16. Late comers (after due date and time) will not be allowed to participate in tender.
17. Bidders should not be involved in any criminal case of Fraud / Forgery of Blacklist from any procuring agency. A certificate into the matter may be given on stamp paper of Rs. 100.

1.1. Validity

The offer must remain valid for upto **30.06.2025** (extendable if required).

1.2. Bidding Procedure

All bidders must submit their bids under “Single Stage-two Envelope Procedure” as per clause 38 (2)(a) of Punjab Procurement Rules 2014, as under: -

- i. The bid shall be a single package consisting of one envelopes, containing financial and technical proposal; Technical Bid will be opened however, financial bid will be kept in sealed manner till finalization of Technical report.
- ii. The procuring agency shall evaluate the technical proposal in the manner prescribed in advance, without reference to the price and shall reject any proposal which does not conform to the specified requirements;
- iii. Lowest Sum/Price of parts of vehicle will be awarded to that firm, which offers lowest in that vehicle.
- iv. Technical evaluation of participating firms/individuals, on the approved evaluation criteria as mentioned at para 1.4, will be carried out for only those firms/individuals whose sample be found as per approved specifications.
- v. During the technical evaluation, no amendments in the technical proposal shall be permitted or any copy or original documents will not be added;
- vi. The financial bids found technically non-responsive shall not be evaluated; and
- vii. The lowest evaluated bidder of that vehicle shall be awarded the contract, (Draft Contract attached with bidding documents as part thereof at page 25& 26)
- viii. The bidder/firm/individual will submit bid price with the condition that if any tax is levied or enhanced during the delivery period same will be borne by the supplier.
- ix. The delivery period of the contract can be extended in special circumstances.
- x. Provision of checklist is essential prerequisite along with submission of tenders.

1.3. Right of Rejection

The Chief Purchase Officer reserves the right to reject all bids or proposals in line with Rule 35 of PPRA Rules 2014.

1.4. Evaluation Process

The evaluation of bidders shall be done in following steps:

1. Samples/evaluation would be collected from firms/individuals and its testing would be done, on the discretion of authority.
2. Technical proposals of verified samples would be opened.
3. Technical evaluation, on the basis of bidding documents/samples.
4. Financial evaluation.

2. **General Terms & Conditions:**

2.1 Performance Guarantee

The successful bidders shall deposit equal to 5% of the total cost of store as performance guarantee in the form of Deposit at Call/ Bank Guarantee infavour of the DIG/Operations Office, Near District Court, Lahore, within the period specified in Advance Acceptance of Tender and enter in the contract. Performance guarantee shall be refunded on successful completion of the contract obligations and NOC from the Indenter.

2.2 Firm/Individual Details

Bidders shall submit complete details of their firm/individual, offices, workplaces, and staff along with postal address, Phones / Fax numbers, E-mail and Website information.

2.3 Delivery Place

The stores shall be received in Stationery Office, DIG Operations Office, Near District Court, Lahore. No other destination shall be acceptable. Stores shall be inspected physically and thereafter operationally tested at the cost of the contractor.

2.4 Goods Detail

The bidders are required to specify make, brand, country of origin and furnish detailed descriptive literature/ catalogue (*where applicable*) along with their offers for respective items.

2.5 Import Documents

In case of stores imported origin, the bidder shall produce import documents at the time of inspection to ensure that stores offered for inspection are imported, brand new and in the original packing of the manufacturer.

2.6 Warranty & After Sale Service

The offers of warranted products and after sales service would be given preference and the same should clearly be mentioned in the bids.

2.7 Sample Specifications

The store is required as per specifications and indenter's sealed sample (where applicable), which can be seen in the office of the Stationery Branch, Operations Office, Near District Court, Lahore, in any working day during office hours.

2.8 Accounting Unit

The bids should be submitted on the basis of accounting unit specified in the tender notice otherwise the offers shall be ignored.

2.9 Documentation Standards

Any erasing/ cutting/ crossing etc. appearing in the offer must be properly signed by the person signing the bid. Moreover, all pages to the bidding documents must also be properly signed. Offer with any overwriting shall in no circumstances be accepted. Non-production of signed bidding documents will lead to disqualification/non-responsive.

2.10 Affidavit

An affidavit should be provided by the bidders that their firm/individual has never been blacklisted by any Government Department.

2.11 Tax Certificate

The bidders should specifically indicate their **NTN / GST** No. and Circle of the Income Tax Department. Latest Tax return submitted must be included as a proof that the firm is presently a Tax paying business.

2.12 Sample Submission

The bidders have to deposit their sample/s along with Technical proposal where demanded at the time of opening of tender.

