

Annual Policing Plan

Toba Tek Sing

2024-2025

## 1. **Introduction:**

### i. **A brief Introduction of Plan:**

This Policing Plan for the year 2024-2025 has been framed by the District Police, Toba Tek Singh as envisaged in Article 32(4) of Police Order 2002. This document chiefly aims at providing a peaceful atmosphere to the masses so that the society may have a sense of peace and security. It goes without saying that policing in modern times is a complex task. The days of the retroactive policing are over and a new era of proactive policing has commenced. Therefore this annual policing plan has been framed keeping in view the geographical location of the district, its essential features, analysis of the past five years crime along with wide ranging discussions, debates, seminars, interviews, consultations and meetings held with a cross sections of society. This plan adequately reflects the trend of crime and the needs and expectations of the community. Not only the measurable targets have been identified, key actions and mechanism to achieve these targets have also been mentioned under each head of crime. Notwithstanding these limitations, district police Toba Tek Singh is determined to strive to the utmost for realization of these targets so that qualitative and meaningful policing is provided to the people on whose behalf we undertook these onerous responsibilities. We plan to work in close cooperation with law abiding citizens and representatives of Public for establishment of rule of law as well as arrest of crime and the criminals. We substantially depend on public support by bringing about qualitative change in the attitude of the police particularly the staff posted at the police stations so that our struggle against, both crime and the criminals is undertaken with necessary strength and support of the people. I am confident that we will deliver in accordance with law & to the expectations of the people as I have faith in my officers and subordinates for adequately meeting this challenge.

#### **5. Comments by the DPO:**

A major development in District Toba Tek Singh is the passing of 02 Motorways through the District. This has resulted in increased number of fatal accidents and robberies by virtue of easy escape ways through both Motorways. Further, 10 years down the road, district will see rapid urbanization due to these Motorways. Urbanization will lead to rise in crime. In this regard, capacity building of the Police will be given a major focus to ensure effective crime prevention. Further, coordination with Motorways and Highways Patrol Police shall also be established to effectively thwart the aforementioned 02 challenges.
