination feature allowing PARC to broadcast transfer-ready cases with photos and details to vetted partner clinics and shelters with available capacity.
d) Veterinary & Treatment Logs: On-site medical record-keeping managed directly by centre veterinary staff.
e) Leadership Dashboards & Reporting: High-level analytics and reporting tools built for Punjab Police leadership to monitor multi-centre performance.
f) Coordination: Designated focal persons from both sides shall ensure smooth implementation and coordination of operations.

2. In view of the above, it is requested that the enclosed MOU be circulated to all RPOs, CPOs, and DPOs across Punjab for information and necessary coordination regarding animal welfare and PARC's operational framework, please.

Deputy Inspector General of Police,
o/c Operations Lahore.

Memorandum of Understanding (MoU)

Between

The Mohsin Project Global (TMPG) & Punjab Police for PARC (Police Animal Rescue Center)

Partnership Summary

The purpose of the partnership is to work collaboratively for animal welfare, social mobilization, policy and advocacy, and humanitarian assistance. It will increase the professional visibility, mutual learning and sharing, and credibility of organizations. Specifically, this partnership establishes a digital infrastructure for PARC through a custom-built extension of TMPG's shelter and rescue management platform, Sanctuary, to modernize PARC's operational oversight, data logging, and inter-agency coordination across Punjab.

Duration: Two Years (October 2026 to October 2028)

Date of first Agreement Mutually Signed: ID1-PSO-DIG-OPS-LHR 30-09-26

Memorandum of Understanding Between

The Mohsin Project Global (TMPG)

The Mohsin Project Global (TMPG) is a technology-driven organization that designs and deploys custom software infrastructure, digital workflows, and specialized management platforms to empower non-profits and public sector initiatives across multiple verticals, including animal welfare, agricultural supply chains, and social mobilization. TMPG designs and operates *Sanctuary*, a specialized shelter and rescue management platform that provides secure digital workflows for animal shelters, rescue organizations, and enforcement agencies to optimize operational oversight, record-keeping, and coordination.

Police Animal Rescue Centre, Lahore

Police Animal Rescue Centre (PARC) under Punjab Police has a mission to take significant steps for animal welfare and protection in the Punjab province. The primary objective of the PARC is to take legal action against individuals engaged in acts of cruelty, abuse and neglect to animals in Punjab province. PARC is also advocating for policies to be in place and implementation of existing laws to ensure animal welfare and animal rights in Pakistan and deals with the cases regarding mistreatment and mishandling of domestic, outdoor, and working animals. Moreover also providing immediate assistance, treatment, and care for homeless stray animals.

Scope of Work/Purpose:

The objective of this Memorandum of Understanding is to set forth the understanding of the parties to work in close coordination with each other for protection, rescue, rehabilitation and safeguarding of injured, sick, captive or street animals to protect them from any form of abuse and neglect, through the design, deployment and operation of a secure digital system (the "PARC Extension System") tailored to PARC's law enforcement and rescue mandates.

Elements of Cooperation:

- TMPG is designing and deploying the PARC Extension System, a secure, tailored software extension of the Sanctuary platform, with the following key functional modules:
- Intake & Admission/Discharge Logging: Digital records capturing species, sex, intake condition, location found, photographic evidence, and final outcomes (on-site release, transfer, or adoption).
- Enforcement & Cruelty Case Tracking: End-to-end tracking for animal cruelty complaints, rescue operations, and connected legal/enforcement proceedings.
- Referral & Transfer Network: A collaborative coordination feature allowing PARC to broadcast transfer-ready cases with photos and details to vetted partner clinics and shelters with available capacity.
- Veterinary & Treatment Logs: On-site medical record-keeping managed directly by centre veterinary staff.
- Leadership Dashboards & Reporting: High-level analytics and reporting tools built for Punjab Police leadership to monitor multi-centre performance.
- Both parties will be involved in addressing complaints related to the animals, with the System serving as the record of such complaints and their outcomes.
- PARC will designate authorized personnel to use the System, and centre veterinary staff will maintain treatment logs directly within it.
- TMPG will share any form of injustice towards animals with PARC. In this regard, legal action will be done as per SOPs by PARC.
- In collaboration, will create and organize volunteer opportunities, awareness seminars/campaigns, and internships for students and the general public at the PARC.
- Now therefore, the parties have agreed to execute this MOU on the following scope of work on _____ 2026.

Article 1: Financial Terms

The development, design, and delivery of the System are provided entirely free of charge by TMPG. Any future hosting or storage fees shall be strictly subject to mutual written agreement between the parties.

Article 2: Data Ownership & Privacy

PARC retains exclusive ownership of all operational, medical, and enforcement case data. Such data shall be logically isolated from other platform users, secured via robust cloud safeguards, and preserved to support legal and evidentiary proceedings.

Article 3: Intellectual Property

The underlying platform (Sanctuary) and new software work products remain the property of TMPG. TMPG grants PARC a non-exclusive, royalty-free operational license for the duration of this agreement.

Article 4: Reporting and Feedback

The parties shall maintain regular feedback on the performance and development of the System. Any party using non-confidential information generated under this collaboration for publication or dissemination will duly acknowledge the role of the other party, subject always to PARC's ownership of its case data under Article 2.

Article 5: Dispute Resolution

The Parties commit to working together in good faith to resolve any disagreements that may arise during the implementation of activities under this MOU. In case of a disagreement arising between the parties regarding the implementation of any part of, or any other substantive question arising under or relating to this MOU, the parties shall use their best efforts to arrive at an agreeable resolution by mutual consultation. This MOU shall be governed and construed by the laws of the Islamic Republic of Pakistan, and any dispute not resolved by consultation shall fall under the jurisdiction of the courts in Karachi.

Article 6: Amendments, Modifications, and Termination

This MOU represents the full and complete agreement between the Parties. Either party can request in writing that this MOU be amended at any time. Any amendment to this MOU shall be made in writing, through mutual agreement between the Parties.

Either party may terminate this MOU for convenience with thirty (30) days' prior written notice, or for cause.

Both Parties agree to act in good faith in implementing the terms and conditions described in this MOU.

In witness whereof the parties hereto have set and subscribed their respective hands and seals with mutual consent on the day, month and year first above written.