2.13 Violation of Standard Specifications

Stores found not according to the standard specifications will be rejected at the cost of the contractor and may also result in forfeiture of security and blacklisting the firm/individual. However, the store may be accepted if the offered store has higher/ better specification than the standard specific.

2.14 Payment to Contractor

Upon receipt of stores and the inspection of stores, the inspection note and the bill for payment will be forwarded to the office of Accountant General Punjab, for payment to the contractor.

2.15 Prices

Prices charged by the Supplier for goods delivered under the Contract shall not vary from the prices quoted by the Supplier in its bid and shall remain the same till expiry of the original bid validity period provided the Procuring Agency's request for bid validity extension.

2.16 Contract Amendments

- i. No variation in or modification of the terms of the Contract shall be made except by written amendment signed by the parties.
- ii. No variation in finalized brands/ makes/models shall be allowed except in special conditions where the manufacturer has stopped producing or suspended that model or the latest model of similar series or version has been launched by the manufacturer or non-availability due to international mergers of the manufacturers or similar unavoidable constraints.

2.17 Assignment

The Supplier shall not assign, in whole or in part, its obligations to perform under this Contract, except with the Procuring Agency's prior written consent.

2.18 Subcontracts

The Supplier shall not be allowed to sublet the job and award subcontracts under this Contract except the firms/individuals involved in the Joint Venture/ Consortium.

2.19 Delays in the Supplier's Performance

- i. Delivery of the goods/services shall be made by the Supplier in accordance with the time schedule prescribed by the Procuring Agency in the Schedule of Requirements.
- ii. If at any time during performance of the Contract, the Supplier should encounter conditions impeding timely delivery of the goods, the Supplier shall promptly notify the Procuring Agency in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the Supplier's notice, the Procuring Agency shall evaluate the situation and may at its discretion extend the Supplier's time for performance, with or without liquidated damages, in which case the extension shall be ratified by the Parties by amendment of Contract. LD 0.1% per day.

2.20 Post Bid Approval Procedure

In case of approval / acceptance of technical & financial evaluation / bid, advance acceptance letter will be issued to the qualified bidder. The bidder will be required to submit 10% performance guarantee within 3 days of the issuance of advance acceptance letter failing which the bidder will be issued final notice giving an extension of 3 days for submission of 10% performance guarantee. The mode of payment will be incorporated in the contract after the mutual understanding. If the bidder does not respond to the final notice to deposit required performance guarantee, the procuring agency will be deemed to consider that the bidder is incapable to supply the mandatory merchandise/service and the said procurement process with the supplier will be treated as null and void and next lowest bidder, if any, will be offered to supply goods. The deposited bid security (3%) will be confiscated in lieu of expenses incurred on procurement process and the said bidder will not be allowed to participate in future procurements of the Punjab Police Department.

2.21 Blacklisting of Contractors / Suppliers

Contractors/ Suppliers may be blacklisted following the procedure under rule 21 of PPRA Rules, 2014.

A procuring agency may, for a specified period, debar a bidder or contractor from participating in any public procurement process of the procuring agency, if the bidder or contractor has:

- (a) acted in a manner detrimental to the public interest or good practices;
- (b) consistently failed to perform his obligation under the contract;
- (c) not performed the contract up to the mark; or
- (d) Indulged in any corrupt practice.

2.22 Declaration of Disqualification`

As per rule 19& 21 of PPR-2014, procuring agency shall disqualify a contractor on the ground that he had provided false, fabricated or materially incorrect information.

2.23 Liquidated Damages in Case of Late Deliveries of Stores

- i. The rate of the liquidated damages shall be 0.1 % of the contract price per day. The maximum amount of liquidated damages for the whole of the goods or part thereof shall be 10% of the contract price.
- ii. The penalty shall be only for the stores supplied late, except where the undelivered stores hold up the delivered stores in that case the liquidated damages shall be for the total value of the contract.
- iii. The contractor who refuses to pay liquidated damages or delays supplies shall be blacklisted. The Audit Officer shall make payment of the balance amount after deduction on liquidated damages without reference to the Purchase Officer subject to later adjustment concerned. Any subsequent refund if desired shall be treated as the refund of revenue. Refund will be made by the concerned Audit Officer on submission of bill in the usual form by the supplier. The fact of the refund will be noted against original entries of deduction to guard against double payment.
- iv. Recovery of the liquidated damages may be affected from payments due to the contractors from other purchases organizations as well.

- v. The question of refund of liquidated damages may be taken up on the representations of the affected party and refund in full or part thereof, may be allowed on merits having regard to condoning circumstances obtaining in the case. Before, making the refund the supplier concern should be required to give an undertaking (in writing) to the effect that the decision is acceptable to him and that it shall not be subject to any legal proceedings or arbitration at a later date.

