## INTRODUCTION

Article 32(4) of police order 2002 enunciates that head of District police shall prepare an annual plan in which details regarding objectives of District Police, Availability and utilization of financial and material resources during the year, targets as well as mechanism to achieve the targets are to be mentioned in the plan. District Annual report plays a pivotal role in decision making, management of men and material, policy formulation and other activities carried out by District police in pursuance to protect lives and properties of its citizens. As it is truly said by veteran American author and radio speaker Earl Nightingale that *“All you need is the plan, the road map, and the courage to press on your destination”*, similarly roadmap is very necessary to set the targets and to get those targets accomplished with collaborative efforts. In compliance with the statutory requirement, the Annual District Plan 2021-22 is articulated after thorough deliberation and keeping in view the forthcoming requirements of the district police. The prime and upmost objective of Rajanpur Police is to provide not only protection but sense of protection to citizens by adopting proactive policing approach. Arresting the perpetrators and Proclaimed offenders in furtherance to get them scrutinized by investigation process of police and send them to courts of law within along with collected evidence so that such persons may be convicted by courts of law and society may be prevented by such ill minded criminals. It is always required by the governments and the civil society that police culture at police station level should be changed and it should be people friendly and polite. Strategies to make police, as a public friendly organization are also included in the priority list of this District. For accomplishment of desired goal, resources are inevitably required. The calculations of required resources has been carried out which is included in the plan 2021-22. The same plan is being submitted to the competent authority for its approval, please.
