

ANNUAL POLICING PLAN

For the Calendar year 2022-2023
(Chapter-IV, Article-32 of Police Order-2002)

DISTRICT SARGODHA

District Police Officer
Sargodha

INTRODUCTION

Foreword from District Police Officer, Sargodha:

The preparation of Annual Policing Plan is now a statutory responsibility under the Police Order, 2002. Keeping in view that important responsibility, the District Police Sargodha put forward its Annual Policing Plan for the year 2022-23. District Police, Sargodha is fully aware of the fact that the preparation of the policing plan has important benefits. The foremost, being that the policing priorities are now selected in collaboration and input from the local community whereas; it also provides an institutionalized framework for performance evaluation of the district police at the local level.

Police in Pakistan is passing through a phase of reform and transformation. Sargodha police being part of this change has also tried to contribute through formulation of the Annual Policing Plan for the year 2022-23, and has set clear objectives and targets to be achieved during the year. However, this will only become possible if all the stakeholders provide their support to this reform drive. Cooperation of the local community of Sargodha is of paramount importance in that regard for successful service delivery by the local police.

I am confident that with the support of all our colleagues in the police department and local community of the district, we will be able to achieve the targets set in the policing plan.

Population:

Total Population of district Sargodha is 3.9 million.

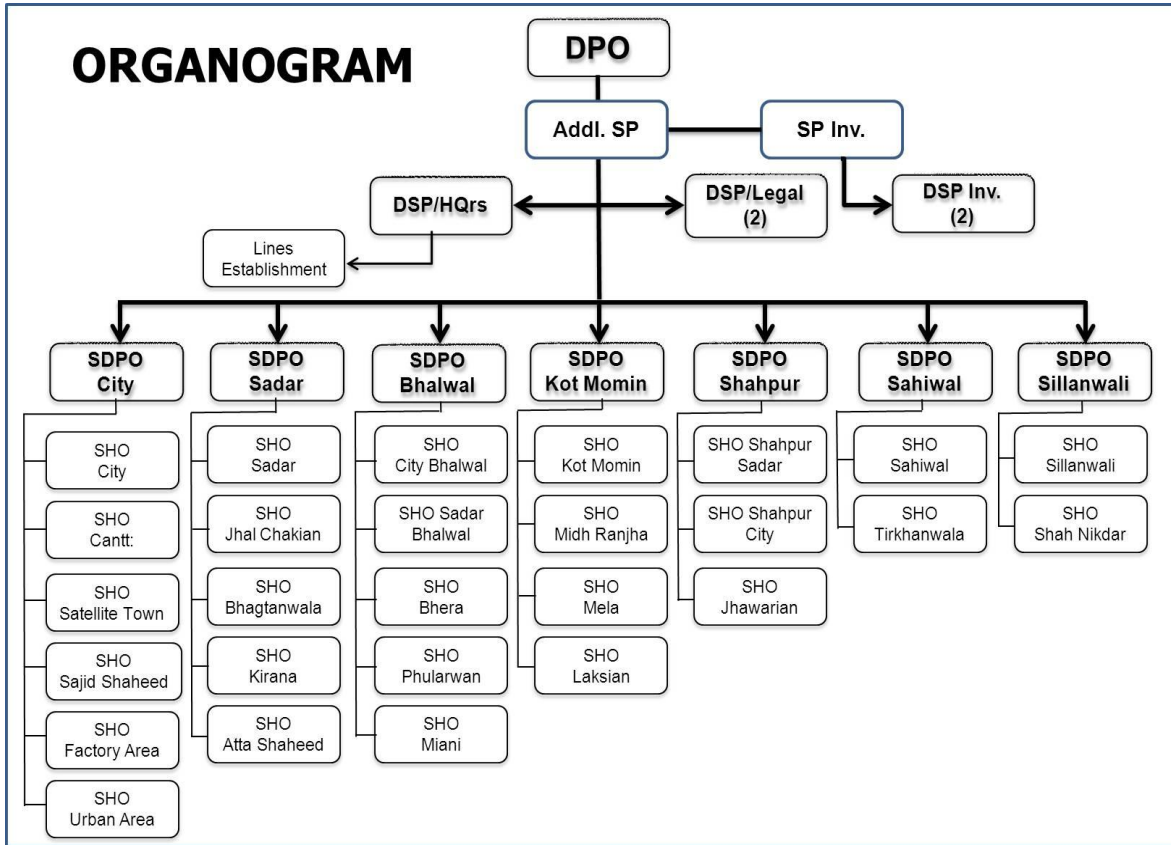

Area:

The district has an area of 5,864 km²

Divisions/Sub-Divisions/Police Stations:

There is total 07 Sub-Divisions and 27 Police stations in district Sargodha.

DISTRICT OBJECTIVES OF POLICING

Citizen focused police service:

Strategic Priority To develop a citizen-focused police service delivery that responds to the needs of communities and individuals, especially victims and detainees.

This goal envisages that the focus of the policing should be the common man. Furthermore, police should also try to improve the service delivery for the community and its individuals. This approach of policing requires that the citizen priorities should come to the fore. It also entails that whosoever comes into interaction with the police, he should get the best services. There is a special focus on victims and detainees in this regard. The plan provides details of these activities which should go a long way in development of citizen-focused police service delivery.

	Objectives	Targets	Activities	Action By	Indicators

REDUCTION IN OVERALL CRIME OF THE DISTRICT

**Strategic
Priority**

To reduce crime in the district especially related to the robberies and burglaries and to arrest targeted offenders

The reduction of crime is one of the major goals of the policing plan. New initiatives to reduce crime will be employed in the district. However, the effort in this regard will mainly focus on measures to be adopted in order to reduce robberies and burglaries. Similarly in order to achieve the optimal results and keeping in view the provincial priorities; the offenders, who have been arrested or convicted in heinous crimes during the last five years, will be specifically targeted.

	Objectives	Targets	Activities	Action By	Indicators

DEVELOPMENT OF POLICE COMMUNITY RELATIONSHIPS

**Strategic
Priority**

To develop and improve long standing relationship between police and community of the district.

In order to develop and improve relationship between police and community on a long-term basis, community policing is to be adopted as an organizational philosophy so that it can provide the community with the voice in how it will be policed and a voice in setting law enforcement priorities. Similarly, it can also provide the police department to solicit community resources and a way to make police more responsive. In case of the individual officer associated with the community policing, the major benefits include; self-satisfaction from solving problems, the opportunity to become familiar with the people and a positive change in how the community views him.

	Objectives	Targets	Activities	Action By	Indicators