2.24 Use of Contract Documents and Information

- i. The Supplier shall not, without the Procuring Agency's prior written consent, disclose the Contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the Procuring Agency in connection therewith, to any person other than a person employed by the Supplier in the performance of the Contract. Disclosure to any such employed person shall be made in confidence and shall extend only as far as may be necessary for purposes of such performance.
- ii. The Supplier shall not, without the Procuring Agency's prior written consent, make use of any document or information enumerated
- iii. Any document, other than the Contract itself, shall remain the property of the Procuring Agency and shall be returned (all copies) to the Procuring Agency on completion of the Supplier's performance under the Contract if so required by the Procuring Agency.

2.25 Inspection Criteria

The contractor shall afford at his own expenses that Inspection Authority shall have full and free access at any time during the contract to the contractor's works and may notwithstanding any contractual terms to the contrary require the contractor to make arrangements for the stores or any part thereof, to be inspected at his premises or at any other place and the contractor shall reserve similar rights as regards any sub-contract he may make. The contractor shall pay all cost connected with such tests and provide without extra charges all materials, tools, labour and assistance of every kind which the Inspector may consider necessary for any tests and examination other than special or independent tests, which he shall enquire to be made on the contractor's premises, and shall pay all cost attendant thereon failing these facilities (in regard to which the Inspection Authority will be the sole Judge) at his own premises for making the tests. The contractors shall bear the cost out such test elsewhere. The contractors shall also provide and deliver free of charge at such place as the Inspection Authority may direct such material, as he may direct such material, as he may require for testing by chemical or other analysis or independent testing machine or means commonly in use according to the nature of the stores. In the event of such tests being unsatisfactory and resulting in or leading to the rejection of the stores concerned, the cost of the test will be borne by the contractor such costs will be assessed at the rates charged by the Laboratory concerned for work done for private firms and individuals.

2.26 Insurance

The goods supplied under the Contract shall be delivered duty paid DDP and CIF etc. (where applicable) as mentioned under which risk is transferred to the buyer after having been delivered; hence, marine and inland insurance coverage is Supplier's responsibility. The Supplier shall ensure insurance in advance in full on prevailing premium rates at the time of shipment of the Goods on the behalf of the Procuring agency for which the cost is inclusive in the Contract Price.

2.27 Transportation

- i. The Supplier shall arrange such transportation of the goods as is required to prevent their damage or deterioration during transit to their final destination as indicated in the Schedule of Requirement, where applicable.

- ii. Transportation including loading/ unloading of goods shall be arranged and paid for by the Supplier, and related cost shall be inclusive in the Contract price. The addresses of destinations/ offices shall be provided at the time signing of Contract.

2.28 Force Majeure

The Supplier shall not be liable for forfeiture of its Performance Guaranty/ bid Security, or termination/ blacklisting for default if and to the extent that it's delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure. For the purposes of this clause Force Majeure means an act of God or an event beyond the control of the Supplier and not involving the Supplier's fault or negligence directly or indirectly purporting to mis-planning, mismanagement and/or lack of foresight to handle the situation. Such events may include but are not restricted to acts of the Procuring Agency in its sovereign capacity, wars or revolutions, fires, floods, earthquakes, strikes, epidemics, quarantine restrictions and freight embargoes. If a Force Majeure situation arises, the Supplier shall promptly notify the Procuring Agency in writing with sufficient and valid evidence of such condition and the cause thereof. The Committee of Ministry of Health, constituted for Redressal of grievances, shall examine the pros and cons of the case and all reasonable alternative means for completion of purchase order under the Contract and shall submit its recommendations to the competent authority. However, unless otherwise directed by the Procuring Agency in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical and shall seek reasonable alternative means for performance not prevented by the Force Majeure event.

2.29 Termination for Insolvency

The Procuring Agency may at any time terminate the Contract by giving written notice of one-month time to the Supplier if the Supplier becomes bankrupt or otherwise insolvent. In this event, termination shall be without compensation to the Supplier, provided that such termination shall not prejudice or affect any right of action or remedy which has accrued or shall accrue thereafter to the Parties.

2.30 Arbitration and Resolution of Disputes

In the cases of dispute between the Purchaser and the Supplier who is a national of the Purchaser country, the dispute shall be referred to adjudication or arbitration in accordance with the Arbitration Act 1940.

2.31 Submission of the Bid

Procuring agency will provide each bidder with sample of the item, where applicable.

- a. Bidders will submit the bids.
- b. Bids which do not submit with samples or which submit with a sample that not comply with specifications, will be rejected.

2.32 Schedule of Delivery

The completion of store is required by the consignee as per period specified in the contract.

SPECIFIC INSTRUCTIONS TO BIDDERS

Late Submission of Bidding Applications:

The Bidding application which is received after the closing date and time shall not be entertained.

Lack of Information

Failure of an applicant to provide comprehensive and accurate information that is essential for the Purchaser's evaluation of the applicant's Bidding or to provide timely clarification or substantiation of the information supplied may result in disqualification of the applicant and same shall be communicated in accordance with provisions of Punjab Procurement Rules, 2014.

Updating Bidding Information

Bidding Applicants shall inform the Purchaser of any material change in information that might affect their qualification status. Applicants shall be required to update key Bidding information at the time of bidding. Prior to award of contract/supply order, the lowest evaluated company will be required to confirm its continued qualified status in a post qualification review process as deemed appropriate by the Purchaser.

Only one Application

An Applicant shall submit only one application in the same Bidding process. An Applicant who submits, or participates in, more than one application will cause all the applications in which the Applicant has participated to be disqualified.

Compliance

The Successful appellant shall comply with and acquire all consents, approvals, permits and licenses applicable under the laws of Pakistan in relation to the performance of the work & services. Each Prospective company shall indemnify the Purchaser, its Affiliates and their advisors fully in respect of any direct or indirect losses, damages, costs, penalties or expenses of any kind incurred by such person arising from a Prospective Joint Venture's breach of the obligations referred to above.

Fraud & Corruption:

The applicant shall observe the highest standards of ethics during this Bidding and further processing. The Purchaser defines for the purposes of this provision, the terms set forth below:

- i. “corrupt practice” means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the action of a public official in the Bidding process or in contract execution;
- ii. “fraudulent practice” means a misrepresentation or omission of facts in order to influence the Bidding process; “collusive practice” means a scheme or arrangement between two or more Applicants, with or without the knowledge of the Purchaser, designed to establish artificial data/ information; and
- iii. “coercive practice” means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the Bidding process;

Purchaser will reject an application for Bidding if it determined that the Applicant recommended for award has, directly or through an agent, engaged in corrupt, fraudulent, collusive or coercive practices; and

Purchaser will sanction a company or individual, including declaring them ineligible, either indefinitely or for a stated period of time for Bidding if it at any time determines that they have, directly or through an agent, engaged, in corrupt, fraudulent, collusive or coercive practices.

No Conflict

Applicant and all parties constituting the Applicant shall not have a conflict of interest. Applicants shall be considered to have a conflict of interest if,

- such applicant and any other applicant have common controlling shareholders or other ownership interest; or
- a constituent of such applicant is also a constituent of another applicant; or
- such applicant has a relationship with another applicant, directly or through common third parties, that puts them in a position to have access to each other’s information about, or to influence the Bidding of either or each of the other applicant; or such applicant has participated as a consultant to the Client in the preparation of any documents, design or technical specifications of the Project.

Requisition of Order

Requisition shall be made from Central Police Office.

Inspection and Tests

The contractor shall afford at his own expenses that Inspection Authority shall have full and free access at any time during the contract to the contractor’s place/works and may notwithstanding any contractual terms to the contrary require the contractor to make arrangements for the stores or any part thereof, to be inspected at his premises or at any other place and the contractor shall reserve similar rights as regards any sub-contract he may make. The contractor shall pay all cost connected with such tests and provide without extra charges all materials, tools, labour and assistance of every kind which the Inspector may consider necessary for any tests and examination other than special or independent tests, which he shall enquire to be made on the contractor’s premises, and shall pay all cost attendant thereon failing these facilities (in regard to which the Inspection Authority will be the sole Judge) at his own premises for making the tests. The contractors shall bear the cost out such test elsewhere. The

contractors shall also provide and deliver free of cost at such place as the Inspection Authority may direct such material, as he may direct such material, as he may require for testing by chemical or other analysis or independent testing machine or means commonly in use according to the nature of the stores. In the event of such tests being unsatisfactory and resulting in or leading to the rejection of the stores concerned, the cost of the test will be borne by the contractor such costs will be assessed at the rates charged by the Laboratory concerned for work done for private firms and individuals.

Special Instructions

It has been observed and complaint by many senior officers that many of Police vehicles emit black smoke while driving. One of the major cause of substandard Engine Oil. In order to owe this pilferage.

It has been decided by the committee that only sealed Pack authorized lubricants from PSO depot will be purchased and delivered. Every vehicle of Lahore district including Senior officers will report to District Police Lines, Lahore and oil will be changed under camera and computerized gallon No. will be mentioned in Log book to avoid any pilferage.

Payment Terms

Payment will be made by the Client for the delivery of Goods/ services by the Contractor. Also, the payment shall only be made after the certification of invoice.

Payment to Contractor

After receiving an application for payment which the Contractor was entitled to receive, the Client shall proceed for the payment to contractor subject to the conditions that there are no:

- Defects or short comings in the Service Provided.
- The performance of the Goods and Services is satisfactory

PURCHASER'S RIGHTS

51.	P/F double bib cock 1/2" dia i/c Muslim shower with 1 meter long pipe (Master/Sonex) complete in all respect.
52.	Repair of old Almirah i/c replacement f damaged deodar wood (wooden frame size 2"x1" vertical post fixed with screws i/c replacement of daaged laminated sheet box 36" deep and fing of front 12mm Tampered glass fixed with door hinges imported i/c cost of nails screws locking arrangements i/c front fancy type wooden cornic or top and bottom i/c anti termite treatment and polishing of wooden frame complete in all respect.
53.	S/E LED Warm Light 4" dia complete in all respect
54.	P/F of 36" deep Almirah consist of 3/4" thick laminated sheet boxing shelves, Leaves and back i/c deodar wood frame 3"x1" for leaves i/c front fancy type wooden cornic or top and bottom i/c anti termite treatment and polishing of wooden frame i/c cathers, fancy handles, locks, i/c Painting/Polishing complete in all respect.
55.	P/F kitchen cabinet 15" deep consisting of 3/4" thick double sided laminated vin board sheet for boxing and back UV acrylic sheet 18mm thick (China) for front leaves i/c cost of hinges, screws handles hangers rod, brackets PVC tape and drawer railing complete in all respect.
56.	P/F Sink Bowl Stainless Steel Size 14"x17" best quality complete in all respect.

57.	Providing, laying, cutting, jointing, testing and disinfecting pipe line in trenches with PVC pipes of B.S.S with 'D' Class working pressure complete in all respects: 2" Dia
58.	3" Dia
59.	4" Dia
60.	6" Dia
61.	8" Dia
62.	Providing and installing P.V.C. plain bend / Plug bend, of B.S.S Class 'D' working pressure: 2" dia
63.	3" dia
64.	4" dia
65.	6" dia
66.	8" dia
67.	Providing and installing P.V.C. plain Tee / Plug Tee, of B.S.S Class 'D' working pressure: 2" dia
68.	3" dia
69.	4" dia
70.	6" dia
71.	8" dia
72.	Fabrication of mild steel reinforcement for cement concrete, including cutting, bending, laying in position, making joints and fastenings, including cost of binding wire and labour charges for binding of steel reinforcement (also includes removal of rust from bars): Deformed bars (Grade-40)
73.	S/E Fancy Globe Light complete in all respect.
74.	S/E LED Light 24"x24" best quality complete in all respect.
75.	S/E Switch 10-Amp Hilife complete in all respect.
76.	S/E 2 Pin socket Hilife complete in all respect.
77.	S/E 2 Fan Dimmer Hilife complete in all respect.
78.	S/E Light Plug Hilife complete in all respect
79.	S/E Power Plug Hilife complete in all respect.

80.	S/E Holder Tekey 4" dia with screw 1.5" long
-----	--

81.	P/L 3/4" thick Prepolished Marble Slab Granite (Glaxy Black) for kitchen counter 2' - wide making nozing on one side laid over bed of 3/4" cement and sand mortar 1:2, filling joints with white cement and matching pigment i/c cutting, finishing complete in all respect.
82.	Providing and fixing all types of partly fixed and partly openable glazed anodised bronze colour aluminium doors, using delux section of M/S Al-Cop or Pakistan Cables, having chowkat frame of size 40 x 100 mm (1 1/2"x4") and leaf frame of 60x40 mm (2 1/2" x 1 1/2") wide sections including the cost of 1/4" (5mm) thick imported tinted glass with aluminium triangular gola and rubber gasket to support the glass and leaf edging, using approved standard fitting locks, 3" (75 mm) wide long handles complete in all respect.
83.	P/F blind paper complete in all respect.
84.	P/F seat cover (hydrolic) Bakelite Complete in all respect.
85.	P/F Magnetic Door Stopper
86.	S/E LED Bulb 24w Complete in all respect.
87.	S/E LED Bulb 12w Complete in all respect.
88.	S/E LED Street Light 50w Complete in all respect.
89.	S/E LED Ceiling Light 8" dia complete in all respect.
90.	S/E LED Ceiling Light 4" dia complete in all respect.
91.	S/E Bulb Holder
92.	S/E PVC Pipe for wiring complete in all respect. 1" dia 2" dia.
93.	S/E China Plate size i/c all necessary fitting complete in all respect. (6+2) (4+2)
94.	S/E Fan Dimmer China made complete in all respect.
95.	S/E Light Plug 15 Amp having three pin socket with switch cover China Made complete in all respect.
96.	S/E Power Plug 30 Amp having three pin socket with switch cover China Made complete in all respect.
97.	S/E Telephone Plate China Made complete in all respect.

98.	S/E PVC Box 4"x4" complete in all respect.
-----	--

99.	S/E PVC Box 4"x6" complete in all respect.
100.	R/O Hand Dryer (Siemens)
101.	P/F of laminated Wooden Floor 12 mm thick (MDF) laid over Jumbo Lawn Sheet, Tee & Gola with adhesive material complete in all respect.
102.	Providing and fixing of PVC Wall Panelling sheet 10"x9"-1/2"x8.3mm thick (imported) best quality with made finished joint i/c cost all labour complete in all respect as per approved by the engineer in-charge.
103.	P/F partition, including frame work: sheets on one side of framework with 1/2" plywood sheet.
104.	P/F of Mortice/Cylinder lock for Almirah / wardrobe / cabin box etc complete in all respect.
105.	P/F False ceiling consist of 5/8" thick 24"x24" plaster of paris sheet size 2'x2' hanging with steel wire/M.S flat 3/4x1/8 thick i/c drilling hole rowel plug complete in all respect.
106.	S/E of Multi light Plug/Power Plug with PVC Box complete in all respect.
107.	Dismantling brick work in lime or cement mortar.
108.	Cement plaster 1:4 upto 20' (6.00 m) height: 3/4 (20 mm) thick (HDF)
109.	P/F Wooden Floor 12 mm thick size 16"x32" laid over 5mm thick insulation sheet i/c labour charges complete in all respect.
110.	Providing and fixing ornamental wooden architrave 3"x 1 1/2" tapered to 1/4") all along the door frame complete in all respect (Teak wood architrave)
111.	P/F 5 mm thick glass complete in all respect
112.	P/F of Porcelain base power plug 30-Amp i/c cover plate with frame i/c PVC box complete in all respect.
113.	P/F of C.P Sink mixing valve i/c making connection.
114.	P/F of Fancy type of plaster of paris Gola 4" to 5" wide fixed with screws complete in all respect.
115.	P/F of LED Lights for ceiling 5" dia complete in all respect.
116.	P/F of Fancy C.P Bath room accessories set (6/7 pieces) heaving towel rail shelf paper holder ring soap dish respect soap paper complete in all respect.
117.	P/F fancy type round glazed earthen water vanity 18" dia water coupling etc fixing a site complete in all respect.

118.	Relaying of single layer of tiles 9"x4 ½" x1 ½"
------	---

	i) Take 70% old tile i/c grouting and finishing
	ii) 30% New Tile without earth filling/bitumen
119.	Making & fixing of shed with fiber glass sheet 3-mm thick over frame of M.S box section pipe 1-1/2"x1-1/2" of 18-SWG @2-3/4" C/C both way ornamental design of flatpatty 1-1/2"x1/4" on front and back of shed. The upper frame supported with outer pillar of G.I.pipe 4" dia (12-SWG) i/c embedded in PCC 1:2:4 upto 2' below ground level over P.C.C.1:4:8 i/c painting 3-coats complete in all respect.
120.	Dismantling and Removing old tuff paver/Damaged Broken.
121.	R/O of tuff pavers of 50mm thick having compressive strength 7000-Psi of approved design and shape with all joints to be filled in sand and compacted to form frictional inter locking and sand cushion 2" thick over existing compacted base as approved by the Engineer Incharge.
122.	Providing and fixing anti climb high security galvanized razor cut wire having double sharp four U-shaped pointed 0.5 mm thick (22mmx15 mm barbs) spaced @ 33 mm c/c clad over 2.5 mm dia high tensile Core wire making coil fencing of specified diameter @ 4" c/c fixed on 2'-3" high M/S angle iron post 1½"x1½"x3/16"embedded in base of PCC (1:2:4) (4"x4"x9") @ 4' apart i/c the cost of 2 No. bars 3/8" dia welded horizontally with angle iron posts , binding wire, painting of posts, etc. complete in all respect.
	(i) 18" diameter
	(ii) 24" diameter
123.	Spraying anti termite proofing by using liquid FMC Biflex 2.5%EC Mixing Ratio 1:50=137-Sft or using liquid MIRAGE Ali Akbar /RANGERS Auriga 5% SC Mixing Ability- HEXSTAR Ratio 1:110=205-Sft or any other equivalent approved liquid applying with shower and certificate will be provided by the contractor for 10- years complete in all respect.
124.	Providing and fixing aluminum glazed partition of anodized bronze colour using section of M/s. Al-Cop/ Pakistan Cable having 2 mm thick Frame size D48-A , i/c 12 mm glass with sand blasting and edge polishing i/c the cost of tear resistance film, rubber gasket and hardware etc. complete in all respect.(Floor hinge will be paid separately)
125.	Dismantling glazed or encaustic tiles, etc
126.	Supplying and filling sand under floor; or plugging in wells.

127.	Providing and laying superb quality Porcelain glazed tiles of Master brand, skirting/dado of specified size, Color and Shade with adhesive/ bond over 1/2"thick (1:2) cement plaster i/c the cost of and sealer for finishing the joints, cutting grinding complete in all respect.
	a) Full body Glazed Tile
	(i) 400 mmX400 mm
	(ii) 600mm x600 mm
	(iii) 600mmx 1200 mm
	b) Half body Tile
	(i) 400mm x400 mm
	(ii) 300mm x300 mm
128.	Providing and fitting glazed earthen ware wash hand basin 56x40 cm (22"x16") including bracket set, waste pipe and waste coupling, etc.
	i) white, with pedestal
	ii) coloured, with pedestal
129.	Providing and fitting glazed earthen ware water closet, squatter type (Orisa pattern), combined with foot rest.
	i) white
	ii) coloured
130.	Providing and fitting glazed earthen ware water closet European type, excluding seat and cover:-
	i) white
	ii) colored
131.	Providing and fixing, double seat and cover only.
	i) Bakelite
	ii) Plastic
132.	Providing, laying, testing and commissioning of (PPRC) water supply pipe i/c cost of solvent,specials,makingjharries complete in all respect. (Internal/External Diameters mentioned).
	PN-20 pipe

	(i)	(1/2") 20 mm
	(ii)	(3/4") 25 mm

	(iii) (1") 32 mm
	(iv) (1-1/4") 40 mm
	(v) (1-1/2") 50 mm
	(vi) (2") 63 mm
	(vii) (2-1/4") 75 mm
	(viii) (2-1/2") 90 mm
	(ix) (3") 110 mm
133.	P/L of PPRC gate wall.
	(iv) (1/2") 20 mm
	(v) (3/4") 25 mm
	(vi) (1") 32 mm
	(iv) (1-1/4") 40 mm
	(v) (1-1/2") 50 mm
	(vi) (2") 63 mm
	(vii) (2-1/4") 75 mm
	(viii) (2-1/2") 90 mm
	(ix) (3") 110 mm
134.	Providing and fixing angle iron railing, using 2½"x2½"x3/8" (63x63x10 mm) angle iron post 4½" (113 mm) long, 5' to 6' (1500 to 1800 mm) apart, with 2½"x2½"x3/8" (63x63x10 mm) angle iron top rail, and two rows of M.S. flat 2½"x¼" (63x6 mm) including fixing to side of Bridge/structure with U.bolt 1½' (450 mm) long ¾" (20 mm) dia, painting posts, etc. complete in all respects.
135.	Providing and fixing Copper winded Exhaust fan with louver and shutter made of Pak/Younas/G.F.C. i/c the cost of necessary cable and hardware for connection from ceiling rose complete in all respect.
	(a) Plastic body
	(i) 10" dia
	(ii) 12" dia
	(b) Steel body
	(i) 12" sweep
	(ii) 18" sweep

136.	Providing and fixing 4" deep cable tray with straight flange fabricated with perforated G.I. Sheet of specified gauge, size and depth duly wall supported/ceiling hung, supported on painted brackets of MS angle iron of 1-1/2"x1-1/2"x3/16" and MS patti of 1-1/2"x3/16" size @ 5 ft C/C, hangers i/c the cost of hardware 16SWG.
	(i) 4"x4"
	(ii) 9"x4"
	(iii) 10"x4"
137.	P/F PVC double layer Switch kit Faceplate with specified switch holes i/c the cost of switches / sockets / dimmer made of Hi-Life / Bush / Schenider, screws complete in all respect.
	(a) One way Gange Switch Small
	(i) 01 Gange
	(ii) 02 Gange
	(iii) 03 Gange
	(iv) Three pin Light Plug 10/13 Amp
	(v) Telephone / TV/Datacable socket
	(vi) Fan Dimmer
	(vii) bell push Each 59.40 449.40
	(viii) Three Pin Power Plug 15-32 Amp
	Large
	(i) 04 Gange
	(ii) 05 Gange
	(iii) 06 Gange
	(b) Two way Gange Switch Small
	(i) 01 Gange one way/ Two way
	(ii) 02 Gange
	(iii) 03 Gange
	(iv) 04 Gange

138.	Providing and fixing G.I. wire gauze 22 SWG, 12x12 meshes per square inch, (5x5 meshes in cm2) fixed to steel window, complete with flat iron patti ½"x 1/8" (13mmx3 mm) and machine made screws.
------	---

139.	Glazing with panes (24 oz. to 26 oz.), using. putty and deodar wooden fillets.
140.	Providing and fixing 3" (75 mm) thick R.C.C. manhole cover, 22" (550 mm) dia, with tee shaped C.I. frame of 20" set set (500 mm) clear i/d (frame weighing 37.324 Kg. or one maund) as per Standard Drawing STD/PD No. 5, of 1977, complete in all respects.
141.	Providing and installing P.V.C. blind pipe, B.S.S. Class 'D', in tubewell bore hole, including sockets and solvents and jointing with strainer, etc. complete in all respect. 4" dia.
142.	Providing and fixing electric motor complete with all accessories.
143.	P/F Cladding Sheet complete in all respect
144.	Supply and erection of PVC pipe for wiring on surface including clamps inspection boxes, pull boxes, bends, tees, repairing surface, etc., complete in all respect:-
	i) 12 mm i/d
	ii) 20 mm i/d
	iii) 25 mm i/d
	iv) 32 mm i/d
	v) 40 mm i/d
	vi) 50 mm i/d
145.	Supply and erection of PVC pipe for wiring recessed in walls, & including inspection boxes, pull boxes, hooks, cutting jharries, and repairing surface, etc., complete with all specials.
	i) 12 mm i/d
	ii) 20 mm i/d
	iii) 25 mm i/d
	iv) 32 mm i/d
	v) 40 mm i/d
	vi) 50 mm i/d
146.	Supply and erection of copper conductor cables for service ditto connection, in prelaidd pipe/G.I. wire/trenches, etc. (rate for cable only):- PVC insulated, PVC sheathed single core, 250/440 volts.
	i) (3/0.029")
	ii) (3/0.036")
	iii) (7/0.029")
	iv) (7/0.036")
	v) (7/0.044")

	vi) (7/0.064")
--	----------------

	vii) (19/0.052) (600/1000 volt grade)
147.	Supply and erection of copper conductor cables for service ditto connection, in prelaidd pipe/G.I. wire/trenches, etc. (rate for cable only):-, PVC sheathed 4 core, 660/1100 volt non armoured cable:-
	i) (7/0.064")
	ii) (19/0.052")
	iii) (19/0.064")
148.	Providing and fixing M.S. sheet hollow pressed frame of doors, windows, C. windows, etc. 20 SWG welded with M.S. flat 6"x 1¼" x 1/8" (150 mmx30mmx3mm) M.S. holdfast 9"x1"x1/8" (225mmx25mmx3mm) welded/screwed 4" (100 mm) long iron hinges, including filling chowkat with cement sand mortar 1:8 and embedding holdfast in cement concrete 1:2:4
	Single rebate
	Double rebate
149.	First class teak wood wrought joinery in wire gauze doors and windows with frames 22 SWG galvanized iron wire gauze 12x12 meshes to square inch, (5x5 meshes in cm2) including brass fittings, sash bars, etc. complete:- G.I. wire gauze 22 SWG, 12x12 meshes per square inch, (5x5 meshes per cm2) fixed to chowkat complete in all respect.
150.	Providing and laying 3/4" thick full width Prepolished Marble slab for Vanities/ Shelves/ Treads/ Window Cills, having Uniform texture (Spotless) with adhesive bond over 3/4" thick (1:2) cement sand mortar i/c the cost of matching sealer complete in all respects
	China Verona
	Ziarat White
151.	P/F fancy stainless stair railing 2-75 high comprising of steel at top and bottom having base plate 2"x3" stainless steel top plate support plate for fixing of 2" dia stainless steel pipe welded with required bends and shape i/c cost of stainless steel elbow and special polish after welded complete in all respect.
152.	Supply and erection of PVC duct patti including complete with all specials
	1" dia.
	2" dia.
	3" dia.
153.	P/F UPVC door with water proof, dust proof complete in all respect.

154.	P/F C.P handle for almirah best quality complete in all respect
------	---

155.	Providing and fixing false ceiling comprises of Gypsum board laminated sheet of size 2'x2'/ 2'x3'/ 3'x3' of specified design and thickness i/c cost of fixtures i.e. galvanized angle 1"x1" at wall sides, galvanized tee 1½"x1" and 1½"x1" both at 4' c/c (made of Taiwan CKM or equivalent), hanging with G.I/ Copper wire 16 SWG, G.I hook, Rawal Plug etc: complete in all respects as approved and directed by the Engineer Incharge.
